## JURORS.

NOTICE  
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY  
NEW YORK, June 1, 1887.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY.

Commissioner of Jurors.

The BOARD OF PUBLIC CHARITIES AND CORRECTION  
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES  
WHICH IT DEEMED TO BE FOR THE PUBLIC INTEREST,  
AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF  
1882.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as surety  
or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to  
time, and in such quantities as may be directed by the  
said Commissioners.

Any bidder for this contract must be known to be en-  
gaged in a well prepared for the business, and must  
have satisfactory testimonials to that effect; and the per-  
son or persons to whom the contract may be awarded  
will be required to give security for the performance of  
the contract, in the penal amount of fifty (50) per cent. of the  
ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; also that it is made with-  
out any connection with any other person making an estimate  
for the same purpose, and is in all respects fair and with-  
out collusion or fraud; and that no member of the Com-  
mon Council, Head of a Department, Chief of a Bureau,  
Deputy thereof or Clerk therein, or other officer of the  
Corporation is directly or indirectly interested therein,  
or in the supplies or work to which it relates, or in any  
portion of the profits thereof. The bid or estimate must  
be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse  
to execute the same, they shall pay to the Corporation  
the amount of the security required for the completion of  
the contract, over and above all his debts of every nature,  
and over and above his liabilities as bail, surety or other-  
wise; and that he has offered himself as a surety in good  
faith and with the intention to execute the bond required  
by section 12 of the Revised Ordinances of the City of New  
York, 1880, if the contract shall be awarded to the per-  
son or persons for whom he consents to become surety.

The adequacy and sufficiency of this security shall, in addi-  
tion to the amount of the deposit made by him, be approved  
by the Comptroller of the City of New York.

No bid or estimate will be received or considered  
unless accompanied by either a certified check upon  
one of the State or National Banks of the City of New  
York, drawn to the order of the Comptroller, or  
money to the amount of FIVE PER CENTUM OF THE  
AMOUNT OF SECURITY REQUIRED FOR THE FAITH-  
FUL PERFORMANCE OF THE CONTRACT. Such check  
or money must not be enclosed in the sealed envelope  
containing the estimate, but must be handed to the officer  
or clerk of the Department who has charge of the Esti-

mate-box; and no estimate can be deposited in said box  
until such check or money has been examined by said  
officer or clerk and found to be correct. All such deposits,  
except that of the successful bidder, will be returned  
to the persons making the same, within three days after  
the contract is awarded. If the successful bidder shall  
refuse or neglect, within five days after notice that the  
contract has been awarded to him, to execute the same,  
the amount of the deposit made by him shall be forfeited  
and retained by the City of New York, as liquidated  
damages for such neglect or refusal; but if he shall exe-  
cute the contract within the time aforesaid, the amount  
of his deposit will be returned to him.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept the contract within  
five days after written notice that the same has been  
awarded to his or their bid or proposal, or if he or they  
accept but do not execute the contract and provide such  
proper security, as has been heretofore stated to be  
required, he or they shall be considered as having  
abandoned it and as in default to the Corporation, and  
the contract will be re-advertised and let as provided  
by law.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,  
in accordance with the terms of the contract, or  
from time to time, as the Commissioners may determine.

BIDDERS ARE INFORMED THAT NO DEVIATION FROM  
THE SPECIFICATIONS WILL BE ALLOWED, UNLESS UNDER  
THE WRITTEN INSTRUCTIONS OF THE COMMISSIONERS OF  
PUBLIC CHARITIES AND CORRECTION.

The form of the agreement, including specifications,  
and showing the manner of payment, can be obtained at  
the office of the Department, where the plans will be on  
exhibition for the information of bidders.

The BOARD OF PUBLIC CHARITIES AND CORRECTION  
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES  
WHICH IT DEEMED TO BE FOR THE PUBLIC INTEREST,  
AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF  
1882.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as surety  
or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to  
time, and in such quantities as may be directed by the  
said Commissioners.

Any bidder for this contract must be known to be en-  
gaged in a well prepared for the business, and must  
have satisfactory testimonials to that effect; and the per-  
son or persons to whom the contract may be awarded  
will be required to give security for the performance of  
the contract, in the penal amount of fifty (50) per cent. of the  
ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; also that it is made with-  
out any connection with any other person making an estimate  
for the same purpose, and is in all respects fair and with-  
out collusion or fraud; and that no member of the Com-  
mon Council, Head of a Department, Chief of a Bureau,  
Deputy thereof or Clerk therein, or other officer of the  
Corporation is directly or indirectly interested therein,  
or in the supplies or work to which it relates, or in any  
portion of the profits thereof. The bid or estimate must  
be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse  
to execute the same, they shall pay to the Corporation  
the amount of the security required for the completion of  
the contract, over and above all his debts of every nature,  
and over and above his liabilities as bail, surety or other-  
wise; and that he has offered himself as a surety in good  
faith and with the intention to execute the bond required  
by section 12 of the Revised Ordinances of the City of New  
York, 1880, if the contract shall be awarded to the per-  
son or persons for whom he consents to become surety.

The adequacy and sufficiency of this security shall, in addi-  
tion to the amount of the deposit made by him, be approved  
by the Comptroller of the City of New York.

No bid or estimate will be received or considered  
unless accompanied by either a certified check upon  
one of the State or National Banks of the City of New  
York, drawn to the order of the Comptroller, or  
money to the amount of FIVE PER CENTUM OF THE  
AMOUNT OF SECURITY REQUIRED FOR THE FAITH-  
FUL PERFORMANCE OF THE CONTRACT. Such check  
or money must not be enclosed in the sealed envelope  
containing the estimate, but must be handed to the officer  
or clerk of the Department who has charge of the Esti-

mate-box; and no estimate can be deposited in said box  
until such check or money has been examined by said  
officer or clerk and found to be correct. All such deposits,  
except that of the successful bidder, will be returned  
to the persons making the same, within three days after  
the contract is awarded. If the successful bidder shall  
refuse or neglect, within five days after notice that the  
contract has been awarded to him, to execute the same,  
the amount of the deposit made by him shall be forfeited  
and retained by the City of New York, as liquidated  
damages for such neglect or refusal; but if he shall exe-  
cute the contract within the time aforesaid, the amount  
of his deposit will be returned to him.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept the contract within  
five days after written notice that the same has been  
awarded to his or their bid or proposal, or if he or they  
accept but do not execute the contract and provide such  
proper security, as has been heretofore stated to be  
required, he or they shall be considered as having  
abandoned it and as in default to the Corporation, and  
the contract will be re-advertised and let as provided  
by law.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,

### PROPOSALS FOR ESTIMATES FOR DREDGING AT PIER, NEW 43, AND AT PIER FOOT OF WEST FIFTY-FIFTH STREET, ON THE NORTH RIVER.

ESTIMATES FOR DREDGING AT PIER, NEW 43, AND AT PIER FOOT OF WEST FIFTY-FIFTH STREET, ON THE NORTH RIVER, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 12 o'clock, M.

THURSDAY, MAY 31, 1888,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of One Hundred and Fifty Dollars.

The Engineer's estimate of the quantities of material necessary to be dredged in order to secure at each of the premises mentioned the depth of water set opposite thereto in the specifications, is as follows:

Pier New 43, North river (south side) 7,000 cubic yards.  
Pier at foot of West Fifty-fifth street,  
North river.....15,000 "

Total.....22,000 "

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the

contract. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor per cubic yard, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the 30th day of July, 1888, and the damages to be paid by the Contractor for each day that the contract may be unfulfilled, after the time fixed for the fulfillment has expired, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

All the material excavated is to be removed by the Contractor, and deposited in all respects, according to law.

Bidders will state in their estimates the price per cubic yard, for doing such dredging in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud, and that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Controller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required, in making their bids or estimates, to use the black ink, and for that purpose by the Department, a copy of which, together with the form of agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor by the Department.
