### Resilient Neighborhoods: Gerritsen Beach (210130 ZMK, 210131 ZRK)

Applications by the New York City Department of City Planning (DCP), for zoning map and text amendments to ensure flood resiliency of future development in the Brooklyn Community District 15 (CD 15) neighborhood of Gerritsen Beach. Such actions would change the zoning on approximately 20 blocks from R4, C3, and C1-2/C2-2 commercial overlays to R4-1, C3A, and C2-3 commercial overlays, and establish a new Special Coastal Risk District (SCRD) in Gerritsen Beach.

### 69 Adams Street (200356 PPK)

An application submitted by the New York City Department of Citywide Administrative Services (DCAS), on behalf of the New York City Economic Development Corporation (EDC), pursuant to Section 197-c of the New York City Charter, for the disposition of approximately 98,500 square feet (sq. ft.) of development rights from a

New York City Department of Transportation (DOT) site, located between Front and York Streets, under the Manhattan Bridge approach. Such action would facilitate the merger of two City-owned zoning lots with the adjacent privately-owned lot at 69 Adams Street. The requested disposition would result in approximately six floors of commercial office space within a 25-story, as-of-right, mixed-use development in Brooklyn Community District 2 (CD 2). This application also seeks a permanent easement to ensure light and air for residential uses above a certain limiting plane on the DOT site.

**737 Fourth Avenue Rezoning (200029 ZMK, 200030 ZRK)**

Applications submitted by 737 Fourth Avenue LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for a zoning map amendment to change the eastern side of Fourth Avenue between 24th and 25th streets from M1-1D to R8A/C2-4, a zoning map amendment to extend the existing Special Enhanced Commercial District (EC-1) to this block of Fourth Avenue, and a zoning text amendment to designate the rezoning area an MIH area. These actions are requested to facilitate a 14-story, mixed-use development with 142 dwelling units and ground-floor retail, in Brooklyn Community District 7 (CD 7). Approximately 35 units would be affordable to households at 60 percent of Area Median Income (AMI), pursuant to MIH Option 1. The building would also provide approximately 45 below-grade accessory off-street parking spaces.

- (4) will result in a #development# or #enlargement# that will not have an adverse effect on the surrounding neighborhood; and-
- (5) of the #public plaza# requirements will result in a #public plaza# of equivalent or greater value as a public amenity.

The Commission may prescribe appropriate additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.-

A Notice of Restrictions, the form and content of which shall be satisfactory to the Commission, for a property subject to #use# restrictions or #public plaza# requirements, as applicable, pursuant to this Section, shall be recorded against the subject tax lot in the Office of the City Register or, where applicable, in the County Clerk's office in the county where the tax lot is located.

The filing and recordation of such Notice of Restrictions shall be a precondition to the issuance of any building permit utilizing the provisions set forth in this Section. The recording information shall be referenced on the first certificate of occupancy to be issued after such notice is recorded, as well as all subsequent certificates of occupancy, for as long as the restrictions remain in effect. No temporary certificate of occupancy for any portion of the #building# to be occupied by #incentive uses# shall be issued until a temporary certificate of occupancy for the core and shell is issued for all portions of the #building# required to be occupied by #required industrial uses#.

## HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
 Department for the Aging (DFTA)  
 Department of Consumer Affairs (DCA)  
 Department of Corrections (DOC)  
 Department of Health and Mental Hygiene (DOHMH)  
 Department of Homeless Services (DHS)

 Department of Small Business Services (SBS)  
 Department of Youth and Community Development (DYCD)  
 Housing and Preservation Department (HPD)
