A penalty of five dollars (\$5) is hereby established, and will be imposed in each and every case where the rules and regulations of the Department prohibiting the use of water through hose, or in any other wasteful man-ner, are violated, and such penalties will be entered on the books of the Bureau against the respective buildings or property, and, if not collected, be returned in arrears in like manner as other charges for water. 5th. Charges for so-called extra water rents of every nature, imposed or incurred prior to June 9, r881, will be canceled of record on the books of the Department. THOMAS F. GILROY, Commissioner of Public Works.

**REGULATIONS ESTABLISHING A SCALE** OF WATER RENTS AND RULES GOVERNING THE USE OF WATER, FOR THE CITY OF NEW YORK, BY ORDER OF THOMAS F. GILROY, COM-MISSIONER OF PUBLIC WORKS. RULES

UNDER CHAPTER 410, LAWS 1882, SECTIONS 350, 351, 352 and 353, and as amended by chapter 59, Laws 1887, as follows: "The commissioner of public works shall, from time to time, establish scales of rents for the supplying of water, which rents shall be collected in the manner now provided by law, and which shall be apportioned to different classes of buildings in said city in reference to their dimensions, values, exposure to fires, ordinary uses for dwellings, stores, shops, private stables and other common purposes, number of families or occupants, or conswmption of water, as near as may be practicable, and modity, alter, amend and increase such scale from time to

plied with water as above described, per year, ten dollars
For any form of hopper or water-closet, supplied from the ordinary style of cistern filled with ball-cock, and overflow pipe that communicates with the pipe to the water-closet, so that overflow will run into the hopper or water-closet, when ball-cock is defective, or from which an unlimited amount of water can be drawn by holding up the handle, per year, each, five dollars.
For any form of hopper or water-closet, supplied from any of the forms of waster-preventing cisterns, that are approved by the Eugineer of the Croton Aqueduct, which are so constructed that not more than three gallons of water can be drawn at each lift of the handle, or depression of the seat, if such cisterns are provided with an overflow pipe, such overflow pipe must not connect with the water-closet, but be carried like a safe-waste, as provided by the Board of Health regulations, per year, two dollars.
Cistern answering this description can be seen at this Department.

Under the provisions of section 352, Consolidated Act 1882, water-meters, of approved pattern, shall be here-fiter placed on the pipes supplying all stores, workshops

the knowledge or consent of the owners of the prem-ises. The main object of the use of water-meters is to enable water anable waste of an element so valuable and essential to the health and comfort of all the citizens, and this ob-ject can only be accomplished by enforcing payment for the water wasted. Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises re-conside for the amount of water used or wasted. Notice is therefore inven to all householders that, in all allowance will be made on account of waster of water oplumbing, or wasteful use of water by treants or occu-pants of buildings, though such leakage or waster. House-owners are further notified that whenever their premises become weaknt, and are likely to reman wacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will he allowed for any portion of one year. THOMAS F. GILROY.
