Resignation accepted and resolution adopted by the Board of Aldermen, January 9, 1883.
Approved by the Mayor, January 11, 1883.

Whereas, The City of New York, at the outbreak of the Revolution, the Capital of the Province of New York and the fourth commercial city of the thirteen colonies, was, in the summer of 1776, the second year of the war, after the disastrous battle of Long Island, captured by the British, together with the remainder of the Island of New York, notwithstanding the temporary check opposed in the gallant action at Harlem and the defence of Fort Washington, whereupon the entire territory became the fortified headquarters of the British standing forces in America, occupied by a large army and protected by a formidable fleet; and

Whereas, The City of New York was, at the time of its capture by the British, a well-ordered and well-built city, with elegant public edifices, commodious dwellings, and warehouses, the home of an industrious and thriving population; and

Whereas, The seven years of British occupation was one uninterrupted period of disaster, during which the sufferings incident to a military occupation were aggravated by conflagrations which destroyed nearly one-third of the city, including churches and public buildings, which were left to smoulder in their ruins, while large numbers of dwelling-houses which escaped the flames, deserted by their patriotic owners, were defaced and injured beyond repair; and

Whereas, The City of New York had, on many and critical occasions, shown her devotion to the cause of liberty, and resisted British oppression, among others, namely: When her citizens, refusing to submit to the Stamp Act, forced the Royal Governor to surrender the stamps to the keeping of the city authorities; when, in opposition to the acts of Parliament restrictive of colonial commerce, she, alone, of the cities which entered into the Non-Importation Agreement, adhered to the compact; in the determination of her people in public mass meeting to prevent the unloading of the tea ship which on its arrival was compelled to return with unbroken cargo; in the instantaneous uprising of the citizens in April, 1775, upon the news of the battle of Lexington, when they seized the arms and munitions of war, set aside the Royal authority and appointed a Committee of Safety for their own government; in their hearty adhesion to the Declaration of Independence, ratified by the Provincial Convention, and proclaimed in the streets of the city, under the guns of a British fleet which covered the bay, and in hourly expectation of an attack by land and water; and, finally, by the extensive and voluntary enlistment of her sons in the Continental Army, where they served in rank and file from the beginning to the close of the war; and

Whereas, The simultaneous evacuation of the City of New York by the British troops on the twenty-fifth day of November, 1783, and its formal occupation by the Army of the United States with General Washington, the Commander-in-Chief, attended by General George Clinton, the Governor of the State of New York, at its head—was to the city the final act of release, as it was to the nation the final act in its struggle for independence; and

Whereas, By the beneficent freedom from the oppressive and restrictive legislation of Great Britain, which that independence assured, and the consequent enormous development of the commerce of the United States, the City of New York has been enabled to realize its great natural advantages and to become not only the metropolitan city through which seven-tenths of the entire commerce of the country passes, but the chief commercial port of the world; therefore

Resolved, That New York holds in grateful memory the illustrious men who secured the independence of the States by their counsel and their arms, and cherishes with measureless attachment the union which brought together the discordant fragments of the Seaboard Confederation, and welded them into a national empire whose power and population now stretch from sea to sea, across the continent; and, therefore, in public acknowledgment of that gratitude and attachment, it is hereby

Resolved, That the City of New York will duly celebrate Monday, the twenty-sixth day of November, 1883 (the 25th falling on Sunday), as the Centennial Anniversary of the day of municipal

deliverance and the beginning of an era of cosmopolitan grandeur, and that it respectfully requests the Legislature of the State to declare it a legal holiday; and invites the citizens, as individuals and in such corporate capacities as the State has conferred upon them, to make preparations to join in the ceremonies which may be hereafter appointed for the occasion, and that a Committee of nine be appointed by the President of the Board with authority to prepare, direct, and take charge of the same, to accept the offered co-operation therein of the Historical Society and the Chamber of Commerce of the city, and to invite other bodies elsewhere, private or corporate, civil or military.

Adopted by the Board of Aldermen, January 9, 1883, and Aldermen Cochrane, Kirk, Fitzpatrick, Grant, Waite, De Lacy, E. Duffy, Jaehne, and O'Connor were appointed such Committee.

Received from his Honor the Mayor, January 11, 1883, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

FRANCIS J. TWOMEY,
Clerk Common Council.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1882.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become ex-
empt, and all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof
of exemption; if liable, he must also answer in person,
giving full and correct name, residence, etc., etc. No
attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be entered
as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

GEORGE CAULFIELD,
Commissioner of Jurors,
Room 17, New County Court-house.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
Room 6, No. 31 CHAMBERS STREET,
NEW YORK, January 3, 1883.

TO CONTRACTORS.

BIDS OR ESTIMATES INCLOSED IN A SEALED
envelope, with the title of the work and the name
of the bidder indorsed thereon, will be received at this
office until Tuesday, January 16, 1883, at 12 o'clock M.,
at which place and hour they will be publicly opened by
the head of the Department and read, for:

FLAGGING SIDEWALKS AND SETTING CURB-
STONES ON STREETS SURROUNDING
FULTON MARKET.

Each estimate must contain the name and place of re-
sidence of the person making the same, the names of all
persons interested with him therein, and if no other person
be so interested, it shall distinctly state that fact. That it
is made without any connection with any other person
making an estimate for the same work, and is in all
respects fair and without collusion or fraud. That no
member of the Common Council, head of a department,
chief of a bureau, deputy thereof, or clerk therein, or
other officer of the Corporation is directly or indirectly
interested in the estimate or in the work to which it relates,
or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the party making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders in
the City of New York, to the effect that if the contract is
awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his sureties
for its faithful performance; and that if he shall refuse or
neglect to execute the same, they will pay to the Corpora-
tion any difference between the sum to which he would be
entitled upon its completion, and that which the Corpora-
tion shall be obliged to pay to the person to whom the
contract shall be awarded at any subsequent letting; the
amount to be calculated upon the estimated amount of
the work by which the bids are tested.

The consent last above mentioned must be accompanied
by the oath or affirmation, in writing, of each of the per-
sons signing the same, that he is a householder or free-
holder in the City of New York, and is worth the amount
of the security required for the completion of the con-
tract, over and above all his debts of every nature, and
over and above his liabilities as bail, surety, or otherwise,
and that he has offered himself as surety in good faith,
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied
by either a certified check upon one of the national
banks of the City of New York, drawn to the order of the
Comptroller, or money, to the amount of five per centum
of the amount of the security required for the faithful per-
formance of the contract. Such check or money must not
be inclosed in the sealed envelope containing the esti-
mate, but must be handed to the officer or clerk of the
Department who has charge of the Estimate-book, and no
estimate can be deposited in said book until such check or
money has been examined by said officer or clerk and
found to be correct. All such deposits, except that
of the successful bidder, will be returned to the persons
making the same within three days after the contract is
awarded. If the successful bidder shall neglect or refuse,
within five days after notice that the contract has been
awarded to him, to execute the same, the amount of the
deposit made by him shall be forfeited to and be retained
by the City of New York as liquidated damages for such
neglect or refusal; but, if he shall execute the contract
within the time aforesaid, the amount of his deposit will
be returned to him.

Blank forms of bid or estimate, the proper envelopes in
which to inclose the same, the specifications and agree-
ments, and any further information desired can be obtained
at the office of the architect, Douglas Smyth, No. 48
Exchange place.

HUBERT O. THOMPSON,
Commissioner of Public Works.

DEPARTMENT OF STREET CLEANING.

DEPARTMENT OF STREET CLEANING,
51 CHAMBERS STREET,
NEW YORK, December 30, 1882.

PUBLIC NOTICE.

PROPOSALS INCLOSED IN SEALED ENVEL-
opes, and indorsed with the name of the person or
persons making the same, and the date of presentation,
will be received at the office of the Department of Street
Cleaning, No. 51 Chambers street, in the City of New
York, under and in pursuance of authority conferred by
chapter 367, Laws of 1881, entitled "An act to create a
Department of Street Cleaning in the City of New York,
and to provide for the cleaning of the streets of said city,
for the removal of snow and ice therefrom, and for the
collection of ashes, garbage and street-sweepings, and the
disposal of the same," passed May 6, 1881, three-fifths
being present, until 12 o'clock M., of Monday, the 15th day
of January, 1883, at which time and place the proposals will
be publicly opened and read: For the final disposition
of the street sweepings, ashes, and garbage, collected in
the City of New York and delivered at the several dumps
or dumping-places of the Department of Street Cleaning
in said city, for the term of four years, from the first day
of February, 1883.

The person or persons to whom the contract may be
awarded will be required to furnish suitable and suffi-
cient scows or boats for the reception of said substances
and material, when the same are delivered at said
dumps or dumping-places of the Department of Street
Cleaning; to defray the expense of trimming, towing,
and unloading said scows or boats, and all other expenses
incurred in disposing of said substances and material,
and to conform to and obey all laws of the United

States, of the State of New York, ordinances of the
Board of Aldermen of the City of New York, the Sanitary
Code of the Board of Health of said city, touching the
removal from said city of said substances and material
or dumping thereof, or any part thereof, either
within the limits of said city, or in the waters of the
North or East rivers, adjoining the counties of New
York, Kings, Westchester, or Richmond, or in the bay
of New York, or Raritan bay, within the jurisdiction of
the State of New York, or in the waters of Jamaica bay,
or in the waters of the Atlantic ocean, within three
miles of Coney Island, or within three miles of Rocka-
way Beach or Far Rockaway, or within less than one
mile beyond the outer bar.

If any part of said substances and material should be
required by any person or persons, or department of the
City of New York, for the purpose of filling in lots, or for
other purposes, the Commissioner expressly reserves the
right to deliver as much of said substances and material
as he may deem necessary for such purposes, without
invalidating the terms of the contract.

The price for which the work will be done must be
written in the bid and stated in figures, and shall be at a
rate per cubic yard, measurements and estimates to be
made by an Engineer appointed by the Commissioner of
Street Cleaning, on the boats or scows of the contractor
or contractors, at the several dumps or dumping-places of
the Department of Street Cleaning; or if the street-
sweepings, ashes and garbage are bid for at a separate
price for each class of work, and the said Commissioner
accepts bids in that form, the measurements and esti-
mates may be made by said Engineer on the substances
and material delivered at the dumps or dumping-places,
upon the scows or boats at said dumps or dumping-
places.

Bidders will be allowed, at their option, to bid a price
per cubic yard upon the work, as a whole, as a mass, or
a separate price for each class of the work, the bid or bids
being for the performance of the whole work, as herein-
after described and classified, to wit:

1st. For the final disposition of the street-sweepings,
ashes and garbage collected in the City of New York,
and delivered as a mass at the several dumps or dump-
ing-places of the Department of Street Cleaning in said
city:

Per cubic yard.....
Or, 2d. For the final disposition of the street-sweep-
ings collected in the City of New York, and delivered at
the several dumps or dumping-places of the Department
of Street Cleaning in said city, said street sweepings to be
separated from all other substances and material only as
far as may be practicable in the judgment of the Commis-
sioner of Street Cleaning.

Per cubic yard.....
And for final disposition of the ashes, separated from all
other substances and material only as far as may be prac-
ticable in the judgment of the Commissioner of Street
Cleaning, collected in the City of New York, and deliv-
ered at the several dumps or dumping-places of the De-
partment of Street Cleaning, in said city:

Per cubic yard.....
And for the final disposition of the garbage, separated
from all other substances or material only as far as may
be practicable in the judgment of the Commissioner of
Street Cleaning, collected in the City of New York, and
delivered at the several dumps or dumping-places in said
city:

Per cubic yard.....
The estimated quantities of street sweepings, ashes and
garbage to be removed from the City of New York, and
finally disposed of per year, are as follows:

1. Street sweepings, two hundred thousand cubic yards.
2. Ashes, seven hundred thousand cubic yards.
3. Garbage, one hundred thousand cubic yards.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the contract
within five days from the date of the service of a notice
to that effect; and, in case of failure or neglect so to do,
he or they will be considered as having abandoned it, and
as in default to the Corporation, whereupon the Commis-
sioner of Street Cleaning may either make another selec-
tion from the proposals submitted in accordance with this
public notice, or readvertise and relet the work, as he
may consider best for the public interest.

If the person or persons to whom the contract may be
awarded, shall neglect or delay to commence the work or
any portion thereof, on or after the 1st day of February,
1883, the Commissioner of Street Cleaning may perform
the said work or any portion thereof for such period of
neglect or delay, and charge the whole expense of the
same against the said person or persons, and deduct the
same from any amount due or to become due under the
contract.

Bidders are required to state in their proposals, under
oath, their names and places of residence, the names of
all persons interested with them therein, and if no other
person be so interested, they shall distinctly state that
fact; also, that it is made without any connection with
any other person making any bid or proposal for the
above work; and that it is in all respects fair, and with-
out collusion or fraud; and also that no member of the
Common Council, head of a Department, chief of a bureau,
deputy thereof, or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein,
or in the supplies or work to which it relates, or in any
portion of the profits thereof. Where more than one per-
son is interested, it is requisite that the verification be
made and subscribed by all the parties interested. Each
proposal shall also be accompanied by the consent, in
writing, of two householders or freeholders of the City
of New York, with their respective places of business or
residence, to the effect that, if the contract be awarded
to the person or persons making the proposal, they will,
on its being so awarded, become bound as his or their
sureties for its faithful performance, in the amount
of fifty thousand dollars; and that, if he or they shall
omit or refuse to execute the same, they will pay to the
Corporation any difference between the sum to which he
would be entitled on its completion and that which the
Corporation may be obliged to pay to the person or per-
sons to whom the contract may be subsequently awarded.

The consent above mentioned shall be accompanied by
the oath or affirmation, in writing, of each of the persons
signing the same, that each is a householder or free-
holder in the City of New York, and is worth the amount of
the security required for the completion of the contract as
stated in the proposals, over and above all his debts of
every nature, and over and above his liabilities as bail,
surety, or otherwise; that he has offered himself as a
surety in good faith, and with an intention to execute the
bond required by law. The adequacy and sufficiency of
the sureties offered shall be approved by the Comptroller
of the City of New York.

Permission will not be given for the withdrawal of any
bid or proposal, and the right is expressly reserved
by the Commissioner of Street Cleaning to reject any
or all bids, or to select the bid or bids the acceptance
of which will, in his judgment, best secure the efficient
performance of the work. No bid will be accepted from or
contract awarded to any person who is in arrears to the
Corporation upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Corpora-
tion.

Each proposal must be accompanied by a certified check
on a solvent banking corporation in the City of New York
payable to the order of the Comptroller of the City of New
York, for five per cent. of the amount bid for the perfor-
mance of all the work required by said contract to be done
in any one year. On the acceptance of any bid, the
checks of the unaccepted bidders will be returned to them,
and upon the execution of the contract the check of the
accepted bidder will be returned to him.

The contract will contain a stipulation or condition that
it may be terminated on ten days' notice to the Con-
tractor by the Commissioner of Street Cleaning, with the
approval of the Mayor.

All bids must be made with reference to the form of con-
tract and the requirements thereof which will be on file at
the Department of Street Cleaning, or they will be rejected;
and the same is referred to as a part of this notice.

Blank forms of contract may be obtained at the Depart-
ment of Street Cleaning, 51 Chambers street, New York
City, on or after Wednesday, January 3, 1883.
