DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, November 10, 1886.

### NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN  
made to this Department by citizens claiming  
reductions or rebates on bills for water supplied through  
meters, on the alleged ground of leakage caused by de-  
fective plumbing and worn-out service pipes, or by willful  
waste of water by tenants allowing the faucets to be  
turned on in full force in water-closets, sinks, etc., with-  
out the knowledge or consent of the owners of the prem-  
ises.

The main object of the use of water-meters is to enable  
this Department to detect and check the useless and un-  
warrantable waste of an element so valuable and essential  
to the health and comfort of all the citizens, and this ob-  
ject can only be accomplished by enforcing payment for the  
water wasted.

Under the law all charges for water supplied through  
meters are a lien against the respective premises, and the  
law therefore holds the owner of the premises respon-  
sible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all  
further applications for reduction of water rents, no  
allowance will be made on account of waste of water  
occurring through leaks, from defective service pipes or  
plumbing, or wasteful use of water by tenants or occu-  
pants of buildings, though such leakage or waste may  
have occurred without the knowledge or consent of the  
owners of the buildings.

House-owners are further notified that whenever their  
premises become vacant, and are likely to remain vacant,  
they must notify this Department in writing, and that  
unless this requirement is complied with no deductions in  
extra water rents will be allowed for any portion of one  
year.

JOHN NEWTON,  
Commissioner of Public Works.

sioners or their Secretary for delivery to the Comptrol-  
ler. All deposits (except those of the successful

the persons signing the same that he is a householder or  
freeholder in the City of New York, and is worth the

five per centum of the amount of the security required  
for the faithful performance of the contract. Such check  
or money must NOT be inclosed in the sealed envelope  
containing the estimate, but must be handed to the officer

until such check or money has been examined by said  
officer or clerk and found to be correct. All such de-

abandoned it and as in default to the Corporation, and  
the contract will be readvertised and relet as provided  
by law.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptrol-

The form of the contract, including specifications, and  
showing the manner of payment, can be obtained at the  
office of the Department, and bidders are cautioned

**JURORS.****NOTICE  
IN RELATION TO JURORS FOR STATE  
COURTS.**

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1886.

**APPLICATIONS FOR EXEMPTIONS WILL BE** heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,  
Commissioner of Jurors.
