**STATE INDUSTRIAL COMMISSION—DEPARTMENT OF LABOR.**

**Resolutions Adopted.**

Whereas, the Clark Brothers Company, of Olean, New York, has made application for variation from Section 8-a of the Labor Law, in so far as same applies to males in its employ engaged in work for the United States Government; and

Whereas, on investigation it is found that the work is not necessarily continuous, but compliance with Section 8-a with respect to all of the persons engaged thereon would impose unnecessary hardships and practical difficulties; and

Whereas, the application for variation from the provisions of Section 8-a has the endorsement of Charles Piez, Vice-President and General Manager of the Emergency Fleet Corporation, therefore

Be it resolved that the application for variation from Section 8-a be granted The Clark Brothers Company, of Olean, so far as it applies to male employees engaged in work of assembling marine engines for the United States Government. This variation to continue to June 30, 1918, and become effective immediately.

Dated, April 17, 1918.  
STATE OF NEW YORK, OFFICE OF THE STATE INDUSTRIAL COMMISSION, ss.:  
I, WILLIAM S. COFFEY, Secretary of the State Industrial Commission of the State of New York, DO HEREBY CERTIFY that I have compared the foregoing copy of a resolution with the original thereof, duly adopted by the State Industrial Commission on the 17th day of April, 1918, and duly filed in the office of said Commission, and that the same is a true and correct

copy and transcript of said resolution and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the State Industrial Commission this 18th day of April, 1918.  
W. S. COFFEY, Secretary.  
(SEAL.) a22

Whereas, J. J. Rodgers, Vice-President of the Dettewich Brewing Company, located at Nos. 301-311 West Henley street, Olean, New York, has made application for a variation from the provisions of Section 8-a of the Labor Law to permit two (2) firemen and three (3) engineers in the employ of this company in its plant at Olean, New York, to work seven days per week but not more than eight hours per day; and

Whereas, an investigation made by the Supervising Inspector having jurisdiction in the district wherein the plant is located shows that the application is a proper one for favorable action by the Industrial Commission inasmuch as the work performed is a refrigerating process necessarily continuous; therefore

Be it resolved, that variation from the provisions of Section 8-a of the Labor Law is hereby granted to the Dettewich Brewing Company of Olean, N. Y., to work three (3) engineers and two (2) firemen employed in its said plant at Olean, New York, seven days per week but not more than eight hours in any one calendar day, except on one day of the week when it is necessary to make shift. A list of men working on each shift to be conspicuously posted. This resolution to become effective immediately and to be operative only so long as the condition under which this variation is granted is adhered to.

Dated, April 17, 1918.

Whereas, the College Point Boat Corporation, of College Point, N. Y., has made application for a variation from the provisions of Section 8-a of the Labor Law in so far as the same applies to males and females in its employ engaged on work for the United States Government; and

Whereas, on investigation it is found that the work done is not necessarily continuous, but compliance with Section 8-a of the Labor Law with respect to all of the persons engaged thereon would impose unnecessary hardship and practical difficulties; and

It appearing that the application for this variation has the endorsement of Hon. Franklin D. Roosevelt, Acting Secretary of the Navy, therefore

Be it resolved, that the application for a variation from the provisions of Section 8-a of the Labor Law be granted the College Point Boat Corporation, of College Point, N. Y., in so far as the same applies to males engaged on work for the United States Government, and be denied in so far as it relates to female employees, the Commission having no power to vary the statutory hours for females, as it is advised by its Counsel and the Attorney General. This variation to take effect immediately and to continue until October 1, 1918, and if, at the expiration of the time limit, the emergency still exists, further certificate to be furnished.

#### GENERAL TERMS AND CONDITIONS.

1. This privilege is to be exercised under and according to the terms, conditions and limitations of an agreement to be entered into with the Commissioner of Docks as hereinafter required, for a term beginning at noon on May 1, 1918, and continuing up to noon on May 1, 1919. A copy of the form of agreement may be examined at the above office.

3. The Commissioner of Docks reserves the right to reject any or all bids if in his judgment he deems it to be for the best interest of The City of New York so to do. No person will be accepted as a successful bidder who is delinquent on any contract with The City of New York. No bid will be received from any person who is in arrears to The City of New York upon any debt or contract or who is a defaulter as surety or otherwise upon any obligation to The City of New York.

4. The successful bidder shall present at the time of the sale either a certified check upon one of the State or National banks or trust companies of The City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Commissioner of Docks, or money to the amount of not less than 25 per cent. of the amount bid, as security for carrying into effect the terms hereof. The deposit of the successful bidder, in the event of the award of the privilege, will be applied to the payment of the installment of such fee or compensation first accruing under said agreement when executed, namely, for the quarter year commencing May 1, 1918. If the successful bidder, within five consecutive calendar days after being notified in writing that the agreement is prepared and ready for execution, neglects or refuses to execute said agreement with good and sufficient bond or obligation of a duly authorized surety company, approved by the Commissioner of Docks, in a sum equal to the annual rental, the deposit of said successful bidder will be forfeited to The City of New York as liquidated damages.

5. The Commissioner of Docks reserves the right to resell the privilege where the successful bidder fails, refuses or neglects to comply with the terms and conditions herein contained, and the bidder so failing, refusing or neglecting to comply with the terms and conditions of the sale shall be liable to The City of New York for any deficiency resulting from or occasioned by such resale.

6. This privilege will allow the bootblacks on all parts of the boats and in the terminals of the said ferry under such restrictions as the Commissioner of Docks shall make, but in no case will the bootblacks be permitted to solicit trade.

7. The agreement will provide that the successful bidder shall sweep and keep clean of refuse the men's cabins on the Municipal ferry boats to the satisfaction of and as directed by the Superintendent of Ferries.

8. The successful bidder must provide his own equipment, which shall remain his property and must be removed by him at or before the expiration of the term for which this privilege is granted.

9. No free transportation on the ferries will be allowed except to bootblacks in uniform while actually engaged in the discharge of their duties as bootblacks under this privilege.
