NOTICE

LEGAL NOTICE

NOTICE OF PUBLIC HEARING TO BE HELD JULY 7, 2010 PURSUANT TO $\S\S201-204$ OF THE EMINENT DOMAIN PROCEDURE LAW IN CONNECTION WITH THE ACCESS TO THE REGION'S CORE PROJECT

A public hearing, open to all persons, will be held by The Port Authority of New York and New Jersey (PANYNJ) pursuant to §§201-204 of the New York State Eminent Domain Procedure Law (EDPL) in the Sky Top Room at the Hotel Pennsylvania, 401 Seventh Avenue, New York, N.Y., from 2:00 to 5:00 P.M., and from 6:00 to 8:00 P.M., on July 7, 2010 to consider the proposed acquisition by condemnation of certain properties and property interests in Manhattan in furtherance of the proposed Access to the Region's Core Project (the "Project"), which is being carried out by a partnership among PANYNJ, New Jersey Transit Corporation (NJT) and the Federal Transit Administration (FTA).

The purpose of the public hearing is to: (1) inform the public about the Project; (2) review the public use, benefit or purpose to be served by the Project, the proposed location of the Project, and the impact the Project may have on the environment and residents of the locality; and (3) give all interested persons an opportunity to present oral and written statements about the Project.

Project Purpose, Location and Description

The purpose of the Project is to increase trans-Hudson commuter rail capacity to accommodate projected ridership growth from rail lines west of the Hudson River, enhance passenger convenience, and improve system safety and reliability. The Project involves the construction of two new tunnel tubes for two NJT tracks from New Jersey, under the Hudson River, to Penn Station New York. The tunnels would enter Manhattan at West 28th Street (between 120 and 160 feet below grade level), divide into four individual tubes/ tracks under 30th Street, extend northeasterly to 34th Street, and continue to Broadway/Sixth Avenue. Six new tracks would be constructed under West 34th Street between Eighth Avenue and Broadway/Sixth Avenue, with pedestrian connections to existing tracks at Penn Station New York, 14 subway lines and PATH. Five public station entrances would be constructed along 34th Street. An emergency exit/ employee-only entrance would be constructed along 35th Street. Four fan plants would be constructed for ventilation and tunnel egress purposes, located on the north side of West 28th Street, approximately 200 feet east of Twelfth Avenue, and at 431 West 33rd Street, 218 West 35th Street, and 137-139 West 33rd Street. You may visit ARC's website to learn more about the Project at www.arctunnel.com or www.panynj.gov/arc-tunnel/ or review a copy of the Final Environmental Impact Statement (FEIS) at www.arctunnel.com/library/feis_documents.aspx. The PANYNJ will also make maps and other materials descriptive of the Project, the property interests proposed to be acquired, and the impacts of the Project, available at a reading room, from the date of this notice until July 28, 2010, at its offices, located at 225 Park Avenue South, New York, NY 10003. Access to these materials will be available from 10:00 a.m. until 4:00 p.m. on weekdays and can be obtained by contacting Rhonda Barnett (212) 435-6916 or paevents@panynj.gov.

Proposed Property Acquisition

Exhibits A and B, attached to this notice and made a part hereof, list the properties and property interests in Manhattan (other than Block 675, Lot 1, described in the following paragraph) that PANYNJ proposes to acquire by eminent domain. Exhibits A and B refer to the Manhattan Tax Blocks and Lots as they appear on the official New York City Tax Map. (Property interests may be acquired at the property addresses, or at the Tax Blocks and Lots, or both, set forth on Exhibits A and B.) Exhibit A lists properties where PANYNJ would acquire a full fee interest or some lesser interest, which is expected to require relocation of occupants. Exhibit B lists properties where PANYNJ would acquire underground easements below any existing structure and therefore no relocation of any occupant would be required. Exhibit B also lists properties identified by the abbreviation "PZ" (protection zone) where PANYNJ may record restrictive declarations regarding future construction or development. These restrictive declarations would require property owners to provide plans for future development on their property to PANYNJ to confirm that such construction would not adversely impact the tunnels and appurtenant facilities or affect public safety. The Project would require the acquisition of certain subsurface interests underlying and adjacent to City Streets within the Project area which are needed for tunnel construction, rock anchors and supports. The temporary easements to be acquired (as indicated by the "TE" designation on Exhibits A and B) will be of varying duration, but will not exceed ten years from commencement.

With respect to Block 675, Lot 1, PANYNJ proposes to acquire (a) a ten-year easement allowing exclusive use and occupancy of the entire property, with the possibility to extend for two additional one-year periods; (b) permanent and temporary subsurface easement volumes, all triangular in shape in the horizontal plane, as follows: (i) a permanent easement containing approximately 188 square feet, located at the intersection of Lots 1 and 12 and West 29th Street, between elevations 143.60 and 194.90 (all elevations using the Trans-Hudson Express Tunnel Project Vertical Datum), (ii) a temporary easement which includes the area of (b)(i), containing approximately 1,583 square feet, between elevations 143.60 and 210.90; and (c)(i) a permanent easement containing approximately 5,088 square feet, located at the intersection of Lots, 1, 12 and 39, between elevations 140.60 and 192.40, and (ii) a temporary easement which includes the area of (c)(i), containing approximately 9,357 square feet, between elevations 140.60 and 208.40. As part of the foregoing acquisitions, all leases or other rights to occupy Block 675, Lot 1, as well as other title exceptions, may be

terminated (but not the reversionary interest of the owner therein). In addition, the property would be subject to restrictions in the form set forth in Schedule I to the Permanent Easement Agreement and Declaration of Restrictive Covenants, attached to the letter agreement between PANYNJ and the owner of Block 675, Lot 1.

Property acquisitions in connection with the Project may be undertaken in stages. Chapter 5 of the FEIS describes anticipated construction impacts of the Project.

Receipt of Comments

Comments on the proposed acquisitions are requested and may be made orally or in writing at the hearing on July 7, 2010; or delivered in writing to PANYNJ, PO Box 1535, NY, NY 10159-1535; or submitted electronically at the following website: www.arctunnel.com/library from the date of this notice until 5:00 P.M., July 28, 2010. Comments received after 5:00 P.M. on July 28, 2010 will not be considered.

ACCORDING TO EDPL \$202(C), ANY PROPERTY OWNER WHO MAY SUBSEQUENTLY WISH TO CHALLENGE THE CONDEMNATION OF THEIR PROPERTY VIA JUDICIAL REVIEW MAY DO SO ONLY ON THE BASIS OF ISSUES, FACTS, AND OBJECTIONS RAISED AT THE HEARING.

The hearing is accessible to people who are mobility impaired. Sign language interpreter services will be provided upon advance request by contacting Rhonda Barnett (212) 435-6916 or paevents@panynj.gov on or before June 23, 2010

Name, Description and Location of Proposal:

Washington and Greenwich Streets Rezoning
The applicant, the New York City Department of City
Planning, seeks a zoning map amendment to rezone all or
portions of a six-block area from C6-1 to C1-6A. The rezoning
area is situated in the far western part of the West Village
neighborhood in Manhattan, Community District 2, and is
generally located on the east side of Washington Street
approximately between West 10th and West 12th streets,
extending eastward to include the west side of Greenwich
Street approximately between West 10th and West 11th
Streets.

The proposed action could result in a new development on eight projected development sites and seven potential development sites. On the projected development sites, the proposed action would result in a net increase of 47 dwelling units and a net decrease of 56,897 square feet of commercial space. Anticipated development on projected development sites is largely expected to take the form of new construction; one development site is anticipated to be an enlargement. Anticipated development on potential development sites will be a mix of enlargements and new construction.

With the exception of a single lot located at the southeast corner of the intersection of Washington and Charles streets, the entirety of the proposed rezoning area is located within the boundaries of either the Greenwich Village Historic District or the Greenwich Village Historic District Extension, which were designated in 1969 and 2006, respectively.

The area is currently zoned C6-1, a medium density commercial district which also allows residential and community facility uses. The proposed rezoning would change the C6-1 zoning designation within the rezoning area to C1-6A, which allows up to 4.0 FAR for residential and community facility uses, and up to 2.0 FAR for locally serving commercial uses.

The build year for this action is 2020.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated June 4, 2010, prepared in connection with the ULURP Application (No. 100437 ZMM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

The above determination is based on an environmental assessment which finds that no significant effects on the environment which would require an Environmental Impact Statement are foreseeable. This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Name, Description and Location of Proposal $3500~{\rm Park~Avenue~Rezoning}$

The applicant, 3500 Park Avenue LLC, is proposing a zoning map amendment to rezone the southern block-front of East 168th Street between Park Avenue and Washington Avenue in the Bronx, Community District 3. The proposed action would rezone one lot (Block 2389, Lot 20) from M1-1 to R7-1 with a C2-4 overlay and extend the C2-4 overlay onto six adjacent lots (Block 2389, Lots 26, 27, 28, 31, 32 and p/o 33) already zoned R7-1. Since the applicant is seeking financing with the New York City Housing Development Corporation (NYCHDC), a coordinated review was conducted with

The proposed action would facilitate a proposal by the applicant to develop, under the Quality Housing provisions of the Zoning Resolution, an eight-story, 58, 221 sq. ft residential building (containing 61 low-income dwelling units) with ground floor retail and/or community facility use, and a twenty below-grade parking space garage at 3500 Park Avenue (Block 2389, Lot 20). In addition the proposed action could result in the development of a property located at 1217 Washington Avenue (Block 2389, Lot 28) with a 3,900 sq. ft commercial building. This property is not under the control of the applicant.

The projected development site (Block 2389, Lot 20), currently developed with an automobile parking lot, is zoned M1-1, which allows Use Groups 5 through 14, 16, 17 at an FAR of 1.0, and Use Group 4 at an FAR of 2.4. The proposed rezoning would establish an R7-1 zone over the site,

permitting residential uses with an FAR of 3.44 (4.0 under the Quality Housing Option if situated on a wide street) and community facility uses with an FAR of 4.8. In addition, the proposed C2-4 zone would allow commercial uses to occupy the ground floor of a mixed-use building.

The adjacent sites contain three-story residential buildings with nonconforming ground floor retail uses (Block 2389, Lots 26 and 27), four-story residential buildings (Block 2389, Lots 31 and 32) and a nonconforming parking lot (Block 2389, Lot 28). These sites are currently zoned R7-1, which allows residential uses with an FAR of 4.0 (under the Quality Housing provisions of the Zoning Resolution) and community facility uses at an FAR of 4.8. The proposed rezoning would map a C2-4 overlay on the entire blockfront, permitting local service commercial uses (Use Groups 5 through 9) at an FAR of 2.0.

To avoid any potential significant adverse impacts, the applicant has entered into a Restrictive Declaration for hazardous materials, and an (E) designation (E-259) for air quality and noise would be mapped as part of the rezoning, as described below.

To avoid any potential significant adverse air quality impacts, an (E) designation for air quality would be mapped on Block 2389, Lot 28. The text of the (E) designation for air quality is as follows:

Bronx Block 2389, Lot 28

Any new commercial development on the abovereferenced property must ensure that the heating, ventilation and air conditioning stack(s) are located at least 30 feet from the lot lines facing East 167th Street, and at least 30 feet from the lot line facing Park Avenue, regardless of fuel type, to avoid any potential significant adverse air quality impacts.

With the placement of the (E) designation for air quality, no impacts related to air quality are expected and no further assessment is warranted.

To avoid any potential significant adverse noise impacts, an (E) designation for noise would be mapped on Block 2389, Lot 20. The text of the (E) designation for noise is as follows:

Bronx Block 2389, Lot 20

In order to ensure an acceptable interior noise environment, future residential/commercial uses must provide a closed window condition with a minimum of $35~\mathrm{dB(A)}$ window/wall attenuation on all facades in order to maintain an interior noise level of $45~\mathrm{dB(A)}$. In order to maintain a closed-window condition, an alternate means of ventilation must also be provided. Alternate means of ventilation includes, but is not limited to, central air conditioning.

With the placement of the (E) designation for noise, no impacts related to noise are expected and no further assessment is warranted.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated June 4, 2010, prepared in connection with the ULURP Application (No. 08DCP022X). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

The applicant agrees via a restrictive declaration to prepare a Phase II Environmental Assessment Statement (ESA), hazardous materials sampling protocol and health and safety plans, which would be submitted to the Department of Environmental Protection (DEP) for approval. The applicant agrees to test and identify any potential hazardous material impact pursuant to the approved sampling protocols and, if any such impact is found, submit a hazardous material remediation plan including a health and safety plan to DEP for approval. If necessary, remediation measures would be undertaken pursuant to the remediation plans.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

- A Phase I Environmental Site Assessment (ESA) was prepared for the project site. The Phase I ESA was reviewed by DEP's Office of Environmental Planning and Assessment, and pursuant to a letter dated April 30, 2009 a Phase II Environmental Assessment Statement (ESA), hazardous materials sampling protocol and health and safety plan were recommended due to the potential presence of hazardous materials on the site as a result of past on-site and/or surrounding area land uses. As such, the applicant has entered into a restrictive declaration to ensure that a detailed Phase II testing would occur, and hazardous materials sampling protocol including a health and safety plan would be prepared, and is binding upon the property's successors and assigns. The declaration serves as a mechanism to assure the potential for hazardous material contamination that may exist in the subsurface soils and groundwater on the project site would be characterized prior to any site disturbance (i.e., site grading, excavation, demolition, or building construction). The restrictive declaration was executed on December 17, 2009 and submitted for recording on January 22, 2010. Pursuant to a letter from DEP dated January 28, 2010, DEP is in receipt of a signed copy of a DEP-approved restrictive declaration with proof of recording for the site. Consequently, no significant adverse impacts related to hazardous materials will occur.
- 2. The (E) designation for air quality would ensure that the proposed action would not result in significant adverse impacts due to air quality.
- 3. The (E) designation for noise would ensure that the proposed action would not result in significant adverse impacts due to noise.

4. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before proceeding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

TRANSPORTATION

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY
FOR THE OPERATION, MANAGEMENT AND
MAINTENANCE OF A PEDESTRIAN PLAZA
LOCATED ON WILLOUGHBY STREET BETWEEN
PEARL STREET AND ADAMS STREET,
BOROUGH OF BROOKLYN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza located on Willoughby Street between Pearl Street and Adams Street in Brooklyn ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the MetroTech Business Improvement District as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not for profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by July 13, 2010. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.
