CONSULTANT SERVICES, GREENYC CREATIVE COMMUNICATIONS - Request for Proposals - PIN#98180001 - Due 12-9-21 at 11:59 P.M.

NYCEDC and Mayor's Office of Climate and Sustainability (MOC&S), are seeking a consultant to evolve the GreeNYC brand visually and tonally while adhering to the program's mission with the goal of extending its impact and help conceive and execute a year-long integrated marketing program. The goal of the marketing program is to better engage New Yorkers in voluntarily making more sustainable choices. The work will entail evaluating past GreeNYC campaigns; reviewing updated marketing research on New Yorkers' views on sustainability and climate change; prioritizing and segmenting City

audiences for specific campaigns and messages; evaluating and identifying influential partners for greater reach and impact; and conceive and help execute creative campaign concepts that work across multiple channels. The integrated marketing strategy and program should focus on digital communications and be inclusive of out-of-home, earned media, influencer engagement, and event planning.

Since its inception in 2007, GreeNYC has used a data-driven approach to inform its outreach efforts to engage New Yorkers in voluntary behavior change to help realize policy goals or fill in gaps created by absent or recently initiated policies. In this regard, GreeNYC functions at the intersection of sustainability, local government, and resident engagement. Over the past 11 years, GreeNYC campaigns have included encouraging residents to weatherize their homes to reduce building energy consumption, stop car engine idling, and to drink tap water while encouraging New Yorkers to use reusable water bottles to reduce reliance on single-use plastics.

Throughout this decade-long work, GreeNYC has proven one thing: the everyday choices of over 8 million people can add up quickly. We are at a critical juncture in our ability to address climate change and much of the work in the United States must be and is being driven at the local level. We know we must drive this work further, faster. And we know that to succeed, we need all New Yorkers involved. The question is how to better inspire New Yorkers to take these, and other simple, voluntary steps needed to drive positive environmental change?

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Non-Construction Contracts Addendum in the RFP.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Participation Proposal with their response. To learn more about NYCEDC's M/WBE program, visit http://edc.nyc/opportunity-mwdbe. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the www.nyc.gov/buycertified.

NYCEDC established the Contract Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on public construction projects. Contract Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. Bidders/subcontractors are strongly encouraged to visit the NYCEDC website at http://edc.nyc/opportunity-mwdbe, to learn more about the program.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 5:00 P.M. EST on Friday, November 19, 2021. Questions regarding the subject matter of this RFP should be directed to GreeNYCcreative@edc.nyc. Answers to all questions will be posted by Thursday, December 2, 2021, to https://edc.nyc/rfps.
