## COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'clock A. M., on Wednesday, November 4, 1914.

Present—John Purroy Mitchel, Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain; O. Grant Esterbrook, Acting President, Board of Aldermen, and Henry H. Curran, Chairman Finance Committee, Board of Aldermen.

The minutes of the meeting held October 15, 1914, were approved as printed.

The Deputy and Acting Comptroller presented the following report of the Corporate Stock Budget Committee and offered the following resolutions relative to issues of corporate stock for the Department of Docks and Ferries, as follows:

To an amount not exceeding \$25,000, the proceeds to the amount of the par value thereof to be applied to the payment of awards, costs and expenses in the proceeding to acquire title to the property between West 44th Street and West 48th Street, North River.

To an amount not exceeding \$25,000, the proceeds to the amount of the par value thereof to be applied to the payment of awards, costs and expenses in the proceeding to acquire title to property for a terminal station adjacent to the proposed barge canal terminal at South Brooklyn.

October 20, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On September 24, 1914, the Commissioner of Docks requested corporate stock, as follows:

For the costs and expenses of acquiring property at  
West 44th to West 48th Street, North River ..... \$25,000 00  
Adjacent to the proposed barge canal terminal in South Brooklyn..... 25,000 00

\$50,000 00

The Commissioner suggested that the funds be so authorized that any balance remaining after costs and expenses have been paid may be applied toward paying for the property acquired.

The request was made to meet orders of the Supreme Court as follows:

West 44th to West 48th Streets ..... \$7,061 08  
Canal Barge Terminal ..... 1,132 36

It is probable that considerable additional expense will be involved in these proceedings.

Title to the West 48th Street property vested in the City on August 1, 1913, and to the terminal property on October 10, 1913.

The Board of Estimate and Apportionment has reserved out of the available balance in the amount of corporate stock which may be legally authorized the sum of \$3,075,000 for the North River property and \$2,361,620.35 for the terminal property. No authorizations of corporate stock for these purposes have been made. We recommend the adoption of the attached resolutions granting the request.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller; GEORGE McANENY, President, Board of Aldermen; LEWIS H. POUNDS, President, Borough of Brooklyn; DOUGLAS MATHEWSON, President, Borough of The Bronx; Corporate Stock Budget Committee.

Resolved, That pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue, from time to time, as may be required, corporate stock of The City of New York to an amount not exceeding twenty-five thousand dollars (\$25,000), the proceeds whereof, to the amount of the par value thereof, to be applied to the payment of awards, costs and expenses in the proceeding to acquire title to the property between West 44th Street and West 48th Street, North River, for the uses and purposes of the Department of Docks and Ferries.

Resolved, That pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue, from time to time, as may be required, corporate stock of The City of New York to an amount not exceeding twenty-five thousand dollars (\$25,000), the proceeds whereof, to the amount of the par value thereof, to be applied to the payment of awards, costs and expenses in the proceeding to acquire property for a terminal station adjacent to the proposed Barge Canal Terminal at South Brooklyn, under the jurisdiction of the Department of Docks and Ferries.

The report was accepted and the resolutions severally unanimously adopted.

The following communication was received from the Commissioner of Docks requesting an amendment to resolution approving of a lease by the Commissioner of Docks and the Commissioner of Bridges jointly with the Public Service Commission, of certain property in the vicinity of Pier 4, East River:

Pier A, North River, October 15, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting of the Commissioners of the Sinking Fund held April 17, 1914, two resolutions were adopted: one approving agreement between the Commissioner of Docks, the Commissioner of Bridges and the Public Service Commission, and the other approving execution of an agreement with the New York Central and Hudson River Railroad Company for a modification of the lease of Pier 4, East River, and adjoining bulkhead.

The lease given the New York Central and Hudson River Railroad Company, dated February 28, 1911, and covering a term of ten years from June 1, 1911, with privilege of one renewal term of ten years, contains the following description of property:

"All and singular, the wharfage and crackage which may arise, accrue or become due for the use and occupation in the manner and at the rates prescribed by law of

"All that certain wharf property situated on the East River, in the Borough of Manhattan, City of New York, County of New York, and known and described as follows, to wit:

"Pier 4, East River, together with the bulkhead 82½ feet on the southerly side of said pier and 85 feet on the northerly side of said pier, with the right to use the sheds to be erected on said pier and bulkheads, subject to the provisions of section 854 of the Greater New York Charter."

The resolution of April 17, 1914, modifying this lease to the New York Central and Hudson River Railroad Company amended the description of the property contained in the lease by adding thereto the following:

"Excepting all right, title and interest in and to the following described property:

"The bulkhead beginning at a point 32 feet westerly from the westerly side of Pier 4, East River, and extending westerly a distance of 50½ feet, and also excepting the right to use the waters of the slip within the following described area:

"Beginning at a point in the bulkhead wall where the same is intersected by a line drawn 32 feet and westerly from the westerly side of Pier 4, East River; thence southerly and parallel with the westerly side of Pier 4, 100 feet; thence westerly and at right angles to the westerly side of Pier 4, 23 feet; thence southerly to the northwesterly corner of the pylon on the easterly side of the ferry building of the Whitehall Terminal; thence westerly and along the northerly face of said pylon and its westerly prolongation to the easterly face of said ferry building; thence northerly and along the easterly face of the ferry building to the bulkhead wall; thence easterly and along the bulkhead wall to the point or place of beginning."

The agreement entered into between the Commissioner of Docks, the Commissioner of Bridges and the Public Service Commission for the First District allotted per-

manently to the control of the Public Service Commission for the construction and maintenance of a ventilating shaft for the tunnel the following described property:

"Beginning at a point in the bulkhead line and distant 37 feet westerly from the westerly side of Pier 4, East River, running thence southerly parallel with the westerly side of Pier 4, 60 feet; thence westerly and at right angles to the preceding course 45½ feet; thence northerly and parallel to the westerly side of Pier 4, 60 feet, to the point of intersection with the bulkhead line; thence easterly along said bulkhead line a distance of 45½ feet to the point or place of beginning."

The agreement with the Public Service Commission, dated April 17, 1914, provided that upon request of said Commission the Commissioner of Docks would give the contractor or contractors designated by the Public Service Commission temporary possession of certain property westerly of Pier 4, East River, shown upon the blue print attached to the agreement, this property extending westerly of a line 32 feet westerly of Pier 4. It will be noted as above that the permanent allotment of space to the Public Service Commission extended westerly from a point 37 feet westerly of the westerly side of Pier 4.

I am in receipt of a communication from the Chief Engineer of the Public Service Commission stating that for the proper protection of the shaft the Commission desires a permanent easement to cover the property extending westerly of the line laid down for the temporary easement and located 32 feet westerly of the westerly side of Pier 4. I request your authority for the modification of the agreement with the Public Service Commission for the First District, dated April 17, 1914, accordingly.

Very truly yours,  
R. A. C. SMITH, Commissioner of Docks.  
In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 29, 1914.

*To the Honorable Commissioners of the Sinking Fund:*

Gentlemen—In a communication dated October 15, 1914, the Commissioner of Docks requested the Commissioners of the Sinking Fund to amend the resolution adopted April 17, 1914, approving of and consenting to the execution by the Commissioner of Docks and the Commissioner of Bridges jointly of a lease or agreement of certain wharf property in the vicinity of Pier 4, East River, with the Public Service Commission for the First District, to wit:

By allotting for permanent easement a space 5 feet by 60 feet on the easterly side of the space allotted for said easement in the agreement approved by the Commissioners of the Sinking Fund on April 17, 1914.

The Commissioner states in his communication that he has received a letter from the Chief Engineer of the Public Service Commission stating that this additional space is necessary for the proper protection of the shaft. As the additional area requested was eliminated from the lease with the N. Y. & H. R. R. Co., dated February 28, 1911, by a resolution approved by the Commissioners of the Sinking Fund on April 17, 1914, amending said lease, the property is unencumbered and available for the purpose requested. Having no objection to the recommendation of the Commissioner of Docks, I advise the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund on April 17, 1914, approving of and consenting to the execution by the Commissioner of Docks and the Commissioner of Bridges jointly, of a lease or agreement of certain wharf property in the vicinity of Pier 4, East River, with the Public Service Commission for the First District, be and the same is hereby amended by eliminating the clause in said agreement or lease which reads:

"Beginning at a point in the bulkhead line and distant 37 feet westerly from the westerly side of Pier 4, East River, running thence southerly parallel with the westerly side of Pier 4, 60 feet; thence westerly and at right angles to the preceding course 45½ feet; thence northerly and parallel to the westerly side of Pier 4, 60 feet, to the point of intersection with the bulkhead line; thence easterly along said bulkhead line a distance of 45½ feet to the point or place of beginning."

—and substituting therefor a clause to read as follows:

Beginning at a point in the bulkhead line and distant 32 feet westerly from the westerly side of Pier 4, East River, running thence southerly parallel with the westerly side of Pier 4, 60 feet; thence westerly and at right angles to the preceding course 50½ feet; thence northerly and parallel to the westerly side of Pier 4, 60 feet to the point of intersection with the bulkhead line; thence easterly along said bulkhead line a distance of 50½ feet to the point or place of beginning.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Commissioner of Docks requesting that the resolution adopted March 4, 1914, authorizing a lease to the Long Island Railroad Company of certain land under water in the vicinity of East 34th Street, Borough of Manhattan, be rescinded:

Pier A, North River, October 28, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting of the Commissioners of the Sinking Fund held March 4, 1914, a resolution was adopted approving of and consenting to the execution by the Commissioner of Docks of a lease to the Long Island Railroad Company of certain land under water therein described—"lease to be for a term of ten years commencing April 1, 1914, with privilege of renewal for a further term of ten years \* \* \* lessees shall have the privilege of erecting upon such land under water a pier and shed in accordance with plans and specifications to be submitted to and approved by the Chief Engineer of the Department of Docks and Ferries."

The land under water upon which the pier and shed were to be built is located in front of private property owned by the Company between East 34th and East 35th Streets.

The Company has not yet signed the lease for this land under water for the reason that it has not found it convenient to appropriate the funds necessary to construct the pier.

They state that it is their intention later on to make the improvement, but that it is impossible to state at the present time just when the work will be started and they request that the lease be modified so that the rental for the land under water shall commence at such time as the work of the construction of the pier has actually begun.

I think it will be better to cancel the resolution of March 4, 1914, and take up the question anew when the Company is in position to proceed with the improvement and I so recommend.

Respectfully yours,  
R. A. C. SMITH, Commissioner of Docks.  
In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 31, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—On March 4, 1914, the Commissioners of the Sinking Fund approved of the execution of a lease to the Long Island Railroad of certain property in the vicinity of 34th Street and East River, Borough of Manhattan.

The lease was to be for a term of ten years, beginning April 1, 1914, with ten years renewal privilege. The lessees were to have the privilege of erecting upon such land under water a pier and shed in accordance with plans and specifications submitted to and approved by the Chief Engineer of the Department of Docks.

The land under water upon which the pier and shed were to be built is located in front of private property owned by the company between East 34th and East 35th Streets.

The company has not yet signed the lease for this land under water as it has not found it convenient to appropriate the funds necessary to construct the pier.

They state their intention is to make the improvement later on, but it is impossible at the present time to determine when the work will be started and they request that the lease be modified so that the rental for the land under water shall commence at such time as the work of the construction of the pier has actually begun.

The Commissioner of Docks recommends the cancellation of the resolution of March 4, 1914, and the question be taken up anew when the Company is in a position to proceed with the improvement.

I concur in the recommendation of the Commissioner of Docks and advise the adoption of the attached resolution approving the request.

Respectfully,  
ALEX. BROUGH, Deputy and Acting Comptroller.  
Resolved, That the resolution adopted by the Commissioners of the Sinking Fund at a meeting held March 4, 1914, consenting to and approving of the execution by the Commissioner of Docks of a lease to the Long Island Railroad of certain lands

under water in the vicinity of East 34th Street, East River, Borough of Manhattan, be and the same is hereby rescinded.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City of the vacant premises adjoining Public School 29, on the south side of Amity Street, 90 feet east of Columbia St., in the Borough of Brooklyn, for use of the Board of Education: October 30, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Secretary of the Board of Education in a communication under date of October 27, 1914, states that the Board of Education at a meeting held July 8, 1914, adopted a resolution requesting a renewal of the lease of the vacant premises adjoining Public School 29, Borough of Brooklyn, consisting of a lot 25 feet by 100 feet on the south side of Amity Street, 90 feet east of Columbia Street, and a half lot 12 feet 6 inches by 90 feet on the east side of Columbia Street, 50 feet south of Amity Street (the same being used as a playground in connection with said school) for a period of three years from July 1, 1914, with the privilege of renewal thereafter to July 1, 1920, at an annual rental of \$180, otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of July 17, 1913, recommended a renewal of this lease for a period of one year from July 1, 1913, at a rental of \$180 a year, the same as now asked, and said report was approved and renewal of lease authorized at a meeting of your Board held July 23, 1913.

Deeming the rent reasonable and just and it being the same as previously paid, and the City being a holdover tenant, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease to the City of the vacant premises adjoining Public School 29, Borough of Brooklyn, consisting of a lot 25 feet by 100 feet on the south side of Amity Street, 90 feet east of Columbia Street, and a half lot 12 feet 6 inches by 90 feet on the east side of Columbia Street, 50 feet south of Amity Street, for a period of three years from July 1, 1914, with the privilege of renewal thereafter to July 1, 1920, at an annual rental of \$180, payable quarterly; the lessor to pay taxes and water rates and otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Trustees and Associates of the Brooklyn Benevolent Society, 84 Amity Street, Brooklyn.

Respectfully,  
ALEX. BROUGH, Deputy and Acting Comptroller.  
Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Board of Education of a renewal of the lease to the City of the vacant premises adjoining Public School 29, Borough of Brooklyn, consisting of a lot 25 feet by 100 feet on the south side of Amity Street, 90 feet east of Columbia Street, and a half lot 12 feet 6 inches by 90 feet on the east side of Columbia Street, 50 feet south of Amity Street, for a period of three years from July 1, 1914, with the privilege of renewal thereafter to July 1, 1920, at an annual rental of One hundred and eighty dollars (\$180), payable quarterly; the lessor to pay taxes and water rates and otherwise upon the same terms and conditions as contained in the existing lease; lessor, Trustees and Associates of the Brooklyn Benevolent Society; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interest of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City, of the premises in St. John's German Lutheran Church, located on the westerly side of Fulton Avenue, 397 feet north of 169th Street, Borough of The Bronx, for use of the Board of Education:

October 30th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Board of Education at a meeting held September 16, 1914, adopted a resolution requesting your Board to approve of and consent to the execution by the Board of Education of a renewal of the lease to the City of the basement floor of St. John's German Lutheran Church, on the west side of Fulton Avenue, north of 169th Street, The Bronx, as an annex to Public School No. 2, at an annual rental of \$1,950, otherwise upon the same terms and conditions as contained in the original lease.

The Comptroller in a communication to your Board under date of June 26, 1912, recommended a renewal of the lease of the premises in question, together with the two-story frame parish house, 20 feet by 36 feet, in the rear of the church, for a term of two years from July 1, 1912, at an annual rental of \$2,200, and said report was approved and renewal of lease authorized at a meeting of your Board held June 26, 1912.

The Fire Department has refused to approve of the use of the rooms in the parish house, and the Trustees of the church have fixed a rental of \$1,950 for the use of the rooms in the basement of the church. Considering the fact that only one floor in the parish house was used for a kindergarten class the allowance of \$250 on account of the parish house, while full value, is fair.

Deeming the rent reasonable and just and the City being a holdover tenant since July 1, 1914, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education, of a renewal of the lease of the basement or first floor of St. John's German Lutheran Church, located on the westerly side of Fulton Avenue, 397 feet north of 169th Street, Borough of The Bronx, for use of the Department of Education, for a period of two years from July 1, 1914, at an annual rental of \$1,950, payable quarterly; the Board of Education to have possession of said premises on all school days from 8.30 A. M. to 4 P. M., the provisions prohibiting the housing of boys therein to be eliminated from said renewal; the City to make at its own expense such interior alterations or repairs as it may deem necessary, and to agree not to permit the pupils to use the rear entrance of the church, save under the supervision of a teacher; the lessors to pay taxes, furnish heat, light, water and janitor service and to make all exterior repairs, otherwise upon the same terms and conditions as contained in the original lease. Lessors, Trustees of St. John's German Lutheran Church, 1343 Fulton Avenue, Borough of The Bronx. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Board of Education, of a renewal of the lease to the city of the basement or first floor of St. John's German Lutheran Church, located on the westerly side of Fulton Avenue, 397 feet north of 169th Street, Borough of The Bronx, for use of the Board of Education, for a period of two years from July 1, 1914, at an annual rental of nineteen hundred and fifty dollars (\$1,950), payable quarterly; the Board of Education to have possession of said premises on all school days from 8.30 A. M. to 4 P. M., the provision prohibiting the housing of boys therein to be eliminated from said renewal; the City to make at its own expense such interior alterations or repairs as it may deem necessary, and to agree not to permit the pupils to use the rear entrance of the church, save under the supervision of a teacher; the lessor to pay taxes, furnish heat, light, water and janitor service and to make all exterior repairs, otherwise upon the same terms and conditions as contained in the original lease; lessors, Trustees of St. John's German Lutheran Church; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises on the north side of Kirk Street, 100 feet from the corner of Ferris Place, Borough of The Bronx, for use of the Department of Street Cleaning:

October 30th, 1914.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of June 24, 1914, states that the lease of the premises situated at the southeast corner of Zerega avenue and Halsey Place, Borough of The Bronx, now occupied as Stable C, expires December 20, 1914, and recommends that the lease be not renewed, for the reason that the premises are absolutely unsuitable for the purpose of a stable, being located at the edge of a swamp near Westchester Creek, and besides the premises are inadequate for the number of horses kept. The Commissioner recommends that a lease be secured of a stable situated on the north side of Kirk Street, 100 feet from the corner of Ferris

Place, known as Lot 32, Block 3859; and also of a vacant lot located on the south side of Ferris Place, 150 feet from the corner of Thomas Street, known as Lot 27, Block 3857, Village of Westchester, for use as a storage yard in connection with the stable; the lease to be for a period of three years at an annual rental of \$2,800, with the privilege of renewal for a further term of three years, at a rental of \$3,300 a year.

The premises proposed to be leased consist of a two-story brick building and extension 85.22 feet front by 119.25 feet deep on one side; 63.72 feet in the rear by 115.62 feet deep on the other side, irregular. The building is 58 feet front by 98 feet deep; the one-story extension is 18 feet front by 22 feet deep. The building is of concrete 12-inch wall. It contains an electric lighting system, gas, water and sewer connections, has 56 large standing stalls, two large box stalls, room for five more standing stalls, two harness rooms on the ground floor, and on the second floor a harness room and oat bins, with a capacity of 5,000 bushels of oats; also a patent oat screener; there is also room on the second floor for the storage of 60 tons of hay. The building is well ventilated, has concrete floors with plank floors in the stalls. The extension is built of brick with a concrete floor; it also has sewer connection, an electric lighting system, as well as water supply, and can be used as a garage. The vacant lot that is to be used as a storage yard is 100 feet front by 149.8 feet deep.

The rental of \$2,800 per annum, as recommended by the Commissioner of the Department of Street Cleaning, was considered excessive by the Division of Real Estate of this Department, and after several conferences with the owner he has agreed to accept a rental of \$2,075 per annum for a term of three years, without the privilege of renewal.

The stable property on Kirk Street is assessed for the year 1914 at \$13,400, and the vacant lot at \$6,000, making a total of \$19,400.

The appraised value of these two properties is \$23,000. The rent is therefore at the rate of 10 per cent. on the assessed value and 9 per cent. on the appraised value. The premises are the most desirable in the neighborhood for the purposes of the Street Cleaning Department and the only one available at this time.

Deeming the rent reasonable and just I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the premises situated on the north side of Kirk Street, 100 feet easterly from the corner of Ferris Place, known as Lot 32, Block 3859, consisting of a two-story brick building and extension, 85.22 feet front by 119.25 feet deep on one side, 63.72 feet in the rear by 115.62 feet deep on the other side, irregular, for use as a stable; also a vacant lot, 100 feet by 149.8 feet, located on the south side of Ferris Place, 150 feet southerly from the corner of Thomas Street, being part of Lot 27, Block 3857, for use as a storage yard in connection with the stable, Village of Westchester, Borough of The Bronx, by the Department of Street Cleaning, for a period of three years from December 20, 1914, at an annual rental of \$2,075, payable quarterly; the lessor to pay taxes and water rates, furnish heat, light, and make outside repairs; the lessee to make such interior alterations and repairs as it may deem necessary. Lessor, Westchester Land and Dock Corporation, 2612-2616 Aqueduct Avenue, Borough of The Bronx. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a lease to the City, from the Westchester Land and Dock Corporation, of premises situated on the north side of Kirk Street, 100 feet easterly from the corner of Ferris Place, known as Lot 32, Block 3859, consisting of a two-story brick building and extension, 85.22 feet front by 119.25 feet deep on one side; 63.72 feet in the rear by 115.62 feet deep on the other side, irregular, for use as a stable; also a vacant lot 100 feet by 149.8 feet, located on the south side of Ferris Place, 150 feet southerly from the corner of Thomas Street, being part of Lot 27, Block 3857, for use as a storage yard in connection with the stable, Village of Westchester, Borough of The Bronx, by the Department of Street Cleaning for a period of three years from December 20, 1914, at an annual rental of two thousand and seventy-five dollars (\$2,075), payable quarterly; the lessor to pay taxes and water rates, furnish heat, light and make outside repairs; the lessee to make such interior alterations and repairs as it may deem necessary; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises on the north side of Butler Street, 390 feet west of Fifth Avenue, Borough of Brooklyn, for use of the Department of Street Cleaning:

October 30th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of September 24, 1914, requests a renewal of the lease of premises, 80 feet by 144 feet, located on the north side of Butler Street, 390 feet west of Fifth Avenue, Borough of Brooklyn, for use of his Department, for a period of three years from January 20, 1915, at an annual rental of \$800, payable quarterly; the lessor to pay taxes and the lessee to pay water rates; otherwise upon the same terms and conditions as contained in the present lease.

The premises in question are used as a storage yard for carts of the Department of Street Cleaning in connection with Stable B, which is located about 20 feet west of said premises. At present there are about 150 vehicles stored in this yard.

As a result of negotiations by the Division of Real Estate of this Department, the owner of the premises has consented to renew the lease for a period of three years from January 20, 1915, at an annual rental of \$700.

The property is assessed at \$11,000 and appraised by the Division of Real Estate at \$12,000. The rental of \$700 a year is, therefore, less than 6 per cent. of the appraised value.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the vacant premises, 80 feet by 144 feet, on the north side of Butler Street, 390 feet west of Fifth Avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from January 20, 1915, at an annual rental of \$700, payable quarterly; the lessor to pay taxes; the lessee to pay water rates, and otherwise upon the same terms and conditions as contained in the existing lease; lessor, Robert H. Taylor, Rockville Centre, Long Island. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a lease to the City of the vacant premises 80 feet by 144 feet on the north side of Butler Street, 390 feet west of Fifth Avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from January 20, 1915, at an annual rental of seven hundred dollars (\$700), payable quarterly, the lessor to pay taxes, the lessee to pay water rates, and otherwise upon the same terms and conditions as contained in the existing lease; lessor, Robert H. Taylor; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

October 30th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Secretary of the Municipal Civil Service Commission, in a communication to your Board, under date of October 23, 1914, requests the Commissioners of the Sinking Fund to authorize the leasing of the seventh floor of the building at 54-60 Lafayette Street, Borough of Manhattan, by the Municipal Civil Service Commission on October 31 and November 7, 1914, for the purpose of conducting an examination for Court Stenographer, and it is further requested that the Comptroller be authorized to pass a voucher in an amount not exceeding fifty dollars (\$50) in favor of Civic Center Company.

The City has been a tenant of these premises for the past five years at an annual rental of \$7,750, which is on the basis of \$25 a day for 310 working days in a year.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the renting by the Municipal Civil Service Commission of the seventh floor of the building at 54-60 Lafayette Street, Borough of Manhattan, on October 31st and November 7th, 1914, for the purpose of conducting an examination for the position of Court Stenographer, and authorize the Comptroller to pass a voucher in an amount not to exceed \$50 for the rental of the 7th floor of the building at 54-60 Lafayette Street, Borough of Manhattan, on said dates, in favor of Civic Center Company, 54-60 Lafayette Street, Manhattan, without the necessity of entering into a lease therefor. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the Civic Centre Company the sum of Fifty Dollars (\$50), being the rental of the seventh floor of premises Nos. 54-60 Lafayette Street, Borough of Manhattan, occupied by the Municipal Civil Service Commission on October 31 and November 7, 1914, for the purposes of conducting an examination for the position of Court Stenographer—said payment to be made without the necessity of entering into a lease.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an application of the County Clerk of Queens County for a lease of premises at No. 358 Fulton Street, Jamaica, Borough of Queens:

October 30, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Clerk of Queens County in a communication to your Board under date of October 16, 1914, states that on account of the reconstruction of the old building in which his office is located it is almost impossible for the employees to properly perform their duties, and requests that a lease be secured of the store premises at 358 Fulton Street, Jamaica.

The matter was taken up with the lessor of the premises in question, and he asks a rental of \$200 a month and wants the premises taken until May 1, 1915. This rental was deemed excessive by the Division of Real Estate of this Department, but the lessor refuses to make any concessions, and the County Clerk will make arrangements to remain where he is at present.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution denying the application of the Clerk of Queens County for a lease of the store premises at 358 Fulton Street, Jamaica, Borough of Queens, for the reason that the rental asked is excessive, and that the County Clerk of the County of Queens be notified of this action.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the application of the Clerk of Queens County for a lease of premises at No. 358 Fulton Street, Jamaica, Borough of Queens, at a rental of Two hundred dollars (\$200) a month, be and the same is hereby denied, for the reason that the rent is excessive.

The report was accepted and the resolution unanimously adopted.

October 30th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Chief Clerk of the City Magistrate's Court, Second Division, City of New York, in a communication to your Board under date of October 15, 1914, states that at a meeting of the Board of City Magistrates, Second Division, City of New York, it was requested that the lease for the premises now occupied as a court room for the Ninth District City Magistrate's Court, at 23d Street, near Fifth Avenue, Borough of Brooklyn, be renewed for one year from the date of its expiration.

The Comptroller in a communication to your Board under date of April 20, 1911, recommended a renewal of this lease for a period of three years from May 1, 1911, at a rental of \$1,800 a year, the same as now asked, and said report was approved and renewal of lease authorized at a meeting of your Board held April 26, 1911.

Deeming the rent reasonable and just and it being the same as previously paid, and the City being a holdover tenant, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises at the northeast corner of Fifth Avenue and 23d Street, Borough of Brooklyn, occupied by the Ninth District City Magistrate's Court, consisting of a court room 34 feet by 40 feet, Clerk's office 14 feet by 16 feet, Stenographers' room 14 feet by 9 feet and Judge's room and library 14 feet by 12 feet, on the second floor of the rear building, 48 feet east of Fifth Avenue, and an Attendants' room 14 feet by 30 feet, store room 12 feet by 16 feet and two cells 8 feet by 16 feet each, on the first floor of same, for a period of one year from May 1, 1914, at an annual rental of \$1,800, payable quarterly; the lessor to pay taxes and water rates, furnish steam heat and light and make outside repairs; the lessee to furnish janitor service and make such inside alterations and repairs as it may deem necessary. Lessor, James Kennedy, 723 Fifth Avenue, Borough of Brooklyn.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the premises at the northeast corner of Fifth Avenue and 23d Street, Borough of Brooklyn, occupied by the Ninth District City Magistrate's Court, consisting of a court room 34 by 40 feet, Clerk's office 14 feet by 16 feet, Stenographers' room 14 feet by 9 feet, and Judge's room and library 14 by 12 feet, on the second floor of the rear building, 48 feet east of Fifth Avenue, and an Attendants' room 14 feet by 30 feet, storeroom 12 feet by 16 feet, and two cells 8 feet by 16 feet each, on the first floor of same, for a period of one year from May 1, 1914, at an annual rental of eighteen hundred dollars (\$1,800), payable quarterly; the lessor to pay taxes and water rates, furnish steam heat and light and make outside repairs, the lessee to furnish janitor service and make such inside alterations and repairs as it may deem necessary; lessor, James Kennedy; the

Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

October 27, 1914.

*To the Commissioners of the Sinking Fund:*

It appears that a typographical error was made in describing one of the courses as 20 feet 10 inches, instead of 200 feet 10 inches.

I therefore recommend the adoption of the attached resolution to correct the error. Very truly yours, ALEX. BROUGH, Deputy and Acting Comptroller.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—A request has been received from the President of the Borough of Queens for the removal of the encroachments lying within the lines of Queens Boulevard, from Fiske Avenue to Grand Street and Broadway, in the Borough of Queens, to permit the improvement of the street.

These encroachments consist of buildings and other improvements, some of which are only partly taken in this proceeding, and their estimated removal value apportioned by damage parcels is as follows: Damage parcels No. 344, \$30; No. 350, \$5; No. 351, \$30; No. 352, \$5; No. 353, \$5; No. 355, \$5; No. 358, \$50; Nos. 359-360, \$50; No. 361, \$50; No. 362, \$75; Nos. 363-364, \$100; Nos. 365-366, \$30; Nos. 367-368, \$5; Nos. 369-370, \$5; Nos. 372-373, \$150; Nos. 376-377, \$10; No. 377A, \$50; Nos. 378-379, \$25; No. 380, \$5; No. 381, \$5; No. 382, \$75; Nos. 387-390, \$100; No. 401, \$50; No. 404, \$20; Nos. 405-406, \$5; Nos. 407-412, \$150; Nos. 418-419, \$25; No. 499, \$50; No. 503, \$200; No. 504, \$5; No. 505, \$25; No. 506, \$25, making a total of \$1,420, which amount should be realized by their sale.

Yours respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The President of the Borough of Queens has requested the removal of the encroachments lying within the lines of Queens Boulevard, from Fiske Avenue to Grand Street and Broadway, in the Borough of Queens, and,

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the assignment of plot of ground 25 by 100 feet at Metropolitan and Bedford Avenues, Brooklyn, to the Fire Department:

October 31st, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—I am in receipt of a communication from the Fire Commissioner to the Commissioners of the Sinking Fund requesting them to assign for the use of his department a parcel of land 25 by 100 feet, located at Metropolitan and Bedford Avenues, Borough of Brooklyn. He states that this land is needed as a site upon which to erect an apparatus house for the accommodation of Hook and Ladder Company No. 104, formerly located at 181 South 3rd Street Brooklyn, which premises the Fire Department was compelled to vacate, as the same was included as part of a new school site. In consequence thereof Engine Company No. 221 was placed in temporary quarters erected in the street at Driggs Avenue and South 1st Street, and Hook and Ladder Company No. 104 was located in the quarters of this engine company at 163 South 2nd Street.

This property was assigned to the Department of Street Cleaning by the Sinking Fund Commission on May 10, 1905, such assignment, however, to continue during the pleasure of the Commissioners of the Sinking Fund.

I therefore respectfully recommend that the Commissioners of the Sinking Fund assign to the Fire Department all that certain piece or parcel of land situate, lying and being in the Borough of Brooklyn, City of New York, more particularly bounded and described as follows:

Beginning at a point on the southeasterly side of Bedford Avenue, distant 74 feet 11 inches southwestwardly from the point of intersection of the southeasterly side of Bedford Avenue with the southwesterly side of Metropolitan Avenue; running thence southeasterly on a line parallel, or nearly so, with Metropolitan Avenue 100 feet; running thence northeasterly on a line drawn parallel, or nearly so, with the southeasterly side of Bedford Avenue 25 feet; running thence northwesterly and parallel, or nearly so, with the southwesterly side of Metropolitan Avenue 100 feet to the southeasterly side of Bedford Avenue; running thence southwesterly along the southeasterly side of Bedford Avenue 25 feet to the point or place of beginning.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Fire Department all that certain piece or parcel of land situated, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at a point on the southeasterly side of Bedford Avenue, distant 74 feet 11 inches southwesterly from the point of intersection of the southeasterly side of Bedford Avenue with the southwesterly side of Metropolitan Avenue; running thence southeasterly on a line parallel or nearly so with Metropolitan Avenue 100 feet; running thence northeasterly on a line drawn parallel or nearly so with the southeasterly side of Bedford Avenue 25 feet; running thence northwesterly and parallel or nearly so with the southwesterly side of Metropolitan Avenue 100 feet to the southeasterly side of Bedford Avenue; running thence southwesterly along the southeasterly side of Bedford Avenue 25 feet to the point or place of beginning.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the assignment of the old Fire Bell now located at the old Gooderson Company to the Forest Hill Fire Hose Company:

October 29, 1914.

To the Commissioners of the Sinking Fund, The City of New York:

Gentlemen—In a communication dated October 13, 1914, request was made by Mr. James R. Turner, Chairman of the Committee on Fire Alarm of the Forest Hill Hose Company, Harvest Street, Borough of Queens, for the transfer of the fire bell now located in the old Gooderson Hose Company's building, Winfield, Borough of Queens. The building referred to was acquired by the City of New York on October 20, 1913, through condemnation proceedings for the opening of Queens Boulevard.

As the Gooderson building is about to be sold and demolished, and the Forest Hills Hose Company is at present without adequate fire alarm the adoption of the attached resolution, approving the proposed transfer, is hereby recommended.

Respectfully,

ALEX. BROUGH, Deputy Comptroller.

Resolved, That, pursuant to the provision of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign for use of the Forest Hills Hose Company, Harvest Street, Forest Hills, Borough of Queens, the fire bell now located at the old Gooderson Hose Company's building, Winfield, Borough of Queens, this property having been acquired by The City of New York through condemnation proceedings for the opening of Queens Boulevard, when it was turned over to the Commissioners of the Sinking Fund.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to conveyances to the United Real Estate and Trust Company, and to the Jerome Avenue Realty Company, of the City's interest in portions of Harrison Avenue, between Burnside Avenue and a line about 336 feet north of Morton Place, Borough of The Bronx, discontinued and closed by resolution of the Board of Estimate and Apportionment:

October 30th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On March 7, 1912, the Board of Estimate and Apportionment changed the lines and grades of Harrison Avenue, between Burnside Avenue and a line about 336 feet north of Morton Place, Borough of The Bronx. This change was made pursuant to a request from the President of the Borough of The Bronx, stating that at a meeting of the Local Board of Van Cortlandt, 25th District, held on May 29, 1911, the said Board recommended this change. It affected an area of a little over 1,300 feet of Harrison Avenue, title to which had already been legally acquired.

The street as formerly laid out through a considerable portion of the distance affected closely adjoins the line of the old Croton Aqueduct, and the Chief Engineer of the Board of Estimate and Apportionment in his report stated that the intervening area was of insufficient depth to permit of carrying out any substantial improvement. The change made deflected Harrison Avenue eastwardly in such a way as to give it a position approximately midway between the aqueduct and the adjoining street on the east, while at the same time the grades were adjusted so as to conform more closely with the topography of the neighborhood.

The owners of the property abutting that portion of Harrison Avenue which was discontinued by reason of the change above mentioned have requested that the City's interest in said discontinued portion of Harrison Avenue be conveyed to them. They, in turn, will convey to the City the land lying between the lines of Harrison Avenue as now laid out and owned by them.

In carrying out this exchange there will be deeded to the City of New York 63,215.5 square feet of land lying with the new lines of Harrison Avenue, and the City will deed to the abutting property owners 62,398.2 square feet of land unimproved, lying within the old lines of Harrison Avenue. The abutting owners have regulated and graded Harrison Avenue within its new lines under the authorization and supervision of the City, at an expense to them of over \$45,000. When the land within the old lines of Harrison Avenue was acquired by the City they were awarded \$14,542.75, and were assessed \$17,226.93.

It is proposed to convey to the City that portion of Harrison Avenue, between Morton Place and Burnside Avenue, as now laid out, providing the City will in turn convey to the abutting owners that portion of Harrison Avenue between the same streets which was discontinued as above set forth. That portion of Harrison Avenue as now laid out, which it is proposed to convey to the City, contains an area of 63,215.5 square feet. As shown above the abutting owners have already improved this avenue at an expense to them of over \$45,000. The discontinued portion of Harrison Avenue which they wish conveyed to them contains an area of 62,398.2 square feet, and is absolutely unimproved.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a conveyance to the United Real Estate & Trust Company of the interest of the City in and to all that certain piece or parcel of land described below as Parcel 3, and also a conveyance to the Jerome Avenue Realty Company of the interest of the City in and to all that certain piece or parcel of land described below as Parcel 4, in consideration in each case of the sum of \$1.00, plus an additional charge of \$12.50 for the preparation of the necessary papers. The conveyances to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

That before the delivery of the deed, the grantee pay whatever taxes and assessments are liens against the premises to be conveyed by the City.

The deeds not to be delivered, however, until the United Real Estate & Trust Company has conveyed to the City of New York all that certain piece or parcel of land described below as Parcel 1; nor until the Jerome Avenue Realty Company has conveyed to the City of New York all that certain piece or parcel of land described below as Parcel 2. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

The following petition was received from Andrew Carlson for a quit claim deed of certain premises conveyed to him by The City of New York at Kings Park, Long Island:

In the Matter of the Release of The County of Kings to Andrew Carlson, of the Public Uses and Trust, affecting certain lands in the town of Smithtown conveyed to said Andrew Carlson by the People of the State of New York in exchange for other properties theretofore belonging to said Andrew Carlson.

To the Commissioners of the Sinking Fund of The City of New York:

The petition of Andrew Carlson of the village of Kings Park, township of Smithtown, County of Suffolk, and State of New York, respectfully shows to this commission and alleges:

That in or about the year 1907, your deponent was the owner of twenty-eight acres of farm land situate in the village of Kings Park as aforesaid and adjoining the property of the Kings Park State Hospital, but was separated from it by a road. Attached hereto and marked "Exhibit A" is a diagram of the property hereinbefore described.

The State of New York was desirous of obtaining this property to be used in conjunction with its hospital property and for the further purpose of making regular its property boundary lines as then occupied by it for hospital purposes. The proposition was submitted to Mr. Carlson, that it would deed over to him twenty-eight acres of its property in exchange for the twenty-eight acres owned by your deponent which said land of your deponent interfered with and interrupted the regular property lines of the State Hospital property.

Your deponent consented to this exchange and thereafter and in conformity with this proposition, a bill was introduced and passed both houses of the legislature and became Chapter 393 of the Laws of 1907, permitting the State to complete these negotiations and in due season the exchange was consummated. Your deponent was put to great trouble and expense at that time in perfecting the title to his twenty-eight acres of land which he deeded the State, but being of the impression at that time that any property received by him under the majestic seal of the State of New York was good and marketable, he omitted and did not bother at that time to have the title of the property so acquired by him searched.

Some time thereafter when your deponent endeavored to raise a mortgage on his newly acquired premises it was discovered upon the examination of the title that the institution known as the Kings Park State Hospital was formerly owned and con-

trolled by the City of Brooklyn, and that in the conveyance by the City of Brooklyn to the State of New York (the consideration being expressed as one dollar) there was the further provision that *the property should only be used for charitable purposes.*

Your deponent is informed and verily believes that under this provision in the deed of Thomas Fitchie as Supervisor of the County of Kings to the State of New York, the title companies refused to issue a policy of title insurance thereon, and your deponent was not successful by virtue of this provision in securing his mortgage and has been, since the date of the conveyance, unable to convey a good marketable title to his premises.

Your deponent further alleges that in the year 1913 the legislature of the State of New York passed a bill which now constitutes Chapter 763 of the Laws of 1913, which law authorizes the Mayor, Comptroller and City Clerk of The City of New York to execute, acknowledge and deliver for a nominal consideration to your deponent a quit claim deed for the premises so conveyed to your deponent by letters patent referred to in the act.

Your petitioner is informed by his counsel, John J. Robinson, Esq., of 233 Broadway, Borough of Manhattan, City, County and State of New York, that his said counsel on the fourteenth day of November, 1913, duly delivered to the Comptroller of The City of New York a certified copy of the deed of Thomas Fitchie, as Supervisor of the County of Kings to the State of New York, certified copy of deed, People of the State of New York to Andrew Carlson, certified copy of Chapter 628 of the Laws of 1895, and certified copy of Chapter 763 of Laws of 1913.

Your petitioner therefore prays that this honorable commission recommend to the Mayor, Comptroller and City Clerk of The City of New York the early signing and delivery to your petitioner of a quit claim deed in conformity with the provisions of Chapter 763 of the Laws of 1913. Your petitioner further alleges that he has suffered great financial loss and personal discomfiture by virtue of these premises and has been called upon to expend large sums of money seeking the allowance of this most equitable claim.

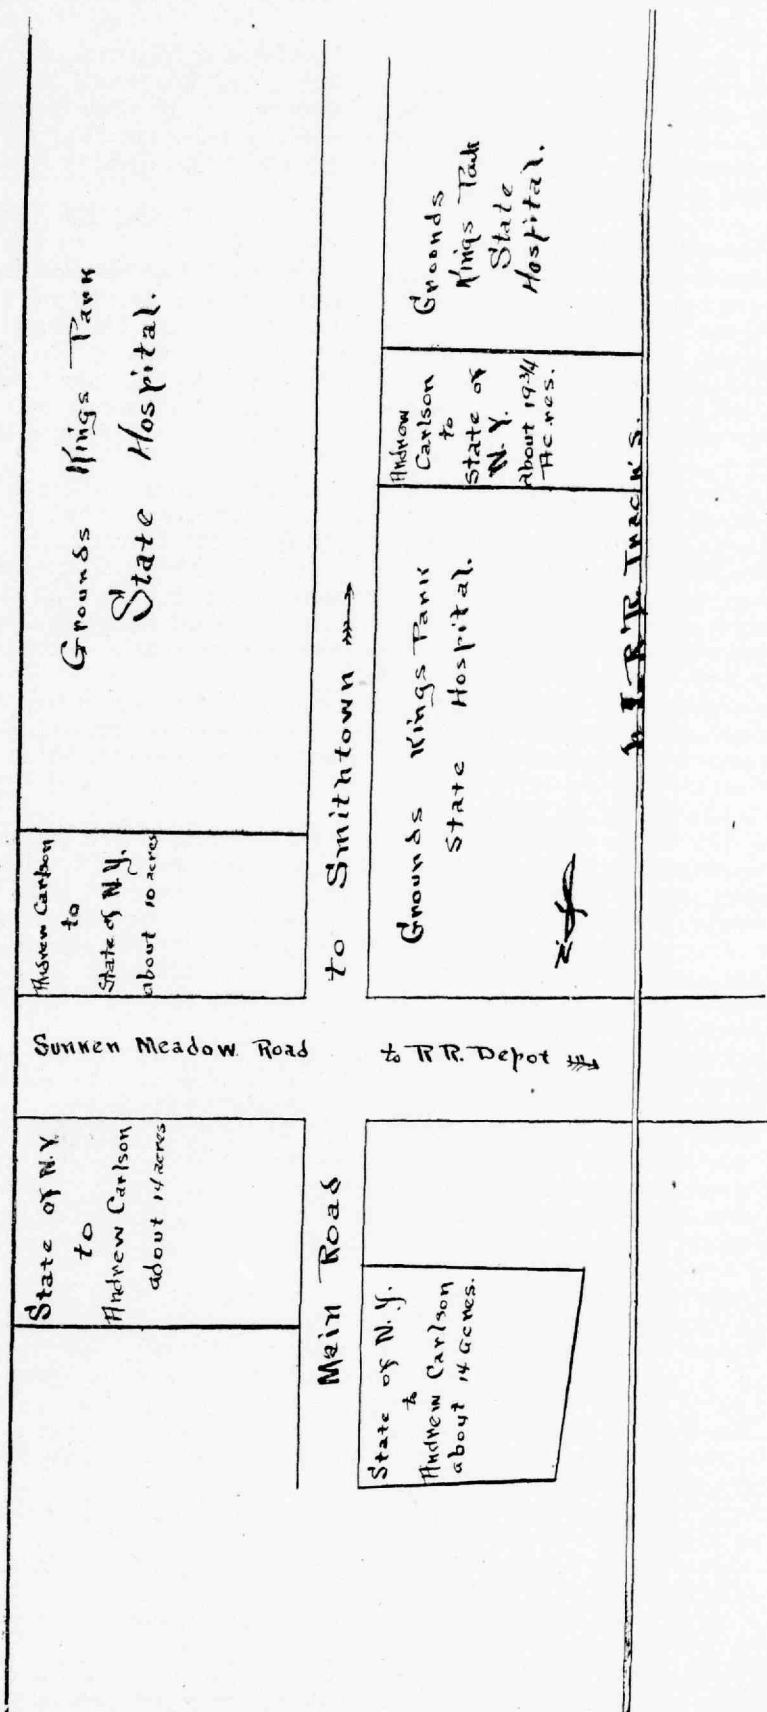

ANDREW CARLSON, Petitioner.

State of New York, County of Suffolk, ss.:

Andrew Carlson, being duly sworn, deposes and says that he is the petitioner mentioned and described in the foregoing petition, that he has read the foregoing petition and that the same is true of his own knowledge except to the matters therein stated to be alleged upon information and belief and as to those matters he believes it to be true.

ANDREW CARLSON.

Sworn to before me this 4th day of August, 1914. Wm. B. Codling, Notary Public, Suffolk County, N. Y.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 30th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Andrew Carlson of Kings Park, Long Island, stating that in 1907 he was the owner of twenty-eight acres of farm land located in the Village of Kings Park, Township of Smithtown, County of Suffolk and State of New York, and adjoining the property of the Kings Park State Hospital, but separated therefrom by a road. The State of New York was desirous of obtaining the property owned by him to be used in conjunction with its hospital property and for the further purpose of regulating its boundary lines.

In order to effect this an act was passed by the Legislature in 1903 authorizing the Commissioners of the Land Office to convey a tract of land situated at Kings Park and forming part of the lands of the Kings Park State Hospital in exchange for the above. In accordance with this act an exchange of lands was effected between Andrew Carlson and the State of New York. Mr. Carlson states that at the time he was under the impression that any property conveyed by the State was good and marketable, so he did not have the title thereof searched.

Subsequently, when he endeavored to raise a mortgage upon the property conveyed to him, it was discovered upon the examination of the title that the institution known as Kings Park State Hospital was formerly owned and controlled by the City of Brooklyn, and that in the conveyance from the City of Brooklyn to the

State of New York there was a provision that the property should only be used for charitable purposes. In consequence of this provision the title companies have refused to issue a policy of title insurance thereon, and the petitioner was therefore not successful in securing his mortgage and has been since the day of the conveyance unable to convey a good and marketable title to the premises.

In order to allow the City to remove this cloud from the petitioner's title an act was passed in 1913, known as Chapter 763 of the Laws of 1913, authorizing the Mayor, Comptroller and City Clerk of the City of New York, in the name of the County of Kings, to deliver for a nominal consideration, to Andrew Carlson, a quit claim deed of the premises conveyed to him by the State of New York by letters patent, dated July 3, 1908, and passed the Secretary's office July 3, 1908, a certified copy of which was recorded in the office of the County Clerk of Suffolk County on July 9, 1908, in Liber 656 of Deeds, Page 138.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the Mayor, Comptroller and City Clerk of the City of New York, in the name of the County of Kings, to execute and deliver for the sum of \$1.00, plus the additional charge of \$12.50 for the preparation of the necessary papers, a quit claim deed to Andrew Carlson of the Village of Kings Park, Township of Smithtown, County of Suffolk and State of New York, of and for the premises conveyed to the said Andrew Carlson by letters patent dated July 3, 1908, and passed the Secretary's office July 3, 1908, whereof a certified copy was recorded in the office of the County Clerk of Suffolk County on July 9, 1908, in Liber 656 of Deeds, Page 138.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, pursuant to the provisions of Chapter 763 of the Laws of 1913, the Commissioners of the Sinking Fund hereby authorize the Mayor, Comptroller and City Clerk of the City of New York, in the name of the County of Kings, to execute and deliver for the sum of \$1, plus the additional charge of \$12.50 for the preparation of the necessary papers, a quit claim deed to Andrew Carlson, of the Village of Kings Park, Township of Smithtown, County of Suffolk and State of New York, of and for the premises conveyed to the said Andrew Carlson by letters patent dated July 3, 1908, and passed the Secretary's office July 3, 1908, whereof a certified copy was recorded in the office of the County Clerk of Suffolk County on July 9, 1908, in Liber 656 of Deeds, page 138.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a conveyance to Gertie A. Gorman of the City's interest in a strip of land which was formerly included within the lines of West 189th Street, between Wadsworth and Amsterdam Avenues, in the Borough of Manhattan:

October 31st, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On July 30, 1914, the Board of Estimate and Apportionment adopted a resolution changing the lines of West 189th Street, between Wadsworth and Amsterdam Avenues, Borough of Manhattan, by shifting the lines of West 189th Street 0.29 feet north.

This change was made upon the recommendation of the Chief Engineer of the Board of Estimate and Apportionment, in which he stated that it affected a length of three blocks of West 189th Street and gave the street a position distant 0.29 feet north of that theretofore fixed, thereby making its position conform with that shown upon a sales map of the property and with the lines to which a large apartment house has been erected at the southeast corner of St. Nicholas Avenue. He further states that the owner of the abutting property is prepared to cede to the City that strip of land on the northerly side of the street which is added to the street by reason of the change, with the understanding that title to the land excluded from the street lines will be conveyed to the abutting owners.

The area of the additional land included in the street is the same as that portion excluded therefrom.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a conveyance to Gertie A. Gorman, No. 226 Madison Avenue, Borough of Manhattan, of the interest of the City in that strip of land 0.29 feet in width which was formerly included within the lines of West 189th Street, between Wadsworth and Amsterdam Avenues, Borough of Manhattan, but was excluded therefrom by resolution of the Board of Estimate and Apportionment adopted on July 30, 1914, in consideration of the sum of \$1.00, plus an additional charge of \$12.50 for the preparation of the necessary papers. The deed to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

That before the delivery of the deed the grantee pay whatever taxes and assessments are liens against the premises to be conveyed by the City.

The deed not to be delivered, however, until the City has received a deed to that strip of land on the northerly side of West 189th Street, between Wadsworth Avenue and Amsterdam Avenue, Borough of Manhattan, which was included within the lines of West 189th Street, by the resolution of the Board of Estimate and Apportionment adopted on July 30, 1914.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The Board of Estimate and Apportionment, by resolution adopted July 30, 1914, changed the lines of West 189th Street, between Wadsworth and Amsterdam Avenues, in the Borough of Manhattan, by shifting the lines of West 189th Street 0.29 feet north of that heretofore fixed; and

Whereas, The owner of the abutting property is prepared to cede to the City that strip of land on the northerly side of the street which is added to the street by reason of the change, with the understanding that title to the land excluded from the street lines will be conveyed to the abutting owners.

Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter as amended, the Commissioners of the Sinking Fund hereby determine that the strip of land 0.29 feet in width which was formerly included within the lines of West 189th Street between Wadsworth and Amsterdam Avenues, Borough of Manhattan, but was excluded therefrom by resolution of the Board of Estimate and Apportionment adopted July 30, 1914, is no longer needed for any public purpose; and be it further

Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter as amended, the Commissioners of the Sinking Fund hereby authorize a conveyance to Gertie A. Gorman, No. 226 Madison Avenue, Borough of Manhattan, City of New York, of the City's interest in the strip of land hereinabove mentioned and determined as no longer needed for any public purpose, in consideration of the sum of One Dollar (\$1.00), plus the additional charge of Twelve dollars and fifty cents (\$12.50) for the preparation of the necessary papers, upon the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

That before the delivery of the deed the grantee pay whatever taxes and assessments are liens against the premises to be conveyed by the City.

The deed not to be delivered, however, until the City has received a deed to that strip of land on the northerly side of West 189th Street, between Wadsworth and Amsterdam Avenues, Borough of Manhattan, which was included within the lines of West 189th Street by resolution of the Board of Estimate and Apportionment adopted July 30, 1914.

The conveyance to be prepared and approved as to form by the Corporation Counsel.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution adopted October 7, 1914, authorizing a release to the American Dock Company, of whatever interest the City may have acquired in certain property on Staten Island:

October 30, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On October 7, 1914, the Commissioners of the Sinking Fund adopted a resolution authorizing a release to the American Dock Company of whatever interest the City may have acquired under the deed from the Staten Island Rapid Transit Railway Company to The City of New York, dated February 19, 1912. This date, as

which was taken from a communication from the Corporation Counsel to the Board of Water Supply, is the date on which the City became vested in the property, and not the date of the deed. The date of the deed is January 22, 1912.

I therefore respectfully recommend that the resolution above mentioned be amended by striking therefrom the words "February 19, 1912," and substituting in place thereof the words, "January 22, 1912."

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held October 7, 1914, authorizing a release to the American Dock Company of whatever interest the City may have acquired under deed from the Staten Island Rapid Transit Railway Company to the City of New York, dated February 19, 1912, and more particularly therein described, be and the same is hereby amended by substituting as the date of the deed January 22, 1912, in place of February 19, 1912.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Association of the Descendants of Jacob for the cancellation of certain assessments and water charges affecting premises in the Borough of The Bronx:

October 29, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Association of the Descendants of Jacob has presented to you a petition for the cancellation of certain assessments for public improvements and water charges, affecting premises in the Borough of The Bronx, designated on the official tax map as Section 11, Block 2908, Lot 40.

This application is made pursuant to the provisions of Section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, sub-division seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about July 19, 1904; that it has owned the above described premises continuously since said date, and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a synagogue.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1905, and since, and the assessed valuation for the year 1914 is \$13,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

#### Assessments.

Acquiring Title to the Grand Boulevard and Concourse with Transverse Roads, extending from East 161st Street to Mosholu Parkway (confirmed December 8, 1909. Entered December 30, 1909):	
No. 15690, Block 2908, Lot 40.....	\$8 07
Bathgate Avenue. Opening from Wendover to 188th Street (confirmed May 12, 1905. Entered November 27, 1906):	
No. 274, Block 2908, Lot 40.....	\$64 26
Washington Avenue. Paving from 159th Street and 3d Avenue to Pelham Avenue (confirmed and entered March 16, 1905):	
No. 204, Block 2908, Lot 40.....	\$278 22

#### Water Charges.

Year 1905, Block 2908, Lot 40.....	\$21 85
Year 1906, Block 2908, Lot 40.....	21 85

The petitioner has included in its application Lot 41, Block 2908, but inasmuch as it appears from the records of the Department of Taxes and Assessments that said lot is used as a residence, and is therefore not entitled to exemption from local taxation as required by said section of the charter, I refuse to certify my approval of the application so far as respects said Lot 41.

The total amount involved as principal in the above assessments and water charges is \$394.25. The property affected by these assessments and water charges is located in the Borough of The Bronx, westerly side of Washington Avenue, north of East 175th Street.

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

Mr. S. Geilich, President, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$2,040.22, and the expenditures for all objects, \$2,025.23, leaving a balance of \$14.99.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exemption from taxation during the time when said assessments and water charges above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of Section 221A of the Greater New York Charter, and I would, therefore certify my approval of the application of Association of the Descendants of Jacob, pursuant to the provisions of such section of the Charter, and recommended the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars (\$10) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments and water charges, levied and assessed against property owned by the Association of the Descendants of Jacob, in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale:

Said premises are used as a place of public worship and as a religious school.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1911, and since, and the assessed valuation for the year 1914 is \$15,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$512.25. The property affected by these assessments is located in the Borough of Brooklyn, westerly side of West Street, near 40th Street.

Mr. S. M. Rosenfeld, Financial Secretary, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$3,616.48; and the expenditures for all objects, \$3,598.46, leaving a balance of \$18.02.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of First Congregation of Kensington, Tiffereth Israel, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon the payment of the sum of Ten Dollars (\$10) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the First Congregation of Kensington, Tiffereth Israel, in the Borough of Brooklyn, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a petition of the Home for the Aged of the Little Sisters of the Poor for the cancellation of certain assessments:

October 31st, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Home for the Aged of the Little Sisters of the Poor has presented to you a petition for the cancellation of certain assessments for public improvements

affecting premises in the Borough of Brooklyn, designated on the official tax map as Sec. 11, Block 3242, Lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about August 1, 1881; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a home for the care and maintenance of poor and indigent aged persons of both sexes without charge.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1903, and since, and the assessed valuation for the year 1914 is \$200,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

No. 1, Section 11, Block 3242, Lot 1.....	\$239 46
The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described. The total amount involved as principal in the above assessments is \$239.46. The property affected by these assessments is located in the Borough of Brooklyn, block bounded by Bushwick and Evergreen Avenues, DeKalb Avenue and Stockholm Street. Sister Helen, Superioress, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$28,997 and the expenditures for all objects \$28,897, leaving a balance of \$100. It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessment above mentioned accrued and became a lien thereupon I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would therefore certify my approval of the application of Home for the Aged of the Little Sisters of the Poor, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a petition of the Congregation of Biker Cholim (The Wyona Street Synagogue) for the cancellation of certain assessments:

October 31st, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Congregation Biker Cholim (The Wyona Street Synagogue) has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 9, Block 3673, Lot 9.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same in the year 1886; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used exclusively as a place for public worship.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1888 and since, and the assessed valuation for the year 1914 is \$11,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

#### Assessments.

Flagging, Curbing, Guttering and Paving Streets in the 26th Ward under Chapters 311 and 335, Laws 1886, one-twentieth of principal and interest on bonds issued under said Acts (Assessment Oct. 3, 1910):

1913, Section 12, Block 3673, Lot 9.....	24 15
1914, Section 12, Block 3673, Lot 9.....	23 55

The foregoing installments of the assessment for "Flagging, curbing, guttering and paving streets in the 26th Ward under Chapters 311 and 335, Laws of 1886," were to be liens only as levied, and the first installment of said assessment was confirmed and entered and became a lien in the year 1889. It appears, therefore, that the petitioner was the owner of the property affected during the time said assessment accrued and during the time the installments thereof which are sought to be cancelled became liens thereon, as required by said section of the Charter, and also that said property was exempt from local taxation during such times, as required by said section of the Charter.

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described. The total amount involved as principal in the above assessments is \$76.77. The

property affected by these assessments is located in the Borough of Brooklyn, easterly side of Wyona Street, between Fulton Street and Atlantic Avenue.

Oscar M. Lazarus, Esq., attorney, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$5,705.43 (including balance of \$913.19 from preceding year), and the expenditures for all objects \$4,009.81, leaving a balance of \$1,695.62.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Congregation Biker Cholim (The Wyona Street Synagogue), pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by Congregation Biker Cholim (the Wyona Street Synagogue), provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to resolution authorizing the cancellation of certain assessments affecting premises owned by the German Evangelical Mission Church of Brooklyn:

October 31, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—On September 16, 1914, upon the petition of the German Evangelical Mission Church of Brooklyn, and upon the recommendation of the Comptroller, a resolution was adopted by your Honorable Commission, authorizing and directing the Comptroller, upon the payment of Ten Dollars (\$10), to cancel a certain assessment affecting the property owned by said corporation, known as Lots 1, 6 and 9, Block 115-H, Section 2, Borough of Queens.

The report of the Deputy and Acting Comptroller containing the recommendation upon which the aforesaid resolution was adopted, was dated April 8, 1914, and such report omitted to include in the recommendation for cancellation the following assessment, viz.:

Catalpa Avenue Sewer, from Myrtle to Bachman Avenues, No. 609

(confirmed and entered March 3, 1914):

No. 516, Section 2, Block 115-H, Lot 1, Ward 2.....	\$31 80
No. 517, Section 2, Block 115-H, Lot 6, Ward 2.....	36 00
No. 518, Section 2, Block 115-H, Lot 9, Ward 2.....	24 00

The reason why the foregoing assessment was not included in said report was that the search made in the office of the Collector of Assessments and Arrears, Borough of Queens, for all open charges against the property affected, was completed and furnished to this department at an earlier date than March 3, 1914, the date when such assessment was confirmed and entered, and consequently such assessment did not appear on the books of the Collector of Assessments and Arrears as an open charge against said property when said search was made and the return of the Collector thereon transmitted to this Department, although the same was subsequently confirmed and entered, and had accrued and become a lien prior to the date when the Deputy and Acting Comptroller made his report as aforesaid. Said assessment, therefore, should have been included in said report and the cancellation thereof recommended.

The petitioner, through Charles W. Froessel, Esq., Trustee, has requested that said resolution of September 16, 1914, be amended, so as to authorize the cancellation of said assessment omitted therefrom as aforesaid.

In my opinion, the granting of the request of the petitioner would not be injurious to the best interests of the City, in view of the fact that if the search for open charges against the property affected had been made so as to cover the period up to the date of the report of the Deputy and Acting Comptroller, viz.: April 8, 1914, the assessment in question would have been returned as open and unpaid, and included in the recommendation for cancellation, and cancellation thereof would have been authorized by said resolution of September 16, 1914. I would therefore recommend that said resolution of September 16, 1914, be amended by including in the schedule of assessments to be cancelled the following, viz.:

Catalpa Avenue Sewer, from Myrtle to Bachman Avenues, No. 609

(confirmed and entered March 3, 1914):

No. 516, Section 2, Block 115-H, Lot 1, Ward 2.....	\$31 80
No. 517, Section 2, Block 115-H, Lot 6, Ward 2.....	36 00
No. 518, Section 2, Block 115-H, Lot 9, Ward 2.....	24 00

Very truly yours,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held September 16, 1914, reading as follows:

Resolved, That, upon payment of the sum of ten dollars (\$10) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the German Evangelical Mission Church of Brooklyn; provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to resolution authorizing the cancellation of certain assessments upon property owned by the Parkville Congregational Church:

October 31st, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—On September 16, 1914, upon the petition of Parkville Congregational Church, and upon the recommendation of the Comptroller, a resolution was adopted by your honorable Commission, authorizing and directing the Comptroller, upon the payment of \$127.50 within sixty days from the date of said resolution, to cancel certain assessments affecting the property owned by said corporation, known as Lot 30, Block 5411, Section 16, Borough of Brooklyn.

The amount required to be paid by the terms of said resolution, as a condition to the cancellation of such assessments, represented the aggregate amount of the

principal of such assessments, the petitioner thus being relieved from payment of the accrued interest thereon. The relief granted was limited to cancellation of the accrued interest by reason of the fact that the property in question, which was located in the 29th Ward of the Borough of Brooklyn, was not within the territory in which relief on church property was to be granted, as defined by the resolution of your board of June 14, 1911.

At said meeting of September 16, 1914, at which said resolution was adopted, there were on the calendar, among the petitions for cancellation of taxes, assessments and water charges, pursuant to section 221A of the charter, ten (10) certain petitions, including that of said Parkville Congregational Church, now under consideration, in which the respective properties were not situated within the territory recommended for cancellation, and as to such petitions the recommendation of the Comptroller in each case was to the effect that the open charges be cancelled upon payment of the principal thereof, thereby relieving the petitioner from payment of the accrued interest thereon. Action on all of said ten petitions, with the exception of that of said Parkville Congregational Church, was deferred, and on the request of the representatives of the nine remaining corporations affected by said territorial restrictions, who were present at said meeting, such nine petitions were laid over for further consideration, the petition of said Parkville Congregational Church being the only one considered, and the resolution referred to above, providing for cancellation of the open charges upon payment of principal, following the recommendation of the Comptroller, being the only one passed at said meeting in a case where the church was not within the required territory.

It now appears from a communication dated October 21, 1914, from G. L. King, Esq., president of the board of trustees of said church corporation, to the Comptroller and the Commissioners of the Sinking Fund, that said church corporation, through inadvertence, had neglected to have a representative present at said meeting of September 16, 1914, at which said resolution was passed; and he states that, had their representative been present at the meeting in question, their application would have been laid over, the same as the others, and requests on behalf of said corporation that the matter be reopened and the action of September 16, 1914, rescinded, giving to said corporation the same rights as the other interests represented on that date.

On October 7, 1914, your board adopted a resolution providing that so much of said resolution of June 14, 1911, as limited the territory within which relief should be granted on church property should be rescinded.

On October 22, 1914, the nine corporations whose petitions had been laid over at the meeting of September 16, 1914, were granted relief by your board. Resolutions being adopted providing for the cancellation of both principal and interest of the open charges against their respective properties, upon payment of the nominal sum of ten dollars (\$10) in each case.

In my opinion, the granting of the request of said Parkville Congregational Church that said resolution of September 16, 1914, be rescinded would not be injurious to the best interests of the City, in view of the fact that said corporation, through inadvertence, had no representative present at the meeting at which said resolution was passed, and that, if a representative had been present, it is reasonable to suppose that the same request to lay the matter over would have been made as in the case of the nine other corporations whose requests were granted, and in that event said corporation would have received the same relief as was subsequently granted to the nine other corporations by your board on October 22, 1914, as aforesaid, i. e., cancellation of both principal and interest of the open charges, upon payment of the nominal sum of \$10.

I would therefore recommend that said resolution of September 16, 1914, be rescinded, and that a new resolution be adopted by your board, in all respects similar to the rescinded resolution, except that the words "ten dollars (\$10)" be inserted in the place and stead of "one hundred and twenty-seven dollars and fifty cents (\$127.50)," and that the words "within sixty days from date" be omitted.

Very truly yours,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held September 16, 1914, authorizing the cancellation of certain assessments for public improvements upon property owned by the Parkville Congregational Church, in the Borough of Brooklyn, upon payment of the sum of One hundred and twenty-seven dollars and fifty cents (\$127.50), be and the same is hereby rescinded.

Resolved, That, upon payment of the sum of Ten Dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Parkville Congregational Church, in the Borough of Brooklyn, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the designation of the promotion Board for the employees in the office of the Commissioners of the Sinking Fund (brought up by unanimous consent):

October 27, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of this Board held February 26, 1913, the Commissioners of the Sinking Fund, at the request of the Municipal Civil Service Commission, adopted a resolution designating itself the Promotion Board for the employees in the office of the Commissioners, in accordance with the rules of the Civil Service Commission.

In view of the fact that the members of the Commission do not come in direct contact with the employees the Civil Service Commission now suggest that the Board of Promotions be composed of three persons who are in intimate contact with the employees and who are better able to give the reasons for the ratings "A," "B," "C" than the members of the Board.

It is therefore suggested that the Board of Promotions be composed of the following persons: Mr. Alexander Brough, Deputy and Acting Comptroller; Mr. John Korb, Jr., Secretary; Miss Bertha M. Schmitt, Clerk, in accordance with the rules of the Civil Service Commission.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held February 26, 1913, reading as follows:

"Resolved, That the Commissioners of the Sinking Fund hereby designate itself the Promotion Board for the employees in the office of the Commissioners of the Sinking Fund, in accordance with the rules of the Municipal Civil Service Commission."

—be and the same is hereby rescinded; and be it further

Resolved, That the Commissioners of the Sinking Fund hereby designate Alexander Brough, Deputy and Acting Comptroller, John Korb, Jr., Secretary, and Bertha M. Schmitt, Clerk, as the Promotion Board for the employees in the office of the Commissioners of the Sinking Fund, in accordance with the rules of the Municipal Civil Service Commission.

The Deputy and Acting Comptroller presents the following report and offered the following resolution, relative to a lease to the City, of premises at No. 51 Chambers Street, Borough of Manhattan, for use of the Sheriff of the County of New York (brought up by unanimous consent):

November 4th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication to the Commissioners of the Sinking Fund from the Sheriff of New York County, requesting a lease for a period of five years from January 1, 1915, of 6,557 square feet of floor space on the third floor of the Emigrant Industrial Savings Bank Building, 51 Chambers Street, Borough of Manhattan, at an annual rental of \$11,308, payable quarterly.

The Sheriff is at present occupying space in the Barclay Building, No. 299 Broadway, Borough of Manhattan, at an annual rental of \$12,500. The furniture now contained therein has been in use for a good many years and is practically unfit for further use. The Sheriff intended to locate in the Hall of Records Building, but owing to demands made by other County offices, this space could not be granted.

After negotiating with the agent of the Emigrant Bank Building he agreed to rent for use of the Sheriff 6,557 square feet of space on the third floor of said building at a rental at the rate of \$1.50 per square foot, making a total of \$9,835 per annum, including light, heat, elevator and janitor service, and subdividing the space with plaster or wood and glass partitions and such railings as may be required. He will also furnish and equip the space as per the attached specifications, furnishing the required number of desks, tables, chairs, wardrobes, filing equipment, etc., charging therefor an additional annual rental of \$1,473, which will bring the total rent of the premises up to \$11,308. At the expiration of the lease the furniture and equipment will become the property of the City.

The Sheriff states that if this lease is authorized he will be more conveniently located than at present, and will be fully equipped with new furniture at a less rental than that paid for the premises now occupied.

The rate of \$1.50 per square foot is less than that paid by the City for other premises in the same building.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt the attached resolution.

Respectfully,  
ALEX. BROUGH, Deputy and Acting Comptroller.

Second Ward—Amended Plan No. 2 of Sewerage District No. 20 and No. 4 of Sewerage District No. 21. This plan affects about 100 acres and was prepared in order to harmonize the sewer design with the modified street lay-out. Amended Plan No. 5 of Sewerage District No. 20. This plan was prepared for the purpose of modifying the sewer grades in Clark Avenue and Perry Avenue.

## Bureau of Public Buildings and Offices.

The principal job completed during the second quarter was the re-arrangement of offices at the Borough Hall, L. I. City, necessitating the taking down, setting and building new partitions, forming new offices for the various Borough Offices. This work required the services of Carpenters, Electrician, Painters, Steam Fitter, Tinsmith and other mechanics.

New marble slabs and vault-lights at Comfort Station, Jamaica, has been done by contract. Furniture and floor covering have been installed in the various offices. The grounds adjoining Public Buildings have been cared for and flower beds made. All Janitors' cleaning materials have been supplied as required.

General repairs have been made to the Public Buildings throughout the Borough by Departmental Labor as follows: Foreman of Laborers, 2; Foreman of Plumbers, 1; Carpenters, 2; Painters, 7; Electrician, 1; Steam Fitter, 1; Tinsmith, 1; Mechanics Helper, 1; Laborers, 24; Total, 40.

## Topographical Bureau.

The work of the Bureau falls naturally into two divisions: First, to quote from the Greater New York Charter, "To prepare a map of that part of the territory embraced within the Borough, of which a map or plan has not heretofore been finally established and adopted," and second, make the surveys and maps required by Commissioners of Estimate and Assessment.

For the better prosecution of this work the force of this office is similarly divided into two divisions—one division charged with the preparation of the final map of the Borough, the other division charged with all work incidental to Street-Opening Proceedings.

The division charged with the preparation of the final map of the Borough is divided into three corps:

1. Monumenting Corps—Charged with all the surveys and field work incidental to the preparation of the final map and the monumenting of the Borough.
2. Computing Corps—Charged with all the computations incidental to the preparation of the final map of the Borough.
3. Draughting Corps—Charged with all draughting work required to prepare the final maps.

The division charged with the preparation of the maps required by the Commissioners of Estimate and Assessment is subdivided into two corps:

1. Surveying Corps—Charged with all the field work necessary to the preparation of the maps required by the Commissioners.
2. Office Corps—Charged with all the computations and draughting necessary for the preparation of the maps required by the Commissioners.

**PUBLIC SERVICE COMMISSION.**

**Proposals.**

**INVITATION TO CONTRACTORS.**

Part of the Broadway-Fourth Avenue Rapid Transit Railroad.

The Public Service Commission for the First District (hereinafter called the "Commission"), acting for and on behalf of The City of New York (hereinafter called the "City"), invites proposals to reconstruct a portion of Section No. 9-C1 of Route No. 9, a part of the Broadway-Fourth Avenue Rapid Transit Railroad.

The portion of Section No. 9-C1 to be reconstructed lies under Flatbush Avenue Extension between Willoughby Street and DeKalb Avenue in the Borough of Brooklyn. The railroad at this point has six tracks and the reconstruction is to provide for the installation of additional crossovers between these tracks.

The Contractor will not be required to provide or lay tracks, ties or ballast, but will be required to do certain station finish work.

The work under the contract will include the care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other surfaces.

The method of construction, unless otherwise permitted by the Commission, will be by trench excavation under cover.

The City has entered into a contract for the installation of tracks in the Railroad and the work of installation will be in progress at the time that the work of reconstruction is in progress.

It will also be necessary for the New York Municipal Railway Corporation, its contractors or employees, to do work in the Railroad in connection with the equipment of the Railroad at the time that the work of reconstruction is in progress. The Contractor must conduct his work so as not to impede or interfere with such other work, as provided in the contract.

The Railroad may also be opened and operated for passenger traffic before the completion of the work of reconstruction. In such event the Contractor must conduct his work so as to avoid interference with the operation of the Railroad and injury to passengers, as provided in the contract; and payment for all additional expense, loss, risk and damage due to such opening and operating for traffic will be made by increasing by the percentage stipulated in Item X in the Schedule contained in the Contractor's Proposal, the prices as stipulated in said Schedule for the work performed after the date of such opening and operating for passenger traffic, except as provided in the contract.

Each bidder shall state in said Item X in the Schedule contained in the form of Contractor's Proposal the percentage required on such prices in payment for the additional expense, loss, risk and damage in the event of such opening and operating for traffic. For the purpose of comparing the bids only, and not for any other purpose, it will be assumed that the percentage so bid will be required to be paid on one-quarter (1/4) of the estimated amount of the work of reconstruction exclusive of Schedule Items 1, 2, 30, 76-H and 99-A and exclusive also of sixty per centum (60%) of the estimated amount for Schedule Items 19 and 20. If any bidder shall not desire any such increase in said prices on account of such opening and operating for traffic, he shall strike out said Item X in said Schedule contained in his Proposal.

Bidders must examine the form of contract and the specifications and contract drawings; must visit the location of the work and inform themselves of the conditions along the line of the work and make their own estimates of the facilities and difficulties attending the execution of the work.

A fuller description of the work and other requirements, provisions, details and specifications are given in the form of contract and in the contract drawings therein referred to. Copies of the forms of contract, bond and contractor's proposal and of the contract drawings may be inspected and purchased at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, New York City. The forms of contract, bond and contractor's proposal and the contract drawings are to be deemed a part of this Invitation.

Partial payments to the Contractor will be made monthly as the work proceeds, as provided in the contract.

The Contractor must complete the work within twenty-five (25) months from the delivery of the contract.

At the time of the delivery of the contract the Contractor must furnish security to the City by depositing a bond, cash or securities, in the sum of two hundred thousand dollars (\$200,000). As further security fifteen (15) per centum of the amounts certified from time to time to be due to the Contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the total estimated amount to be paid to the Contractor under the contract. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amounts certified from time to time to be due to the Contractor.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau Street, Borough of Manhattan, City of New York, until the 11th day of December, 1914, at twelve o'clock (12.15) o'clock p. m., at which time and place, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission.

A statement, based upon the estimate of the Chief Engineer of the Commission, of the quantities of the various classes of the work and of the nature and extent as near as practicable of the work is to be found in the schedule in the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same except as provided in the specifications and form of contract.

Every proposal must when submitted be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Routes Nos. 4 & 36, Section No. 4," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a separate certified check for twenty thousand dollars (\$20,000) payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company satisfactory to the Commission and having its principal office in New York City. Such check must not be enclosed in the envelope containing the proposal.

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within three (3) days after the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with, unless all proposals shall be rejected, in which event such deposits will be returned within three (3) days after such rejection. The deposit of the successful bidder will be returned when the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

New York, November 17, 1914.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, tanks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all

house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.
