MISUSE LIMERICKS SOLUTIONS

My boss, for her kid's baby shower,
Tells me to go pick up the flowers
That's not why I was hired!
But would a "no" get me fired?
This assignment's abuse of her power.

As an inspector I've got City muscle
Which helps when I've business to rustle
I'll show up at the yard
Handing out private cards
Boom! New gigs for my contractor side hustle.

I'm job hunting but I have no stress
My position will yield great success
Vendors I oversee
Answer calls from their vendee
Thanks, City, for my insider access!

Thanks to everyone who sent us their guesses, most of whom got all three right (that last one proved to be a bit of a stumper!). Our random number generator selected Sandra, but you're all Poet Laureates in our book.
