WILLIAM M. HOES.

Sworn to before me this 4th day of January, 1898.

JAMES F. BUCK, Commissioner of Deeds for the City of New York.

On motion of Councilman Leich, the communication was received and referred to the Board of Aldermen for action.

## COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting Held at the Mayor's Office, at 2 o'clock P. M. on Friday, January 14, 1898.

Present-Robert A. Van Wyck, Mayor; Bird S. Coler, Comptroller; Patrick Keenan, Chamberlain; Randolph Guggenheimer, President of the Council, and Robert Muh, Chairman, Finance Committee, Board of Aldermen.

The Comptroller presented the following certificate of the appointment of Hon. Robert Muh, as Chairman of the Finance Committee of the Board Aldermen:

> CITY OF NEW YORK-BOARD OF ALDERMEN, L CITY HALL, January 12, 1898.

EDGAR J. LEVEY, Esq., Secretary, Commissioners of the Sinking Fund:

DEAR SIR—I hereby certify that at a meeting of the Board of Aldermen held on January 11,
1898, Robert Muh was appointed as Chairman of the Finance Committee of said Board of
Aldermen in and for the City of New York.

Yours respectfully,
MICHAEL F. BLAKE, Clerk to the Board of Aldermen.

Which was ordered on file.

On motion of the President of the Council, the Honorable Robert A. Van Wyck, Mayor, was appointed Chairman of the Board for the ensuing year.

On motion of the Comptroller, Edgar J. Levey was appointed Secretary.

The following communication was received from the New York and New Jersey Bridge Com-

New York and New Jersey Bridge Company, Office of the Secretary, No. 214 Broadway, New York, January 6, 1898.

NEW YORK, January 6, 1898.

Hon. Robert A. Van Wyck, Chairman Sinking Fund Commissioners of the City of New York:

Dear Sir—On December 10, 1897, this company filed with the Chairman of the Sinking Fund Commissioners of the City of New York a certified copy of the description of the location of an approach to the bridge along the marginal wharf or place, North river, together with a map of the location of the approach adopted by the Commissioners appointed under chapter 233 of the Laws of 1890, of the State of New York. By virtue of chapter 233 of the Laws of 1890, of the State of New York, the Commissioners have the power to locate approaches to the bridge, but the Act of Congress of 1894 provides that such location must be approved by the Commissioners of the Sinking Fund of the City of New York.

I am directed by the Board of Directors of this company to inquire when it will be convenient for the Commissioners of the Sinking Fund of the City of New York to give this company a hearing upon the matter.

ing upon the matter.

Very respectfully, CHAS. H. SWAN, Secretary.

Which was laid over.

The President of the Council offered the following:

Resolved, That a committee of two be appointed by the Chair to examine the securities held by the Commissioners of the Sinking Fund of the City of New York, and to report thereon to this Board.

Which was unanimously adopted.

The Mayor appointed the President of the Council, and the Chairman of the Finance Committee, Board of Aldermen, as such committee.

The Comptroller presented the following:

The foregoing is a correct list of all leases of premises leased by the City, on record in the Comptroller's Office, and in force December 31, 1897. Dated NEW YORK, January 12, 1898.

JOHN T. CUMING, Custodian, etc.

In connection therewith the Comptroller presented the following:

DEPARTMENT OF PUBLIC BUILDINGS, LIGHTING AND SUPPLIES, ] No. 1264 Broadway, New York, January 11, 1898.

Hon. BIRD S. COLER, Comptroller:

Hon. BIRD S. COLER, Comptroller:

DEAR SIR—I have to request that you will present to the Commissioners of the Sinking Fund my request for permission to lease the following offices for the use of the Department of Public Buildings, Lighting and Supplies, in the building No. 356 Broadway, New York Life Insurance Building, eleventh floor, rooms Nos. 1124 and 1124A, 1125, 1126, 1127, 1128 and 1138, 1139, 1140, 1141, 1142 and 1143 at \$500 per year each. The owners of the building being the New York Life Insurance Company.

The Department of Public Buildings, Lighting and Supplies is an entirely new Department to be organized out of bureaus formerly part of the Department of Public Works, part of the Fire Department and what was the Board of Electrical Control, with other Departments of the City of New York, and the creation of a new Department not heretofore existing. At present I am without any quarters, so unable to collect these various bureaus and properly administer the same. Your early attention will greatly oblige, Your early attention will greatly oblige,
Yours very truly,
HENRY S. KEARNY, Commissioner of Public Buildings, Lighting and Supplies.

FINANCE DEPARTMENT, January 12, 1898.

Hon. BIRD S. COLER, Comptroller:

SIR—The Commissioner of Public Buildings, Lighting and Supplies, in communication of January 11, 1898, requests the Comptroller to present to the Commissioners of the Sinking Fund his request for permission to lease, for the use of his Department, the following-named rooms on the eleventh floor of the New York Life Insurance Building, No. 356 Broadway, viz.: Rooms Nos. 1124 and 1124A, 1125, 1126, 1127, 1128, 1138, 1139, 1140, 1141, 1142 and 1143 at \$500 per year each. The owners of the building being the New York Life Insurance Company.

I have examined these rooms; the first-named six face on Leonard street and the last-named six on Catherine lane. The aggregate area of the rooms is 4,322 square feet. I have seen the auditor of the company, Mr. Whitney, and he names \$6,000 per annum as the smallest price at which the rooms can be obtained. This rental includes elevator and janitor's service, heat, water

and electric light.

The rental is at the rate of \$1.38 per square foot per annum, and I consider it reasonable and

Respectfully, EUG. E. McLEAN, Engineer. NEW YORK, January 4, 1897.

Hon. BIRD S. COLER, Comptroller:

SIR-I would be glad to have you present to the Commissioners of the Sinking Fund the request of the Department of Bridges for the leasing of suitable offices in the Borough of Man-

The offices which I should recommend for this purpose are Rooms Nos. 173, 175, 177, 181, 189, 178, 179, 183, 185 and 187 on the fourth floor of the Stewart Building. Immediate possession can be had of the first five rooms above enumerated; the last five can be obtained from May I,

In view of the necessity for haste in this matter, I will be obliged if you could arrange to make a report on this request to the Commissioners of the Sinking Fund at an early meeting, instead of waiting for the customary reference to be made to the Comptroller.

Very truly yours,
JOHN L. SHEA, Commissioner of Bridges. FINANCE DEPARTMENT, January 4, 1898.

Hon. BIRD S. COLER, Comptroller:

SIR—The Commissioner of Bridges in communication of January 4, 1898, desires the Comptroller to "present to the Commissioners of the Sinking Fund the request of the Department of Bridges for the leasing of suitable offices in the Borough of Manhattan."

He recommends for this purpose Rooms Nos. 173, 175, 177, 181, 189, 178, 179, 183, 185 and 187 on the fourth floor of the Stewart Building. He says, "immediate possession can be had of the first five rooms above enumerated; the last five can be obtained from May 1, 1898."

These first five rooms have an aggregate area of 3,604 square feet. They are situated partly on Broadway and partly on Reade street, as shown on the diagram below:

Immediate possession can be had of Rooms No. 173, 175, 177, 181 and 189. Possession of the other rooms cannot be had before May 1, 1898.

Judge Henry Hilton, the owner of the building, through the superintendent, Mr. Harris, offers the five rooms, Nos. 173, 175, 177, 181 and 189, at \$6,000 per annum, and the other five rooms from the 1st of May next at \$5,000 per annum. These last-named rooms have an area of

3,000 square feet.

The leasing of the first five rooms does not involve the leasing of the others, which may or may not be leased in the future.

The rent asked is at the rate of \$1.66 per square foot per annum. The rent includes janitor's services, elevator service and heat, but not light.

I think the rent proposed is reasonable and fair.

I think the rent proposed is reasonable and fair.

Respectfully, EUG. E. McLEAN, Engineer. OFFICE OF COMMISSIONER OF SEWERS, ¿

No. 150 NASSAU STREET, CITY.

Commissioners of the Sinking Fund:

GENTLEMEN—In consequence of there being at this time no available office for the use of this Department, I respectfully request that a lease be made of the second floor of Nos. 265 and 267 Broadway for that purpose for a period of four years.

Yours respectfully,

JAMES KANE, Commissioner of Sewers.

FINANCE DEPARTMENT, January 7, 1898.

Hon. BIRD S. COLER, Comptroller:

SIR—The Commissioner of Sewers in communication to the Commissioners of the Sinking Fund, requests that a lease be made of the second floor of Nos. 265 and 207 Broadway for the use

I have examined the premises and find they contain, in room area, 3,495 square feet.

I have examined the premises and find they contain, in room area, 3,495 square feet.

They are easy of access, there being an elevator besides the stairs.

The light on the Broadway front is ample, but in the rear it is not as full. The buildings being on interior lots, obtain light only from the front and rear. In the central portion artificial light will be required much of the time. The property, I am informed, belongs to an orphan asylum, and Mr. John B. Streeton, No. 152 Broadway, is the agent and attorney.

He offers the property to the city, for the use of the Department of Sewers, at an annual rental of \$4,700, payable monthly from January 10, 1898, for the term of four years, three and two-thirds months, the term to expire at the end of four years from the first of May, 1898.

He agrees to erect the partitions shown on the diagram herewith, to put in electric light and fixtures, and to arrange the radiators to suit the requirements.

The rent includes elevator service, janitor's services, water rent and steam heat, but does not include lighting.

include lighting.

The rent is at the rate of \$1.34 per square foot per annum, and I consider it reasonable and fair.

Respectfully, EUG. E. McLEAN, Engineer. FINANCE DEPARTMENT, January 13, 1898.

Hon. BIRD S. COLER, Comptroller:

SIR—I have examined the building located at the corner of Richmond terrace and York avenue, Staten Island, belonging to Mr. Isaac Almstead of Staten Island, and the four upper stories of which are offered to the City for use as public offices by Mr. George Metcalfe, agent, No. 171 Broadway, New York, on lease from February 1, 1898, to May 1, 1899, or longer, at the rate of \$9,000 per annum, including janitor's service and heat, but not light.

This building has a front on Richmond terrace of 48 feet 6 inches, and on York avenue of 80 feet. It is five twoise in height on the terrace and four stories in the race. York avenue having

feet. It is five stories in height on the terrace and four stories in the rear, York avenue having a steep grade. The entrance to the part of the building proposed to be leased is from York avenue, at the rear. There is no entrance from Richmond terrace. The lower story of the building facing the terrace is used for various business purposes, and is entirely distinct from the four stories above.

These four stories were built for "flats" of which there are two on each floor, all arranged as above on the diagram horses.

as shown on the diagram herewith.

Each floor contains a room area of 2,348 square feet, giving an aggregate of the four floors of

Each floor contains a room area of 2,348 square feet, giving an aggregate of the four floors of 9,392 square feet.

The building is substantially constructed with reference to its walls, roof, etc. The floors and floor-beams are of wood. The interior construction of the four floors is plain throughout.

There is need of very considerable repair on all these four stories.

The building is heated by steam, by direct radiation, the steam being supplied by a boiler in the cellar, which appears to be ample for the purpose.

There are only two water-closets on each floor, which appears to me to be insufficient.

With respect to the value of the property, I understand from the agent and Sheriff Acker, that it is valued on the tax books at \$55,000. Taking this as 60 per cent. of its market value, the latter would be \$58,333, or say, for round numbers, \$60,000, which I would consider its full value.

Of this full value not more than four-fifths should be apportioned to the four stories under consideration, making the value of these four stories \$48,000.

Assuming this value, the rent demanded, \$9,000 per annum, would represent, including janitor's service and heating, over 18.7 per cent.

If we assume the janitor's service and heating as costing \$1,700 per annum, and further assume that the repairs and changes will amount to \$1,200, of which the changes will be \$600, for which the City should pay, the clear rent for the property would be \$9,000, less \$1,700, less \$600, equal to \$6,700, which would be 13.94 per cent. of the value, which appears to me too great.

Seven per cent. of the value, \$48,000, is..... \$3,360 00 Add for janitor's services and heating
Add for changes and alterations 1,700 00 \$5,660 00

In my opinion this sum, or say \$6,000, would be a full and fair amount of rent to pay.

The building is well situated for the contemplated work, and there cannot, as represented, be found any place which would afford the necessary accommodations as well as this.

Respectfully, EUG. E. McLEAN, Engineer.

After discussion the statement, communications and reports were referred to a Committee appointed by the Mayor as follows: The Comptroller, the President of the Council, and the Chairman of the Finance Committee, Board of Aldermen.

Each bid or e timate shall be accompanied by the consent, in writing, of two householders or free-holders in the City of New Y rk, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so 'awarded,' become bound as his sureties for its faithful performanca, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affi mation, in writing, of each of the persons signing the same that he is a nouseholder or frecholder in the C ty of New York, and is worth the am unt of the security required for the completion of this contract over and above all his debts of every nature, and over and above all his debts of every nature, and over and above all his debts of every nature, and over and what he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the c. ntract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a cerified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amo int of five per cenium of the eccurity required for the taithful performance of the contract Such check or money must nor be inclosed in the

sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract with in the days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having ab-ndoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the sambles of the same on exhibition at the ofnce of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.
