**CITYWIDE
No. 1**

CITYWIDE CITY OF YES FOR HOUSING OPPORTUNITY N 240290 ZRY
IN THE MATTER OF an application submitted by New York City Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, modifying multiple Sections to expand opportunities for housing within all zoning districts, and across all 59 of the City's Community Districts.

NOTICE

On Wednesday, July 10, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP is proposing a package of zoning text amendments with citywide applicability

to provide a broader range of housing opportunities across the city. The Proposed Action seeks to enable more housing and wider variety of housing types in all neighborhoods citywide, from the lowest-density districts to the highest, to address the housing shortage and high cost of housing in New York City. Incremental changes across a wide geography can create a significant amount of housing and affordable housing without resulting in dramatic change to neighborhoods. To create more housing and more types of housing, the Proposed Action comprises project components in four broad categories: Medium- and High-Density proposals in R6-R10 districts and equivalents; Low-Density proposals in R1-R5 districts and equivalents; Parking proposals, which span the full range of districts and densities; and assorted other changes in line with project goals. In general, the Proposed Action would apply in underlying zoning districts, Special Districts, and other geographies that modify underlying zoning, with limited adjustments to reflect planning goals in specific areas. As such, the Proposed Action would affect all 59 community districts in the City. The analysis year is 2039.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, July 22, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP033Y.

The Department is proposing to amend the Health Code Articles 203 and 205 to eliminate the requirement that any conceptus that has completed 24 or more weeks of gestation be disposed of as human remains. Disposition as human remains would remain available upon request by those who desire burial or cremation and a process for this is included in the amendments as well. Also included in the proposed amendments is a provision to allow certification of induced terminations of pregnancy by designees and changes to terminology to make the rules gender neutral.

The proposed amendment is as follows:

RESOLVED, that section 205.13 of Article 205 of the New York City Health Code, set forth in Title 24 of the Rules of the City of New York, be amended to read as follows:

§ 205.13 Disposal of Human Remains; Time Limit.

- (a) Except as set forth in subdivision (b) of this section, remains of persons dying in the City, or remains resulting from a termination of pregnancy occurring in the City for which the issuance of a disposition permit pursuant to 24 RCNY Health Code § 205.21 has been requested, shall be buried, cremated or transported out of the City within four days following death or termination of pregnancy. Such remains may, however, within the four-day period, be placed in the general reception vault of a cemetery for a period not exceeding ten days from the placement therein. The Department may extend the time limitations contained in this subdivision and may, in granting an extension, specify conditions to be observed to prevent seepage or escape of offensive odors.
- (b) Human remains may be temporarily held for more than the time periods specified in subdivision (a) of this section without being buried, cremated or transported out of the City only if an appropriate interim disposition permit has been issued pursuant to 24 RCNY Health Code § 205.21.

RESOLVED, that section 205.15 of Article 205 of the New York City Health Code, set forth in Title 24 of the Rules of the City of New York, be amended to read as follows:

§ 205.15 Delivery of Remains to Funeral Director or Undertaker; Unclaimed Remains.

When a death or a termination of pregnancy for which the issuance of a disposition permit pursuant to 24 RCNY Health Code § 205.21 has been requested occurs in a hospital, hospice or other health care facility, the person in charge shall deliver the remains immediately upon demand and within the time for filing reports prescribed in 24 RCNY Health Code §§ 203.03(c) and 205.03(b) to a funeral director or undertaker who presents a certification that he or she has been authorized to take charge of the remains by the person in control of disposition as defined in 24 RCNY Health Code § 205.01. If the human remains are not claimed within 24 hours following death or termination of pregnancy, the person in charge of the hospital, hospice or other health care facility shall immediately notify the person in charge of the City mortuary. If, however, an autopsy is to be performed on unclaimed remains pursuant to § 4214(1) of the Public Health Law, the person in charge of the hospital, hospice or other health care facility shall notify the person in charge of the City mortuary within 48 hours of death and prior to the autopsy. Under such circumstances the filing of the certificate of death and confidential medical report may be postponed until 72 hours after death. The requirement of filing may be fulfilled by delivery of the certificate and confidential medical report to the person in charge of the City mortuary when the remains are removed from the hospital or other health care facility.

RESOLVED, that section 205.21 of Article 205 of the New York City Health Code, set forth in Title 24 of the Rules of the City of New York, be amended to read as follows:

§ 205.21 Burial, Cremation, Holding and Transportation of Human Remains; Disposition Permit.

- (a) When a death or termination of pregnancy occurs in the City, the human remains shall not be buried, cremated, temporarily held as an interim disposition pursuant to [subdivision (b) of] 24 RCNY Health Code § 205.13(b) or transported out of the City unless an appropriate disposition permit has been issued by the Department. However, remains may be transported out of the city to a contiguous county in the State without obtaining prior authorization to transport from the Department. In such cases, an appropriate disposition permit must still be issued by the Department prior to burial, cremation, interim disposition or transportation to any other area. Such burial, cremation, interim disposition or transportation permit shall not be issued until a certificate of death or termination of pregnancy and, if required, a confidential medical report have been filed with the Department. A permit to bury, temporarily hold or cremate human remains or to transport them out of the City includes authorization to remove the remains from the place of death or termination of pregnancy pursuant to 24 RCNY Health Code § 205.19(a). If remains are to be transported out of the City by common carrier, they shall be prepared in such manner as to comply with the State Sanitary Code.
- (b) [...]
- (3) The person to whom an interim disposition permit has been issued in accordance with [subdivision (b) of] 24 RCNY Health Code § 205.13(b) shall maintain a permanent record of each of the human remains being temporarily held which shall include the permit number[,] and shall maintain the original interim disposition permit until such time it is surrendered to the Department in exchange for a final burial, cremation or transportation permit.
