It being understood that the purchasers, at the time of the auction sale, when the said bid is accepted by the City, shall execute a contract with The City of New York for the proper compliance with these terms and conditions, which contract shall provide for liquidated damages at so much per day for each and every day the removal of the buildings, etc., remains incomplete, after the expiration of sixty days from the day of sale. COMMISSIONERS OF THE SINKING FUND.

PUBLIC NOTICE IS HEREBY GIVEN that the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907, will hold a public hearing in Room 16, City Hall, Borough of Manhattan, at 11 o'clock a. m. on

MONDAY, AUGUST 5, 1907,

relative to a recommendation of the Commissioner of Docks, that the Commissioners of the Sinking Fund approve of an agreement to be entered into between the Commissioner of Docks and the owners of property between the center line of Twenty-eighth street, prolonged, the southerly line of Thirty-sixth street, prolonged, the westerly line of Second avenue and the pierhead line; also the property between the center line of Fifty-ninth street, prolonged, the westerly line of First avenue, the center line of Sixty-first street, prolonged, and the pierhead line, Borough of Brooklyn, for the purchase of same at the rate of \$1.10 per square foot.

The Appraiser of Real Estate of the Department of Finance, in his report to the Comptroller, after reciting all the facts, states that in his opinion the price asked for the property at the rate of \$1.10 per square foot was arrived at after considerable negotiation, and is not excessive, taking into consideration the price heretofore paid for the adjoining property when condemnation proceedings were resorted to. Under these conditions it would appear advantageous for the interests of the City to accept the offer. He therefore recommends that the Commissioners of the Sinking Fund approve of the proposed agreement, as recommended by the Commissioner of Docks. The map of the property, together with the communication of the Commissioner of Docks and the report of the Appraiser of Real Estate of the Department of Finance, approved by the Comptroller, are open to the inspection of any citizen at the office of the Comptroller of the City of New York, No. 280 Broadway, Borough of Manhattan, at all times during business hours.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
