JURORS.

NOTICE
IN RELATION TO JURORS FOR
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
 NEW COUNTY COURT-HOUSE,
 NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,
 County Court-house (Chambers street entrance).

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,
 No. 66 THIRD AVENUE.

TO CONTRACTORS.

SEALED BIDS OR ESTIMATES FOR FURNISHING the fresh meat which will be required during the year 1880 for the various institutions under the charge of the Department of Public Charities and Correction, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M., of the 27th day of December, 1879. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for furnishing Fresh Meat," and with his or their name or names, and the date of its presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be from time to time directed by the said Department. The quantities and qualities of the meat that will be required are as follows:

Chucks of Beef and Shoulder Clods, about 2,000,000 pounds.

Extra Diet Beef, about 60,000 pounds.

The above to be from cattle weighing not less than 600 pounds dressed.

Mutton, in pieces of forequarters, breast and shoulders, without ribs, about 300,000 pounds.

Roasting pieces of Beef, about 55,000 pounds.

Beefsteaks, Sirloin, about 65,000 pounds.

Corned Beef, rumps, and plates or navels, about 25,000 pounds.

The above to be from cattle weighing not less than 650 pounds dressed.

Mutton, hind quarters, about 50,000 pounds.

Pork, loins, about 10,000 pounds.

Veal, cutlets and loins, about 25,000 pounds.

No ram mutton, nor bruised beef, bull beef, or cow beef will be received.

Reference is made to the approved form of contract and the specifications forming a part thereof on file in the office of the Department for fuller and more particular information as to the kinds and sizes of the pieces of meat to be furnished.

All the above quantities are estimated and approximate only, and bidders are notified that if the Department shall require more than those quantities, or any of them, the contractor must furnish all that is required, and will be paid therefor only at the rates or prices named in the contract; and that in case the above-named quantities or any of them shall not be required by the Department, no allowance will be made for any real or supposed damage or loss of profit.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of twenty-five thousand dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars before making their estimates.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued monthly.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, will be furnished at the office of the Department.

Dated New York, December 13, 1879.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Poultry," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department, but the entire quantity will be required to be delivered on the 24th of December, before 6 o'clock A. M., after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS,
Nos. 117 and 119 DUANE STREET,
NEW YORK, December 3, 1879.

TO CONTRACTORS.

PROPOSALS FOR DREDGING THE SLIP BETWEEN PIERS AT WEST TWENTY-THIRD STREET AND WEST TWENTY-FOURTH STREET, N. R.

SEALED PROPOSALS FOR DREDGING THE slip between piers at West Twenty-third street and West Twenty-fourth street, N. R., indorsed as above, and with the name or names of the person or persons presenting the same, and the date of presentation, and addressed to "The President of the Department of Docks," will be received at this office until 12 o'clock M., of

TUESDAY, DECEMBER 16, 1879, at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be well prepared for the business, and the bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of fifteen hundred dollars.

The Engineer's estimate of the quantity of material necessary to be dredged in order to secure the depth of fifteen feet of water, at mean low tide, is 10,000 cubic yards. But this estimate is approximate only, and forms no part of the contract, and persons bidding are cautioned that neither the Department of Docks nor the City of New York is to be held responsible that it shall strictly obtain in the work, and bidders are required to examine the premises, and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for doing the work is thirty days from the date of signing the contract; and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for fulfillment has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day. But the Board of Docks may extend the time for the completion of the work, if, in its judgment, the work has been delayed by ice in the river or harbor, or by very severe weather.

All the material excavated is to be removed by the contractor, and deposited in all respects according to law.

Bidders will state in their proposals the price per cubic yard for doing such dredging in conformity with the annexed specifications, by which the bids will be tested. The price is to cover all expenses of every kind involved in or incidental to the completion of the contract, including any claim that might arise through delay from any cause in the performing of the work thereunder.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures. Should the lowest bidder neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his bid or proposal, or if, after acceptance, he should refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the contract is ready for execution, he will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state that fact; also that the bid is made without any connection with any other person making any estimate for the same purpose, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, nor of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.*

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, *with their respective places of business or residence*, to the effect that if the contract be awarded to the person making the bid, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if said person shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 174, Laws of 1871, and by section 27 of chapter VIII of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the sureties offered are to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

Commissioners of the Department of Docks.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, November 12, 1879.

The Honorable the Board of Aldermen :

GENTLEMEN—Your committee, consisting of Aldermen Sauer and Hyatt, have submitted to me a resolution of your Board in the following words :

"Resolved, That a committee of three wait upon the Corporation Counsel and get him to get Judge Davis' decision in the case of Washington E. Hall, with his opinion attached."

In reply, I beg leave to transmit a copy, taken from the "Daily Register" of this date, of the charge of Mr. Justice Davis to the jury upon the trial of Washington E. Hall, an inspector of election, who was yesterday convicted of a violation of the Election Law of 1872.

You will perceive that the conviction was not merely for an omission of the inspectors to annex to their certificate a ballot of the kind cast at the election, with a written indorsement, as required by section 54 of the Election Law of 1872. It also appeared to the satisfaction of the jury that there was on the part of the inspector a willful intent to violate the law.

I further understand, from the verbal statements of your committee, that certain returns are objected to, on the ground that they do not comply with the requirements of section 54 of the Election Law of 1872, in so far as copies of ballots annexed thereto do not bear the written indorsements required with reference thereto.

Upon this understood state of facts, I consider it the duty of your Board, acting as canvassers, to return the papers to the inspectors, that the ballots included in their return may be properly affixed and indorsed, and duly verified by them in the manner required by law.

The inspectors would have no right to annex new ballots not now in their returns, but only to properly affix and certify the same.

If there is any case in which the ballots are not included in the return, I will advise you further with reference thereto.

In the limited period allowed for reply to the questions of your committee, I am unable to give you an opinion as full as I should desire.

Respectfully yours,

WM. C. WHITNEY, Counsel to the Corporation.

PROCEEDINGS IN THE COURTS.

An Inspector of Election Convicted.

The trial of Washington E. Hall, who was indicted together with Thomas Boland, Michael Murphy and Cornelius Murphy, Inspectors of Election of the Sixth Senatorial District, Eleventh Election District, Eighth Assembly District, for not making their returns to the Board of Canvassers as required by law, took place yesterday in the Court of Jyer and Terminer, before Judge Davis. It was claimed for the prosecution that the inspectors not only did not return the ballots in the manner prescribed by the statute, but that corrections had been made in the numbers, and had been so altered that a majority of 140 votes was shown in favor of Alderman George Hall, who was declared elected at the election of November, 1878, as against Jacob Hatzel.

Judge Davis charged that if the returns had been properly made, the votes to which the respective candidates were entitled could have been easily determined ; but as upon the face of the returns they appeared to have been changed, it was for them to say whether they were willfully changed. "The returns," said Judge Davis, "do not explain whether it was neglect, omission, or whether it was willfully done. If, in the absence of explanation, you come to the conclusion there was fraud about it, and that the reason was because there was desire to commit some fraud, that the ballots were not put in as the statute requires, and the entry made partly written on the ballots, then you will have to find a willful intent to do a wrongful act which the statute requires you to find. I do not mean to indicate any opinion on my part as to whether you ought or ought not to find that, in the absence of all explanation, from this evidence now before you. It is for you to determine, and I will only add, in addition to what I have said, that in this class of cases, while the jury should require that the facts should be shown satisfactorily beyond reasonable doubt, yet, inasmuch as the public have no protection against this class of fraud and crime except by the enforcement of this law, the jury should never shrink from the duty of enforcing it where they are satisfied that a fraud has been perpetrated, totally irrespective of party considerations, because you, as intelligent men, must know, under our system of government, there is no foundation for the maintenance of our institutions, except in the enforcement of these laws to preserve the purity of elections. Our theory is that the people appear at the polls and determine by their votes who shall be their officers, and if the persons who are to canvass the votes and declare how many are cast for the respective candidates are to tamper with or pervert or change the votes, the whole system it at an end, and it won't stand up under such a course of conduct on the part of public officers, nor will it be tolerated by Courts and juries. So that if you come to the conclusion in this case, from the evidence before you, that the act was done as charged in the indictment, and that the intent was fraudulent—if it was done designedly, and with an intent to defraud any candidate by making a change of the votes, or withholding the evidence of the change—I say, if you come to that conclusion, then I trust that you will not shrink from doing your duty by convicting the accused. But if you fail to come to that conclusion it will then be equally your duty to acquit him."

The jury, after being out about three hours, gave a verdict of conviction, with a recommendation to mercy.

After reading the report, Supervisor Sauer moved the Committee be discharged.

Which was carried.

Supervisor Morris offered the following resolution :

Resolved, That in all cases where the returns before this Board show that votes were given for persons named for designated offices, that such votes be tabulated for the persons and offices designated, but that in all cases where the proper ballots are not annexed or not properly indorsed, the tabulation be provisional, and that the Inspectors in the several elections districts be sent for to correct, if possible, any omission on their part, and that the question of the right to allow such corrections, and of the right to canvass the votes stated in such returns, be reserved until the close of the canvass, and that in the meantime a committee of three be appointed by the Chair to procure legal advice.

Supervisor Morris withdrawing his resolution,

Supervisor Roberts offered the following :

Resolved, That a committee of three be appointed by the Chair to obtain legal advice.

Which was carried.

Supervisor Roberts, on behalf of the Committee appointed to obtain legal advice, presented the following opinion of the Corporation Counsel:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, November 13, 1879.

To the Honorable the Board of Aldermen, sitting as a Board of County Canvassers:

GENTLEMEN—I yesterday advised your Board as to the first step required by the law to be taken by you for the correction of irregularities appearing upon the face of the returns that were of such a nature that they were capable of correction by the Inspectors without changing or altering any decision made by them. This, as I then stated, applies to the case of ballots appearing in the returns improperly placed, and without the certification required by law.

I have, since rendering said opinion, been called upon by your Committee and requested to advise the Board what irregularities remaining upon the face of the returns, after the Inspectors have exhausted their authority in correcting them, would justify the Board in excluding a return from the canvass. The general principle of law applicable is this, that while the Election Law surrounds the exercise of the elective franchise with a great many safeguards, and requires a great many formalities in the execution of their duties by election officers, the law does not favor the disfranchising of the voting public on account of irregularities committed by election officers, unless such irregularities are matters of substance.

The substance of a return is a statement of the result of the voting, and if the Inspectors of Election have duly signed and certified a statement, in accordance with the law, of what the result of the voting in the precinct was, so that no doubt is raised in the mind of the Board as to what the Inspectors intended to certify as the result of the voting, I think irregularities in other respects appearing upon the face of the return should be disregarded, in order that the public may not be disfranchised by reason of the negligence or inattention to the law of election officers.

I might cite many cases in which this principle has been announced and applied to various states of fact. It is undoubtedly of great importance that the law should be observed by election officers with great exactness, and every disregard of the law by them should be punished if possible, but the law has not favored the disfranchising of the public by reason of their irregularities; and by applying this principle to the cases as they arise, you will be able to solve, doubtless, the various situations which will present themselves.

I am, gentlemen, yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

In some cases Inspectors had served as such for a number of years, and state that they never before so understood the law.

In these cases, the returns could not be corrected, as the law does not allow Inspectors to retain any ballots in their possession after the canvass of such ballots.

The Committee on Corrected Returns, who were instructed by your Honorable Body to inquire as to the power of the Board of County Canvassers to refuse to canvass and allow the returns from the Seventeenth and Thirty-third Election Districts of the Seventh Assembly District, on account of certain alleged irregularities in the conduct of the election in the former, and erasures and emendations in the statement from the latter district, respectfully

REPORT:

That your Committee, although clearly of opinion that it was not in the power of your Honorable Body legally to reject the returns, nevertheless held a meeting at which counsel were heard both in favor of and in opposition to the proposition to reject them for the reasons stated; and more to satisfy your Honorable Body and the public that the proposed rejection, if attempted, would be contrary to law, your Committee asked and obtained from the Counsel to the Corporation an opinion as to the powers and duties of your Committee and your Honorable Body in the premises. The opinion of the counsel is herewith transmitted. It is final and conclusive, and your Committee respectfully recommend that the statement of the votes cast in the districts named be counted and allowed to the several candidates therein named; your Honorable Body have no other alternative. If injustice has been done or irregularities in the canvass permitted by the District Inspectors, they alone are responsible under the law, and the aggrieved candidates have their remedies either in the legislative bodies, to which some of them claim to have been elected respectively, or in the courts.

TERENCE KIERNAN, Corrected Returns.

OFFICE OF THE BOARD OF ALDERMEN,
No. 9 CITY HALL,
NEW YORK, November 18, 1879.

Hon. W. C. WHITNEY, Corporation Counsel:

SIR—The undersigned, on behalf of the Committee of the Board of Canvassers and on behalf of the Board, respectfully request your opinion upon the following facts: There has been referred to us the duplicate returns of the late election in the Thirty-third Election District of the Seventh Assembly District. They are substantially regular in form, are signed by the four Inspectors, and were produced respectively from the custody of the Clerk of the Board of Aldermen and the County Clerk, to whom they had been delivered by the Inspectors on the day after election. Their condition in the portion relating to the votes for Senator, as to which alone any question arises, is as follows: In each return the vote stated as given for one of the candidates is written in words and also carried out in figures without change or erasure. On each return the statement of the vote of the other candidate is written over an erasure, both in the words and figures, and is apparently larger than that originally written, though there is no doubt as to the number of votes now stated.

The total vote, which is twice stated in each return, both in words and figures, and has not been altered or written over an erasure, calls for the number of votes for each candidate now stated on the returns.

Without deciding the legal question of our right officially so to proceed, we summoned the four inspectors and two poll clerks before us, and with the assent of the representatives of both candidates, questioned them. They concur in stating that the returns before us are in the condition they were when forwarded by them, and that they correctly state the vote cast. The tally filed in the Mayor's office on the day after election was unsealed by us and found to correspond with the votes stated on the returns. It appeared that this tally was not the original paper on which the votes were noted as called off, but a copy from it on a blank form furnished by the Bureau of Elections. It was claimed before us that there were some discrepancies in the verbal statements of the inspectors, which tended to show that they were not telling the truth. But this was denied. We desire, in this state of facts, to be informed by you: First—Whether the Committee or the Board of Canvassers have any power to consider the evidence we have stated; and, if so, second, whether we are justified by it in rejecting the returns of this district.

There have also been referred to us the duplicate returns from the Seventeenth Election District of the Seventh Assembly District. These returns were filed with the Clerk of the Board of Aldermen and with the County Clerk, respectively, on the Monday after election; they were produced by these officers to the Board of Canvassers in the ordinary manner, and are signed by all the inspectors. The latter were called before us to correct an omission in the returns, and, after this was done, counsel were allowed to call out the fact that the inspectors counted and publicly declared the votes on the night of election, but did not make out any returns until their attention was called to their omissions by the Bureau of Elections on the Saturday following the election. It was stated that the inspectors did not prepare any returns on the night of election, because they supposed it was the duty of the poll clerks to perform that service. The inspectors all stated that the returns correctly showed the vote cast. It was claimed before us that the failure to make a return on the night of election, and the separation of the inspectors, deprived them of any power to make a return subsequently, and that the papers before us must either be treated as not being returns, or must be rejected as being irregular.

We desire to be advised by you: First, whether we have the right to consider the facts above stated; and, second, whether these facts if considered, either require or justify us in rejecting or throwing out the returns

Your obedient servant,
HENRY C. PERLEY,
Chairman Committee on Corrected Returns.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, November 19, 1879.

HENRY C. PERLEY, *Chairman of the
Committee on Corrected Returns of the Board of County Canvassers:*

DEAR SIR—I have the honor to acknowledge the receipt of your communication of November 18, 1879, requesting an opinion, in behalf of your Committee, in reference to what the action of the Board of Canvassers should be with reference to the returns from the Thirty-third Election District of the Seventh Assembly District, and the Seventeenth Election District of the Seventh Assembly District.

I will consider first the returns from the Seventeenth Election District of the Seventh Assembly District. The facts in that case, as stated by you, are that the inspectors, after counting the votes, made a public declaration of the result on the night of the election, but did not make out any returns on that night, because they supposed it the duty of the poll clerks to perform that service. The returns were made out by the inspectors on some subsequent day, and filed in the offices specified in the law. You state in your letter that the inspectors, having been called, have testified that the returns correctly showed the vote cast.

Upon this state of facts there is no question of the duty of the Board to canvass the return. A precisely similar state of facts was passed upon in the case of *ex parte Heath and Roome*, reported in 3 Hill, 43. There the statute required ward inspectors of this city to certify the result of the election on the day subsequent to the closing of the polls, and it was held in that case that their certificate was valid, although not made till the second day after the closing of the polls, the principle being that where a statute requires an official act to be done upon a certain day, for a public purpose, the interests of the public are not to be defeated by a mere deviation in the matter of time within which the duty is performed. That case is approved in the case of the *People against Cook*, 14 Barb., 259, and in the same case on appeal, reported in 8 N. Y. Reports. In the recent proceedings before the General Term of the Supreme Court, with reference to the appointment of Inspectors of Election, in which it was suggested by counsel that there was danger of a failure of the election, on account of the omission of the Board to agree upon the inspectors within the time named in the statute for their appointment, Judge Davis, in an oral opinion, announced the same principle, as follows: "It is a universal principle of law, that where a right of the people is concerned, the failure of administrative officers to perform their duty within the prescribed time can never defeat that right." There is no doubt but what it is the duty of the Board to canvass the return from the Seventeenth Election District of the Seventh Assembly District, upon the state of facts stated by you.

With reference to the returns from the Thirty-third Election District of the Seventh Assembly District, you state that they are substantially regular in form, are signed by the four inspectors, and were produced from the offices respectively of the Clerk of the Board of Aldermen and the County Clerk, having been delivered and filed in those offices on the day after election. The defect in the return suggested is that the number of votes stated to have been polled for one candidate upon the return is inserted over an erasure, both of the letters and figures stating his vote. You state that there is no doubt as to the number of votes for the candidate intended by the return to be stated; that the total vote of the precinct has not been altered or written over an erasure, and that it equals the votes of the two candidates, added together, as stated upon the face of the returns. You further state that the four inspectors and the two poll clerks have been examined, and concur in stating that the returns are in the condition they were when forwarded by them, and have not been altered, and that they correctly state the vote cast, and that the tally sheet filed in the Mayor's office has been examined, and found to correspond with the votes stated on the returns.

Under this state of facts it is your duty to count the return. In *Morgan against Quackenbush*, 22 Barb., 77, it is said by Judge Harris that canvassing officers "are not at liberty to receive evidence of anything outside of the returns themselves. Their duty consists in a simple matter of arithmetic. They are to bring together the returns made by the inspectors of the several election districts, and ascertain, by computation, the aggregate number of votes given in the whole city for each person for each office, and then declare the result by their certificate." In this case, there being no question what the return purports to certify as the result of the voting in that district, it is the duty of the Board to canvass the returns. This would probably be true, even though there were allegations that the erasure had been fraudulently made by the inspectors, and even if there were some proof thereof; but in this case there seems to be no evidence, so far as your letter reports the statements of parties concerned, that the erasure is anything more than the blunder of some election officer, corrected by the inspectors before the paper left their hands. Such things will, of course, occur in the making out of so many documents as an election throughout this city calls for.

Yours very respectfully,

W. C. WHITNEY, Counsel to the Corporation,

Supervisor Perley moved to adopt the report of the Committee on Corrected Returns, and the Committee be discharged.

Supervisor Morris moved to amend by adding, "and all papers in the report of the Committee be printed in full in the minutes." Amendment accepted and adopted.

Supervisor Keenan presented the following report of the Committee on Protests:

The Committee on Protests, to whom was referred the annexed protests of John W. Browning, John Cavanagh, Leo C. Dessar, James C. Quinn, W. S. Wolf, counsel, etc., respectfully

REPORT:

That your Committee are convinced, and have been so from their appointment, that the duties expected of them were unmistakably beyond their power to perform. The law clearly defines the powers and duties of the Board of County Canvassers, and confines them simply to a comparison and computation of the returns or statements from the several Election Districts, and a declaration of the result. Where errors or discrepancies occur in any of the statements, or irregularities even in the manner of conducting the election at the polling-places, the County Canvassers are powerless to do anything other than return the statements to the District Inspectors to correct the errors or discrepancies. Irregularities, even when they affect the result of the voting, can only be remedied by the parties aggrieved in the courts, or in cases affecting candidates for legislative offices, in the bodies to which they claim to have been elected. The District Inspectors alone are responsible. It being clear that your Honorable Body does not possess the power to investigate any of the allegations contained in the several protests presented, it therefore necessarily and logically follows that you could not delegate to a committee a power not possessed by you, even the eligibility of candidates cannot be determined by your Honorable Body. This inability arises not from positive prohibition, but from lack of power or authority. The Legislature of this State never conferred either upon Boards of County Canvassers.

Your Committee therefore ask to be discharged from the further consideration of the several protests and other papers herewith accompanying.

PATRICK KEENAN, } Committee
MATTHEW STEWART, } on

Supervisor Morris moved the report be adopted.

Which was carried, Supervisor Roberts voting no.

That in the Tenth Election District of the Ninth Assembly District, one ballot containing the name of the undersigned for the office of Senator for the said Senatorial District, was found deposited in the box containing the ballots for Aldermen, and was illegally thrown out.

Strahan for the office of Senator for the said Senatorial District, were illegally and fraudulently deposited, one of them was deposited by a person who had already voted, commonly called "a repeater," and two of them were deposited by unpardoned convicts; that one ballot for Senator of the said Senatorial District, upon which the name of Robert H. Strahan was scratched out, and the other three said ballots, making four in number, were illegally and fraudulently counted for and credited to the said Robert H. Strahan.

That in the Eighteenth Election District of the Thirteenth Assembly District the number of ballots, containing the names of the undersigned and of Robert H. Strahan for the office of Senator for the said Senatorial District, cast, were 104 and 164 respectively, instead of 103 and 165 respectively.

The undersigned alleges and charges that the canvass of the said ballots in the said districts was falsely, fraudulently, and illegally made, and that the returns made by the inspectors in said districts to your Honorable Board are false and fraudulent, in evidence of which the undersigned states, and is ready to prove to the satisfaction of the Board by the oaths of good citizens residing in said Election Districts, that the undersigned received a number of votes in said districts which is greater than the number so falsely and fraudulently allowed to him and returned by said inspectors in said districts.

Wherefore, the undersigned most respectfully protests against the returns of the canvass of the ballots for Senator for the Eighth Senatorial District, and prays that the errors hereinbefore stated may be corrected, and that your Honorable Board may declare the number of votes legally cast.

Respectfully submitted,

JOHN W. BROWNING.

To the Honorable the Board of County Canvassers of the City and County of New York:

GENTLEMEN—As a candidate for the office of Justice of the District Court for the Seventh Judicial District, in the place of Charles D. Ingersoll, appointed in the place of Walter S. Pinckney, removed, in the Seventh District, at the election had the 4th day of November, 1879,

I hereby protest against the counting or canvassing the votes cast or returned for one J. C. Julius Langbein, on the ground that said Langbein at the time of such election, and at the time of casting

such votes, and for a long time prior thereto was and now is a member of the Legislature of the State of New York, and that under section 7, article 3 of the Constitution of the State of New York, all votes cast for said Langbein for said office, he being a member of the said Legislature, are declared void. The undersigned further alleges and declares that he received, as he is informed and believes, the majority of all the legal votes cast at said election for said office; wherefore, the undersigned demands that all votes cast for said Langbein are rejected as void as aforesaid.

Dated New York, November 17, 1879.

LEO C. DESSAR.

To the Honorable Board of County Canvassers of Election for the County of New York, etc.:

The undersigned, John Cavanagh, a candidate at the election held November 4, 1879, for the office of Alderman for the Fifth Aldermanic District, in the City and County of New York, as the same existed in 1878, hereby respectfully protests against the reception and consideration of certain pretended, illegal, and void returns and certifications of the same; of certain pretended elections held in the Twenty-eighth Election District of the Seventh Assembly District, and the Twenty-second Election District of the Thirteenth Assembly District, in the Fifth Aldermanic District aforesaid, on November 4, 1879, in the City and County of New York, whereby it is misrepresented to your Honorable Board, that your undersigned and other candidates, among them Bernard Goodwin, a candidate for the office of Alderman in the same Aldermanic District, received certain votes. Your undersigned respectfully protests against the said Bernard Goodwin being duly declared, by reason of any reception, consideration, and canvass of the said pretended and alleged returns, the successful candidate for Alderman of the Fifth Aldermanic District aforesaid, in the City of New York, and against giving the said Bernard Goodwin any certificate or other official recognition whatever by your Honorable Board, of his pretended and alleged election in consequence thereof, and upon the further ground that your undersigned was duly elected Alderman in said Aldermanic District for the year 1880, as will more fully appear by the legal returns from the different Election Districts in said Aldermanic District.

That the grounds upon which your undersigned bases his protest to the reception and consideration of the pretended, illegal, and alleged returns and a canvass of the same by your Honorable Board, are as follows:

First—There was no election held as prescribed and required by law in the said Election Districts.

Second—There was no legal reception or disposition of any votes in said districts.

Third—There was no tally of the said votes as required by law.

Fourth—There was no session of the Board of Inspectors of Election in said districts as required by law.

Fifth—There was no legal canvass of any votes as required by law.

Sixth—There is no legal certification of the pretended, illegal, and alleged returns as required by law.

Seventh—That a number of voters were prevented from exercising the right of suffrage.

That the undersigned most earnestly calls the attention of your Honorable Board to a consideration of the attached affidavits, and also that an opportunity may be afforded, in order that witnesses may be called and examined in support of the foregoing allegations, etc.

And your petitioner will ever pray, etc.

JOHN CAVANAGH.
