DeKalb Avenue, Hart Street, Irving Avenue, and Wyckoff Avenue in the Bushwick neighborhood of Brooklyn Community District 4 (CD 4). The amendments would change an R6 district to R6B, rezone an M1-1 district to R7A, and establish a C2-4 overlay along the Wyckoff Avenue frontage within the proposed R7A district, as well as designate the area of the proposed R7A zoning district, as a Mandatory Inclusionary Housing (MIH) area. Such actions would facilitate the development of two residential buildings, with one at nine stories and another at six stories, together providing 122 units, of which approximately 31 would be offered as affordable housing. Units, pursuant to MIH would be required to be permanently affordable. The development would provide 46 enclosed and unenclosed parking spaces.

HOUSING PRESERVATION AND DEVELOPMENT

NOTICE

PUBLIC HEARING IN THE MATTER OF the amendment to the terms and conditions of certain real property, previously conveyed by the City of New York ("City"), as submitted by the Department of Housing Preservation and Development ("HPD"), pursuant to Section 1802(6)(j) of the Charter, located in the Borough of the Bronx and known as:

BLOCK	LOT	ADDRESS
2763	95	741 Coster Street
2763	97	739 Coster Street
2763	100	717 Coster Street
2763	108	700 Manida Street
2765	205	671 Manida Street
2713	2	975 Tiffany Street

on the Tax Map of the City ("Premises").

The City conveyed the Premises to Hunts Point I Associates by Deed, dated May 10, 1982 ("1982 Deed"). The Land Disposition Agreement ("LDA") associated with the conveyance, included a Plan and Project describing the original project under Article V of the Private Housing Finance Law ("Plan and Project"), which required Block 2763, Lot 108 ("New Project Area") to be developed as "open space." The 1982 Deed required the Premises to comply with the Plan and Project.

The Premises was subsequently acquired out of a Federal non-judicial foreclosure by Phoenix Estates Housing Development Fund Corporation ("Current Owner") by a deed, dated April 29, 2008. The requirements of the 1982 Deed survived the foreclosure, however, and remained with the Current Owner.

This submission is to request approval to amend the 1982 Deed to remove the requirement that the New Project Area, comply with the Plan and Project, which is no longer applicable, and instead allow the New Project Area to be improved with a new mixed-use project, that will be financed under HPD's Extremely Low and Low-Income Affordability (ELLA) Program ("New Project").

Following modification of the 1982 Deed, the Current Owner will convey the New Project Area to PE2 Housing Development Fund Company, Inc. ("New Project Owner"). The New Project Owner will merge the New Project Area with an adjacent lot, Block 2763, Lot 115, and construct approximately one building containing approximately 107 dwelling units for persons and families of low income, plus one unit for a superintendent and approximately 3,923 square feet of community facility space. At the closing of the construction financing for the New Project, the New Project Owner will execute a regulatory agreement with HPD restricting the use of the New Project Area.

The proposed Amendment to Deed is available for public inspection, at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held, at 10:00 A.M., on May 14, 2018, at the Hunts Point Library, located 877 Southern Boulevard, Bronx, NY 10459, or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the modification of deed restriction, pursuant to Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters/translators should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, NY 10007, (212) 788-7490, no later than ten (10) business days prior to the public hearing. Pursuant to Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City"), has proposed an amendment to the terms of sale of certain real property, located in the Borough of Bronx, City and State of New York, known as:

Block	Lot
2713	2 (formerly Lots 1, 4, 6, 9-14, 27-35, 37, 39, and 43)

on the Tax Map of the City (the "Original Disposition Area").

The City conveyed the Original Disposition Area to Maria Estela Houses II Associates ("Original Owner") by Deed, dated May 24, 1982 (the "Deed"), and pursuant to a Land Disposition Agreement, dated September 18, 1980 (the "LDA"), for the development of a housing project containing 150 units of rental housing (plus one superintendent's unit) and parking (the "Original Project"). The Original Owner subsequently received approval to dissolve under Article V of the Private Housing Finance Law and conveyed the Original Disposition Area to Andrews/Kelly Housing Development Fund Corporation ("Current Legal Owner"), which transferred beneficial ownership of the Original Disposition Area to PRC Andrews Avenue LLC ("Current Beneficial Owner," and together with Current Legal Owner, "Current Owner"), while retaining its legal interest in the Original Disposition Area.

Under the proposed transaction, Current Owner will lease a portion of the Original Disposition Area, consisting of Block 2713, part of Lot 2 (Tentative Lot 20) (the "New Project Area") to Tiffany Housing Development Fund Corporation ("HDFC"), PRC Tiffany Street LIHTC LLC ("LIHTC LLC"), PRC Tiffany Street Moderate LLC ("Moderate LLC"), and/or any affiliate thereof approved by HPD (LIHTC LLC, Moderate LLC, and their HPD-approved affiliates, collectively, "Beneficial Lessee," and together with the HDFC, collectively, "Lessee") pursuant to a 99-year lease. HDFC will enter into a nominee agreement with Beneficial Lessee, pursuant to which HDFC will be the legal owner and Beneficial Lessee, will be the beneficial owner of the leasehold interest in the New Project Area and will operate the New Project Area. Lessee will construct one building consisting of approximately 160 residential units of housing for low income families (plus one superintendent's unit) (the "New Project") on the New Project Area. Current Owner and Lessee will enter into a regulatory agreement with HPD restricting the use of the New Project Area.

The Deed and the LDA both contain a restriction requiring the New Project Area to comply with the Plan and Project attached to the LDA and describing the Original Project (the "Plan and Project"). Pursuant to the Plan and Project, the New Project Area consists of vacant land and a parking lot. HPD proposes that the Deed and the LDA be modified to remove the requirement that the New Project Area comply with the Plan and Project, which has been completed and is no longer applicable, and allow the construction of the New Project.

The proposed Amendment to Deed and the proposed Amendment to Land Disposition Agreement, are available for public examination, at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on May 14, 2018, at the Hunts Point Library, at 877 Southern Boulevard, Bronx, NY 10459, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the modification of deed restriction, pursuant to Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7488, no later than ten (10) business days prior to the public hearing. "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● **Win More Contracts at nyc.gov/competetowin**

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

PARKS AND RECREATION

VENDOR LIST

Construction Related Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

* Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained online at: http://a856-internet.nyc.gov/nycvendoronline/home.asap.; or http://www.nycgovparks.org/opportunities/business.

NOTE:

As of January 1, 2017, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2017, the contractor will no longer be deducting the tax credit as a separate line item on the invoice. Should the tax credit be extended, it will once again appear as deduction and line item on the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon, and will be shown as a separate line item on your invoice.

The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. FERRY OPERATOR SERVICES, CANARSIE TUNNEL REHABILITATION TEMPORARY FERRY SERVICE - Request for Proposals - PIN# 71060001 - Due 6-1-18 at 4:00 P.M.

New York City Economic Development Corporation (“NYCEDC”) is seeking proposals from qualified teams consisting of the following: a) ferry operator(s) to provide a temporary ferry service between Brooklyn and Manhattan; and b) marine construction firm(s) to provide construction and post-Temporary Ferry Service demolition and restoration services of a required temporary ferry landing to be built adjacent to the new Empire Pier in North Williamsburg, Brooklyn. In March 2017, the Metropolitan Transportation Authority (“MTA”) announced that L Train subway service will be suspended for a period of approximately 13 to 15 months between April 2019 and July 2020 to repair damage caused by Superstorm Sandy to the Canarsie Tunnel which provides L Train subway service between Brooklyn and Manhattan. The MTA and the City of New York (the “City”) are proposing a suite of measures to compensate for the lost service, including increased bus and rail service, street reconfigurations, and temporary ferry service.

NYCEDC plans to select a qualified team on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category.

This project is being funded with Federal Transit Administration funds, through the MTA, and this project has Disadvantaged Business Enterprise (“DBE”) participation goals. All respondents will be required to submit a DBE Utilization Plan with their response. A list of certified DBEs can be found at <https://nysucp.newnycontracts.com/>. Minority and Women-Owned Business Enterprises (“M/WBE”) are also encouraged to apply.

NYCEDC established the Kick Start Loan programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on NYCEDC projects. Kick Start Loans facilitates financing for short-term mobilization needs such as insurance, payroll, supplies and equipment. Bidders, sub-contractors and sub-consultants are strongly encouraged to visit the NYCEDC website, at www.nycedc.com/opportunitymwdb to learn more about the program.

An optional informational session will be held on Friday, April 20, 2018, at 1:00 P.M., at the NYCEDC, located at 110 William Street, New York, NY 10038. Respondents should report to the 6th Floor to sign in at the reception desk. Those who wish to attend should RSVP by email to MTATemporaryFerryService@edc.nyc on or before April 18, 2018.

Two optional site visits will respectively be held on Tuesday, April 24, 2018 and Thursday, April 26, 2018. The first site visit will be held on Tuesday, April 24, 2018, at 9:00 A.M., in North Williamsburg. The second site visit will be held on Thursday, April 26, 2018, at 4:00 P.M. in Stuyvesant Cove. Interested parties should sign up for either of the site visits, by RSVP-ing (indicating which date they will be attending) to MTATemporaryFerryService@edc.nyc, no later than Thursday, April 19, 2018, at 5:00 P.M., for the first site visit in Brooklyn, and Tuesday, April 24, 2018, at 5:00 P.M. for the second site visit in Manhattan. Interested parties should expect to meet NYCEDC representatives at the North 5th Street Pier and Park for the Brooklyn visit, and at Stuyvesant Cove Park for the Manhattan site visit at the designated time for each location.

Respondents may submit questions and/or request clarifications from NYCEDC, no later than 5:00 P.M. on Friday, May 11, 2018. Questions regarding the subject matter of this RFP should be directed to MTATemporaryFerryService@edc.nyc. For all questions that do not

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
