As required by Local Law 12 of 2002, please find below the monthly report on Animal Care Centers of NYC (ACC) activities. This report provides the number of healthy animals that were humanely euthanized at each full-service shelter during the previous month. This report is compiled by the Health Department from reports provided by ACC.

No. of Healthy* Animals Euthanized at each Full-Service Shelter 2023

Total # of Animals	0	0	0	0

*Healthy animals are those who do not require medical, behavioral, or foster care to make them ready for adoption. This includes all dogs and cats who are eight weeks of age or older and do not have any sign of disease, injury, or behavior that could pose a health or safety risk or otherwise make the animal unsuitable for placement as a pet.

If you have any questions, please contact Maura Kennelly, Deputy Commissioner of the Office of External Affairs, at (347) 396-4279.

Sincerely,

Maura Kennelly
Deputy Commissioner for External Affairs
