

OFFICIAL JOURNAL.

NEW YORK, MONDAY, APRIL 5, 1886.

NUMBER 3,913.

Resolved, That the Commissioner of Public Works be and he is hereby authorized, directed and required to cause the watering-trough now in the carriage-way of First avenue, near Forty-fourth street, to be removed forthwith, as it is an unwarranted encroachment and obstruction to the free use of the public street ; also the large covered booth, used as a blacksmith or horseshoeing establishment, incumbering and obstructing the free use of the sidewalk on the west side of First avenue at Forty-fourth street.

Resolved, That permission be and the same is hereby given to the owners of property on New avenue, from One Hundred and Thirty-fifth to One Hundred and Thirty-seventh street, to regulate, grade, set curb-stones, and flag a space four feet in width through the centre of the sidewalk, the work to be done at their own expense, under the direction of the Commissioner of Public Works.

Resolved, That permission be and the same is hereby given to Jacob Wolf to place a watering-trough in front of his premises, No. 166 Delancey street, the water to be supplied and the work done at his own expense, under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

AN ORDINANCE to regulate the use of the sidewalks of the City of New York, within the stoop-lines, for signs and other purposes.

Section 1. Signs may be placed on the fronts of buildings, and shall be securely fastened, and, except in the case of swinging signs, shall not project more than one foot from the house-wall. Swinging signs shall not extend beyond four feet from the house-line, and shall be hung not less than eight feet in the clear above the level of the sidewalk, and in no case above the ceiling of the second floor, the ground floor being the first floor. Signs may be attached to the sides of stoops, but not to extend above the railing or beyond the line of any stoop.

Sec. 2. Show-cases may be placed in areas or on the sidewalk within the stoop-line, in front of any building, by or with the consent of the occupant of the ground floor thereof; but not beyond five feet from the house-line or wall of any building where the stoop-line extends further; and provided, also, that no such show-case shall be more than five feet in height, three feet in length, and two feet in width, nor shall be so placed as to interfere with the free access to the adjoining premises, and all such show-cases shall be freely movable.

Goods, when exhibited, shall not be placed more than three feet from the building-line, and not to a greater height than five feet above the level of the sidewalk.

Barber-poles not exceeding five feet in height, and other emblematic signs may be placed within the stoop-lines, or fastened to the railing of any stoop, under the same conditions as to dimensions, consent, etc., as hereinabove provided for show-cases.

Ornamental lamps and illuminated signs may be placed on the stoop of any building by the owner of such building, and upon or within the stoop-line by the occupant of the ground floor of any premises.

Drop-awnings, without vertical supports, are permitted within the stoop-lines, but in no case to extend beyond six feet from the house-line, and to be at least six feet in the clear above the sidewalk.

Storm-doors, not exceeding ten feet in height, nor more than two feet wider than the doorway or entrance of any building, may be temporarily erected within the stoop lines, but in no case to extend more than six feet outside the house-line. No structure under the name of "storm-door" shall be lawful which shall practically be an extension of the building-front or house-front within the stoop-line, or an enlargement of the ground floor of any premises.

Stairways may be constructed, but not at a greater distance than four feet from the house-wall of any building. Hoistways may be placed within the stoop-lines, but in no case to extend beyond five feet from the house-line, and shall be guarded by iron railings or rods to prevent accidents to passers-by.

Stands for the sale of newspapers, periodicals, fruit and other small wares and merchandise, are permitted within the stoop-lines, with the consent of the owner or occupant of the ground floor of the building in front of which such stands may be placed, but in no case to extend beyond four feet from the house-line nor more than six feet in length; and provided that no covered stand or booth shall be permitted under this ordinance except for the sole purpose of the public sale of newspapers, periodicals, cigars and tobacco.

Sec. 3. All privileges which may be exercised under the provisions hereof shall be without expense or charge to the city, are conferred only during the pleasure of the Common Council, who may, at any time, alter, amend or repeal this ordinance.

Sec. 4. All ordinances and parts of ordinances inconsistent with the provisions hereof are hereby repealed.

Sec. 5. This ordinance shall take effect immediately.

Adopted by the Board of Aldermen, March 2, 1886.
Received from his Honor the Mayor, March 16, 1886, with his objections thereto.
In Board of Aldermen, March 30, 1886, taken up, reconsidered, as provided in section 75, chapter 410, Laws of 1882, and adopted, notwithstanding the objections of his Honor the Mayor, three fourths of all the members elected voting in favor thereof.

Whereas, This Board has learned, with the most profound sorrow, of the death of Bernard Kenney, at his residence in this city, on the 27th instant; and

Whereas, Bernard Kenney was respected by all who knew him, and he was deservedly one of the most popular public men in this city. He was elected a member of the Board of Councilmen in the year 1865, and annually re-elected by his constituents to that important office four consecutive times. He was elected one of the representatives in this Board of Aldermen from the Sixth Senate District in the years 1879 and 1880, and was one of the representatives of this city at large in this Board for the year 1881. At the time of his death he held the office of Inspector of Warehouses under the General Government, and at other times held minor offices of honor and responsibility ; and

Whereas, The death of Bernard Kenney should admonish us that "in the midst of life we are in death," and that "no man knoweth when his time cometh;" that while a few days ago our

departed friend was in the enjoyment of good health, surrounded by every comfort, enjoying every blessing, and with the brightest anticipations for the future in this life, honored, admired and beloved by a large circle of friends, the idol of a devoted family, to-day he is numbered with the dead, and there only remains of him to us the recollection of his noble qualities of head and heart, and the many virtues of which he was the exemplar; and

Whereas, The death of Bernard Kenney imposes upon this Common Council the sad duty of adopting such measures as will best manifest our sorrow ; our sympathy with his afflicted friends, his sorrowing relatives and his bereaved family, and of paying a proper tribute of respect to his memory ; be it therefore

Resolved, That the members of this Board of Aldermen profoundly regret the death of Ex-Alderman Bernard Kenney; we condole with his friends and relatives in the great loss they have sustained, and to his bereaved family—his stricken wife and fatherless children—we tender our heartfelt sympathy, reminding them that "whom the Lord loveth, he chasteneth," and trusting that He who is both "a father to the fatherless," and "a comforter of the afflicted," will vouchsafe to take them into his holy keeping; and be it further

Resolved, That out of respect for the memory of the deceased, the members of this Board will attend his funeral this afternoon, and that a copy of the foregoing preamble and resolutions be suitably engrossed and framed, and transmitted to the family of the deceased : and be it further

Resolved, That, as an additional mark of respect for the memory of Ex-Alderman Bernard Kenney, this Board do now adjourn.

Adopted by the Board of Aldermen unanimously, March 30, 1886.
Approved by the Mayor, March 31, 1886.

CAS COMMISSION.

DEPARTMENT OF PUBLIC WORKS.

TO CONTRACTORS.

**PROPOSALS FOR ESTIMATES FOR URNISH-
ING, LIGHTING AND MAINTAINING
ELECTRIC LIGHTS ON THE STREETS,
AVENUES, PIERS, PARKS AND PUBLIC
PLACES OF THE CITY OF NEW YORK,
FOR THE PERIOD OF ONE YEAR, COM-
MENCING ON MAY 1, 1886, AND ENDING
ON APRIL 30, 1887, BOTH DAYS INCLU-
SIVE.**

**ESTIMATES FOR THE ABOVE WILL BE RE-
CEIVED** at the office of the Commissioner of Public
Works, No. 31 Chambers street, in the City of New York,
until 2 o'clock P. M. of THURSDAY, APRIL 15, 1886,
at which place and time they will be publicly opened by
said Commissioner and read.

Any person making an estimate for the above shall fur-
nish the same in a sealed envelope, indorsed "Estimate
for furnishing the illuminating material for, and lighting
and extinguishing, cleaning, repairing and maintaining
the public lamps," and also with the name of the person
making the same, and the date of its presentation.

Bidders are required to state in their estimates their
names and places of residence, the names of all persons
interested with them therein; and if no other person be
so interested, they shall distinctly state the fact; also
that it is made without any connection with any other
person making any estimate for the same supplies and
work, and that it is in all respects fair, and without col-
lusion or fraud; and also that no member of the Common
Council, head of a department, chief of a bureau, deputy
thereof, or clerk therein, or other officer of the Corpora-
tion, is directly or indirectly interested therein, or in the
supplies or work to which it relates, or in any portion of
the profits thereof; which estimate must be verified by the
oath, in writing, of the party making the same, that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite

that the verification be made and subscribed by all the
parties interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the bid or estimate, they
will, on its being so awarded, become bound as his or
their sureties for its faithful performance; and that if he
or they shall omit or refuse to execute the same, they
will pay to the Corporation any difference between the
sum to which he or they would be entitled upon its
completion, and that which the Corporation may be
obliged to pay to the person to whom the contract
may be awarded at any subsequent letting; the amount
in each case to be calculated upon the estimated amount
of the work by which the bids are tested; the con-
sent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same, that he is a householder or freeholder
in the City of New York, and is worth the amount of
security required for the completion of the contract
and stated in the proposals, over and above all his debts
of every nature, and over and above his liabilities as
bailee, surety and otherwise; that he has offered him-
self as a surety in good faith, and with an intention to
execute the bond required by law.

Bidders are required to state in their estimates the
district or several streets, avenues, piers, parks and
places, or parts of streets, avenues, piers, parks and
places in which they propose to perform the require-
ments herein contained, and also the illuminating or
candle-power of the light they propose to furnish, when
tested at a distance of not less than one mile from the
place of manufacture.

Bidders are also required to state the price per year for
which they will furnish the lights for the period from
May 1, 1886, to April 30, 1887, both days inclusive; stat-
ing the price, for the above named period of one year, for
each lamp.

Bidders proposing to furnish electric-lights must state
the kind of system of light (whether the Voltaic Arc or
Incandescent) they propose to furnish, also the candle-
power of the light by photometric test, according to the
London standard, and also whether the electric lamps
are to be used on the ordinary lamp-posts of the city, or
on special lamp-posts to be fitted up by the bidder with-
out cost to the city for such lamp-posts or their fittings.
If the light is to be by the "Voltaic Arc," the bidder is
to state the number of such lamps to be used for lighting
the streets or district for which the bid is made, and the
diameter of the carbon electrodes to be used in such
lamps.

The bidders are required to write out the amount of
their bids in their estimates, in addition to inserting the
same in figures.

Should any alteration or any attachment be required
to any portion of the lamps for which estimates are made
in consequence of the use of illuminating material other
than gas, then such alteration shall be done and such
attachment placed on the lamps without expense to the
city.

The number of hours the lamps are to be kept burning
during the contract is 3,200 hours.

The amount of security required on any contract which
will amount to \$400,000 and upwards shall be \$150,000;
on any contract which will amount to \$300,000 and less
than \$400,000, shall be \$125,000; on any contract which
will amount to \$200,000 and less than \$300,000, shall be
\$100,000; on any contract which will amount to \$100,000
and less than \$200,000, shall be \$75,000; on any contract
which will amount to \$80,000 but is less than \$100,000,
\$50,000; on any contract which will amount to \$60,000
but is less than \$80,000, \$36,000; on any contract which
will amount to \$40,000 but is less than \$60,000, \$24,000;
on any contract which will amount to \$20,000 but is less
than \$40,000, \$12,000; on any contract which will amount
to \$10,000 but is less than \$20,000, \$6,000; on any con-
tract which amounts to less than \$10,000, \$5,000.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
National Banks of the City of New York, drawn to the
order of the Comptroller, or money, to the amount of
five per centum of the amount of the security required
for the faithful performance of the contract. Such check
or money must not be inclosed in the sealed envelope
containing the estimate, but must be handed to the officer
or clerk of the Department who has charge of the esti-
mate-box, and no estimate can be deposited in said box
until such check or money has been examined by said
officer or clerk and found to be correct. All such de-
posits, except that of the successful bidder, will be re-
turned to the persons making the same within three
days after the contract is awarded. If the successful
bidder shall refuse or neglect, within five days after notice
that the contract has been awarded to him, to execute the
same, the amount of the deposit made by him shall be
forfeited to and retained by the City of New York as li-
quidated damages for such neglect or refusal; but, if he
shall execute the contract within the time aforesaid, the
amount of his deposit will be returned to him.

The award of any contract, if awarded, will be made as
soon as practicable after the opening of the bids.

Should the person or persons to whom any contract is
so awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his bid or estimate, or if he accept, but
does not execute the contract and give the proper
security, it may be readvertised and relet as provided by
law and ordinance.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless a written permission
shall have been previously obtained from the Mayor,
Comptroller, and Commissioner of Public Works.

The right is also reserved, whatever may be the illu-
minating material named in the estimate, when an estimate
is made containing bids for lamps in one or more streets,
avenues, piers, parks, or places, to accept from such
estimate or bid so much thereof as may be the lowest per
lamp in any one or more of such streets, avenues, piers,
parks or places, and to reject the remainder of such
estimate or bid which may not be the lowest as aforesaid.
The contract for lamps in any particular street, avenue,
pier, park or place, will be awarded, if awarded, to the
lowest bidder per lamp in such particular street, avenue,
pier, park or place.

The right is also reserved to determine and designate
in any locality, after the estimates are opened, what
illuminating material shall be used in the public lamps,
or any number of them, in such locality, during the
period above mentioned; also upon such determination,
to decline any estimate or part thereof for lighting such
locality with illuminating material other than that so
determined upon. Also to decline all estimates if deemed
for the best interests of the city. No estimate will be
accepted from or contract awarded to any person who is
in arrears to the Corporation upon debt or contract, or
who is a defaulter, as security or otherwise, upon any
obligation to the Corporation.

If the estimate of any bidder shall include any
lamps with which the pipes or conductors of such
bidder are not connected at the time of making the
bid, and a contract for furnishing the illuminating
material for and lighting, extinguishing, cleaning,
repairing, and maintaining any such lamps, shall be
awarded to such bidder, in that case, thirty days from
the date of the execution of such contract, and
such further time, not exceeding thirty days, as may
be deemed reasonable by the Commissioner of Public
Works, shall be allowed to such bidder in which
to connect such pipes or conductors with such lamps, and
all such connections shall be made by the party of the
second part without expense to the city.

But no payment to such bidder, on account of any such
lamps, will be made for the time so allowed, nor until
the same shall have been connected with the mains or
conductors of such bidder, nor except for the time during
which all the requirements herein mentioned shall have
been fully performed.

Blank forms of estimates can be obtained on application
at the office of the Commissioner of Public Works.

The term for which the leases are sold will commence from the date mentioned in the advertisement of the same, and as announced by the Auctioneer at the time of sale, viz.: from May 1, 1886; and the rents accruing therefor will become due and payable from that date respectively in each case.

This Department agrees to do all the dredging that it may deem necessary and proper.

No claim will be received, considered or allowed by the Department for the loss of wharfage or otherwise, resulting from any delay consequent upon any of the premises being occupied for repairs or dredging purposes.

The upset price for each of the above-named property or premises will be fixed by the Department of Docks, and announced by the Auctioneer at the time of sale.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the Auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited if the purchaser neglects or refuses to execute the lease and bond within five days after being notified that the lease is prepared and ready for signature and execution. The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing, to be liable to the Corporation for any deficiency which may result from such resale.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Wooden Ware, Lumber and Lime," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits,

except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,

NEW YORK, April 2, 1886.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR CON-STRUCTING UPPER PORTION OF PARK VERTICAL WALL ON THE WESTERLY SIDE OF FIFTH AVENUE, OPPOSITE AND ADJACENT TO SEVENTY-FOURTH STREET.

SEALED ESTIMATES FOR THE ABOVE WORK, indorsed with the above title, also with the name of the person or persons making the same, and the date of presentation, will be received at the office of the Department of Public Parks, No. 36 Union Square, New York City, until ten o'clock A. M., on Wednesday, the 14th day of April, 1886, at which place and hour the bids will be publicly opened by the head of said Department and read, and the award of the contract will be made as soon thereafter as practicable.

The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the work will be readvertised and relet, and so on until the contract be accepted and executed. The work to commence at such time as the Commissioners of the Department of Public Parks may designate.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in the specifications, or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be

handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested in them therein, and if no other person be so interested they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose; and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are required to state in writing, and also in figures, the price per lineal foot for upper portion of Park vertical wall, including coping of Ohio sandstone; also, the time required for the completion of the whole work, which will be tested at the rate of FOUR dollars per day.

These prices are to cover the furnishing of all the necessary materials and labor; and the performance of all the work as set forth in the specification and form of agreement.

It being understood that the time so bid refers to the aggregate time of such inspectors as may be appointed on the work, and not to consecutive days, and that the damages specified in covenant E (see section 2 (h) of the specifications) will be exacted for each and every day that the said aggregate time of the inspectors who may be employed on the work may exceed the time stipulated for the completion of the whole work.

The Engineer's estimate of the work to be done, and by which the bids will be tested, is as follows:
213 lineal feet of the upper portion of the Park vertical wall, including coping.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as possible in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of such statement or estimate, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial accordance with the specifications and the plan therein referred to. No extra compensation beyond the amount payable for the several classes of work before enumerated which shall be actually performed at the prices therefor to be specified by the lowest bidder shall be due or payable for the entire work. The amount of security required is fifteen hundred dollars.

Bidders are informed that no deviation from the specifications will be allowed unless a written permission shall previously have been obtained from the Commissioners of the Department of Public Parks. The contractor is required to notify the Engineer, in writing, forty-eight hours prior thereto, of the date he intends to actually begin work.

Bidders are specially notified that the Department of Public Parks reserves the right to determine the times and places for commencing and prosecuting the work, and that postponement or delay on the whole or any part thereof, occasioned by the precedence of other contracts, which may be either let or executed before or after the execution of the contract for this work, cannot constitute a claim for damages, nor for a reduction of the damages fixed for delay in completing the work beyond the time allowed.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work, can be obtained on application to the Secretary, at the office of the Department, No. 36 Union Square.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. Where more than one person is interested in the estimate the verification must be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise upon any obligation to the Corporation.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by the said officer or clerk and found to be correct. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

All the gravel to be furnished and delivered shall be of the kind generally known as Roa Hook gravel, and equal in all respects to that taken from the gravel bank situated on the east side of the Hudson river, north of Peekskill, and known as the Roa Hook Gravel Bank. It shall be of the best quality double screened gravel, and clean and free from loam and dirt, and in grade such as will pass through a screen with a two-inch mesh diagonal measure, but not to contain more than fifteen per cent, and not less than ten per cent, of material that will pass through a screen with a mesh having a diagonal measure of one thirty-second of an inch.

The prices are to cover the furnishing and delivering, also the expense of dockage, hauling and all necessary labor, and the performance of all the work as set forth in the specification and form of agreement.

The estimate of the work to be done and the quantity of gravel to be furnished and delivered is as follows:
7,000 cubic yards double screened gravel for roads and drives.

The Contractor will be required to deliver the above material in such quantities and on the line of such roads in the Central Park, and on Riverside Park and avenue as may from time to time be designated by the Superintendent of Parks.

Bidders must satisfy themselves by personal examination of the location of the roads and avenues where the material is to be delivered; also as to the distances from any pier or dock, or depth of water where such material can be landed, and shall not at any time after the submission of an estimate dispute or complain, nor assert that there was any misunderstanding in regard to the places, or the nature or amount of work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks and in substantial accordance with the specifications hereunto annexed.

N. B.—The amount of security required is five thousand dollars.

Bidders are specially notified that the Department of Public Parks reserves the right to determine the times and places for the delivery of said material and that the postponement or delay on the whole or any part thereof, occasioned by any obstructions on the roads, avenues and streets where such material is to be delivered, cannot constitute a claim for damages.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work, can be obtained on application to the Secretary at this office.

ROLLIN M. SQUIRE,
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
NEW YORK, January 26, 1886.

TO THE PUBLIC.

THE CHIEF ENGINEER OF THE CROTON Aqueduct reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, equal to 98,000,000 gallons, showing that this amount of water was used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this enormous waste, which is caused by consumers keeping faucets open day and night to prevent freezing in the service-pipes, and can only make this most urgent appeal to them to stop it, and notify them that unless it is stopped the pressures in the water-mains will be so much reduced that in a few days the water will not rise to the basements and cellars in thousands of buildings.

Respectfully,
ROLLIN M. SQUIRE,
Commissioner of Public Works.

TO CONTRACTORS.

PROPOSALS AND ESTIMATES FOR THE CLEANING OF THE STREETS, FOR THE REMOVAL OF SNOW AND ICE THEREFROM, AND FOR THE COLLECTION OF ASHES, GARBAGE, AND STREET SWEEPINGS, AND THE REMOVAL OF THE SAME IN THE FIRST STREET-CLEANING DISTRICT OF THE CITY OF NEW YORK.

ESTIMATES INCLOSED IN SEALED ENVELOPES, and indorsed with the name and address of the person or persons making the same, and the date of presentation, and a statement of the work to which they relate, will be received at the office of the Department of Street Cleaning, Nos. 31 and 32 Park Row, in the City of New York, until 12 o'clock P. M. of Wednesday, the 21st day of April, 1886, at which time and place the estimates will be publicly opened and read for the cleaning of streets, for the removal of snow and ice therefrom, and for the collection of ashes, garbage, and street sweepings, and the removal of the same in the First Street-Cleaning District of the City of New York for a period of three years, from the 1st day of May, 1886, until the 30th day of April, 1889, both days inclusive, in pursuance of authority conferred by chapter 367, Laws of 1881, upon the Commissioner of Street Cleaning to make and execute special contracts.

The Second Street-Cleaning District of the City of New York hereby designated by the Commissioner of Street Cleaning pursuant to law, consists of all that portion of the City of New York bounded as follows:

On the north by the southerly line of Fourteenth street, from Broadway westerly to the North or Hudson river; on the easterly side by the westerly line of Broadway, from Fourteenth street to Battery place; on the southerly side by the southerly line of Battery place, from Broadway to the North or Hudson river, and on the westerly side by the North or Hudson river, from Battery place to Fourteenth street.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute such contract within five days from the date of the service of a notice to that effect; and, in case of failure or neglect so to do, he or they will be considered as having abandoned such contract, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning will either make another selection from the bids or estimates submitted, or readvertise and relet the work.

If the person or persons to whom the contract may be awarded, shall neglect or delay to commence the work or any portion thereof, on the 1st day of May, 1886, the Commissioner of Street Cleaning will perform the said work or any portion thereof for such period of neglect or delay, and charge the whole expense of the same against the said person or persons.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any bid or estimate for the above work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, or a guarantee company incorporated under the laws of the State of New York, as shall be satisfactory to the Comptroller, to the effect that, if the contract is awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance, in the amount of FIFTY THOUSAND DOLLARS; and that, if he or they shall omit or refuse to execute the same, they will pay to the Mayor, Aldermen and Commonalty of the City of New York, any difference between the sum to which he would be entitled on its completion, and that which the Mayor, Aldermen and Commonalty of the City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The person or persons to whom the contract may be awarded, shall deposit with the Comptroller of the City of New York, on or before the execution of the contract or agreement, EIGHT THOUSAND DOLLARS, in cash or securities approved and accepted by the said Comptroller, as an additional security for the faithful performance of all the terms and conditions of the contract or agreement, and as a fund to be drawn upon by the Commissioner of Street Cleaning, to pay for any expense that may be incurred under the contract or agreement by the said Commissioner, or by the Mayor, Aldermen and Commonalty of the City of New York, by reason of the failure of the party or parties to whom the contract may be awarded, to faithfully comply with the terms and conditions of the contract.

Bidders will state a price per annum for doing the work.

The price must be written in the bid or estimate and also stated in figures.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the bid or bids the acceptance of which will, in his judgment, best secure the efficient performance of the work. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each estimate must be accompanied by a certified check on a solvent banking corporation in the City of New York payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the checks of the unaccepted bidders will be returned to them, and upon the execution of the contract the check of the accepted bidder will be returned to him.

Any contract made by the Commissioner of Street Cleaning may be terminated on ten days' notice by the said Commissioner, with the approval of the Mayor.

All bids must be made with reference to the form of contract and the requirements thereof on file at the Department of Street Cleaning, or they will be rejected.

Blank forms of specifications and proposals may be obtained at the Department of Street Cleaning, 31 and 32 Park Row, New York City, on or after Monday, March 22, 1886.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR THE CLEANING OF THE STREETS, FOR THE REMOVAL OF SNOW AND ICE THEREFROM, AND FOR THE COLLECTION OF ASHES, GARBAGE, AND STREET SWEEPINGS, AND THE REMOVAL OF THE SAME IN THE SECOND STREET-CLEANING DISTRICT OF THE CITY OF NEW YORK.

ESTIMATES INCLOSED IN SEALED ENVELOPES, and indorsed with the name and address of the person or persons making the same, and the date of presentation, and a statement of the work to which they relate, will be received at the office of the Department of Street Cleaning, Nos. 31 and 32 Park Row, in the City of New York, until 12 o'clock P. M., Wednesday, the 21st day of April, 1886, at which time and place the estimates will be publicly opened and read for the cleaning of streets, for the removal of snow and ice therefrom, and for the collection of ashes, garbage and street sweepings, and the removal of the same in the Second Street-Cleaning District of the City of New York, for a period of three years from the first day of May, 1886, until the 30th day of April, 1889, both days inclusive, in pursuance of authority conferred by chapter 367, Laws of 1881, upon the Commissioner of Street Cleaning to make and execute special contracts.

The Second Street-Cleaning District of the City of New York hereby designated by the Commissioner of Street Cleaning pursuant to law, consists of all that portion of the City of New York bounded as follows:

On the north by the southerly line of East Fourteenth street, from Broadway easterly to the East river; on the westerly side by the easterly line of Broadway, from East Fourteenth street to State street; on the southerly side by the southerly line of State street and by the Battery, and on the easterly side by the East river, from the Battery to East Fourteenth street.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute such contract within five days from the date of the service of a notice to that effect; and, in case of failure or neglect so to do, he or they will be considered as having abandoned such contract, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning will either make another selection from the bids or estimates submitted, or readvertise and relet the work.

If the person or persons to whom the contract may be awarded shall neglect or delay to commence the work or any portion thereof, on the 1st day of May, 1886, the Commissioner of Street Cleaning will perform the said work or any portion thereof for such period of neglect or delay, and charge the whole expense of the same against the said person or persons.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any bid or estimate for the above work; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, or a guarantee company incorporated under the laws of the State of New York, as shall be satisfactory to the Comptroller, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance in the amount of SEVENTY-FIVE THOUSAND DOLLARS; and that if he or they shall omit or refuse to execute the same, they will pay to the Mayor, Aldermen and Commonalty of the City of New York, any difference between the sum to which he would be entitled on its completion, and that which the Mayor, Aldermen and Commonalty of the City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The person or persons to whom the contract may be awarded, shall deposit with the Comptroller of the City of New York, on or before the execution of the contract or agreement, TWELVE THOUSAND DOLLARS, in cash or securities approved and accepted by the said Comptroller, as an additional security for the faithful performance of all the terms and conditions of the contract or agreement, and as a fund to be drawn upon by the Commissioner of Street Cleaning, to pay for any expense that may be incurred under the contract or agreement by the said Commissioner, or by the Mayor, Aldermen and Commonalty of the City of New York, by reason of the failure of the party or parties to whom the contract may be awarded, to faithfully comply with the terms and conditions of the contract.

Bidders will state a price per annum for doing the work.

The price must be written in the bid or estimate and also stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the bid or bids the acceptance of which will, in his judgment, best secure the efficient performance of the work. No bids will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each estimate must be accompanied by a certified check on a solvent banking corporation in the City of New York, payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the checks of the unaccepted bidders will be returned to them, and upon the execution of the contract the check of the accepted bidder will be returned to him.

Any contract made by the Commissioner of Street Cleaning may be terminated on ten days' notice by the said Commissioner, with the approval of the Mayor.

All bids must be made with reference to the form of contract and the requirements thereof on file at the Department of Street Cleaning, or they will be rejected.

Blank forms of specifications and proposals may be obtained at the Department of Street Cleaning, 31 and 32 Park Row, New York City, on or after Monday, March 22, 1886.

Dated March 15, 1886.

JAMES S. COLEMAN,
Commissioner of Street Cleaning.
