The application (C 090416 HAK) for an Urban Development Action Area designation and project approval and disposition of city-owned property was submitted by the Department of Housing Preservation and Development (HPD) on May 6, 2009. Approval of this application would facilitate the development of six sites, tentatively known as Broadway Triangle, with approximately 488 residential units, commercial and community facility uses.

The Department of Housing Preservation and Development states in its application that:

The project area consists of underutilized property that tends to impair or arrest

the sound development of the surrounding community, with or without tangible physical blight. Incentives are needed in order to induce the correction of these substandard, insanitary, and blighting conditions. The project activities would protect and promote health and safety and would promote sound growth and development. The project area is therefore eligible to be an Urban Development Action Area and the proposed project is therefore eligible to be an Urban Development Action Area Project pursuant to Article 16 of the General Municipal Law.
