Pier at East Fifth street.  
Piers 12, 22, and 23.

SEALED PROPOSALS FOR DREDGING ON the North and East rivers, indorsed as above, and with the name of the person or persons presenting the same, and the date of presentation, and addressed to "The President of the Department of Docks," will be received at this office until 12 o'clock M., of

MONDAY, MAY 26, 1879.

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be well prepared for the business, and the bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of four thousand dollars.

The Engineer's estimates of the quantities of material necessary to be dredged in order to secure at each of the premises mentioned the depth of water set opposite thereto in the specifications, are as follows:

ON NORTH RIVER.	Cubic Yards.
Pier at West Thirty-fifth street.....	9,000
Pier and bulkhead at West Eleventh street.....	7,000
Pier, new 46.....	12,000
	28,000

ON EAST RIVER.	Cubic Yards.
Pier at East Twenty-fifth street.....	3,300
Pier at East Twenty-fifth street.....	4,800
Pier at East Fifth street.....	3,900
Pier 23, westerly side; Pier 22, easterly side.....	57,000
Pier 12, westerly side.....	15,500
	33,200

But these estimates are approximate only, and form no part of the contract, and persons bidding are cautioned that neither the Department of Docks nor the City of New York is to be held responsible that any of them shall strictly obtain in the work, and bidders are required to examine the premises, and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for doing the work is five months from the date of signing the contract; and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for fulfillment has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

All the material excavated is to be removed by the contractor, and deposited in all respects according to law.

Bidders will state in their proposals the price per cubic yard, for doing such dredging in conformity with the annexed specifications, by which the bids will be tested. The price is to cover all expenses of every kind involved in or incidental to the completion of the contract, including any claim that might arise through delay from any cause in the performing of the work thereunder.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his bid or proposal, or if after acceptance he should refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the contract is ready for execution, he will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state the fact; also that the bid is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person making the bid, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if said person shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 6 of chapter 574, Laws of 1871, and by section 27 of chapter VIII of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered are to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract. Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

JACOB VANDERPOEL,  
Commissioners of the Department of Docks.

## JURORS.

### NOTICE

#### IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
