"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2014. As a result, the NORA Assessment of \$.002 per gallon will be an additional charge to be added to the posted weekly prices. This \$.002 per gallon will appear on a separate line item on your invoice. This fee will apply to heating oil invoices only. The fee collections began April 1, 2014. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit of \$1.00 per gallon on B100 expired on December 31, 2013. Therefore, for deliveries after January 1, 2014, the

contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre St., 18th Floor, New York, NY 10007.

HUMAN RESOURCES ADMINISTRATION

NOTICE

The New York City Human Resources Administration (HRA) intends to issue a Request for Proposals (RFP) for Housing and Homelessness Prevention.

In advance of the release of the RFP, HRA is issuing a concept paper which outlines the program model of the Homelessness Prevention Law Project (HPLP) program (RFP). The HPLP program has existed for over a decade, but as of fiscal Year 2015, the City of New York (City) moved the HPLP program from the Department of Homeless Services (DHS) to the Human Resources Administration (HRA). The HPLP program provides an array of legal services that help ensure that low-income families facing eviction or other potential loss of housing remain housed and avoid becoming homeless and entering shelters. HRA's Office of Housing and Homelessness Prevention is seeking qualified service providers to provide HPLP services in all five boroughs.

The concept paper has been posted on the Agency's website at www.nyc.gov/contracts www.nyc.gov/hra/contracts

OFFICE OF THE MAYOR

CRIMINAL JUSTICE COORDINATOR

NOTICE

Notice of Concept Paper

The Concept Paper is a pre-cursor to the Mediation Services Request for Proposal which will be let by the Mayor's Office of Criminal Justice (MOCJ). Mediation is an effective means to settle disputes through a neutral third party mediator without court intervention, thereby saving time and money for litigants in the Courts. In order to maximize

the impact of mediation services with the criminal justice model, MOCJ is seeking qualified vendors to provide mediation services in criminal cases and to young adults, ages 16-24 determined to be "at risk". These "at risk" young adults reside in or near targeted New York City Housing Authority (NYCHA) developments which have been identified as areas of concern.

o30-n6

YOUTH AND COMMUNITY DEVELOPMENT

NOTICE

In accordance with section 3-16 (j) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) will be issuing a Concept Paper for the Mayor's Youth Leadership Council (MYLC) program. MYLC offers a small group of high school students the opportunity to formulate a change agenda for New York City in a policy area of their choice by the youth and to present their recommendations to the Mayor. Youth will also introduce a community benefit project component involving other youth councils across New York City.

Following release of this concept paper, DYCD will issue request for proposals (RFP), through the HHS Accelerator system, seeking to find a qualified vendor to manage the MYLC program in close coordination with DYCD, the New York City Young Men's Initiative, the Mayor's Office, and other New York City (NYC) agencies. The Concept Paper can be found on DYCD's website starting November 10, 2014 at www.nyc.gov/dycd www.nyc.gov/dycd under the Resources for non-profits link.

Please email comments to DYCD at CP@dycd.nyc.gov no later than December 8, 2014 Please enter "MYLC Concept Paper" in the subject line.

Written comments also may be submitted to: Robert Frenzel-Berra, Director of Research and Program Development Department of Youth and Community Development 156 William Street, 2nd Floor New York, NY 10038.
