STATEMENT OF BASIS AND PURPOSE

The City Planning Commission is proposing to amend its rules pursuant to its authority under Sections 192 and 1043 of the New York City Charter.

Amendments to Chapter 3 of Title 62 of the Rules of the City of New York would increase fees for the processing and review of City Environmental Quality Review (CEQR) applications and of land use applications by 8% to reflect increased labor costs. Supplemental land use application fees would be established for large projects of over 500,000 square feet of floor area. A supplemental CEQR fee would also be required for projects for which a restrictive declaration to ensure compliance with project components related to the environment and/or mitigation of significant adverse impacts will be executed. The supplemental fees would capture the costs of the additional work that is required of Department staff in connection with large projects, and projects for which a restrictive declaration to ensure compliance with project components related to the environment and mitigation measures will be executed.

In addition to the changes described above, Section 3-07 of the land use fee rule has been clarified to establish that for certain authorizations the fee for a project with non-residential uses is the same as the fee for a project with open uses. The lower fee for certain residential uses is not applicable if the project also contains a commercial or community facility use.

■ NOTICE

CORRECTION OFFICER 2009-2011 AGREEMENT

AGREEMENT made this 18th day of May, 2009, by and between the City of New York (hereinafter called the "City"), acting by the Commissioner of Labor Relations, and the Correction Officers Benevolent Association of the City of New York, Inc. (hereinafter called the "Union" or the "C.O.B.A."), for the period from November 1, 2009 to October 31, 2011.

WITNESSETH:

WHEREAS, the Correction Officers employed by the City have duly designated the Union as their exclusive bargaining representative for the purpose of collective bargaining with the City with respect to wages, hours and conditions of employment; and

WHEREAS, the Union and the City desire to cooperate in establishing conditions which will tend to secure standards

and conditions of employment consistent with the dignity of Correction Officers, and to provide methods for fair and peaceful adjustment of disputes that may arise between the Union and the City; and

WHEREAS, as a result of collective bargaining the parties have reached an agreement which they desire to reduce to writing;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The City recognizes the Union as the sole and exclusive collective bargaining representative for the unit consisting of the employees of New York City in the title of "Correction Officer."

Section 2.

Except as otherwise provided herein, for purposes of this Contract, the terms "employee," "employees," "Correction Officer" or "Correction Officers" shall be interchangeable and shall relate solely to employees in the unit described in Section 1 of this Article.

ARTICLE II - UNION SECURITY DUES CHECKOFF

Section 1.

All employees covered by this Agreement shall be free to become and remain members of the Union in good standing.

Section 2.

The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each employee in the unit in accord with the Mayor's Executive Order No. 98, dated May 15, 1969 entitled "Regulations Regulating the Checkoff of Union Dues" and in accord with the Mayor's Executive Order No. 107, dated December 29, 1986 entitled "Regulations Governing Procedures for Orderly Payroll Checkoff of Union Dues" and any executive orders which amend or supersede said Executive Orders.

Section 3.

An employee may consent in writing to the authorization of the deduction of dues from his wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form, in accord with Section 2 of this Article II, which bears the signature of the employee.

Section 4.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference.

ARTICLE III - HOURS AND OVERTIME

Section 1.

All ordered and/or authorized overtime in excess of forty (40) hours in any week or in excess of the hours required of an employee by reason of his regular duty chart if a week's measurement is not appropriate, whether of an emergency nature or of a non-emergency nature, shall be compensated for either by cash payment or compensatory time off, at the rate of time and one-half, at the sole option of the employee. Such cash payments or compensatory time off shall be computed on the basis of fifteen (15) minute segments.

Section 2.

In order to preserve the intent and spirit of this Section on overtime compensation, there shall be no rescheduling of days off and/or tours of duty. This restriction shall apply both to the retrospective crediting of time off against hours already worked and to the anticipatory re-assignment of personnel to different days off and/or tours of duty.

Section 3.

Overtime shall be computed on a monthly basis and the Department shall make every reasonable effort to pay such overtime within six (6) weeks following the submission of the monthly report.

ARTICLE IV - RECALL AFTER TOUR

Any Correction Officer who is recalled to duty after having completed the employee's regular tour of duty shall receive pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off at the sole option of the Correction Officer at the rate of time and one-half for the time actually worked. The Department will issue a directive to the heads of all commands informing them that a Correction Officer who is recalled shall be put to work.

ARTICLE V - COMPUTATION OF BENEFITS

Since the average basic forty-hour week has not been changed by this Agreement, the current standard practice for the computation of compensation for holidays, vacation days, personal leave days, annuity fund contributions and other relevant benefits, shall continue to be calculated on the basis of an eight-hour work day.

Re: COBA Agreement for the period of November 1, 2009 to October 31, 2011 - Change of Sick Leave Language

Dear Mr. Seabrook:

The sole intent of the change in the sick leave language in Article X, Section 2 of the October 1, 1991 - March 31, 1995 Agreement was to acknowledge enactment of Section 9-117.1(a) of the New York City Administrative Code which allows Correction Officers to continue to exclude line of duty sick leave payments from gross income in accordance with Internal Revenue Code Section 104 (a)(1) and Section 1.104 (b) of the Internal Revenue Service Regulations.

Please be assured that the 1987-90 Police Agreement varied in the same manner from the 1984-87 Police Agreement as did the Correction Officers Agreement, and that there was no intent to nor does it deprive any Correction Officer of any benefit nor diminish any benefit, but rather to keep and further an existing benefit.

The sick leave provisions of Article X, Section 2 (i) and (ii) of the 2007-2009 Correction Officer Agreement have no other purpose, nor shall they have any other use, but to continue the benefit therein previously contained.

Very truly yours,

/s/

Dear Mr. Seabrook:

The City and the COBA recognize that, pursuant to Administrative Code Section 12-127, the City is obligated to pay for the cost of line of duty injury prescription drugs for COBA members. The parties further recognize that a significant number of COBA members have utilized the COBA Health and Welfare Fund to pay for these prescription drugs without reimbursement by the City. The COBA agrees to waive any and all claims retroactively and prospectively against the City for the reimbursement of the cost of line of duty injury prescription drugs.

Re: COBA Agreement for the period of November 1, 2009 to October 31, 2011

Dear Mr. Seabrook:

This is to confirm the mutual understanding of the parties with respect to the above captioned Agreement.

The Department of Correction plans to expand the application of "unit management" on a phased-in basis.

The Department reserves its rights to staff its facilities in accordance with the needs of the Agency. To this end, "unit management" shall not impede the assignment of staff, at the discretion of management, between and/or among units in a facility under unit management. The terms of the "travel time" sideletter shall continue to apply in instances where a Correction Officer is assigned to a location outside his/her parent command, except for field assignments.

The Department of Correction will schedule vacations in the most efficient and cost-effective manner (i.e., "vacation smoothing"). Vacation picks shall be based on seniority by tour within the command to assure to the greatest extent practicable an even distribution by tour in each of the respective vacation picks, that is, no more than ten percent of the command by tour per pick.

In the event that unit management is not implemented, or discontinued at management's discretion after implementation, the vacation scheduling modifications shall nevertheless continue to apply. In such an instance, however, the parties agree to reopen the contract on a limited basis with respect to negotiations on an alternate disposition of the savings associated with this issue.

Nothing contained herein shall limit or diminish the Employer's or the Union's rights pursuant to §12-307(b) of the New York City Collective Bargaining Law, except as specifically provided herein. Notwithstanding this, the Union waives its right to raise any claims of any nature relating to this vacation scheduling modification including, but not limited to, a claim of practical impact relating to this scheduling modification, and the Union agrees that all matters subject to bargaining have been

disposed of in this Agreement. Notwithstanding this, a claimed violation, misinterpretation, or misapplication of the vacation scheduling modification may be the subject of a grievance.

The Employer and the Union agree to convene a labor-management meeting at the request of either party to meet and confer on issues that may arise from the implementation of unit management in the various facilities. The Office of Labor Relations will send a representative at the request of either party.

The Employer and the Union understand and agree that in the event that any aspect of this agreement is contingent on the amendment of Section 9-116 of the Administrative Code for the purpose of effectuating this agreement, then the Union shall cooperate and assist the Employer in its efforts to achieve the necessary amendment, if any, subject to approval by both the City and the union of the language and other terms of the said legislation.

If any part of this Agreement is found by a Court of competent jurisdiction to be invalid, then the terms of this Agreement in its entirety will immediately terminate and be given no further effect. In such event, the parties agree to negotiate immediately over substitute savings to be achieved.

If the above accords with your understanding, please execute the signature line provided below.

COURT NOTICE MAPS FOR PUBLIC SAFETY ANSWER CENTER 2 ("PSAC 2") AND PART OF MARCONI STREET

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application. If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, <http://nyc.gov/selltonyc>

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
