ments of the Twenty-third and Twenty-fourth Wards,
at his office, No. 2622 Third avenue, corner of One Hun-

APPURTENANCES IN LONGWOOD
AVENUE, from the existing sewer in Tiffany
street to Southern Boulevard, and in SOUTH
H. ERN BOULEVARD, from Longwood

Each estimate must contain the name and place of
residence of the person making the same, the names of
all persons interested with him therein, and if no other
person be so interested, it shall distinctly state that fact.
That it is made without any connection with any other
person making an estimate for the same work, and is in
all respects fair and without collusion or fraud. That
no member of the Common Council, head of a depart-
ment, chief of a bureau, deputy thereof, or clerk there-
in, or other officer of the Corporation, is directly or
indirectly interested in the estimate or in the work to
which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the person making the same, that the several matters
therein stated are true, and must be accompanied by
the consent, in writing, of two householders or free-
holders in the City of New York, to the effect that if the
contract is awarded to the person making the estimate,
they will, upon its being so awarded, become bound as his
sureties for its faithful performance; and that if he shall
refuse or neglect to execute the same, they will pay to the
Corporation any difference between the sum to which he
would be entitled upon its completion and that which the
Corporation may be obliged to pay to the person to whom
the contract shall be awarded at any subsequent letting;
the amount to be calculated upon the estimated amount
of the work by which the bids are tested.

The consent last above mentioned must be accom-
panied by the oath or affirmation, in writing, of each of
the persons signing the same, that he is a householder
or freeholder in the City of New York, and is worth the
amount of the security required for the completion of the
contract, over and above all his debts of every nature,

otherwise, and that he has offered himself as surety in
good faith, with the intention to execute the bond re-
quired by law.

No estimate will be considered unless accompanied by
either a certified check upon one of the State or National
banks of the City of New York, drawn to the order of
the Comptroller, or money, to the amount of five per
centum of the amount of the security required for the
faithful performance of the contract. Such check or
money must not be inclosed in the sealed envelope
containing the estimate, but must be handed to the
officer or clerk of the Department who has charge of the
estimate-box, and no estimate can be deposited in said
box until such check or money has been examined by
said officer or clerk and found to be correct. All such
deposits, except that of the successful bidder, will be
returned to the persons making the same within three
days after the contract is awarded. If the successful
bidder shall refuse or neglect, within five days after
notice that the contract has been awarded to him, to
execute the same, the amount of the deposit made by him
shall be forfeited to and retained by the City of New
York, as liquidated damages for such neglect or refusal;
but if he shall execute the contract within the time aforesaid,
the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the
Twenty-third and Twenty-fourth Wards reserves the
right to reject all bids received for any particular work

member of the Common Council, head of a department,
chief of a bureau, deputy thereof, or clerk therein, or
other officer of the Corporation, is directly or indirectly
interested in the estimate or in the work to which it
relates or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the person making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders
in the City of New York, to the effect that if the contract
is awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his sureties
for its faithful performance; and that if he shall refuse
or neglect to execute the same, they will pay to the Cor-
poration any difference between the sum to which he
would be entitled upon its completion, and that which the
Corporation may be obliged to pay to the person to whom
the contract shall be awarded at any subsequent
letting; the amount to be calculated upon the estimated
amount of the work by which the bids are tested.

The consent last above mentioned must be accom-
panied by the oath or affirmation, in writing, of each of the
persons signing the same, that he is a householder or
freeholder in the City of New York, and is worth the
amount of the security required for the completion of the
contract, over and above all his debts of every
nature, and over and above his liabilities as bail, surety,
or otherwise, and that he has offered himself as surety
in good faith, with the intention to execute the bond
required by law.

No estimate will be considered unless accompanied by
either a certified check upon one of the State or National
banks of the City of New York, drawn to the order of
the Comptroller, or money, to the amount of five per
centum of the amount of the security required for the
faithful performance of the contract. Such check or
money must not be inclosed in the sealed envelope
containing the estimate, but must be handed to the
officer or clerk of the Department who has charge of the
estimate-box, and no estimate can be deposited in said
box until such check or money has been examined by
said officer or clerk and found to be correct. All such
deposits, except that of the successful bidder, will be
returned to the persons making the same within three
days after the contract is awarded. If the successful
bidder shall refuse or neglect, within five days after
notice that the contract has been awarded to him, to
execute the same, the amount of the deposit made by him
shall be forfeited to and retained by the City of New
York, as liquidated damages for such neglect or refusal;
but if he shall execute the contract within the time aforesaid,
the amount of the deposit will be returned to him.

TO OWNERS OF LANDS ORIGINALLY
ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT
act of the Legislature (chapter 449, Laws of 1889),
which provides that whenever any streets or avenues in
the city, described in any grant of land under water,
from the Mayor, Aldermen and Commonalty containing
covenants requiring the grantees and their successors to
pave, repave, keep in repair or maintain such streets
shall be in need of repairs, pavement or repavement,
the Common Council may, by ordinance, require
the same to be paved, repaved or repaired, and
the expense thereof to be assessed on the property
benefited; and whenever the owner of a lot so assessed
shall have paid the assessment levied for such paving,
repaving or repairing, such payment shall release and
discharge such owner from any and every covenant and
obligation as to paving, repaving and repairing, con-
tained in the water grant under which the premises are
held, and no further assessment shall be imposed on
such lot for paving, repaving or repairing such street or
avenue, unless it shall be petitioned for by a majority
of the owners of the property (who shall also be the owners
of a majority of the property in frontage) on the line of
the proposed improvement.

The act further provides that the owner of any such
lot may notify the Commissioner of Public Works, in
writing, specifying the ward number and street number
of the lot that he desires, for himself, his heirs and
assigns, to be released from the obligation of such
covenants, and elects and agrees that said lot shall be
thereafter liable to be assessed as above provided, and
thereupon the owner of such lot, his heirs and assigns
shall thenceforth be relieved from any obligation to
pave, repair, uphold or maintain said street, and the lot
in respect of which such notice was given shall be liable
to assessment accordingly.

The Commissioner of Public Works desires to give
the following explanation of the operation of this act:
When notice, as above described, is given to the
Commissioner of Public Works, the owner of the lot or
lots therein described, and his heirs and assigns, are
forever released from all obligation under the grant in
respect to paving, repaving or repairing the street in
front of or adjacent to said lot or lots, except one assess-
ment for such paving, repaving or repairs, as the Com-
mon Council may, by ordinance, direct to be made
thereafter.

No street or avenue within the limits of such grants
can be paved, repaved or repaired until said work is
authorized by ordinance of the Common Council, and
when the owners of such lots desire their streets to be
paved, repaved or repaired, they should state their
desire and make their application to the Board of Alder-
men and not to the Commissioner of Public Works, who
has no authority in the matter until directed by
ordinance of the Common Council to proceed with the
pavement, repavement or repairs.

The work is to be completed and delivered as provided in the contract.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of fifteen thousand (\$15,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of seven hundred and fifty (\$750) dollars. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct.
