**STATEMENT FROM MAYOR DE BLASIO ON STATE SENATE’S FAILURE TO  
PRESERVE AND EXPAND NYC’S SPEED CAMERA PROGRAM**

“The failure to preserve and expand life-saving speed cameras near New York City schools represents a massive failure of leadership. Kids will be in danger. Kids will lose their lives. The State Assembly majority has shown the way with their expansion bill. Senate Republicans haven't done their job until they pass the bill, which has majority support. Our families now need the Governor to do all he can to aid its passage and sign it into law. The Senate must return next week to keep our children safe.”
