## BOARD OF ESTIMATE AND APPORTIONMENT.

BOARD OF ESTIMATE AND APPORTIONMENT—CITY OF NEW YORK,  
MAYOR'S OFFICE, CITY HALL,  
MONDAY, December 19, 1892, 11 o'clock A. M.

The Board met in pursuance of an adjournment:  
Present—Hugh J. Grant, the Mayor; Theo. W. Myers, the Comptroller; John H. V. Arnold,  
the President of the Board of Aldermen; Edward P. Barker, the President of the Department of  
Taxes and Assessments.

The reading of the minutes of the meeting of December 6, 1892, was dispensed with.

The Mayor stated that, pursuant to a resolution adopted at the last meeting, the taxpayers  
would now be afforded an opportunity to be heard relative to the Final Estimate for the year 1893.

Jacob Seabold, representing citizens and taxpayers of the Twenty-third and Twenty-fourth  
Wards, appeared and requested an increased appropriation for the care and maintenance of the  
public parks above the Harlem river, and particularly Cedar Park, and presented an estimate of  
the cost of the improvements.  
Ordered on file.

Col. Brown, representing the Grand Army of the Republic, appeared and requested an appro-  
priation of \$500 for reviewing stand used on Memorial Day.  
Referred to the Comptroller.

J. J. Lenahan, representing a committee of the Master Plumbers' Association, appeared and  
requested an appropriation of \$4,270 for salaries and expenses of a Board of Examiners to be  
appointed pursuant to chapter 602, Laws of 1892.  
Laid over.

James G. Janeway, representing Commissioners for the opening and widening of College place,  
appeared and requested an appropriation for salaries of the said Commission.  
Referred to the Comptroller.

W. Stabler, representing the West End Association, appeared and requested that provision be  
made for increased water pressure at Ninety-second and One Hundred and Fourth streets.  
Laid over.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
December 15, 1892.

*To the Board of Estimate and Apportionment:*

At the meeting of this Board held on the 6th inst. a communication from the Commissioner  
of Public Works was presented, requesting a transfer of \$1,000 from the appropriation for salaries  
for 1892 chargeable to laying Croton pipes, to the general appropriation "Laying Croton Pipes,"  
1892.

The matter was referred to the Comptroller.

It appears from the communication of the Commissioner that the sum of \$1,000 will remain  
unexpended in the salary account owing to absences of the employees and other causes, the amount  
of \$19,710 allowed in the Final Estimate for 1892 for this purpose having been based upon the  
actual employment of the entire force every day through the year. Owing to the urgent need for  
large water-mains to distribute the New Aqueduct supply, the laying of many of the smaller mains  
has been deferred, and the sum of \$1,000 is asked to be transferred to the general appropriation  
for the purpose of carrying out the resolutions of the Common Council in this matter to the extent  
of this amount.

I offer the following resolution to authorize the transfer as requested.

Respectfully,

THEO. W. MYERS, Comptroller.

And offered the following:

Resolved, That the sum of one thousand dollars (\$1,000) be and the same is hereby trans-  
ferred from the appropriation made to the Department of Public Works for the year 1892, entitled  
"For salaries chargeable to laying Croton pipes," which is in excess of the amount required for the  
purposes and objects thereof, to the appropriation made to the said Department for the said year,  
entitled "Laying Croton Pipes (chapter 381, Laws of 1879; section 194, New York City Consoli-  
dation Act of 1882)," which is insufficient for the uses thereof.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of  
the Department of Taxes and Assessments—4.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE.

*To the Board of Estimate and Apportionment:*

I present herewith a request from the Sheriff of the City and County of New York, for the  
transfer of \$216.60 to the "Incidental Expenses of the Sheriff's Office," in consequence of the  
depletion of the appropriation made for that purpose by unforeseen and urgent demands which had  
to be met. The expenditure was incurred in the purchase of cots, mattresses, bedding, etc., for  
the purpose of properly fitting up some of the cells in the County Jail for the accommodation of  
United States prisoners, of whom there were thirty-eight in confinement on the 5th of November  
last. Some of these cells were wholly unfurnished, others not sufficiently so to be used, and the  
sum of \$216.60 was expended for this purpose for the articles mentioned.

It appears that there remains a balance in the appropriation for the salaries of the Sheriff's  
Office, from which the amount asked for can be transferred, and I offer the following resolution to  
authorize the transfer as requested.

Respectfully,

THEO. W. MYERS, Comptroller.

SHERIFF'S OFFICE,  
COUNTY COURT-HOUSE, CITY AND COUNTY OF NEW YORK,  
NEW YORK, December 13, 1892.

*To the Honorable the Board of Estimate and Apportionment:*

GENTLEMEN—Anticipating an unusual demand for accommodations in the County Jail for  
United States prisoners, of whom there were thirty-eight in confinement on the Saturday preceding  
the last general election, and some of the cells being wholly unfurnished, others only partially so,  
cots, mattresses, bedding, etc., at a cost of \$216.60, were purchased on the 7th ultimo. The  
necessity for this expenditure was unforeseen and urgent, but the appropriations from which this bill  
must be paid were insufficient for this purpose.

There remains unexpended to December 1, in the appropriation entitled "Salaries—Sheriff's  
Office," \$330.60. I respectfully ask for the transfer of the sum of \$216.60 from the appropriation  
entitled "Salaries—Sheriff's Office, for Salaries of Sheriff, Under-Sheriff, Counsel, Deputy Sheriffs  
and Assistant Deputies," which is in excess of the demand to be made upon it, to the appropriation  
entitled "Incidental Expenses of the Sheriff's Office and the County Jail, including Fuel, Furniture,  
Bedding and other Supplies for the Jail, and including the Purchase of Railroad Tickets," which  
is insufficient for the needs thereof.

Very respectfully,

JOHN J. GORMAN, Sheriff, New York County.

And offered the following:

Resolved, That the sum of two hundred and sixteen dollars and sixty cents (\$216.60) be and  
the same is hereby transferred from the appropriation made to the Sheriff's Office for the year 1892,  
entitled, "Salaries—Sheriff's Office: For Salaries of Sheriff, Under-Sheriff, Counsel, Deputy  
Sheriffs and Assistant Deputies," which is in excess of the amount required for the purposes  
and objects thereof, to the appropriation made to the said Department for the same year, entitled  
"Incidental Expenses of the Sheriff's Office and the County Jail, including Fuel, Furniture, Bed-  
ding and other Supplies for the Jail, and including the Purchase of Railroad Tickets," which is  
insufficient for the uses thereof.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of  
the Department of Taxes and Assessments—4.

The Comptroller offered the following:

Resolved, That the amounts following be and hereby are appropriated from the "Excise  
Fund," under the provisions of section 210, chapter 410, Laws of 1882 (New York City Consoli-  
dation Act of 1882), for the support of children, in the month of November, 1892, committed by

Which was adopted by the following vote:

the Department of Taxes and Assessments—4.

The Comptroller offered the following:  
Resolved, That the sum of six hundred and twenty-one dollars and seventy-two cents (\$621.72) be and hereby is appropriated from the "Excise Fund" to the "Home for Fallen and Friendless Girls," for the support of seventy-four (74) inmates in the month of November, 1892, aggregating one thousand five hundred and seventeen days, at the rate of one hundred and fifty dollars per annum, pursuant to section 208, chapter 410, Laws of 1882 (New York City Consolidation Act of 1882).

Which was adopted by the following vote:

And offered the following:

Hart, his attorney, for the sum of three hundred and seventy-four dollars and one cent, being net proceeds of sale, less costs and charges, of certain theatrical properties sold as unclaimed street incumbrances, at Corporation Yard, foot of East Sixteenth street, March 31, 1892, as per statement herewith.

Which was adopted by the following vote:  
Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
December 17, 1892.

To the Board of Estimate and Apportionment:

At the meeting of this Board held on November 18, 1892, the Comptroller presented the requisition of the Rapid Transit Railroad Commission, adopted by it on November 15 last, for the appropriation of certain sums of money for expenses contained in Schedule "A," amounting to \$14,786.31, and in Schedule "B," amounting to \$14,929.66, together with the request that the unexpended balance of \$7,703.66 applied to the payment of the expenses already incurred and mentioned in said Schedule "A." Schedule "B" contained the estimated expenses for the pay-roll of November, 1892, and for the three months beginning December 1, 1892. The subject was referred to the Comptroller.

I present herewith a request on behalf of the Commission, dated the 7th instant, to withdraw their requisition, adopted by the Board on November 15, in order that it may be amended to have the appropriation made by this Board to include only the expenses incurred up to December 31, 1892. The amended requisition, with Schedules "A" and "B," is also herewith presented, having been adopted by the concurrent vote of four members of the Commission at the meeting held December 13, 1892.

The three principal items in Schedule "A" are:

John M. Bowers, counsel ..... \$7,705 58  
Farmers' Loan and Trust Company, rent ..... 2,263 90  
Advertising ..... 3,137 75  
Total ..... \$13,107 23

The balance of \$1,712.45 is made up of small amounts due to different firms for various supplies, the items of which are not given. Schedule "B" consists of the estimated expenses for the month of December, 1892, amounting to \$4,000. This Board has appropriated in all the sum of \$94,230.87 for the expenses of the Commission, and it appears that there is an unexpended balance of \$4,600.98 on the books of the Comptroller, which the Board of Rapid Transit Railroad Commissioners requests to be made applicable to the payment of the expenses already incurred and mentioned in Schedule "A." To complete the amount required for the payment of this schedule will require the issue of \$10,218.70 of bonds, which, with the \$4,000 for the expenses of December, 1892, makes a total of \$14,218.70 to be appropriated.

I offer for adoption the following resolution to authorize the issue of \$14,218.70 of Revenue Bonds, under chapter 4 of the Laws of 1891, for the purposes mentioned in the said Schedules "A" and "B," and that the unexpended balance of the appropriations amounting to \$4,600.98 be made applicable to the payment of all the expenses already incurred and mentioned in said Schedule "A."

Respectfully,  
THEO. W. MYERS, Comptroller.

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller presented the following:

DEPARTMENT OF STREET CLEANING—CITY OF NEW YORK,  
STEWART BUILDING,  
NEW YORK, December 8, 1892.

Hon. HUGH J. GRANT, Mayor, and President of the Board of Estimate and Apportionment:

SIR—I have the honor to respectfully request a transfer of the sum of \$10,000 from the appropriation for cleaning streets, account of "Sweeping," 1892, to the appropriation for cleaning streets, account of "Final Disposition," 1892; and a transfer of the sum of \$5,000 from the appropriation

for cleaning streets, account of "Rentals and Contingencies," 1892, to the appropriation for cleaning streets, account of "Final Disposition," 1892, for the reason that the amount appropriated, together with the transfer requested on the 7th ultimo, is not sufficient, as stated in my letter of that date, to complete the business of the year.

Very respectfully,

THOMAS S. BRENNAN, Commissioner of Street Cleaning.

And offered the following:

Resolved, That the sum of ten thousand dollars be and the same is hereby transferred from the appropriation made to the Street Cleaning Department for the year 1892, entitled "Cleaning Streets—Department of Street Cleaning—Sweeping," which is in excess of the amount required for the purposes and objects thereof, to the appropriation made to the said department for the said year, entitled "Cleaning Streets—Department of Street Cleaning—Final Disposition," which is insufficient for the uses thereof.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

Thomas S. Brennan, Commissioner of Street Cleaning, appeared and made a statement in explanation thereof.

The Mayor made a statement, which was ordered entered at length upon the minutes, as follows:

In taking up for consideration the final estimate of the amounts required to pay the expenses of conducting the public business of the City government, during the year 1893, it is proper that I should state that it is my desire, and I believe the unanimous opinion of the members of this Board, that every regard should be given to economy.

The City of New York is this year called upon to make appropriations to pay the State tax of \$3,554,458.33, being an excess of \$1,155,953.42 over what it was called upon to pay last year.

This increased amount of State tax for this year, with mandatory items which are not subject to the discretion of this Board, must be provided for and included in the final budget and paid for from direct taxation.

It must be remembered that we are making appropriations at this time for the administration of my successor, and while it is the desire of the members of this Board to provide ample means to conduct the City government on a liberal scale, it is not their willingness to be so liberal that will in any manner embarrass the administration of my successor by any semblance of extravagance but by the increase of appropriations for items that can possibly be avoided, or in making appropriations for new items which the next administration will be responsible for, unless provided for by special statutes.

The Final Budget for 1892 was \$32,881,205.19, and the Provisional Budget for 1893, with the increased amount of State tax included, amounts to \$33,771,008.32, showing a net increase of \$639,803.13 or \$516,150.29 less than the increased amount called for, for State tax.

While it is desirable to make liberal appropriations for the maintenance of this city, it is an equal duty of the Board of Estimate and Apportionment to have a jealous regard, not only for the amount of money appropriated, but for the administration that will be charged with its expenditure, and at the same time for the best interest of those who are to pay for these amounts from direct taxation.

It is the desire of this Board that the heads of departments, and others appearing at this time in relation to appropriations for the year 1893, will have a due regard for the views of this Board, as I have expressed them.

On motion, the Board proceeded to the consideration of the Final Estimate for the year 1893.

The Final Estimate for the Department of Public Works was taken up for consideration.

Thomas F. Gilroy, Commissioner of Public Works, appeared and made a statement in explanation thereof.

The following communication was presented:

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, December 15, 1892.

Hon. HUGH J. GRANT, Chairman, Board of Estimate and Apportionment:

DEAR SIR—I have the honor to call the attention of your Board to the fact that my departmental estimate for the appropriation for "Lamps and Gas and Electric Lighting" for 1893, was based upon the present contract prices for lighting the public lamps now in use, with an addition of 1,000 gas-lamps to be placed in the course of the year, in extending street lighting into new streets. The amount of the estimate was \$832,925, which your Board, in its Provisional Estimate, reduced to \$818,500. On the 8th instant, the officers constituting the Gas Commission received the bids of the several gas companies and electric light companies for lighting the public lamps for the ensuing year. According to the advertisement which called for the bids, and, on the basis of these bids, and the number of gas-lamps and electric-lamps therein provided for, the amount required for maintaining and lighting the public lamps, for 1893, will be \$906,800. These bids call for 789 additional electric-lamps, and the estimate of \$906,800 provides for their lighting from and after April 1, proximo, and also makes allowance for the displacement of gas-lamps by these additional electric-lamps. If the bids are accepted by the Gas Commission, and contracts are made accordingly, it will, therefore, be necessary to increase the appropriation for lamps and gas and electric lighting in the Final Estimate for 1893, to the sum of \$906,800.

Very respectfully,

THOS. F. GILROY, Commissioner of Public Works.

Ordered on file.

On motion the Board took a recess until 2 o'clock P. M.

The Board reassembled at 2.30 o'clock P. M.

Present—All the members.

The consideration of the Final Estimate was continued.

The Final Estimate for the Department of Public Parks was taken up for consideration.

Paul Dana, President of the Department of Public Parks, appeared and made a statement in explanation thereof.

4. An appropriation of \$5,000, for construction of an outlet sewer in Central Park, to connect with city sewer in Fifth avenue in the vicinity of Ninety-ninth street.

#### Police Salaries.

An increase of \$4,000, said amount being required for full salaries of the existing Police Force, all deductions therefrom for fines, sick leaves, etc., after January 1, 1893, being paid to the Park Police Pension Fund, as provided by chapter 515, Laws of 1892.

#### Harlem River Bridges—Maintenance, etc.

An increase of \$4,000, said amount being absolutely required for payment of wages and purchase of necessary supplies, including maintenance of footways of New York and Northern Railroad Company bridge, at Eighth avenue.

#### Telephonic Service.

An increase of \$1,200, the telephone company naming \$5,200, for a renewal of the contract now in force.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. Bidders will state in their estimates a price, per cubic yard, for doing such dredging, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as sureties for its faithful performance in the sum of eight thousand dollars (\$8,000); and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case, to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation. THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

ESTIMATES FOR FURNISHING ILLUMINATING GAS for lighting the Public Markets, Armories, Buildings and Offices of the City of New York, or any of them, for the period from January 1, 1893, to December 31, 1893, both days inclusive, will be received by the Commissioner of Public Works of the City of New York, at his office, until 12 o'clock M. of Tuesday, December 27, 1892, at which time and place the estimates received will be publicly opened.

Any person making an estimate for the above-mentioned supplies shall furnish the same in a sealed envelope at said office, at or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Bidders are required to state in their estimates their names and places of residence; and if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any estimate for the same purpose; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimates must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true; where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation of the City of New York any difference between the sum to which he or they would be entitled upon its completion, and that which the said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York.

The gas shall have an illuminating power of not less than eighteen candles when tested at a distance of not less than one mile from the place of manufacture, on the improved form of the Bunsen Photometer, by a Sugg-Letheby 15-hole argand burner, calculated on a consumption of five cubic feet of gas per hour. The regular daily tests, however, will be made with a burner that will obtain from the gas the greatest amount of light, and practicable for use by the consumer, and consuming at the rate of five cubic feet of gas per hour. The testing candle shall be of sperm of six to the pound, and consuming, as near as possible, one hundred and twenty grains of sperm per hour, and no candle shall be used for testing which consumes less than one hundred and fourteen or more than one hundred and twenty-six grains of sperm per hour. And as regards purity, the gas shall be free, within limits not injurious to the public health, from ammonia, sulphureted hydrogen, and other sulphur and noxious compounds.

Bidders are required to state in their estimates the several markets, armories, buildings and offices to which they propose to supply gas, and the illuminating power of the gas they propose to furnish.

Bidders are also required to state one definite and distinct price for each thousand cubic feet of gas furnished (whether the quantity be more or less) to each or any of the following public markets, armories, buildings and offices of the city, and this price must be written out in full, and also inserted in figures.

The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids. No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The right is reserved, when an estimate is made containing bids for supplying gas to one or more of the markets, armories, buildings, offices, etc., as aforesaid, to accept from such estimate or bid so much thereof as may be the lowest in respect to each particular market, armory, building or office as aforesaid, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The contract for lighting any particular market, armory, building, office, etc., will be awarded, if awarded, to the lowest bidder on the lighting of each particular market, armory, building, office, etc.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Commissioner of Public Works.

The right is also reserved to discontinue the lighting of any of the public markets, armories, buildings, offices, etc., to which gas shall be furnished, if at any time gas should not be required in any such public market, armory, building or office.

The right to decline all estimates is reserved, if deemed for the interest of the Corporation, by the Commissioner of Public Works, and no estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any market, armory, building or office, situated on any street in which the gas-mains of such bidder are not laid at the time of the making of the bid, and a contract for furnishing gas to said market, armory, building or office shall be awarded to any such bidder, then, in that case, thirty days from the date of the execution of such contract shall be allowed to such bidder for the laying of the gas-mains of such bidder in said street, providing such bidder shall have a franchise or grant from the

Mayor, Aldermen and Commonality of the City of New York, authorizing the laying of gas-mains in such street. Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 11, No. 31 Chambers street.

COMMISSIONER'S OFFICE,  
NO. 31 CHAMBERS STREET,  
NEW YORK, August 14, 1889.

#### TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonality containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,  
Commissioner of Public Works.

THE COMMISSIONER OF PUBLIC WORKS DESIRES TO GIVE the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the city.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the Hospital Supplies must conform in every respect to the specifications and samples, and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department; and bidders are especially cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

**SEALED BIDS OR ESTIMATES FOR FURNISHING** Fresh Cow's Milk for the year 1893 will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 10 o'clock A. M. of Friday, December 23, 1892. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Fresh Cow's Milk for the year 1893," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TEN THOUSAND (\$10,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to

the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the Fresh Cow's Milk by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract. The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.
