131-60 Special Permit for Auditoriums

The special permit set forth in this Section is established to allow outdoor entertainment #uses# on a limited-term basis in a unique beachfront location within the #Special Coney Island District#. The #development# of such a #use# on a temporary basis pursuant to this special permit provides for the opportunity for a valuable public amenity to exist within an area that, while approved for future #residential development# pursuant to the #Special Coney Island District# plan, is currently underutilized and does not exhibit the characteristics of a well-developed #residential# neighborhood. Any special permit granted under this Section shall be subject to a term of years, in order to ensure that such #use# is consistent with and does not impede the goal of long-term revitalization of the surrounding area, pursuant to the #Special Coney Island District# plan.

In the Coney West Subdistrict, for Parcels B and G, the City Planning Commission may approve, by special permit, open-air auditoriums with greater than 2,000 seats, for a term no greater than ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued, provided that the proposed auditorium meets the conditions of paragraph (a) and the findings of paragraph (b) of this Section, in addition to the #sign# and parking provisions of paragraphs (c) and (d) of this Section, respectively.

For any application for such special permit, the applicant shall provide plans to the Commission including but not limited to a site plan, signage plan, parking and loading plan, lighting plan and operations plan (the "Proposed Plans").

(a) The Commission may permit open-air auditoriums with a maximum of 5,100 seats, provided the Proposed Plans demonstrate that:

- (1) at all times when the Riegelmann Boardwalk is open to the public, all publicly accessible space, as shown on the proposed plans, will remain accessible to the public, except that access may be restricted as necessary during scheduled events, for the setup and takedown for such events, and in connection with maintenance activities; any barriers erected for the purpose of restricting access or visibility during such events shall be completely removed at all other times;
- (2) the height of all structures, temporary or fixed, does not exceed 70 feet in height, as measured from the level of the Riegelmann Boardwalk;
- (3) any roof or structural canopy above the open-air auditorium seating area will be removed prior to the month of November and shall remain removed during the entire off-season period between November through April, as well as in advance of severe weather events;
- (4) the signage plan and parking and loading plan comply with the provisions of paragraphs (c) and (d) of this Section, respectively; and
- (5) the City and applicant will enter into an agreement under which Parcel G will be returned to the City as of the expiration of the term of the special permit in a condition set forth in such agreement appropriate for #use# as a #public park#.

(b) In granting such permit, the Commission shall find that:

- (1) such open-air auditorium will not unduly impair the essential character or the future #use# or #development# of the surrounding area, pursuant to the goals and objectives of the #Special Coney Island District# plan;

- (2) the outdoor lighting for such open-air auditorium is located and arranged so as to minimize any negative effects on nearby residences# and community facilities#, and that Proposed Plans include noise attenuation features and measures which serve to reduce the effect of noise from the open-air auditorium on the surrounding area, including nearby residences# and community facilities#;
- (3) the construction of a stage as part of any building# on Parcel B, for the purpose of accommodating an open-air auditorium use#, will:
 - (i) enable the stage area to be closed to the outdoor portion of the open-air auditorium during the off-season when the open-air auditorium is not in use, so as to be operated for indoor entertainment uses# with an eating and drinking establishment or other use# permitted on Parcel B; and
 - (ii) allow for such building# to be operated subsequent to the expiration of the special permit for uses# permitted on Parcel B, such as eating or drinking establishments with entertainment;
- (4) appropriate visual and pedestrian connections are maintained in the general area of the former street bed from the termination of West 22st Street to the Riegelmann Boardwalk;
- (5) the portions of the site not dedicated to stage area or event seating are so designed to serve as a full time park-like resource for the public, and the portions of the site designed for open-air auditorium use# serve as a high-quality open space resource when not in auditorium use;
- (6) any roof or structural canopy above the open-air auditorium seating area will be visually unobtrusive, and maximize openness and visibility between the site and the Riegelmann Boardwalk;
- (7) the operations plan, which shall include a protocol for queuing for concert-goers, demonstrates that there would be no interference with the public use and enjoyment of adjacent public facilities; and
- (8) the site plan, signage plan and lighting plan incorporate good design, effectively integrate the site with surrounding streets and the Riegelmann Boardwalk, and are consistent with the purposes of the #Special Coney Island District#.

(c) The Commission may, through approval of the Proposed Plans, permit signs# notwithstanding the applicable sign# regulations, except that flashing signs# shall not be permitted and only advertising signs# that are oriented toward the interior of the open-air amphitheater and not visible from the Riegelmann Boardwalk or other public area shall be permitted.

In order to permit such signs#, the Commission shall find that proposed signage is appropriate in connection with the permitted open-air auditorium use#, is not unduly concentrated within one portion of the site, and will not negatively affect the surrounding area.

(d) The Commission may, through approval of the Proposed Plans, reduce or waive required parking or loading requirements, provided the Commission finds that the open-air auditorium will be adequately served by a combination of surrounding public parking facilities and mass transit. In addition, the Commission shall find that the proposed loading facilities on the site are located so as not to adversely affect the movement of pedestrians or vehicles on the streets# surrounding the auditorium.

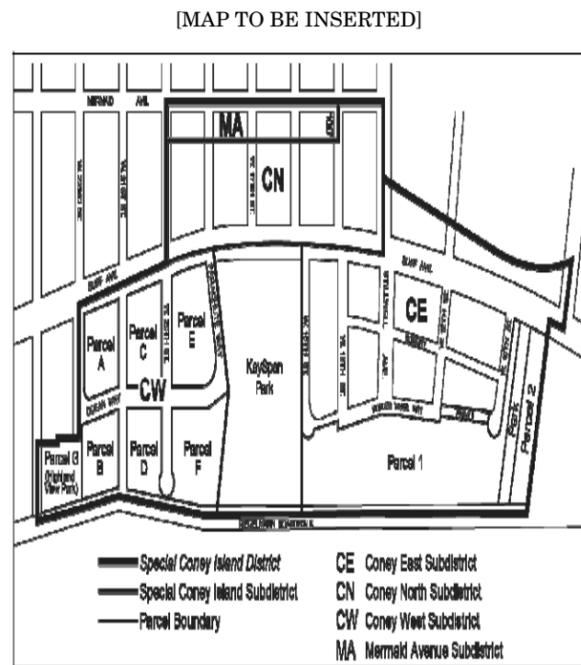

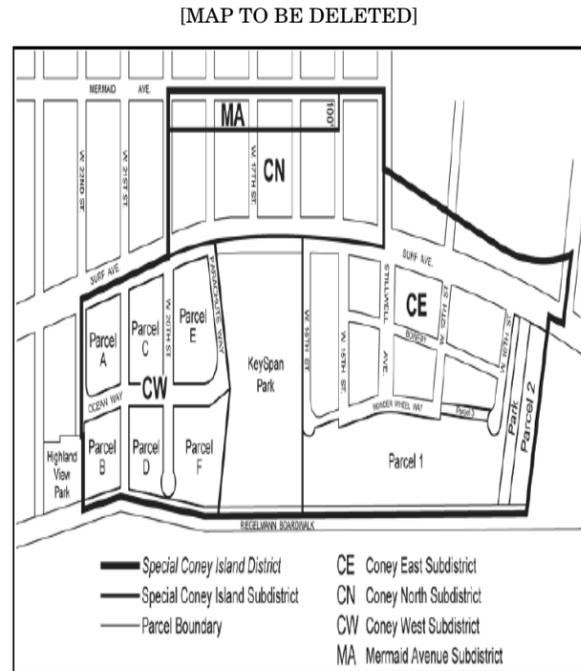

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include, but are not limited to restrictions on signage or requirements for soundproofing of auditoriums, shielding of floodlights or screening of open uses#.

Upon the first issuance of this permit for an open-air auditorium, the effective period of the permit shall be ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued. To establish the term of years for subsequent applications for this special permit, the Commission shall, in determining whether the finding of paragraph (b)(1) of this Section is met, take into account the existing character of the surrounding area, as well as residential# and community facility development# proposed or under construction on surrounding blocks#, and shall also consider whether continuation of such auditorium use# within a proposed term of years would be compatible with or may hinder achievement of the goals and objectives of the #Special Coney Island District# plan.

Subsequent applications for this special permit shall be filed no later than one year prior to expiration of the term of the permit then in effect.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies: Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

LIVING WAGE CAPITAL FUND – Request for Proposals – PIN# 5761-1 – DUE 12-22-14 AT 4:00 P.M. – New York City Economic Development Corporation ("NYCEDC"), on behalf of the City of New York (the "City"), is seeking proposals ("Proposals") in response to this Request for Proposals ("RFP") from qualified individuals or companies ("Respondents") who will construct, renovate and/or improve commercial, retail or industrial facilities, employ a significant number of individuals in certain qualifying occupations and pay all of their respective employees a living wage.

NYCEDC intends to disburse up to a total of \$10 million of capital funding provided by the City to selected Respondents for the purpose of subsidizing the costs of capital improvements for selected projects. The amount of funding received by a selected Respondent will be \$8,500 for each full-time equivalent employee or independent contractor who works in certain qualified occupations. Recipients of funding will be required to pay a living wage to all of their employees and certain other individuals working at the project facility for the life of the capital asset being improved. In order to secure the performance of these obligations, recipients of funding will be required to execute and record a performance mortgage against the project facility.

NYCEDC plans to select Respondents that demonstrate their commitment to paying a living wage to all of their employees and independent contractors. NYCEDC will show preference to Proposals that show that the Respondent - as a result of funding - will employ a larger proportion of living wage employees and independent contractors at the project facility.

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women Owned Business Enterprises ("M/WBE") are strongly encouraged to apply. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit <http://www.nycfedc.com/opportunitymwdb>.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 5:00 P.M. on Monday, December 1, 2014. Questions regarding the subject matter of this RFP should be directed to livingwagecapfund@nycfedc.com. For all questions that do not pertain to the subject matter of this RFP, please contact NYCEDC's Contracts Hotline at (212) 312-3969. Answers to all questions will be posted by Monday, December 8, 2014, to www.nycfedc.com/RFP.

This is an open RFP, which means that Respondents can submit Proposals for consideration over the course of the year.

Submission Deadlines:
January 24, 2014, April 25, 2014, July 24, 2014, December 22, 2014

The RFP is available for in-person pick-up between 9:30 A.M. and 4:30 P.M., Monday through Friday, from NYCEDC. Responses will be accepted on a rolling basis as discussed in the RFP. Please submit six (6) hard copies of the Proposal in paper form, which must be received in a package with the Respondent's name and address clearly written on the outside and labeled "Living Wage Capital Fund," by the submission deadline to: NYCEDC, Attention: Maryann Catalano, Senior Vice President, Contracts.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
