BOARD OF ESTIMATE AND APPORTIONMENT.

BOARD OF ESTIMATE AND APPORTIONMENT—CITY OF NEW YORK,
MAYOR'S OFFICE, CITY HALL,
WEDNESDAY, June 5, 1878—2 o'clock P. M.

The Board met in pursuance of an adjournment.

Present, the following members, viz.:

John Kelly, the Comptroller of the City of New York; William R. Roberts, the President of the Board of Aldermen; John Wheeler, the President of the Department of Taxes and Assessments.

Absent—Smith Ely, Jr., the Mayor of the City of New York.

The President of the Board of Aldermen acted as chairman pro tem. in the absence of the Mayor.

The minutes of the meeting held May 28, 1878, were read and approved.

The Comptroller presented the following communication,

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
June 4, 1878.

To the Board of Estimate and Apportionment:

The communication of the Commissioner of Public Works, dated May 18, 1878, requesting the transfer of the sum of \$5,000 for the purpose of repairing the Essex Market building and armory of the Sixty-ninth regiment, N. G. S. N. Y., having been referred to the Comptroller at the last meeting of the Board, I respectfully recommend, in view of the necessity which appears to exist for making the repairs referred to, in order to keep the said market building and armory in good condition for occupation, the adoption of the annexed resolution.

Respectfully,

JOHN KELLY, Comptroller.

—and offered for adoption the following resolution:

Resolved, That the sum of five thousand dollars be and the same is hereby transferred from the appropriation for "Lamps and Gas" for 1878, the same being in excess of the amount required for the purposes and objects thereof, to an appropriation for "Public Buildings, Construction and Repairs—for repairing the Essex Market building, and Armory of the Sixty-ninth regiment, N. G. S. N. Y." for 1878, for which it is required.

The chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—3.

The Comptroller presented the following report:

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
June 4, 1878.

To the Board of Estimate and Apportionment:

At the last meeting of the Board, a resolution of the Board of Commissioners of the Fire Department, adopted on May 17, 1878, was presented, requesting the transfer of an appropriation; which was transferred to the Comptroller.

I respectfully submit the following report:

A transfer is asked of the sum of \$26,000 from the unexpended balances of appropriations to the Fire Department for 1877, to the appropriation for "new apparatus, etc.," for the year 1878.

The appropriation made to the Fire Department for the year 1878, for "new apparatus, etc.," and the expenditures on that account to June 1 are as follows:

Amount of appropriation.....	\$175,000 00
" " expenditures.....	42,539 78
Balance.....	\$132,460 22

By this statement it would appear that, at the rate of expenditure for the five months since January 1, the balance is sufficient for the purposes of the appropriation to the close of the year. Expenditures are limited by law to the annual appropriations, and I can see no reason, at this time, why the appropriation for the current year for these purposes and objects should be increased, nor do I know of any authority of law for making such a transfer as is asked for by the Commissioners of the Fire Department.

Respectfully,

JOHN KELLY, Comptroller.

Which was ordered on file.

The Comptroller presented the following communication:

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
June 4, 1878.

Respectfully,

JOHN KELLY, Comptroller.

And offered for adoption the following preamble and resolution:

Whereas, It is provided by section 4, chapter 256, Laws of 1878, that

"It shall be the duty of the Board of Estimate and Apportionment of said city, from time to time as it may determine, to fix the salary to be paid to the physicians appointed as in this statute directed, for performing the duties herein provided. The salary to be paid to each of said physicians shall not in any one year exceed the sum of three thousand dollars. The salaries as in this act provided for shall be paid monthly by the Mayor, Aldermen and Commonalty of the City of New York," and

Whereas, In pursuance of the provision of section 3 of said Act, the Board of Coroners of the City of New York has appointed "four qualified physicians," to perform the duties specified in the second section of said Act, as appears by a notice published in the CITY RECORD, on May 21, 1878; therefore

Resolved, That pursuant to the provisions of section 4, of chapter 256, Laws of 1878, above cited, the salary of the physicians appointed by the Board of Coroners, be and the same is hereby fixed at the sum of three thousand dollars each, per annum, to be paid monthly as therein provided, from the date of their appointment.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—3.

By unanimous consent, the rule adopted at meeting of June 23, 1874, relating to calls of meetings, was suspended, in order to act upon the issue of "Assessment Bonds."

Whereupon the Comptroller offered for adoption the following resolution:

Resolved, That the Comptroller be, and he is hereby authorized to issue, at such time and at such rate of interest as he may determine, not exceeding seven per cent. per annum, "ASSESSMENT BONDS" for the sum of twenty thousand dollars, in pursuance of chapter 447, Laws of 1876, for improving and constructing Riverside avenue.

The Chairman put the question whether the Board would agree with said resolution.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING ferries and a lease of the wharf property belonging to the city, if any, set apart for ferry purposes at each of said ferries, will be sold at public auction to the highest bidder, at the office of the Comptroller of the City of New York, on Thursday, November 8, 1877, at 12 o'clock noon, for the period of five years from November 1, 1877, except as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of One Hundred and Thirtieth street at Third avenue, Harlem, with an intermediate landing at or near Eighty-fourth street, East river.

Ferry from Fulton Market slip, New York City, to Mott Haven, with an intermediate landing at or near Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street, in the City of New York, East river, to South Seventh street, Brooklyn, Eastern District, together with the bulkheads and slips adjacent to and east of the wharf property at foot of Roosevelt street, East river, owned by the Bridge Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf property of each ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller. All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form, for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarter-yearly to the Comptroller.

The minimum rate for which the ferry franchise or license to operate such ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. per annum upon the gross receipts or ferrage collected at the New York landing-place for the ferry as now established from the foot of Roosevelt street, New York, to South Seventh street, Brooklyn, and at two and one-half per cent. per annum upon the gross receipts collected for ferrage for the ferries from Peck slip, New York, to the foot of One Hundred and Thirtieth street, Third avenue, Harlem; and from Fulton Market slip, New York, to Mott Haven, such percentage to be paid quarter-yearly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarter-yearly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferrage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books or account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage.

All moneys received for the conveyance of passengers, animals, vehicles or freight from New York to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if any, of each ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund.

WILLIAM KENNELLY, AUCTIONEER.

SALE OF FERRY FRANCHISE.

PURSUANT TO ADJOURNMENT.

THE FRANCHISE TO RUN THE FOLLOWING ferry and a lease of the wharf property belonging to the city, set apart for ferry purposes at said ferry, will be sold at public auction to the highest bidder, at the office of the Comptroller of the City of New York, on Thursday, October 25, 1877, at 12 o'clock noon, for the period of five years from November 1, 1877, namely:

Ferry from Ninety-second street, East river, to Astoria, Queens County, Long Island.

Bidders must bid for the franchise and lease of wharf property of said ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller. All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarter-yearly to the Comptroller.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

The minimum price for which the lease of said wharf property connected with the ferry from Ninety-second street, East river, to Astoria, Long Island, will be sold, has been fixed by the Board of the Department of Docks at the following sum, namely:

For bulkhead at foot of Ninety-second street, East river,

and for premises at foot of Fulton street, Astoria, as now occupied for ferry purposes, at \$250 per annum.

The premises connected with the said ferry, to be taken in the condition in which they were in on the 1st day of August, 1877, and all repairs and rebuilding thereof, and dredging at said ferry during the term leased, to be done at the expense and cost of the lessees.

The purchaser of the lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, of said ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund.
