Dr. William Mabon, Superintendent of Bellevue Hospital, reported as follows:

About 6 o'clock on the morning of February 2 a fire broke out in the drying room of the laundry. It was discovered by an employee passing the building, who at once gave the alarm. The local department responded immediately and had a stream on in a minute and a half. The City Department was also called upon and rendered most efficient service. The loss is confined to those articles in the drying room at the time, consisting mostly of patients' shirts, night shirts and pajamas, and will probably amount to \$375. Mr. Philip Smith, the chief of our local department, became sick as a result of the fire, but is now convalescent. His services and those of the corps were very satisfactory.

An estimate on repairing the garbage destructor is presented for your consideration. This furnace was installed five or six years ago at a cost of \$2,700, and nothing has thus far been expended upon it for repairs. If it is not repaired at once it may break down and require a much larger sum for repairs.

Notices are now being prepared prohibiting patients from spitting tobacco juice into the sputum cups, and it was thought well to incorporate in the notice a prohibition against smoking in the wards.

The Superintendent of Nurses has been conferred with in reference to the subject of additional nurses, and this matter is now receiving her consideration.

Mr. Lewis, Chief Engineer of the Board of Estimate and Apportionment, called up on the phone the other day in reference to the opening of Tee Taw avenue, and said that he would recommend to the Board of Estimate and Apportionment that the outbuildings be allowed to stand for a time, and later on, if other arrangements are necessary, ample time will be given to provide for them.

Three bids were received on the fire escape stairway. The lowest is from the Central Iron Works and has been accepted at \$285.

### Gouverneur Hospital.

The Corporation Counsel has been interviewed in reference to bids received on the alterations and additions to Gouverneur Hospital. The matter was referred to an assistant who said he would consider it and send his report to the Corporation Counsel at the earliest possible moment.

### Harlem Hospital.

Arrangements have been made for painting the interior of Harlem Hospital as well as the isolating room in the rear.

### Communications.

A communication from Dr. Alexander Lambert, Secretary of the Medical Board of Bellevue Hospital, enclosing minutes of the meeting of the Board held February 1, 1904, was received, and on motion, duly seconded, ordered placed on file.

A communication from Dr. John H. Coughlin, Secretary of the Medical Board of Gouverneur Hospital, enclosing minutes of the meeting of the Board held February 1, 1904, was received, and on motion, duly seconded, ordered placed on file.

A communication from Doctor Louis K. Neff, Secretary of the Medical Board of Harlem Hospital, enclosing minutes of the meeting of the Medical Board held January 26, 1904, was received and, on motion, duly seconded, ordered placed on file.

A communication, under date of January 31, 1904, was received from Miss Jessie A. Stowers, Supervising Nurse of Gouverneur Hospital, giving a list of the calls made by Visiting Physicians and Surgeons at that institution during the month of January. On motion, duly seconded, the same was ordered placed on file.

A communication, under date of February 1, 1904, was received from Miss Sarah A. Gainsworth, Supervising Nurse of Harlem Hospital, presenting report of visits to that institution by members of the Medical Board during the month of January. On motion, duly seconded, the same was ordered placed on file.

A communication, under date of February 2, 1904, was received from Miss Carrie Gray, Supervising Nurse of Fordham Hospital, transmitting the number of visits made by the Attending Physicians and Surgeons during the month of January. On motion, duly seconded, the same was ordered placed on file.

A communication was received from the Hon. John J. Delany, Corporation Counsel, under dated of February 5, 1904, containing his opinion in the matter of the legality of the bid of Thomas Leahy for the work of constructing the new wing to Gouverneur Hospital.

On motion, duly seconded, it was Resolved, That the action of the Harlem Medical Board in suspending Doctor E. W. Gould, of the Out-Patient staff, for failure to attend to his duties is hereby approved, and further, that the recommendation that he be dismissed from the Out-Patient staff, and that Doctor G. W. Busck be appointed to his place (proper credentials accompanying the nomination of Doctor Busck to the Board of Trustees) be and the same is hereby approved.

On motion, duly seconded, it was Resolved, That whereas this Board has been advised by the Corporation Counsel that the bid of Thomas Leahy for the work of constructing a new wing to Gouver-

neur Hospital, together with other work in said hospital, is informal by reason of failure to comply with certain specifications, and of vague and indefinite language as to some of the proposals; therefore be it

Resolved, That the Board hereby reject the proposal of Thomas Leahy to undertake the work of construction at Gouverneur Hospital.

Resolved, further, That whereas the sum appropriated for the work of constructing the new wing to Gouverneur Hospital, together with other improvements, does not include the sum of alternate items nor the total of sums of unit prices as carried out for estimated quantities, and therefore falls short in the sum of \$49,938.50 of the amount of the lowest bid received for this work; therefore be it

Resolved, That the Board of Trustees request of the Board of Estimate and Apportionment a further appropriation in the sum of fifty thousand dollars for the purpose of providing the necessary means for carrying on and completing the work at Gouverneur as heretofore planned and advertised for.

New Business.

On motion, duly seconded, it was

Resolved, That authority be given the Superintendent to have the crematory at Bellevue Hospital repaired at an expense not to exceed four hundred and fifty dollars.

On motion, the Board adjourned.

J. K. PAULDING, Secretary.

The work of removing the various lots herein enumerated shall be carried on in such manner and at such times as may be directed by the Engineer-in-Chief of the Department of Docks and Ferries. The work of removal may be suspended and shall not be

resumed until written notice is given by said Engineer-in-Chief so to do. The time elapsed during such suspension shall not be counted against the purchaser, but a like number of days will be given him which may have elapsed during such suspension.

The purchaser of Lot No. 1 agrees to proceed with the removal of same in such a manner, so as to permit the purchaser of Lot No. 3 to remove the various materials enumerated in said Lot.

##### NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be included in the envelope containing the bid or estimate, but should be either enclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
