Dear Jennifer McDonnell:

Re: New York City Local Solid Waste Management Plan (LSWMP) Biennial Update, Reporting Period 2021-2022

New York City (City) submitted a revised Biennial Update and additional information on August 4, 2023, in response to the June 30, 2023 comments from the New York State Department of Environmental Conservation (DEC). The DEC has reviewed the supplementary information and revised Biennial Update and has determined that they adequately address all the LSWMP Biennial Update elements as required by 6 NYCRR Part 366-5.1. The Biennial Update is hereby approved.

DEC thanks you for your continued efforts to implement the City's solid waste management program. The next Biennial Update will be due on October 1, 2025. If you have any questions concerning this letter, please contact Paola Munar Moreno at (518) 402-8715 or by e-mail at planning@dec.ny.gov.
