REPORTS.

(G. O. 705 1/2.)

The Committee on Law Department, to whom were referred the annexed preamble and resolution directing the Clerk of the Common Council to execute quit-claim deeds to Griffith Rowe and James A. Roosevelt of certain lands, formerly the property of the Corporation, respectfully

REPORT:

That an application of a like character had been previously referred to your Committee, who, believing the power to execute the deeds in question, was, by the Charter, vested in the Commissioners of the Sinking Fund, so reported, and the papers are still in possession of this Board, being General Order No. 485 on the list of "Unfinished Business."

Subsequently, the annexed preamble and resolution was introduced into the Board and referred to your Committee, who, having learned that the Sinking Fund Commissioners decline to execute the quit-claim, alleging that the order of the Common Council is necessary to the validity of the deed, have concluded to recommend that favorable action be taken thereon. No detriment can possibly occur to the public interests, nor will any loss or damage be occasioned to the City. The adoption of the resolution will simply remedy a defect in the original deed of sale by the City, as will appear by the statements contained in the preamble, which your Committee have ascertained to be correct and true in every particular.

Your Committee, therefore, respectfully recommend for your adoption the accompanying preamble and resolution.

Whereas, By deed bearing date November 13, 1848, the Mayor, Aldermen and Commonalty of the City of New York did convey to the executors of Charles McEvers, deceased, the gore of land caused by changing the lines of Fifty-second street, lying between the northerly line of Fifty-second street and the southerly line of lot number 68 of the common lands of the City of New York; and

Whereas, Griffith Rowe, by divers mesne conveyances from said executors, has become owner in fee of all that portion of said gore extending from a point on the northerly side of Fifty-second street, distant two hundred and fifty feet easterly from the northeasterly corner of Fifty-second street and Fifth avenue to a point on said northerly side of Fifty-second street, distant three hundred feet easterly from said corner; and

Whereas, James A. Roosevelt, by like mesne conveyances, has become owner in fee of that portion of said gore extending from a point on the northerly side of said street, distant two hundred feet easterly from said corner, to a point on said street distant two hundred and twenty-five feet east of said corner; and

Whereas, It is contended that said deed to the executors of Charles McEvers should have been made to the heirs instead of the executors, in consequence whereof the title of said Griffith Rowe and James A. Roosevelt has been questioned; now, therefore, be it

Resolved, That the Clerk of the Common Council of the City of New York be and he is hereby authorized and directed to execute to said Griffith Rowe and James A. Roosevelt, in the name of said Mayor, Aldermen, and Commonalty, quit-claim deeds of the portions of said gore owned by said Rowe and Roosevelt, respectively, as aforesaid.

O. P. C. BILLINGS,

Which was laid over.

MESSAGES FROM HIS HONOR THE MAYOR.

The Temporary Chairman laid before the Board the following message from his Honor the Mayor:

OFFICE OF THE MAYORALTY,
EXECUTIVE DEPARTMENT, CITY HALL,
NEW YORK, December 10, 1874.

To the Honorable the Common Council:

GENTLEMEN—I herewith transmit resolutions of the Common Council of Long Island City, on the death of the Hon. W. F. Havemeyer, and respectfully submit the same for your action.

Very respectfully,

SAM'L B. H. VANCE,

Mayor.

Resolutions of the Common Council of Long Island City on the Death of Hon. W. F. HAVEMEYER.

At a meeting of the Common Council of Long Island City, held December 1, 1874, a communication was received from the Hon. H. S. De Bevoise, Mayor, calling attention to the demise of Hon. William F. Havemeyer, Mayor of the City of New York, and a Committee consisting of Aldermen Lonergan, Ryan, Holland, Quinn, and Lawless, to whom the same was referred, reported the following, which were unanimously adopted:

Whereas, The sudden death of the Hon. William F. Havemeyer, Mayor of the City of New York, although publicly heralded, has been

formally announced to the Board by the Executive:

Resolved, That Long Island City, in common with her sister municipalities, deeply feels the loss sustained by the public in the death of the Chief Magistrate of New York, and cordially unites with other corporate bodies in paying heart-felt tribute to the sterling honesty and the great capabilities of the lamented dead. Stern and inflexible in the discharge of his public duties, the late Mayor of New York was tender and true, charitable and loving in private life. As merchant, financial officer, Mayor, father, husband, and friend, he has left a record worthy of emulation. The swift taking off of the distinguished man we now mourn, in the midst of his high vocation and the vigor of manhood, is the lesson of the hour. "In the midst of life we are in death." So let us live as to apply our hearts to wisdom.

Resolved, That our respectful sympathies be offered to the family of the deceased, and that a copy of these resolutions be transmitted to the family of the deceased, and to the corporate authorities of New York City.

J. B. NOBLE,

City Clerk.

Which was received and ordered printed to be in the minutes, and, on motion of Alderman McCafferty, the Clerk was instructed to acknowledge the receipt of the paper from the authorities of Long Island City.

Whereas, The imminent necessity of new measures to avert the dangers of diphtheria in this city has already been considered by this Board, and it has set on foot an investigation into the causes and into the best measures of the treatment of the said disease, and competent persons have been engaged therein whose researches will be of the greatest value, not only to the health of the city, but will add, also, to the now inadequate information on this subject; and

There were 21 searches of the registers of births, marriages, and deaths; and 1 transcript of birth record, 6 of marriage, and 16 of death were issued from this Bureau.

By the order of the Board.

EMMONS CLARK,
Secretary.

HEALTH DEPARTMENT OF THE
CITY OF NEW YORK,
BUREAU OF VITAL STATISTICS,
December 8, 1874.

To the Secretary of the Board of Health:

The last week in November was more favorable to life than any period since the last week in June. The total number of deaths in the seven days ending November 28 was 486, and the equivalent of the death-rate was 24.30 per 1,000 inhabitants annually. The last mortality occurred on the 26th, when the total was only 50 deaths, and when only 1 person over 70 years of age, and 19 children under 5, died. Diphtheria was charged with 49 deaths, small-pox with 23, diarrhoeal diseases with 11, bronchitis and pneumonia with 69, phthisis with 73, and the class of constitutional diseases, altogether, with 97 deaths.

In the succeeding week, ending on Saturday, December 5, there were 521 deaths reported, 126 of which were of the constitutional, and 163 of the zymotic classes respectively. The temperature last week was at 36.8 degrees Fahrenheit, and in the previous week at 40.4 degrees.

Diphtheria continues its unequal prevalence. In the central district of the city, between the Fourth and the Seventh avenues, from One Hundred and Twenty-seventh street to the Battery, and in all south of Broome street, this disease makes no mark as an epidemic; only two fatal cases have occurred in the entire district south of Canal, Mulberry, and James streets during the past three weeks; while in the region of the Twentieth Ward, in which it has been most widely distributed and fatal for the past sixteen months, its greatest fatality is still witnessed. But the diminished mortality by this disease is noticeable, and the precautionary measures and sanitary cleansing which the Board and its Inspectors are urging, will greatly diminish

the fatality and hasten the extermination of this malady. It is a duty to the public health in every city and village, and every school and public institution in the State, to make known the precautionary measures for the prevention of destructive diseases. The full application of these precautions is everywhere required, and especially of vaccination and revaccination. The latter duty is most urgent in all the public charities and asylums in the State.

Respectfully submitted.

ELISHA HARRIS, M.D.,
Registrar of Vital Statistics.
