Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller presented the following reasons for overruling the objections or suggestions made by the Board of Aldermen, in respect to certain items in the Provisional Estimate:

Whereas, The Board of Aldermen of the City of New York, at a special meeting thereof, held in the chamber of the Board, in the City Hall, in said city, on Monday, the thirtieth day of November, 1885, made certain rectifications of and objections to the Provisional Estimate for the year 1886, which were presented to the Board of Estimate and Apportionment on December 17, 1885; and

Whereas, The Board of Estimate and Apportionment have duly considered said rectifications of and objections to the Provisional Estimate for 1886, which were made by the Board of Aldermen, pursuant to section 189 of the New York City Consolidation Act of 1882; and

Whereas, The Board of Estimate and Apportionment, in making the Final Estimate for the year 1886, at a meeting held December 31, 1885, have duly considered the rectifications of and objections to said Provisional Estimate for 1886, made by the Board of Aldermen, and have approved of some of said rectifications and overruled others; therefore

Resolved, That the reasons for the action of the Board of Estimate and Apportionment in overruling the objections or suggestions made by the Board of Aldermen, in respect to certain items in the said Provisional Estimate, are as follows:

THE COMMON COUNCIL.

Decrease, "City Contingencies—Bartholdi Statue, Celebration of Completion of, reduced from \$5,000" to..... \$2,500 00

This item of decrease is approved.

Increase, "Add—For purchase of portrait of General Grant"..... \$2,500 00
This additional item is overruled, for the reason that the subject has not had due consideration, and is reserved for future action thereon.

Increase, "Salaries—Common Council—Clerks and Officers, Board of Aldermen (section 79, New York City Consolidation Act of 1882), including \$5,000 for Commencing and Prosecuting during the year 1886, the work of Duplicating the Manuscript Records of the City Government, from 1652 to 1830, inclusive, increase from \$20,000" to..... \$22,500 00

The rectification of this item, by increasing the sum of \$2,500 for commencing and prosecuting during the year 1886, the work of duplicating the manuscript records of the City from the year

1652 to 1830, inclusive, to the sum of \$5,000, is overruled, for the reason that the work of copying such records should be very carefully and cautiously proceeded with by some competent engrosser, and that the sum appropriated in the Provisional Estimate is deemed sufficient to secure such clerical service at the present time.

THE LAW DEPARTMENT.

Increase, "Add—For Special Counsel in Matter of Equalizing State Taxes"..... \$3,000 00
This item is approved.

Increase, "Bureau of the Corporation Attorney—Salaries—Clerks, Messengers and Janitor, increase from \$6,300" to..... 7,148 00

The rectification of this item of salaries is approved, and the further sum of \$2 is added, to raise the salaries of the Transcript and General Clerks from \$1,199 each, at which said clerks are rated in the Departmental Estimate, to \$1,200 each, for the special purpose of subjecting said clerks to an examination by the Municipal Civil Service Board.

Increase, "For Procuring and Presenting Evidence of Frauds previous to 1872, \$6,000. Item stricken out."

The rectification of this item is overruled, for the reason that the appropriation made in the Provisional Estimate for the purpose is deemed necessary for the continuance of pending legal proceedings in the interest of the City.

DEPARTMENT OF PUBLIC WORKS.

Increase—"Free Floating Baths, increase from \$15,000" to..... \$35,000 00

"Lamps and Gas and Electric Lighting, increase from \$718,800 to \$743,800, the increase, \$25,000, to be applied for lighting streets on west side of the city leading to the several ferries..... 743,800 00

"Repairs and Renewal of Pipes, Stop-cocks, etc., increase from \$131,500" to..... 175,000 00

"Repairs and Renewals of Pavements and Regrading, increase from \$238,000" to..... 285,000 00

"Repairing Streets and Avenues (chapter 476, Laws of 1875), increase from \$200,000" to..... 485,000 00

"Add—Special Appliances to Prevent Waste of Water"..... 50,000 00

"Street Signs on Buildings and Lamps, increase from \$5,000" to..... 10,000 00

"Salaries—Repairing and Renewal of Pipes, Stop-cocks, etc., increase from \$43,500" to..... 71,900 00

"Salaries—Repairs and Renewal of Pavements and Regrading, increase from \$12,000" to..... 15,000 00

"Salaries—Repairing Streets and Avenues (chapter 476, Laws of 1875), increase from \$8,000" to..... 15,000 00

"Salaries—Department of Public Works—Officers, Engineers, Superintendents, Inspectors, Clerks, and all other salaried officers of the Department, increase from \$85,000" to..... 118,500 00

"Public Buildings—Construction and Repairs, increase from \$50,000 to \$50,500—the increase to be applied to constructing twenty new doors to Washington Market"..... 50,500 00

These items of rectification are all overruled for the reason that the amounts severally appropriated therefor in the Provisional Estimate are deemed sufficient for the purposes and objects thereof; except a modification of the last item, by increasing the appropriation in the Provisional Estimate \$7,000, of which the sum of \$2,000 is set apart for ventilating Washington Market and \$5,000 for repairs of Clinton Market.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION.

Increase, "For Construction of New Buildings—System of ventilation and heating, Bellevue Hospital, increase from \$10,000" to..... \$20,000 00

"For Distribution of Coal to Out-door Poor, increase from \$20,000" to..... 35,000 00

These items of rectification are both overruled for the reason that the amounts appropriated therefor in the Provisional Estimate are deemed sufficient for the purposes and objects thereof, and the appropriation of \$10,000 in the Provisional Estimate, "For Construction of New Buildings, etc.—Bellevue Hospital," is stricken out.

HEALTH DEPARTMENT.

Increase "Health Fund, increase from \$150,000" to..... \$205,258 00

"For twenty Sanitary Inspectors (chapter 508, Laws of 1885), increase from \$20,000" to..... 24,000 00

These items of rectification are overruled for the reason, after a special hearing of the officers of the Health Department, and full discussion of the subjects of the appropriations, the Board of Estimate and Apportionment are unanimously of the opinion that the expenditures of that Department should be reduced, and that with a proper system of organization and administration the amounts severally appropriated in the Provisional Estimate for the objects and purposes thereof are sufficient.

STREET CLEANING DEPARTMENT.

Increase, "Add—Removing debris from Buddensiek buildings"..... \$380 00

This item is provided for under the head of "appropriation for deficiencies in 1885 and previous years."

BOARD OF EDUCATION.

Increase, "Add—For Site and School Building in upper part of Twenty-second Ward, as follows:

"For site, \$50,000; for new building, \$100,000, thus increasing appropriation for sites from \$100,000" to..... \$150,000 00

"For New Buildings, from \$900,000" to..... 1,000,000 00

These items of rectification are overruled, and the appropriations for the same purposes made in the Provisional Estimates are modified, after a hearing of the School Commissioners and Trustees and a full discussion of the subject, so that the amount appropriated for "School Sites" is increased from \$100,000 to \$109,000, and the amount for "New School Buildings and for additions to New School Buildings" is reduced from \$900,000 to \$785,000, making a total reduction of \$106,000 from the appropriation made in the Provisional Estimate.

MUNICIPAL SERVICE EXAMINING BOARD.

Decrease, "Civil Service of the City of New York, Expenses of—For Salaries, Contingencies, etc., reduce from \$20,050" to..... \$5,000 00

The rectification of this item is overruled, for the reason that the amount appropriated in the Provisional Estimate is deemed necessary for the objects and purposes thereof.

MISCELLANEOUS PURPOSES.

Increase, "Add—To reimburse A. V. Davidson, Sheriff, for expenses in defending himself against charges, before the Governor, etc."..... \$38,395 68

This additional item is overruled, for the reason that it is not deemed proper to make an appropriation for the purpose.

"Preserving Records in Office of the Surrogate, increase from \$5,000" to..... \$8,400 00

This item of rectification is approved.

Modification, "Fund for Local Improvements (chapter 174, Laws of 1885)—For Department of Public Parks, \$250,000, \$25,000 of which shall be devoted to the completion of the Riverside Drive."

The rectification of this item is overruled, for the reason that the appropriation is made to provide for a deficiency which may arise in "The Fund for Local Improvements" created by the act referred to, to be applied to contracts for general local improvements, and not to special expenditures.

Increase, "Add—Toward the Erection of a New Armory for the Eighth Regiment on the site bought for the purpose"..... \$150,000 00

This additional item is overruled, for the reason that the appropriation for the purpose is not deemed judicious at the present time.

SUPERIOR COURT.

Increase, "Add—For Crier for Superior Court"..... \$5,000 00

This additional item is approved, in part, by appropriating the sum of \$2,000 for the yearly salary of Crier of the Superior Court, instead of \$5,000.

SALARIES—SURROGATE'S OFFICE.

Increase—"Increase salary of Probate Clerk from \$2,000" to..... \$3,000 00

"Increase salary of Surrogate's Stenographer from \$900" to..... 1,400 00

(Thereby increasing the sum for Salaries from \$73,300 to \$74,800.)

These two items of rectification are modified by increasing the amount appropriated in the Provisional Estimate from \$73,300 to \$74,100, instead of \$74,800.

"Add—For Contingencies (Surrogate)"..... \$1,000 00

This additional item is approved.

Which were adopted by the following vote:

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, JUNE 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become
exempt, and all needed information will be given.
Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury en-
rollment notice," requiring them to appear before me
this year. Whether liable or not, such notices must be
answered (in person, if possible, and at this office only)
under several penalties. If exempt, the party must bring
proof of exemption; if liable, he must also answer in
person, giving full and correct name, residence, etc., etc.
No attention paid to persons who fail to do so.
Persons "enrolled" as liable must serve when called
or pay their fines. No excuse will be allowed or
interference permitted. The fines if unpaid will be en-
tered as judgments upon the property of the delinquents.
All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing
their clerks or subordinates to serve, reporting to me any
attempt at bribery or evasion, and suggesting names for
enrollment. Persons between sixty and seventy years of
age, summer absentees, persons temporarily ill, and
United States and District Court jurors are not exempt.
Every man must attend to his own notice. It is a mis-
derstanding to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in
relation to a jury service, or to withhold any paper or
make any false statement, and every case will be fully
prosecuted.

Commissioner of Jurors

notice that the same has been awarded to him or their bid
or estimate, and that the sureties offered by him or them
have been approved by the Comptroller; and in case of

executed. The delivery to commence at such time as the
Commissioners of the Department of Public Parks may
designate.

accompanied by either a certified check upon one of the
National Banks of the City of New York, or a deposit
with the Comptroller of the money to the amount of five
per centum of the amount of the security required for
the faithful performance of the contract. Such check or
money must not be included in the sealed envelope con-
taining the estimate, but must be handed to the officer

as surety or otherwise upon any obligation to the Cor-
poration, except that the successful bidder shall be re-
turned to the persons making the same, within three
days after the contract is awarded. If the successful
bidder shall neglect or refuse to do so, he or they will be
considered as having abandoned it, and as in default to the

Commissioners of the Department of Public Parks may
designate.

than one person is interested in the estimate, the verifica-
tion must be made and subscribed by all the parties interest-
ed. Each estimate shall be accompanied by the consent, in

cute the same, they will pay to the Corporation any dif-
ference between the sum to which he would be en-
titled on its completion, and that which the Cor-
poration may be awarded at any subsequent letting; the
amount in each case to be calculated upon the esti-
mated amount of the work by which the bids are tested.
The consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same, that he is a householder or freeholder
in the City of New York, and is worth the amount of the
security required for the completion of the contract and
stated in the proposals, over and above all his debts of
every nature, and over and above his liabilities as bail,

in good faith, and with an intention to execute the bond

Charities and Correction, No. 66 Third Avenue, in the
City of New York, until 9:30 o'clock A. M., of Wednesday,

or before the day and hour above named, at which time
and place the bids or estimates received will be publicly
opened by the President of said Department and read.

The Board of Public Charities and Correction
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES
IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PRO-
VIDED IN SECTION 64, CHAPTER 410, Laws of 1882.
No bid or estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Cor-
poration upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Cor-
poration.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Delivery will be required to be made from time to
time, and in such quantities as may be directed by the
said Commissioners.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must

have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to furnish the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of five thousand (\$5,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any collusion or fraud, and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum which he would be entitled to on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he will, in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the completion of the contract. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contracts.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute and unqualified compliance.

The bids to be received at the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M. of Thursday, January 7, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Whiskey, Corks, Chemical Preparations, etc.," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

The Board of Public Charities and Correction reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in section 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt, or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any collusion or fraud, and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the completion of the contract. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, and in such quantities as may be directed by the said Commissioners.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt, or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
