74-743 Special provisions for bulk modification

- (a) For a #general large-scale development#, the City Planning Commission may permit:
 - 1) distribution of total allowable #floor area#, #rooming units#, #dwelling units#, #lot coverage# and total required #open space# under the applicable district regulations within a #general large-scale development# without regard for #zoning lot lines# or district boundaries subject to the following limitations:
 - (i) no distribution of #bulk# across the boundary of two districts shall be permitted for a #use# utilizing such #bulk# unless such #use# is permitted in both districts;
 - (ii) when a #general large-scale development# is located partially in a #Residence District# or in a C1, C2, C3 or C4-1 District and partially in other #Commercial# or #Manufacturing Districts#, no transfer of commercial #floor area# to a #Residence District# or to a C1, C2, C3 or C4-1 District from other districts shall be permitted:
 - (2) location of #buildings# without regard for the applicable #yard#, #court#, distance between #buildings#, or height and setback regulations;
 - (3) variation in the location of primary business entrances and #show windows# along frontages adjacent to #zoning lots# outside the #general large-scale development# without regard to regulations applicable near #Residence District# boundaries;
 - the maximum #floor area ratio# (4) permitted pursuant to Section 23-142 (In R6, R7, R8 or R9 Districts) for the applicable district without regard for #height factor# or #open space ratio# requirements provided that the #general large-scale development# is located partially in a C6-1, C6-2 or C6-3 District within the boundaries of Community District 7 in Manhattan and that a minimum of 50 percent of the required #open space# is provided within the #general large-scale development#. Required #open space# for the purposes of this paragraph, (a)(4), shall be calculated by utilizing the smallest #open space ratio# at the maximum #floor area ratio# pursuant to Section 23-142 for the applicable district;

 - (6) modification of the requirements of Section 23-86 (Minimum Distance Between Legally Required Windows and Walls or Lot Lines) for #developments# or #enlargements#, where:
 - (i) the required minimum distance as set forth in Section 23-86 is provided between the #legally required window# in the new #development# or #enlargement# and a wall or #lot line # on an abutting property; and

- (ii) the required minimum distance is provided by a light and air easement acceptable to the Department of City Planning and recorded in the County Clerk's office in the county in which such tracts of land are located.
- (7) modification of the definition of #outer
 court# in Section 12-10 (DEFINITIONS)
 and the provisions of Section 23-84 (Outer
 Court Regulations) to include any open
 area that is bounded on all sides but one

 #yard# or an #inner court#, provided that:
 - such modifications are
 permitted only for #general
 large-scale developments#
 previously approved by the City
 Planning Commission in a C4-7
 District within the boundaries
 of Manhattan Community
 District 7; and
 - (ii) the minimum distance between a #legally required window# facing onto such #outer court# and a building wall shall be 30 feet, measured in a horizontal plane at the sill level of, and perpendicular to such window for the full width of the rough window opening.
- (8) In an #Inclusionary Housing designated area# in a C4-7 district within the boundaries of Manhattan Community District 7, for the purpose of applying the Inclusionary Housing Program within such #Inclusionary Housing designated area#:

 - (ii) modification of the requirements regarding distribution of #affordable housing units# specified in Section 23-96(b) as set forth in a restrictive declaration.

 - (1) the distribution of #floor area#, #open space#, #dwelling units#, #rooming units# and the location of #buildings#, primary business entrances and #show windows# will result in a better site plan and a better relationship among #buildings# and open areas to adjacent #streets#, surrounding #development#, adjacent open areas and shorelines than would be possible without such distribution and will thus benefit both the occupants of the #general large-scale development#, the neighborhood, and the City as a whole;
 - (2) the distribution of #floor area# and location of #buildings# will not unduly increase the #bulk# of #buildings# in any one #block# or unduly obstruct access of light and air to the detriment of the occupants or users of #buildings# in the #block# or nearby #blocks# or of people using the public #streets#;
 - (3) where a #zoning lot# of a #general largescale development# does not occupy a frontage on a mapped #street#, appropriate access to a mapped #street# is provided;
 - (4) considering the size of the proposed
 #general large-scale development#, the
 #streets# providing access to such
 #general large-scale development# will be
 adequate to handle traffic resulting
 therefrom;
 - (5) when the Commission has determined that the #general large-scale development# requires significant addition to existing public facilities serving the area, the applicant has submitted to the Commission a plan and timetable to provide such required additional facilities. Proposed facilities that are incorporated into the City's capital budget may be included as part of such plan and timetable;
 - (6) where the Commission permits the maximum #floor area ratio# in accordance with the provisions of paragraph (a)(4) of

this Section, the #open space# provided is of sufficient size to serve the residents of new or #enlarged buildings#. Such #open space# shall be accessible to and usable by all residents of such new or #enlarged buildings#, have appropriate access circulation, seating, lighting and paving, and be substantially landscaped. Furthermore, the site plan of such #general large-scale development# shall include superior landscaping for #open space# of the new or #enlarged buildings#;

- (7) where the Commission permits the exclusion of #lot area# or #floor area# in accordance with the provisions of paragraph (a)(5) of this Section or modification of the base and maximum #floor area ratios# or requirements regarding distribution of #affordable housing units# in accordance with paragraph (a)(8) of this Section, such modification will facilitate a desirable mix of #uses# in the #general large-scale development# and a plan consistent with the objectives of the Inclusionary Housing Program and those of Section 74-74 $\underline{(General\ Large\text{-}Scale\ Development)\ with}$ respect to better site planning; and
- a declaration with regard to ownership (8)requirements in paragraph (b) of the #general large-scale development# definition in Section 12-10 (DEFINITIONS) has been filed with the Commission.

The Commission may prescribe additional conditions and safeguards to improve the quality of the #general large-scale development# and to minimize adverse effects on the character of the surrounding area.

For a phased construction program of a multi-building complex, the Commission may, at the time of granting a special permit, require additional information, including but not limited to a proposed time schedule for carrying out the proposed #general large-scale development#, a phasing plan showing the distribution of #bulk# and #open space# and, in the case of a site plan providing for common #open space#, common open areas or common parking areas, a maintenance plan for such space or areas and surety for continued availability of such space or areas to the people they are intended to serve.

Chapter 4 **Special Permits by the City Planning Commission**

General Large-Scale Development

For #general large-scale developments# involving several #zoning lots# but planned as a unit, the district regulations may impose unnecessary rigidities and thereby prevent achievement of the best possible site plan within the overall density and #bulk# controls. For these #developments#, the regulations of this Section are designed to allow greater flexibility for the purpose of securing better site planning, while safeguarding the present or future use and development of the surrounding area.

No portion of a #general large-scale development# shall contain any #use# not permitted by the applicable district regulations for such portion, except as otherwise provided in Section 74-744 (Modification of use regulations). When an existing #building# in a #general large-scale development# is occupied by a #non-conforming use#, any #enlargement# of such existing #building# shall be subject to the requirements set forth in Section 52-00 (NON-CONFORMING USES: DEFINITIONS AND GENERAL PROVISIONS).

74-744 Modification of use regulations

Use modifications

Waterfront and related #commercial uses#

> In a C4 District, the City Planning Commission may modify applicable district regulations to allow certain boating and related #uses# listed in Use Group 14A, not otherwise allowed in such district, provided the Commission shall find that:

the #uses# are appropriate for (1)(i) the location and blend harmoniously with the rest of the #general large-scale development#; and

the #streets# providing access to (2)(ii) such #uses# will be adequate to handle the traffic generated thereby.

(2)Automotive sales and service #uses#

> For #general large-scale developments# previously approved by the City Planning Commission in a C4-7 District within the boundaries of Manhattan Community District 7, the City Planning Commission may modify applicable district regulations to allow automotive sales and service establishments that include repair services and preparation for delivery, provided the Commission shall find that:

- the portion of the establishment used for the servicing and preparation of automobiles is located entirely in a #cellar# level and below grade or established curb level, and the ground floor level of such establishment is used only for showrooms and sales;
- <u>(ii)</u> sufficient indoor space for storage of vehicles for sale or service has been provided; and
- <u>(iii)</u> such #use# will not create or $\underline{contribute\ to\ serious\ traffic}$ congestion and will not unduly inhibit surface traffic or adversely affect pedestrian movement.
- (b) Location of #commercial uses#

For any #general large-scale development#, the City Planning Commission may permit #residential# and non-#residential uses# arranged within a #building# without regard for the regulations set forth in Section 32-42 (Location within Buildings), provided the Commission shall

- (1) the #commercial uses# are located in a portion of the #mixed building# that has separate access to the outside with no opening of any kind to the #residential# portion of the #building# at any #story#;
- (2)the #commercial uses# are not located directly over any #story# containing #dwelling units#; and
- (3) the modifications shall not have any adverse effect on the #uses# located within the #building#.
