91-80 PUBLIC ACCESS AREAS

91-81 Certification to modify existing arcades in certain areas

For the purposes of this Section, 'arcade' shall refer to an #arcade# or #through-block arcade# provided in accordance to the provisions of Section 12-10 (DEFINITIONS) and 37-80 (ARCADES); an arcade provided in accordance with paragraphs (a) of Section 37-53 (Design Standards for Pedestrian Circulation Spaces); or an open space provided on a #zoning lot# between the #building street wall# and the #street line# where tables and chairs would otherwise not be allowed as permitted obstructions.

The provisions of this Section shall apply to existing #buildings# providing an arcade within the boundary designated by Map 8 in Appendix A of this Chapter.

Any underlying provisions restricting the placement of tables and chairs within such arcades may be modified where the Chairperson of the City Planning Commission certifies to the Commissioner of Buildings that such modifications are consistent with the provisions of this Section, as follows:

(a) Seating

Moveable seating in the form of public seating and open air café seating, as well as associated moveable tables, umbrellas and other furnishings, shall be permitted obstructions within an arcade, provided that such obstructions conform to the provisions listed below, as applicable. No plastic material shall be permitted in tables or chairs provided within an arcade. Where an open air café is provided, it shall be a permanently unenclosed establishment and may have waiter or table service.

(1) Amount and size of tables and chairs

A minimum of four tables and sixteen chairs shall be provided within an arcade. For the purpose of calculating the percentage of required public seating or open air café seating, every table required by a calculation shall be required to have four chairs.

(i) Public seating

Publicly accessible tables, and associated chairs, shall constitute a minimum of 40

percent of the total amount of tables provided within an arcade. Fractions resulting from such calculation shall be rounded to the nearest whole table.

All tables shall have a minimum diameter of two feet. All publicly accessible chairs shall have seat backs, and the seats shall have a minimum depth of twelve inches and a maximum depth of 20 inches.

(ii) Open air café

Open air café tables, and associated chairs, shall constitute a maximum of 60 percent of the total amount of tables provided within an arcade. Fractions resulting from such calculation shall be rounded to the nearest whole table.

(2) Location restrictions and other prohibitions

No tables or chairs shall be permitted within five feet of any #building# entrance. For arcades with a depth of ten feet or less, as measured from the column face furthest from the #street line# to the #street wall#, a clear pedestrian circulation pathway shall be provided in an amount not less than three feet. For arcades with a depth greater than ten feet, such required clear pedestrian pathway shall be increased to an amount not less than six feet. In addition, for #through-block arcades#, a continuous clear path of ten feet shall be provided, connecting each #street# on which the public access area fronts.

(i) Public seating

Where a proposed modification to an arcade is located on a #zoning lot# with frontage along Water Street, a minimum of 50 percent of the aggregate amount of tables and chairs provided pursuant to paragraph (a)(1)(i) of this Section shall be located within 25 feet of the Water Street #street line#.

(ii) Open air café

Open air cafes shall be located at the same elevation as the adjoining sidewalk area or #publicly accessible open area#, except that platforms may be provided, provided that they do not exceed a height of six inches. Fences, planters, walls, fabric dividers or other barriers that separate open air cafe areas from other portions of the arcade, or adjacent sidewalks or #publicly accessible open areas# shall be prohibited. No kitchen equipment shall be installed within an open air café.

(3) Hours of operation

(i) Public seating

Tables and chairs shall not be chained, fixed, or otherwise secured during the hours of 7:00 am to 9:00 pm. However, during the nighttime hours of 9:00 pm to 7:00 am such tables and chairs may be removed, or secured within the arcade.

Where public seating and open air cafe seating are provided within an arcade, such public seating shall be subject to the hours of operation of an open air café, as set forth in paragraph (a)(3)(ii) below.

(ii) Open air café

Open air cafes must be in operation and provide service a minimum of 225 days per year.

All furnishings of an open air cafe, including tables, chairs, bussing stations, and heating lamps, shall be completely removed from the arcade when the open air cafe is not in active use, except that tables and chairs may remain in such

arcade if they are unsecured and may be used by the public without restriction.

(4) Locating public seating within an adjacent #publicly accessible open area# Where tables and chairs are provided in an arcade located on the same #zoning lot# as an existing #publicly accessible open area# that fronts upon Water Street, the Chairperson of the City Planning Commission may certify public seating provided pursuant to paragraph (a)(2)(i) of this Section to be located within such a #publicly accessible open area#. The area within such #publicly accessible open area# occupied by public seating provided pursuant to this paragraph shall not be included in calculating the maximum #lot coverage# which permitted obstructions may occupy within such #publicly accessible open area#. Such public seating shall not constitute a design change pursuant to the provisions of Section 37-62 (Changes to Existing Publicly Accessible Open Areas) provided the Chairperson finds that:

- (i) no more than 50 percent of the aggregate amount of public seating required pursuant to paragraph (a)(2)(i) above is located within such #publicly accessible open area#;
(ii) such public seating shall in no event constitute required seating for such existing #publicly accessible open area#; and
(iii) such public seating complies with the hours of operation provisions of paragraph (a)(3) above.

Any proposed design change to an existing #publicly accessible open area# beyond the findings permitted in this Section shall be subject to the requirements of Section 37-62 (Changes to Existing Publicly Accessible Open Areas).

(b) Litter receptacles

Litter receptacles shall be permitted obstructions within an arcade pursuant to the provisions set forth in Section 37-744 (Litter receptacles).

In order to certify the proposed modification to an existing arcade is consistent with the provisions of this Section, the applicant shall submit to the Chairperson:

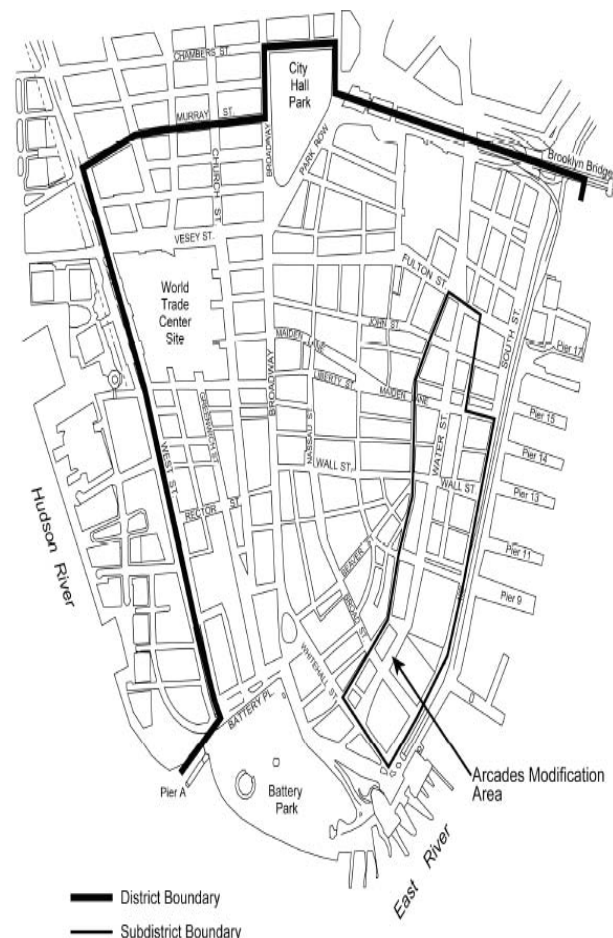

- (1) a site plan demonstrating the proposed obstructions within the existing arcade, and where applicable, the adjacent #publicly accessible open area#; and
(2) a detailed seating plan illustrating conformance with paragraph (a) of this Section.

All plans for arcades or other #publicly accessible open areas# that are the subject of a certification pursuant to this Section shall be filed and duly recorded in the Borough Office of the City Register of the City of New York, indexed against the property in the form of a legal instrument, in a form satisfactory to the Chairperson, providing notice of the certification of the arcade, pursuant to this Section. Such filing and recording of such instrument shall be a precondition to certification. The recording information shall be included on the certificate of occupancy for any #building#, or portion thereof, on the #zoning lot# issued after the recording date.

OFFICE OF THE MAYOR

MAYOR'S COMMITTEE ON CONSOLIDATION OF ADMINISTRATIVE TRIBUNALS

NOTICE

NOTICE OF PUBLIC HEARING

Notice of Public Hearing on Proposed Recommendation to the Mayor about the Consolidation of Administrative Tribunals

Under Section 1048(4)(b) of the New York City Charter, the Mayor's Committee on Consolidation of Administrative Tribunals will hold a public hearing at the Office of

Administrative Trials and Hearings, 40 Rector Street, 6th Floor, Courtroom E, New York, New York, beginning at 10:00 A.M. on Friday, April 15, 2011. The hearing will concern which tribunals, parts of tribunals, or categories of cases the Committee is planning to recommend that the Mayor consolidate with the Office of Administrative Trials and Hearings.

BACKGROUND

This notice explains the recommendations that the Mayor's Committee on Consolidation of Administrative Tribunals is planning to make to the Mayor about consolidation of some administrative tribunals and caseloads into the Office of Administrative Trials and Hearings (OATH). Administrative tribunals are special courts located inside City agencies. OATH is the City's main administrative tribunal that hears cases sent to it by other agencies.

The Committee and its mission were created by a change to the New York City Charter approved by voters in November 2010. That change gave the Mayor the power to transfer entire administrative tribunals or types of cases into OATH, after the Committee studies the tribunals and recommends which ones would be improved by being moved.

The Committee, chaired by Deputy Mayor for Legal Affairs Carol Robles-Román, is looking for comments from the public and especially from those people and groups who interact with the City's tribunals to help it make recommendations. Any written comments can be sent to the Office of the Administrative Justice Coordinator, 40 Rector Street, 14th Floor, New York, New York 10006, or emailed to JMargiotta@oath.nyc.gov. Consolidation would take place after the Mayor has reviewed the Committee's recommendations and signs an Executive Order setting forth how consolidation will work. At this time the Committee is considering consolidation of two tribunals and parts of the caseloads heard at two other tribunals, as announced in this Notice.

TRIBUNALS AND TYPES OF CASES BEING CONSIDERED BY THE COMMITTEE FOR CONSOLIDATION

THE DEPARTMENT OF HEALTH AND MENTAL HYGIENE

The Department of Health and Mental Hygiene (DOH) has one administrative tribunal at 66 John Street in Manhattan. This tribunal heard about 60,000 cases last year. Most of these were restaurant violations and violations for pests and conditions that can spread disease. Penalties for these violations range from \$200 to \$2,000.

Hearings about pests and conditions that can spread disease were recently moved to the Environmental Control Board, which holds hearings in all five boroughs and was consolidated with OATH in 2008. These new cases fit in with the other environmental cases that ECB hears.

The Committee is now considering a recommendation that restaurant violations and the rest of DOH's cases be supervised by OATH also. Most hearings would still be held at 66 John St. in Manhattan. But after consolidation these cases could also be heard in the offices OATH uses for ECB hearings in the other boroughs. OATH's supervision, resources, computer systems, and hiring and training methods would make sure restaurant and other health violations are heard more efficiently and professionally. It would also make it easier for restaurant owners and other respondents to have access to hearings because there will be hearing locations in all five boroughs. Owners would no longer need to travel to lower Manhattan, and they would not have to wait as long for a hearing when hearings are taking place in all five boroughs.

THE TAXI AND LIMOUSINE COMMISSION

The Taxi and Limousine Commission (TLC) tribunal handled about 110,000 cases last year. Penalties range from fines to suspension of a license. Cases about whether a driver's license should be revoked have already been transferred to OATH. The Committee is considering a recommendation that the TLC tribunal become a unit of OATH. OATH would supervise the TLC unit and provide managerial experience, support, training and oversight. Hearings would still be held at the tribunal's central location in Long Island City and smaller offices in downtown Manhattan, at Kennedy Airport, and at ECB's location in Staten Island. Hearings would continue to be held by part-time administrative law judges. Drivers and owners who come to the Long Island City location for hearings would continue to have close access to the licensing and other units of TLC that are also located there.

HOUSING PRESERVATION AND DEVELOPMENT

The Department of Housing Preservation and Development (HPD) held about 630 hearings last year at 100 Gold St. in Manhattan about the federal Section 8 program, the state Mitchell-Lama program, and the City's emergency housing program. HPD is also allowed by law to hold hearings in two other types of cases as explained below. The Committee is considering a recommendation that these two types of hearings be permanently transferred to OATH.

1. Certification of No Harassment Hearings

A certification of no harassment hearing is held when the owner of a single-room occupancy or other apartment building in certain areas of the city wants to renovate or demolish the building. The owner must get a "certification of no harassment" from HPD that says the owner did not harass the tenants to make them leave or give up their rights to their apartment. HPD will not give the certification if it believes there has been harassment. An owner who disagrees with HPD and wants to prove there has been no harassment has a right to a hearing. Since the late 1990s, these hearings have been held at OATH by full-time administrative law judges. The Committee recommends that this shift to OATH be made permanent by law.

2. Revocation of Tax Benefits Hearings

HPD allows the owners of some types of buildings, such as rent-stabilized buildings, to pay less in property tax. If HPD decides that a building is no longer eligible, HPD can require the owner to pay full tax. HPD's rules say that a building owner who disagrees with HPD's decision has the right to a hearing. No hearings have been held under these rules yet but HPD expects that owners will start requesting them soon. The Committee is considering a recommendation that these types of hearings be held by full-time administrative law judges at OATH.

DEPARTMENT OF CONSUMER AFFAIRS

The Department of Consumer Affairs tribunal heard about 10,000 cases last year brought by the agency's staff and by consumer complaints. The tribunal also holds hearings for the Business Integrity Commission (BIC). BIC makes the rules for and licenses companies that provide waste removal

for businesses and companies that sell goods in the City's wholesale markets. The Committee is considering a recommendation that all BIC hearings be moved into ECB. ECB already holds some hearings brought by BIC and the rest of its cases are about similar environmental issues. ECB is part of OATH, which is the City's main tribunal, and ECB already hears cases from twelve different City agencies. It is more efficient and appropriate for ECB to hear BIC cases than for them to continue to be heard at DCA.

HEALTH AND MENTAL HYGIENE

■ NOTICE

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH AND MENTAL HYGIENE

On May 9, 2011, the Department of Health and Mental Hygiene (DOHMH) will establish, utilizing a random selection process, three (3) separate waiting lists for Green Cart permits -- two-year, full-term mobile food vendor unit permits authorizing the holders thereof to sell only raw fresh fruits and vegetables within designated areas of the City -- for the Bronx, Brooklyn, and Staten Island. At this time, no lists will be created for Manhattan or Queens.

Application packages with detailed instructions for inclusion in the selection process for the Green Cart permit waiting lists may be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M.

In order to be eligible for inclusion in the selection process to establish these waiting lists,
 - the applicant must have a valid mobile food vendor license (ID badge) issued by the Department of Health and Mental Hygiene **on or before Friday, April 29, 2011**, and
 - the applicant must submit a completed waiting list application form by mail only to the address listed on the application form with a postmark dated **on or before Friday, April 29, 2011**.

All eligible waiting list applications will secure a waiting list position.

In accordance with Local Law No. 9 of 2008, preference or priority for a waiting list position will be given to those applicants who are members of a "preference category" listed in Local Law No.9. This preference or priority will be established by the giving of additional points to those applicants who are:

- already on an existing DOHMH mobile food vending permit waiting list
- United States veterans
- disabled persons

Applicants who do not belong to a preference category/priority group will secure a waiting list position after those who belong to a preference category/priority group.

For each borough list, all applications will be randomly assigned a number on each waiting list. Preference category/priority group applicants will be randomized separately and prioritized accordingly. If the applicant secures a waiting list position based upon a claim of being in one or more of the preference categories/priority groups mentioned above, the applicant will have to provide proof of such claim when the applicant is notified to apply for the Green Cart permit. If an applicant fails to do so, he or she will be disqualified from all Green Cart waiting lists.

Mobile Food Vendor License Applications: Application packages for a mobile food vendor operator's license (ID badge) may also be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M. Interested persons should allow at least twenty-five (25) business days to receive the necessary tax documentation and register for and pass the Department's "Mobile Food Vendor Food Protection Course", both of which are required prior to applying for a mobile food vending license.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>

- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
