## BOARD OF ARMORY COMMISSIONERS.

NEW YORK, March 24, 1892.

A meeting of the Armory Board was held this day, at 10.30 o'clock A.M., at the office of the Mayor.

Present—The Mayor, the President of the Department of Taxes and Assessments, the Commissioner of Public Works, Brigadier-General Louis Fitzgerald and Colonel James Cavanagh.

The minutes of the meeting of March 10, were read and approved.  
Mr. John Hardy, attorney for Mrs. C. Schmuck, owner of the building used as an armory for the First Battery, appeared and stated that the architect employed by Mrs. Schmuck had submitted plans for the proposed alterations to the Building Department, and was now getting estimates of the expense of such alterations. That the safety of the armory part of the building was not affected by the proposed alterations.

Captain Wendel was requested to confer with the Superintendent of the Building Department, and obtain from him a certificate as to the security of the building as an armory, the battery using only the first or ground floor for such purpose.

The following communications were received from John Melcher, Executor, and Charles W. Dickle, and ordered filed.

No. 1160 BROADWAY, March 14, 1892.

E. P. BARKER, Esq., Secretary of the Armory Board:

DEAR SIR—In reply to your favor of the 10th, I have had the fire-escape on armory, Nos. 213 to 229 West Twenty-sixth street, examined, and have directed Iron-worker to repair and to affix what braces are necessary in addition.

Yours, respectfully,  
JOHN MELCHER, Executor.

E. P. BARKER, Esq. :

DEAR SIR—Your favor of the 21st received. The order for repairs, as per your favor of the 10th, was given the day after I met the Armory Board, namely March 17. The contractor has been getting out the angle-iron braces, and will begin to put them up on Friday, also will fasten them by plates, screwed to wall inside. There will be ten of these extra braces put in, all there is space for.

Yours, respectfully,

JOHN MELCHER, Executor.

OFFICE OF DICKEL & KROEHL.  
Nos. 124, 126, 128, 130, 132, 134 AND 136 WEST FIFTY-SIXTH STREET,  
NEW YORK, March 24, 1892.

Hon. EDWARD P. BARKER, Secretary Board of Armory :

SIR—In reply to a letter from your office of March 21, I would state that I have authorized Captain Roe and the Architect, Mr. Edward Ficken, who is also a member of Troop "A," to prepare necessary plans for the alterations necessary to make the building perfectly safe, and to lay said plans before the Building Department, Mr. Brady, for his approval, and as soon as plans are approved will commence alterations at once.

Respectfully, yours,

CHAS. W. DICKEL.

A communication was received from General Ferdinand P. Earle, asking permission for the Berkeley School Corps to use the Twenty-second Regiment Armory for the purpose of review and drill.

The Secretary was directed to notify General Earle that it is the sense of this Board that it does not possess the power to authorize the use of the armories for other than military purposes.

General Fitzgerald, to whom was referred, at a meeting held on the 10th instant, the subject of the use of armories for other than military purposes, presented reports from each of the Commanding Officers in relation to the same.

Ordered filed.

The Secretary, to whom was referred the securing of quarters for the Seventy-first Regiment, presented a written report in relation to the same, stating that the two most available buildings for the purpose are the Industrial Building at Forty-third street and Lexington avenue, and the Rink Building at One Hundred and Seventh street and Lexington avenue; the rent in each case being \$12,000 per annum; the quarters in the Industrial Building requiring heating and lighting apparatuses, while these fixtures are already supplied in the Rink Building. That the Industrial Building floor is now used as a stable, while the floor in the Rink Building is now in good condition. That the question of expense in fitting up either of these buildings would, in his opinion, be most economical in that of the Rink Building.

On motion of General Fitzgerald, it was

Resolved, That the Comptroller be authorized, with the concurrence of the Commissioners of the Sinking Fund, to lease of H. H. Muxlow the Rink building, north side of One Hundred and Seventh street, west of Lexington avenue, for an armory for the Seventy-first Regiment, for the term of one year, from May 1st next, with the privilege of renewal, for the sum of twelve thousand dollars per annum. The premises to include the first floor, about one hundred by three hundred and twenty feet, with the heating and lighting fixtures and water-closets therein, and the basement, about fifty by one hundred feet, with the boilers and fixtures therein. Mr. Muxlow to remove the toboggan slide now in the building, and to paint the exterior of the building, and to do all outside repairs.

The Secretary reported the execution of the contract with P. Gallagher for the erection of the Seventy-first Regiment Armory. The consideration of samples of the granite and Connecticut stone submitted by the contractor to be used in the erection of the armory was taken up. The Architect, Mr. Thomas, appeared and stated that the granite was the same as that used in the construction of the Barge Office and in the Produce Exchange Building.

The contractor stated that a large amount of this granite was used in the construction of the pier of the East River Bridge. Debate was had thereon, when Commissioner Gilroy offered the following :

Resolved, That the contractor, P. Gallagher, be requested to submit samples of all stone proposed to be used in the erection of the Seventy-first Regiment Armory to the School of Mines for examination, and report as to the qualifications of such stone for the purposes intended.

Which was adopted by the following vote :

Ayes—The Mayor, the President of the Department of Taxes and Assessments and the Commissioner of Public Works. General Fitzgerald and Colonel Cavanagh declining to vote.

An application and affidavit were received from George Teller, for payment to him of \$4,749.45 for the completion of his contract for additions and alterations to the Eighth, Twelfth and Twenty-second Regiment armories, with the Inspector's certificate that the whole work has been performed in accordance with the contract and specifications attached thereto. Whereupon, the Commissioner of Public Works offered the following :

Resolved, That the Comptroller be authorized to pay to George Teller the sum of four thousand seven hundred and forty-nine dollars and forty-five cents, as per accompanying voucher, in full for his contract, for additions, alterations and repairs to the Eighth, Twelfth and Twenty-second Regiment armories.

Which was adopted by the following vote :

Ayes—The Mayor, the President of the Department of Taxes and Assessments, the Commissioner of Public Works, Brigadier-General Fitzgerald and Colonel James Cavanagh.

An application and affidavit were received from the Manhattan Supply Company for payment to them of \$5,120.10, in completion of their contract for furniture, safe, fire-hose, kitchen range, utensils and Armorer's tools, for the Eighth, Ninth, Twenty-second and Sixty-ninth Regiments, Troop "A," Signal Corps and Second Battery, with the Inspector's certificate that the whole work has been performed and the articles furnished in accordance with the contract and specifications attached thereto. Whereupon the Commissioner of Public Works offered the following :

Resolved, That the Comptroller be authorized to pay to the Manhattan Supply Company the sum of five thousand one hundred and twenty-six dollars and ten cents, as per accompanying voucher, being the amount due them, in accordance with the Architect's certificate, in full for their contract for furniture, safe, fire-hose, kitchen range and utensils and Armorer's tools, for the Eighth, Ninth, Twenty-second and Sixty-ninth Regiments, Troop "A," Signal Corps and Second Battery.

Which was adopted by the following vote :

Ayes—The Mayor, the President of the Department of Taxes and Assessments, the Commissioner of Public Works and Brigadier-General Louis Fitzgerald.

On motion, adjourned.

E. P. BARKER, Secretary.

## BOARD OF ELECTRICAL CONTROL.

Minutes of a meeting of the Board of Electrical Control, held at the office of the Mayor, in the City of New York, on Friday, March 25, 1892, at 2 o'clock P. M.

Present—Mayor Hugh J. Grant, President; Commissioners Jacob Hess, Theodore Moss, Walton Storm.

The minutes of the last meeting were read and approved.

Mayor Grant offered the following resolution :

Resolved, That the Engineer ascertain from the various electrical companies operating wires in the city what accommodations are required for their service in what is known as the Third Proscribed District, lying between Eighth street and Canal street; Eighth avenue, Bank street, Greenwich street and Bowery; and make a recommendation to this Board at its next meeting; and, after ascertaining from the Commissioner of Public Works what streets he intends paving outside of the Third Proscribed District, make such recommendations as will insure the construction of subways in those streets where application is made in accordance with the rules of the Board.

Which was unanimously adopted.

The Board, after favorable report by the Expert, on motion of Mayor Grant, authorized the Secretary to issue permits to the Metropolitan Telephone and Telegraph Company upon its pending applications for individual telephone connections in districts where there are no subways.

The Engineer reported, as follows :

Each estimate must contain the name and place of  
residence of the person making the same, the names of  
all persons interested with him therein, and if no other  
person be so interested, it shall distinctly state that fact.  
That it is made without any connection with any other  
person making an estimate for the same work, and is in  
all respects fair and without collusion or fraud. That  
no member of the Common Council, head of a depart-  
ment, chief of a bureau, deputy thereof, or clerk  
therein, or other officer of the Corporation, is directly  
or indirectly interested in the estimate or in the work to  
which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing,  
of the party making the same, that the several matters  
therein stated are true, and must be accompanied by the  
consent, in writing, of two householders or freeholders in  
the City of New York, to the effect that if the contract is  
awarded to the person making the estimate, they will,  
upon its being so awarded, become bound as his sureties  
for its faithful performance; and that if he shall refuse  
or neglect to execute the same, they will pay to the Cor-  
poration any difference between the sum to which he  
would be entitled upon its completion and that which  
the Corporation may be obliged to pay to the person to  
whom the contract shall be awarded at any subsequent  
letting; the amount to be calculated upon the estimated  
amount of the work by which the bids are tested.

The consent last above mentioned must be accom-  
panied by the oath or affirmation, in writing, of each of  
the persons signing the same, that he is a householder  
or freeholder in the City of New York, and is worth the  
amount of the security required for the completion of  
the contract, over and above all his debts of every  
nature, and over and above his liabilities as bail, surety,

in good faith, with the intention to execute the bond  
required by law.

No estimate will be considered unless accompanied by  
either a certified check upon one of the State or National  
banks of the City of New York, drawn to the order  
of the Comptroller, or money, to the amount of five  
per centum of the amount of the security required for  
the faithful performance of the contract. Such check  
or money must not be inclosed in the sealed envelope  
containing the estimate, but must be handed to the  
officer or clerk of the Department who has charge of  
the estimate-box, and no estimate can be deposited in  
said box until such check or money has been examined  
by said officer or clerk and found to be correct. All  
such deposits, except that of the successful bidder, will  
be returned to the persons making the same within  
three days after the contract is awarded. If the suc-  
cessful bidder shall refuse or neglect, within five days  
after notice that the contract has been awarded to him, to  
execute the same, the amount of the deposit made by  
him shall be forfeited to and retained by the City of  
New York as liquidated damages for such neglect or  
refusal; but if he shall execute the contract within the

That it is made without any connection with any other  
person making an estimate for the same work, and is in  
all respects fair and without collusion or fraud. That no  
member of the Common Council, head of a department,  
chief of a bureau, deputy thereof, or clerk therein, or  
other officer of the Corporation, is directly or indirectly  
interested in the estimate or in the work to which it re-  
lates or in the profits thereof.

Each estimate must be verified by the oath, in writing,  
of the party making the same, that the several matters  
therein stated are true, and must be accompanied by the  
consent, in writing, of two householders or free-  
holders in the City of New York, to the effect that if the  
contract is awarded to the person making the estimate,  
they will, upon its being so awarded, become  
bound as his sureties for its faithful performance; and  
that if he shall refuse or neglect to execute the same,  
they will pay to the Corporation any difference between  
the sum to which he would be entitled upon its comple-  
tion and that which the Corporation may be obliged to  
pay to the person to whom the contract shall be awarded  
at any subsequent letting; the amount to be calculated  
upon the estimated amount of the work by which the  
bids are tested.

The consent last above mentioned must be accom-  
panied by the oath or affirmation, in writing, of each of  
the persons signing the same, that he is a householder  
or freeholder in the City of New York, and is worth the  
amount of the security required for the completion of  
the contract, over and above all his debts of every nature,  
and over and above his liabilities as bail, surety, or  
otherwise, and that he has offered himself as surety in  
good faith, with the intention to execute the bond re-  
quired by law.

No estimate will be considered unless accompanied by  
either a certified check upon one of the State or National  
banks of the City of New York, drawn to the order  
of the Comptroller, or money, to the amount of five  
per centum of the amount of the security required for  
the faithful performance of the contract. Such check or  
money must not be inclosed in the sealed envelope  
containing the estimate, but must be handed to the  
officer or clerk of the Department who has charge of  
the estimate-box, and no estimate can be deposited in  
said box until such check or money has been examined  
by said officer or clerk and found to be correct. All  
such deposits, except that of the successful bidder, will be  
returned to the persons making the same within three  
days after the contract is awarded. If the successful  
bidder shall refuse or neglect, within five days after

notice that the contract has been awarded to him, to  
execute the same, the amount of the deposit made by  
him shall be forfeited to and retained by the City of  
New York as liquidated damages for such neglect or  
refusal; but if he shall execute the contract within the  
time aforesaid, the amount of the deposit will be  
returned to him.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY  
ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT  
act of the Legislature (chapter 449, Laws of 1889),  
which provides that whenever any streets or avenues in  
the city, described in any grant of land under water,  
from the Mayor, Aldermen and Commonalty containing  
covenants requiring the grantees and their successors to  
pave, repave, keep in repair or maintain such streets,  
shall be in need of repairs, pavement or repavement,  
the Common Council may, by ordinance, require  
the same to be paved, repaved or repaired, and  
the expense thereof to be assessed on the property  
benefited; and whenever the owner of a lot so assessed  
shall have paid the assessment levied for such paving,  
repaving or repairing, such payment shall release and  
discharge such owner from any and every covenant and  
obligation as to paving, repaving and repairing, con-  
tained in the water grant under which the premises are  
held, and no further assessment shall be imposed on  
such lot for paving, repaving or repairing such street or  
avenue, unless it shall be petitioned for by a majority of  
the owners of the property who shall also be the owners  
of a majority of the property in frontage on the line of  
the proposed improvement.

The act further provides that the owner of any such  
lot may notify the Commissioner of Public Works, in  
writing, specifying the ward number and street number  
of the lot that he desires for himself, his heirs and  
assigns, to be released from the obligation of such  
covenants, and elects and agrees that said lot shall be  
thereafter liable to be assessed as above provided, and  
thereupon the owner of such lot, his heirs and assigns  
shall thereupon be relieved from any obligation to  
pave, repair, uphold or maintain said street, and the lot  
in respect of which such notice was given shall be liable  
to assessment accordingly.

The Commissioner of Public Works desires to give  
the following explanation of the operation of this act:

When notice, as above described, is given to the  
Commissioner of Public Works, the owner of the lot or  
lots therein described, and his heirs and assigns, are  
forever released from all obligation under the grant in  
respect to paving, repaving or repairing the street in  
front of or adjacent to said lot or lots, except one assess-  
ment for such paving, repaving or repairs, as the Com-  
mon Council may, by ordinance, direct to be made  
thereafter.

No street or avenue within the limits of such grants  
can be paved, repaved or repaired until said work is  
authorized by ordinance of the Common Council, and  
when the owners of such lots desire their streets to be  
paved, repaved or repaired, they should state their  
desire and make their application to the Board of Alder-  
men and not to the Commissioner of Public Works, who  
has no authority in the matter until directed by  
ordinance of the Common Council to proceed with the  
pavement, repavement or repairs.

M. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Removal of Morgue, Bellevue Hospital," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of ONE THOUSAND (\$1,000) DOLLARS.

A bidder for a contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom a contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract, or such specific sum as may be mentioned in the proposal.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The forms of the contracts, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon their absolute enforcement in every particular.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of contract, including specifications, showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.
