—or any part thereof, will be received at the office of
the Department of Public Charities and Correction, in
the City of New York, until 9 o'clock A.M. of Thursday,
the 18th day of March, 1880. The person or persons
making any bid or estimate shall furnish the same in
a sealed envelope, indorsed "Bid or Estimate for
Lumber, Hardware, Fittings, etc.," and with his or
their name or names, and the date of presentation,
to the head of said Department, at the said office, on or
before the day and hour above named, at which time and
place the bids or estimates received will be publicly opened
by the head of said Department and read.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more articles
included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in
arrears to the Corporation upon debt or contract, or who
is a defaulter, as surety or otherwise, upon any obligation
to the Corporation.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Delivery will be required to be made from time to time,
at such times and in such quantities as may be directed by
the said Department, but the entire quantity will be re-
quired to be delivered on or before thirty (30) days after
the date of the contract.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the per-
son or persons to whom the contract may be awarded will
be required to give security for the performance of the
contract by his or their bond, with two sufficient sureties,
in the penal amount of fifty (50) per cent. of the estimated
amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; that it is made without any
connection with any other person making an estimate for
the same purpose, and is in all respects fair and without
collusion or fraud; and that no member of the Common
Council, Head of a Department, Chief of a Bureau, Deputy
thereof or Clerk therein, or other officer of the Corpora-
tion, is directly or indirectly interested therein, or in the
supplies or work to which it relates, or in any portion of
the profits thereof. The bid or estimate must be verified
by the oath, in writing, of the party or parties making the
estimate, that the several matters stated therein are in all
respects true. Where more than one person is interested,
it is requisite that the verification be made and subscribed
by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect, that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they shall pay to the Corporation any
difference between the sum to which he would be entitled
on its completion, and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract, over and
above all his debts of every nature, and over and above
his liabilities, as bail, surety, and otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by section 27 of
chapter 8 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be
approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept to contract within
forty-eight (48) hours after written notice that the same
has been awarded to his or their bid or proposal, or if he
or they accept but do not execute the contract and give
the proper security, he or they shall be considered as
having abandoned it and as in default to the Corporation,
and the contract will be re-advertised and re-let as pro-
vided by law.

The quality of the articles, supplies, goods, wares, and
merchandise must conform in every respect to the samples
of the same respectively at the office of the said Depart-
ment. Bidders are cautioned to examine the specifica-
tions for particulars of the articles, etc., required, before
making their estimates.

Bidders will state the price for each article by which
the bids will be tested.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,
issued on the completion of the contract, or from
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written instruc-
tion of the Commissioners of Public Charities and Correc-
tion.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more articles
included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in
arrears to the Corporation upon debt or contract, or who
is a defaulter, as surety or otherwise, upon any obligation
to the Corporation.

The form of the agreement, including specifications, and
