MOTIONS AND RESOLUTIONS.

Alderman Quinn presented the following, prefacing their introduction by a brief eulogy of the life and public services of Governor Horatio Seymour:

Whereas, Horatio Seymour, formerly Governor of the State of New York, died at Utica on Friday, the 12th instant, in the seventy-fifth year of his age; and

Whereas, The death of our illustrious fellow-citizen imposes upon this Common Council the duty of testifying to the high estimation in which he was held by the people of the city; be it therefore

Resolved, That the death of Horatio Seymour is deplored by this Common Council. The public has already manifested a just sense of the magnitude of the loss it has sustained. He possessed the power and the wisdom that coupled science with the daily avocations of men; the philosophy that encompassed mankind; the religion that excluded none from its peaceful fold. He was tireless in the pursuit of truth; humble in the practice of every virtue, and stern and unyielding in the dispensation of their inexorable laws, sensitive and tender as a child, yet his simplicity of manner and purity of heart made him the censor of every human vice. He was a mentor to the novice in public life; a guide to the most experienced in the affairs of state, a counsellor to the most wise; a shining example to the most upright and conscientious. A philosopher, a statesman, a sage, the characteristics of them all were so blended in him that he was the most versatile and brilliant public man of the age in which he lived. His death is an irreparable loss to his country, and particularly so to the great Democratic party, that in the gravest emergencies was guided and controlled by his counsel and advice, and of which he was an acknowledged leader.

Resolved, That in the general gloom and poignant grief for the death of Horatio Seymour, his surviving family should not be overlooked, and we hereby tender to them in their sore bereavement our most sincere commiseration.

Resolved, That the foregoing preamble and resolutions be entered at length in the minutes, and that a copy thereof be suitably engrossed, be verified by the corporate seal of the city, attested by the Clerk of the Common Council, and transmitted to the family of the illustrious deceased, as a slight testimony of the love and affection of the people and government of this city for his memory.

Resolved, That, as an additional mark of our respect for the memory of Horatio Seymour, this Board do now adjourn.

In seconding the adoption of the resolutions, Aldermen Van Rensselaer and Morgan testified to the private worth and civic virtues of the deceased statesman.

And the President (the Vice-President being in the chair) paid a glowing tribute to the exalted character, great attainments, purity of life and party fidelity of the great leader of the Democratic party in this State.

The President having resumed the chair put the question whether the Board would agree with said preamble and all but the last of the resolutions.

Which was decided in the affirmative unanimously, by a rising vote.

The President then put the question whether the Board would agree with the last resolution.

Which was decided in the affirmative.

And the President announced that the Board stood adjourned until Tuesday, the 23d instant, at one o'clock P. M.

FRANCIS J. TWOMEY, Clerk.

FINANCE DEPARTMENT.

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
February 9, 1886.

To the Senate of the State of New York:

I have the honor to submit to your Honorable Body a statement of payments and obligations of horse railroad companies in the City of New York, in compliance with the following preamble and resolutions passed in Senate, January 20, 1886:

STATE OF NEW YORK—IN SENATE,
ALBANY, January 20, 1886.

"Whereas, Various acts have been passed during the last twenty years by the Legislature of this State, conferring valuable franchises and privileges upon certain corporations organized to operate surface railways, or railroads, by horse-power and otherwise, in the City of New York; and

"Whereas, Said corporations have agreed to pay, or the duty has been imposed upon them by law, of paying a consideration therefor, by way of percentage upon receipts, fees for licenses and of surrender of all profits exceeding ten per cent. upon the investment of capital therein; and

"Whereas, It has frequently been charged in the press and elsewhere, notably in the New York 'World' of January 8, 1886, that said corporations are in arrears upon their financial and other obligations to said City of New York, and that there is due, owing and unpaid to the said City of New York, from the said corporations, over and above all moneys paid by them for the last ten

"years, a sum exceeding thirty millions of dollars, and that vast sums of money have been expended and used by them in fraud of the rights of the people and taxpayers of said city in obtaining from the Board of Aldermen thereof further valuable concessions, grants, privileges and franchises;

"Now, therefore, to the end that the extent of the dereliction of said corporations may be ascertained and officially stated, and such remedial legislation as shall be proper may be had to enforce in favor of said City of New York, the performance by said corporations of their legal obligations and to prevent the granting of valuable franchises and privileges to such corporations already in default thereupon; be it

"Resolved, That the Comptroller of the City and County of New York, be and he is hereby requested to furnish to this Senate within twenty days from the adoption hereof, a statement showing in detail for each and every year from the year 1875 to the year 1885, both inclusive, the names of each and every corporation operating a horse railroad in said city, the amount of money due from such corporation to the City of New York by reason of any obligation whatsoever; the amount of money actually paid on account thereof, and the amount still owing and unpaid; also, be it further

"Resolved, That the Corporation Counsel of said City, within the same time, furnish to this Senate a statement in detail covering the same period, showing the names of each and every corporation operating a horse railroad in said city against which action has been brought to recover in behalf of said city any money due or claimed to be due by reason of any obligation whatsoever, the time of commencement of such action, the present condition of the same, if not prosecuted to judgment; if such action have reached judgment, the amount of such judgment, and whether paid or not; if compromised, how much was paid in settlement; if not paid or settled the reason why payment thereof has not been enforced.

"By order of the Senate,
"JOHN W. VROOMAN, Clerk."

The resolution calls for information in regard to the amount of money actually paid by horse railroads, and the amount still owing and unpaid, for the period from 1875 to 1885, both years inclusive, but in order to render the statement of their payments and obligations complete it is necessary to refer to payments made prior to 1875, and to the amounts recovered through litigation for claims of an earlier date, which are also included.

The statement presented by the Counsel to the Corporation in response to the Senate resolution asking him for information in regard to litigations from 1875 to 1885, is referred to for a historical record of the ordinances of the Common Council and acts of the Legislature granting franchises or rights to operate horse railroads in the City of New York, fixing obligations to pay license fees and percentages upon their receipts, together with details of litigations for the recovery of unpaid dues to the City under their respective franchises.

A statement is here presented of the actions against horse railroads, showing those which have been settled, and the amounts paid, and those still pending, and the amounts claimed to be still owing and unpaid.

ACTIONS AGAINST RAILROAD COMPANIES.

Actions have been brought against a number of railroads for the recovery of license fees on cars claimed to be due the City of New York, under an ordinance of the Common Council passed December 31, 1858, and percentages upon receipts, and also against the Hudson River Railroad Company for license fees on dummy engines. A number of these actions are still pending. Judgments have been obtained and paid in some cases, and in others settlements have been made and the actions discontinued, upon evidence being furnished of the equitable amount due to the City.

The Common Council of the City of New York adopted resolutions granting a franchise to the Broadway Surface Railroad Company, which were adopted November 13, 1884.

Received from his Honor the Mayor, with his objections thereto in writing, November 24, 1884. Adopted by the Common Council, notwithstanding the objections of his Honor the Mayor, December 5, 1884.

On the 5th day of January, 1885, the resolutions of the Common Council were ratified and agreed to by J. A. Richmond, President of the Broadway Surface Railroad Company.

Filed in the Comptroller's office, City of New York.

The terms and rate of compensation fixed by the second resolution and agreement are as follows :
CLAUSE 4.

"The said The Broadway Surface Railroad Company shall, for and during the first five years after the commencement of the operation of any portion of its railroad constructed, pursuant to this consent and permission, annually on the first day of November in each year, pay into the Treasury of the City of New York, to the credit of the Sinking Fund thereof, three per cent. of its gross receipts for and during the year ending the next preceding thirtieth day of September, and also after the expiration of said five years, make a like annual payment of five per cent. of its gross receipts into the Treasury of said City, to the credit of the Sinking Fund thereof, instead of three per cent.; and if under any provision of law The Broadway Surface Railroad Company shall permit the cars of any other street surface railroad company to run upon the railroad tracks to be constructed pursuant to this consent and permission, it shall likewise be the duty of said The Broadway Surface Railroad Company to pay or cause to be paid into the Treasury of this City, to the credit of the Sinking Fund thereof, during the first five years an amount equal to three per cent., and after the expiration of five years an amount equal to five per cent. of the gross receipts of such other railroad company derived from passengers riding in any of its cars on any portion of Broadway south of Fifteenth street; and that, too, whether any of such passengers enter or leave the said cars above or below Fifteenth street. And it shall be the duty of the President and Treasurer of said The Broadway Surface Railroad Company, on or before the first day of November in each year, to make a verified report to the Comptroller of the City of New York of the gross amount of its receipts derived from passengers riding in its cars for the year ending in the next preceding 30th day of September, and the books of said company shall be open to inspection and examination by said Comptroller or his duly appointed agent, at all reasonable times, for the purpose of ascertaining the correctness of said report as to said gross receipts; and it shall be the further duty of The Broadway Surface Railroad Company to ascertain and keep, or cause to be kept, an account of the number of passengers carried in the cars of any other railroad company over any portion of the tracks of The Broadway Surface Railroad Company, constructed and laid pursuant to the provisions of this consent, in such manner as shall be approved by the Comptroller of the City of New York. And it is the intention of this provision that, for the purpose of computing the percentages to be paid into the City Treasury, pursuant to the terms and conditions of the consent or permission of the Common Council hereby given, each and every passenger riding in either direction on any part of Broadway south of Fifteenth street, upon or over any portion of the railroad tracks which shall be constructed by The Broadway Surface Railroad Company pursuant to this consent, shall be regarded as having paid five cents fare to the company in whose car he shall ride, and for the payment of the percentages on all fares received from such passengers by any railroad company using such tracks The Broadway Surface Railroad Company shall be responsible."

CLAUSE 5.

"And this consent of the Common Council is likewise given upon the express condition that said The Broadway Surface Railroad Company, in addition to the percentages of gross receipts herebefore required to be paid by it into the City Treasury, shall at the expiration of the first year from the date when the operation of its railroad shall commence and annually thereafter pay into the City Treasury to the credit of the Sinking Fund thereof, by way of rent or as additional compensation, the sum of forty thousand dollars per annum, being equivalent to the interest on one million dollars at four per cent., and said The Broadway Surface Railroad Company shall execute to the Mayor, Aldermen and Commonalty of the City of New York a bond, with at least two sufficient sureties, to be approved as to form and sufficiency of the sureties by any justice of the Supreme Court in the First Judicial District and Department, in the penal sum of one hundred thousand dollars for the due and regular payment of said annual sum of forty thousand dollars and for the due and regular payment of the aforesaid percentages on gross receipts."

Whereas, Major-General Winfield Scott Hancock died at his residence on Governor's Island, in New York Harbor, on Monday, the 8th inst., in the sixty-second year of his age, and the sad event imposes upon this Common Council, for themselves and as the representatives of the People of this metropolis, the duty of taking such proceedings as will best tend to manifest sorrow for the death, and respect for the memory, of the deceased soldier ; and

Whereas, In the death of Major-General Hancock, the republic loses another illustrious son—one that has shed lustre upon our Republican institutions, and left an indelible impress of greatness upon the epoch in which he lived, second only to that of the other illustrious soldier who preceded him in death only a few months, General U. S. Grant ; and

Whereas, To enumerate here the services of the deceased soldier to his country ; to portray his character ; to recount his noble deeds, his great sacrifices ; his fidelity to duty, his love of country, and devotion to its welfare, would be entirely superfluous, as his name and fame are cherished in every household in the land, and extends to every country and clime. As a soldier, he was simply "Hancock the Superb." Dignity and simplicity were inseparably blended in his nature, and his commanding yet benign presence attracted and attached to him all who came within the influence of his personality. He was the Bayard of the American army—a chevalier without fear and without reproach ; and

Whereas, One characteristic and eventful act of his brilliant career has, probably more than any other, endeared him to every lover of free government, and has placed his name, in the temple of Fame, next to that of the immortal Washington : Clothed with despotic and unrestricted power as Military Commander of the Department of the South, after the close of the civil war, he controlled the destinies of the people in that department, for good or evil, and had the power to still further crush them under the iron heel of a military despotism, or restore to them the blessings of self-government, at his own will and pleasure. His famous proclamation advising them to reorganize their civil governments, State and local, his promise to aid them in so doing to the full extent of his power and authority, and his immortal declaration that, "In times of peace, the military was subordinate to the civil power," stamped him at once, as the greatest of American military commanders, and secured for him the love and reverence of every true believer in the right of the People to govern themselves ; and

Whereas, In the general grief for the death of such a man, it is the sad duty of the People and Government of this city to participate, and this Common Council should adopt such measures as will tend to show the estimation in which he was held, to manifest sorrow for the irreparable loss inflicted upon our country, to give expression to our attachment to his memory, and to sympathize and condole with his bereaved family and sorrowing friends ; be it therefore

Resolved, That out of sorrow for the death, and respect for the memory of Major-General W. S. Hancock, it is hereby recommended that our citizens close their respective places of business and refrain from any secular employment on Saturday (to-morrow), the 13th instant, that being the day set apart for the funeral ceremonies ; that the public offices of the corporation be closed on that day, except those specially required by law to be kept open ; that the flags be displayed at half-staff on all the public buildings in this city ; that the owners of private buildings, and the owners or masters of vessels in our harbor, be requested to display their flags at half-mast on said day, and that a special committee of five members of the Common Council be appointed, with instructions to invite the co-operation of his Honor the Mayor, and the heads of the several executive departments, to represent the City Government at the funeral of the deceased ; and be it further

Resolved, That a copy of the foregoing preamble and resolution be suitably engrossed, duly authenticated by the corporate seal of the city, attested by the Clerk of the Common Council, and transmitted to the family of General Hancock, as an additional evidence of respect for the memory and sorrow for the death of the illustrious soldier.

Adopted by the Board of Aldermen, unanimously, by a rising vote, February 12, 1886, and Aldermen Ryan, Morgan, Mooney, Quinn, and Corcoran appointed the Special Committee, to which the President was added.

Approved by the Mayor, February 12, 1886.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
 ROOM 127, STEWART BUILDING,
 CHAMBERS STREET AND BROADWAY,
 NEW YORK, JUNE 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 p. m., from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer assistants, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
 Commissioner of Jurors

FIRE DEPARTMENT.

HEADQUARTERS
 FIRE DEPARTMENT, CITY OF NEW YORK,
 155 AND 157 MERCER STREET,
 NEW YORK, FEBRUARY 15, 1886.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING A Third Size Silsby Steam Fire-engine will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 11 o'clock A. M., Wednesday, March 3, 1886, at which time and place they will be publicly opened by the head of said Department and read.

No estimate will be received or considered after the hour named.

For information as to the style and construction of the engine and time of delivery, bidders are referred to the specifications which form part of these proposals.

The engine to be delivered to the Fire Department in complete working order, with a guarantee that the material and workmanship are of the best character, and to replace, at the expense of the contractor, such parts, as may, as may fail, if such failure is properly attributable to defective material or inferior workmanship. Said engine shall have a full and complete trial of its working powers at New York, under the superintendence of a competent engineer.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date, its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or her therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Corporation, Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested,

it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, within their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded become bound as sureties for its faithful performance, in the sum of two thousand and two hundred dollars (\$2,200); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts, and every manner, and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check on one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred and ten dollars (\$100). Such check or money must be enclosed in a sealed envelope, containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within the time specified, to execute the contract, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

Persons will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement with specifications and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO ACCEPT ANY AND ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

THE CHIEF ENGINEER OF THE CROTON

Aqueduct reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, equal to 98,000,000 gallons, showing that this amount of water was used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this enormous waste, which is caused by consumers keeping their taps open day and night to prevent freezing in the service pipes, and it can only make this most urgent appeal to them to stop it, and notify them that unless it is stopped the pressures in the water-mains will be so much reduced that in a few days the water will not rise to the basements and cellars in thousands of buildings.

Respectfully,
ROLLIN M. SQUIRE,
 Commissioner of Public Works.

—will be received at the Department of Public Charities and Correction, in the City of New York, until 3 o'clock A. M. of Friday, February 20, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, addressed to "Bid or Estimate," as the case may be, to the Department of Public Charities and Correction, with his or her name and names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, and which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO ACCEPT OF THE BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 470, LAWS OF 1882. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, in the penal amount of fifty per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or her therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is interested in the contract, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in fact true, and that no person other than the person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consideration, in writing, of the bonds of the individuals in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on his being so awarded, become bound as his or her sureties for the faithful performance of the contract, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above, and the consideration, shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts, every manner of claim, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 2 of the Revised Laws of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered, unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the contract, and given in faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimates, and no estimate can be considered until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit shall be forfeited to the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for the quality of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
