N. B. The "Supplies" appropriations for 1904 are here considered as a consolidated fund, by reason of the fact that the Committee on Supplies of the Board of Education contemplate the establishment of a central "Supply Depository" and the disestablishment of the small branches now in existence in the several boroughs. It is believed that greater efficiency and economy will result from such reorganization and concentration, and it follows, therefore, that the separation of the "Supplies" fund is unnecessary and superfluous.

SCHEDULE NO. 3—SPECIAL SCHOOL FUND.

SCHOOL LIBRARIES.

Amount required for school libraries, based on amount to be allowed by the State, for all boroughs

\$21,530 15

The figures submitted represent the amount appropriated by the State for 1904 which will be apportioned by the State Superintendent of Public Instruction to the entire City of New York; in order to take advantage of which, the statute, Chapter 556 of the Laws of 1894, requires that the City shall also appropriate and expend an equal sum.

SCHEDULE NO. 4—SPECIAL SCHOOL FUND. LIBRARIES AND APPARATUS (REGENTS' SCHOOLS).

Boroughs.	No. of Regents' Schools.	Amount Asked for 1904.
Manhattan	2	\$1,000 00
The Bronx	1	500 00
Brooklyn	5	2,500 00
Queens	7	1,750 00
Richmond	3	1,500 00
		\$7,250 00

These items are inserted in order that the City may avail itself of the grants of the money made by the Regents of the University of the State of New York. These grants are similar in character and principle to those made through the State Superintendent of Public Instruction for Public School Libraries, and may be said to bear the same relation to the High Schools as the apportionment of State moneys does to the Elementary Schools. Manhattan and The Bronx has three High Schools, Brooklyn has five, Queens has seven schools and classes, and Richmond has some schools and classes which are registered by the Regents. The same amount is now requested as was asked for and received for the year 1903.
