BOARD OF ESTIMATE AND APPORTIONMENT

BOARD OF ESTIMATE AND APPORTIONMENT—CITY OF NEW YORK,
MAYOR'S OFFICE—CITY HALL,
MONDAY, July 12, 1886—1 o'clock P. M.

The Board met in pursuance of an adjournment.

Present—All the members, viz.:

Wm. R. Grace, the Mayor; Edward V. Loew, the Comptroller; Robt. B. Nooney, the President of the Board of Aldermen; Michael Coleman, the President of the Department of Taxes and Assessments.

On motion, the reading of the minutes of the meeting held July 9, 1886, was dispensed with.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
July 12, 1886.

To the Board of Estimate and Apportionment:

At a meeting held on June 25, 1886, an act passed at the last session of the Legislature (chapter 660), authorizing and empowering the Board of Estimate and Apportionment to revise the Final Estimate for the present year, was referred to the Comptroller.

This statute was submitted by me to the Counsel to the Corporation for his opinion upon the powers of this Board in revising the amounts of certain appropriations which were included in the Final Estimate of 1886, on account of the prohibition of the Constitutional Amendment of 1884 upon an increase of "municipal indebtedness" after January 1, 1885, exceeding ten per centum of the assessed valuation of the real estate in the city subject to taxation. Under a recent decision of the Court of Appeals removing the restriction which the Constitutional Amendment had placed upon the issue of bonds of the City of New York after January 1, 1885, they may now be issued for the objects and purposes for which said appropriations were made, as provided by said act of the Legislature.

A communication from the Counsel to the Corporation upon the powers of this Board to revise these appropriations is herewith submitted.

The Final Estimate of 1886 includes an appropriation of \$500,000 to the "Fund for Local Improvements," created by chapter 174, Laws of 1885.

The advice of the Corporation Counsel in regard to a revision of this appropriation is that "if there will, beyond any doubt, be left in the Fund for Local Improvements, exclusive of the \$500,000 appropriated for this year, a sufficient sum of money to meet all claims upon contracts certified against that fund and not provided for by chapter 420 of the Laws of 1886, including such incidental accretions of expense as commonly attend the execution of contracts, then the whole amount may be deducted from the Final Estimate for 1886 under the provisions of chapter 660 of the Laws of 1886."

"If the Fund for Local Improvements should, for any reason, be insufficient to meet all probable claims upon it without using some part of the \$500,000 appropriation, then I advise you that it is competent for the Board of Estimate and Apportionment to revise the Final Estimate for this year by striking therefrom so much of the \$500,000 appropriation as will not be needed for the purpose to which it was appropriated."

The amount credited to the Local Improvement Fund, exclusive of the appropriation of \$500,000, is \$439,342.84, and the amount of contracts certified against it pursuant to section 8 of chapter 174 of the Laws of 1885, is \$315,952.13. The sum of \$14,071.07 has been paid on contracts, leaving a balance in the fund of \$109,319.04. While this sum may be sufficient to meet all claims against such contracts, "including incidental accretions of expense as commonly attend the execution of contracts" for local improvements, yet as the cost of such works frequently exceed in large amounts the estimates of the departments in charge of them I think it advisable to reserve a larger balance in the Fund for Local Improvements, and therefore recommend that the sum of \$100,000 be retained out of the appropriation of \$500,000 and the sum of \$400,000 be stricken out of that appropriation in the Final Estimate of 1886.

An appropriation of \$894,000 was made in the Final Estimate for 1886 for "Purchasing and Procuring Sites for and Erecting New School Buildings and for Additions to School Buildings," of which appropriation the sum of \$60,345.47 has been expended and charged against it.

An appropriation was also made of \$750,000 in the Final Estimate for 1886 for construction of a bridge over the Harlem river, of which the sum of \$19,285.28 has been expended and charged against it.

The Counsel to the Corporation in respect to these two appropriations says: "I see no reason why the tax levy should not be revised to the extent of striking therefrom the whole appropriation made for school sites and buildings, reimbursing the Treasury the amount of the appropriation already expended by the issue of School Bonds under existing provisions of law," and also the whole appropriation for the construction of a bridge over the Harlem river, under the provision of the act authorizing the construction of the bridge, reimbursing the Treasury from the proceeds of bonds for the amount already expended for that purpose.

I recommend that the whole amount of each of these two last-named appropriations be stricken from the Final Estimate for 1886, in accordance with the opinion of the Counsel to the Corporation.

Respectfully submitted,

EDWARD V. LOEW, Comptroller.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, July 9, 1886.

Hon. EDWARD V. LOEW, Comptroller:

SIR—I am in receipt of your communication of July 1, enclosing a copy of chapter 660 of the Laws of 1886, entitled "An act to authorize and empower the Board of Estimate and Apportionment of the City of New York to revise the final estimates of the amounts required to pay the expenses of conducting the public business of the City and County of New York and of the Board of Education for the year 1886."

You state that at a meeting of the Board of Estimate and Apportionment held on June 25, 1886, this act was referred to you, with instructions to consult me upon the subject of revising certain appropriations included in the Final Estimates for 1886, for objects and purposes that can now be provided for by the issue of bonds.

You state that an appropriation of \$500,000 was made to the Fund for Local Improvements, and that this appropriation has not been expended, but remains intact, and you ask my advice whether the whole amount should be deducted from the Final Estimate for 1886, stating that it is not required to pay contracts certified by the Comptroller in view of the provisions of chapter 420 of the Laws of 1886 for the payment of contracts made prior to 1885.

I addressed you, on June 28, a letter regarding the effect of an act passed by the last Legislature, repealing chapter 174 of the Laws of 1885, which provided for the creation of the fund known as the Fund for Local Improvements. Referring to that letter, I now advise you that if there will, beyond any doubt, be left in the Fund for Local Improvements, exclusive of the \$500,000 appropriated for this year, a sufficient sum of money to meet all claims upon contracts certified against that fund and not provided for by chapter 420 of the Laws of 1886, including such incidental accretions of expense as commonly attend the execution of contracts, then the whole amount may be deducted from the Final Estimate for 1886, under the provisions of chapter 660 of the laws of this year.

If the Fund for Local Improvements should, for any reason, be in sufficient to meet all probable claims upon it without using some part of the \$500,000 appropriation, then I advise you that it is competent for the Board of Estimate and Apportionment to revise the Final Estimate for this year by striking therefrom so much of the \$500,000 appropriation as will not be needed for the purpose to which it was appropriated.

You also state that an appropriation was made in the Final Estimate for 1886 of \$894,000 for "Purchasing and Procuring Sites for and Erecting New School Buildings and for Additions to School Buildings," and that of this appropriation there has been expended \$60,185.40, leaving a balance unexpended of \$833,814.86, and you enclose a copy of chapter 456 of the Laws of 1886, extending the time for the issue of bonds for these purposes, and you ask whether the whole amount of the appropriation should be deducted from the Final Estimate and the amount heretofore expended and charged to it be reimbursed to the Treasury from the proceeds of bonds, or whether only the amount of unexpended balance of the appropriation should be deducted.

It was the clear intention of the Legislature in passing the law known as chapter 660 of the laws of 1886, to relieve the present tax levy, as far as possible, from charges which could be met by the issue of bonds, and I see no reason why the tax levy should not be revised to the extent of striking therefrom the whole appropriation made for school sites and buildings, reimbursing the Treasury the amount of that appropriation already expended by the issue of school bonds under existing provisions of law.

You further state that an appropriation was made, in the Final Estimate of 1886, of \$750,000 for the construction of a bridge over the Harlem river, under the provisions of chapter 487 of the Laws of 1885, and that there has been charged to this appropriation already the sum of \$15,570.28, leaving an unexpended balance therein of \$734,429.32, and you ask in reference to this appropriation the same question that you have asked in reference to the appropriations for school sites and school buildings. To this last question I make the same answer that I make to the one above referred to, namely, that I see no reason why the Final Estimate should not be revised by striking therefrom the entire appropriation and reimbursing the Treasury for the amount already expended by the issue and sale of bonds under the provisions of the act authorizing the construction of the bridge.

I am, sir, yours, very respectfully,

E. HENRY LACOMBE, Counsel to the Corporation.

CHAPTER 660.

Passed June 15, 1886; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The board of estimate and apportionment of the city of New York is hereby authorized and empowered to revise, by the concurrent vote of all the members thereof, the final estimate of the amounts required to pay the expenses of conducting the public business of the city and county of New York in each department and branch thereof, and of the board of education, for the year eighteen hundred and eighty-six, by striking therefrom such amounts as have been appropriated therein for the purposes for which there is authority under existing laws to issue bonds of the mayor, aldermen and commonalty of the city of New York.

§ 2. This act shall take effect immediately.

STATE OF NEW YORK,
Office of the Secretary of State, ss.:

I have compared the preceding with the original law on file in this office, and do hereby certify that the same is a correct transcript therefrom, and of the whole of said original law.

CHAPTER 456.

AN ACT to extend the time for the issue of bonds to provide additional accommodations for the common schools in the City of New York.

Passed May 26, 1886; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows: Section 1. The time for the issue of bonds as provided by chapter four hundred and fifty-eight of the laws of eighteen hundred and eighty-four, entitled "An act to provide additional accommodations for the common schools in the city of New York," as amended by chapter four hundred and ninety-four of the laws of eighteen hundred and eighty-five, entitled "An act to amend chapter four hundred and fifty-eight of the laws of eighteen hundred and eighty-four, entitled 'An act to provide additional accommodations for the common schools in the city of New York,'" is hereby extended so as to include the years eighteen hundred and eighty-seven, eighteen hundred and eighty-eight and eighteen hundred and eighty-nine, in addition to the years mentioned in said acts.

Sec. 2. This act shall take effect immediately.

And offered the following preamble and resolution:

Whereas, Chapter 660 of the Laws of 1886 authorizes and empowers the Board of Estimate and Apportionment of the City of New York "to revise, by the concurrent vote of all the members thereof, the Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York in each department and branch thereof, and of the Board of Education, for the year 1886, by striking therefrom such amounts as have been appropriated therein for the purposes for which there is authority under existing provisions of law to issue bonds of the Mayor, Aldermen and Commonalty of the City of New York"; and

Whereas, The Constitutional Amendment restricting municipal indebtedness, adopted by a vote of the people of the State of New York, November 4, 1884, to take effect January 1, 1885, provides that—

"No county containing a city of over one hundred thousand inhabitants, or any such city shall be allowed to become indebted for any purpose or in any manner to an amount which, including existing indebtedness, shall exceed ten per centum of the assessed valuation of the real estate of such county or city subject to taxation, as it appeared by the assessment-rolls of said county or city on the last assessment for state or county taxes prior to the incurring of such indebtedness; and all

indebtedness in excess of such limitation, except such as may now exist, shall be absolutely void, except as herein otherwise provided"; and

Whereas, Under this provision of the State Constitution it was held by the authorities of the city that bonds of the City of New York could not be lawfully issued after January 1, 1885, excepting for certain objects and purposes specially therein excepted, and bonds were not issued after that date for several objects and purposes which could otherwise have been issued under the authority of existing laws; and

Whereas, It became necessary on account of this restriction upon the issue of bonds for such objects and purposes, to include in the Final Estimate for the year 1886, appropriations therefor, as follows, viz.:

"The Fund for Local Improvements".....	\$500,000 00
"Purchasing and Procuring School Sites for and Erecting New School Buildings and for Additions to School Buildings".....	\$94,000 00
"Construction of a Bridge over the Harlem River".....	750,000 00
Total.....	\$2,144,000 00

And Whereas, The Court of Appeals of the State of New York has decided in the case of The Bank for Savings in the City of New York against the Mayor, etc., April 30, 1886, that the constitutional prohibition upon the issue of bonds and the increase of municipal indebtedness is not now applicable to the City and County of New York, and, therefore, bonds may now be issued for such objects and purposes; and

Whereas, The Counsel to the Corporation in an opinion given to the Comptroller upon the powers conferred upon this Board by chapter 660 of the Laws of 1886, states that—

"If the Fund for Local Improvements should, for any reason, be insufficient to meet all probable claims upon it without using some part of the \$500,000 appropriation, then I advise you that it is competent for the Board of Estimate and Apportionment to revise the Final Estimate for this year by striking therefrom so much of the \$500,000 appropriation as will not be need for the purpose to which it was appropriated"; and

Whereas, As appears by the report presented by the Comptroller, that he considers it advisable, for the reasons stated, and recommends that the sum of one hundred thousand dollars (\$100,000) be retained out of the appropriation of five hundred thousand (\$500,000) to the Fund for Local Improvements and that the sum of four hundred thousand dollars (\$400,000) be stricken therefrom; and

Whereas, In the opinion of the Counsel to the Corporation the Board of Estimate and Apportionment may also strike out the entire appropriation for the purchase of school sites and the erection of new school buildings, etc., and for the construction of a bridge over the Harlem river; therefore

Resolved, That in pursuance of the provisions of chapter 660 of the Laws of 1886, the Board of Estimate and Apportionment hereby revises, by the concurrent vote of all the members thereof, the Final Estimate of the amounts required to pay the expense of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the year 1886, by striking therefrom the amounts set against each of the following appropriations, aggregating the sum of two million forty-four thousand dollars (\$2,044,000), viz.:

From the appropriation for "The Fund for Local Improvements," strike out.....	\$400,000 00
From the appropriation for "Purchasing and Procuring School Sites for and Erecting New School Buildings and for Additions to School Buildings," strike out.....	\$94,000 00
From the appropriation for "Construction of a Bridge over the Harlem River," strike out.....	750,000 00
Total.....	\$2,044,000 00

Resolved, That the above sum of two million forty-four thousand dollars (\$2,044,000) be deducted from the Final Estimate of 1886; and

Whereas, On June 9, 1886, the Board of Estimate and Apportionment adopted the following resolution, to wit:

"Resolved, That pursuant to the authority conferred upon the Board of Estimate and Apportionment by chapter 597 of the Laws of 1886, an appropriation be and is hereby made of the sum of one hundred and ten thousand dollars (\$110,000), to be entitled 'Additional Police Fund,' chapter 597, Laws of 1886, said amount to be included in the Final Estimate for the year 1886, for the redemption of the Revenue Bonds to be issued for the payment of the services of three hundred additional Patrolmen, appointed by the Board of Police of the City of New York, under the provisions of said act, and in compliance with a resolution adopted by the Police Board on June 7, 1886, requesting such an appropriation"; therefore

Resolved, That the sum of one hundred and ten thousand dollars (\$110,000) be added to the Final Estimate of 1886.

Total appropriations of the Final Estimate of 1886.....	\$35,736,320 59
Deduct amount of estimated revenues of the General Fund not otherwise specifically appropriated by law.....	2,250,000 00

Deduct for amounts revised and stricken from appropriations pursuant to chapter 660 of the Laws of 1886.....	\$33,486,320 59
	2,044,000 00

Add for amount of appropriation made pursuant to chapter 597 of the Laws of 1886.....	\$31,442,320 59

The Comptroller presented the following:

NEW YORK, July 10, 1886.

To the Comptroller of the City of New York:

DEAR SIR—The following resolution was adopted by the Board of Education, at a meeting held May 5, 1886:

RESOLUTIONS.

Commissioner Devoe offered the following:

Whereas, This Board made application to the Comptroller (Journal, 1885, page 542) for the issue of School House Bonds to the amount of one million dollars, being a portion of the amount authorized by law, and as the Comptroller was prevented from acting, at that time, by a decision of the Court in relation to the bonded debt of the City; and

Whereas, The Court of Appeals has recently reversed said decision; therefore

Resolved, That this Board now renews said application to the Comptroller, and that the President be and hereby is requested to appoint a Special Committee to take charge of the matter and urge such prompt action as will enable this Board to appropriate the proceeds of the sale of said bonds as soon as possible.

Adopted.

The President appointed Commissioners Devoe, Cole and Vermilye as said Special Committee. There was some delay in preparing plans and specifications for new schools, in consequence of the death of Mr. Stagg, the Superintendent of School Buildings, and the election of his successor. The final meeting of the Board of Education, until September next, will occur on the 14th instant, and it will be necessary to act on all contracts for purchasing sites or erecting school buildings at that meeting. (It requires sixteen votes of the twenty-one members to confirm contracts.) The Trustees of the Twenty-second Ward have awarded the contract for a school building in Fifth street, near Tenth avenue; and on the 12th and 13th instant bids will be opened for a school building in Henry street, Seventh Ward, and also in King street, Eighth Ward. 	\$104,500 00

The amount allowed by the Board of Estimate and Apportionment for a site in Eleventh Ward, was \$50,000. The site selected by the Trustees will cost \$55,500.

Application has been made to the Board by the Nineteenth Ward for the purchase of a lot on westerly side of a school building in Forty-second street, and the Committee on Sites wish to act on these applications before the meeting of the Board of Education on the 14th instant, say:

In addition to this amount the Board will require for the following, which were included in its application to the Board of Estimate and Apportionment (as adopted at its meeting, October 7, 1885):

And offered the following preamble and resolution:

Whereas, Pursuant to the provisions of chapter 458 of the Laws of 1884, the Board of Estimate and Apportionment authorized the issue of bonds to the amount of one million dollars (\$1,000,000), of which amount the sum of three hundred and thirty-two thousand dollars (\$332,000) only had been issued prior to the operation of the Constitutional Amendment of 1884, which has prevented a further issue thereof since January 1, 1885; and

Whereas, Under a recent decision of the Court of Appeals, the restriction of the Constitutional Amendment upon the issue of bonds of the City of New York has been removed, and bonds authorized by existing laws may now be issued; and

Whereas, Chapter 458 of the Laws of 1884 has been amended by chapter 494 of the Laws of 1885 and chapter 456 of the Laws of 1886, by providing for an extension of the time for issue of bonds authorized to be issued thereby, so as to include the years of 1887, 1888 and 1889;

Resolved, That, pursuant to the provisions of chapter 458 of the Laws of 1884, chapter 494 of the Laws of 1885, and chapter 456 of the Laws of 1886, the Board of Estimate and Apportionment hereby approves of the issue of bonds in the name of and on behalf of the Mayor, Aldermen and Commonalty of the City of New York, and authorizes the Comptroller of said city to issue the same, to run for such term or terms of years as the said Comptroller shall direct, not longer than twenty years from the date of issue, and at such rate of interest as he may determine, not exceeding three per cent. per annum, to the amount of four hundred and ten thousand five hundred dollars, the proceeds of which shall be used for the erection of new school buildings and the purchase of school sites, as follows:

Fiftieth Street Building.
Henry Street Building.
King Street Building.
Site in Eleventh Ward.
Site in Nineteenth Ward.

And for reimbursing the Treasury, the sum of \$60,345.47, expended from an appropriation made in the Final Estimate for 1886 for such purposes, which said bonds shall be known as "School House Bonds," and shall be exempt from taxation by the City and County of New York, but not from taxation for State purposes, when directed by the Commissioners of the Sinking Fund, pursuant to section 137 of the New York City Consolidation Act of 1882, and as authorized by an ordinance of the Common Council, approved by the Mayor, October 2, 1880. The said bonds shall also be known as Consolidated Stock of the City of New York, as provided by section 132 of said Consolidation Act of 1882.

Which were adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller offered the following resolution:

Resolved, That, pursuant to the provisions of chapter 487 of the Laws of 1885, the Comptroller be and hereby is authorized to issue, from time to time, as may be required, and at such rate of interest as he may determine, not exceeding three per cent. per annum, "Consolidated Stock of the City of New York," to the amount of fifty thousand dollars (\$50,000), for the purpose of providing for the expense of constructing a bridge over the Harlem river in the City of New York, in accordance with the provisions of said act, and sections 132 and 134 of the New York City Consolidation Act of 1882, which sum includes the sum of \$19,285.28, expended for and on account of the appropriation made in the Final Estimate for 1886, for "Construction of a Bridge over the Harlem River," to reimburse the Treasury.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller offered the following resolution:

Resolved, That, in pursuance of the provisions of chapter 676 of the Laws of 1886, the Board of Estimate and Apportionment hereby fixes the compensation to be paid to the Warden and Keepers of the County Jail at the following amounts, viz.:

Warden.....	\$3,000 per annum.
Keepers (each).....	1,000 "

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,
No. 66 THIRD AVENUE.

TO CONTRACTORS.

PROPOSALS FOR ONE NEW BOILER AND SURFACE CONDENSER FOR STEAMER "FIDELITY," CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES FOR THE aforesaid job, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third avenue, in the City of New York, until 9:30 o'clock A. M. of Tuesday, July 20, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for one New Boiler and Surface Condenser for Steamer 'Fidelity,' City of New York," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of five thousand (\$5,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be

forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department, where the plans will be on exhibition for information of bidders.

Dated, New York, July 7, 1886.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

SEALED BIDS OR ESTIMATES FOR THE

aforesaid job, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 9.30 o'clock A. M. of Wednesday, July 14, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Repairs and Alterations of Steamer 'Bellevue' into a Scow or Stone-barge" with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

It is hereby agreed and understood that this bid or estimate is in lieu and place of such sale by auction, as is provided for by section 62, chapter 410, Laws of 1882, of the engine, boiler, machinery and other materials now in said steamer, but not needed in said scow or stone-barge; and that, after deducting the cost of repairing and altering said steamer into said scow, in accordance with the plans and specifications which form a part of the contract for said work, from the value of said engine, boiler and machinery, etc., the difference in cash shall be paid into the city treasury as if the said property had been sold by auction under said section of the Consolidation Act; and the said engine, boiler, machinery and other materials shall thereupon become the property of the contractor. The person allowing the largest difference will become the lowest bidder for the aforesaid work.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as

surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, and said bondsmen shall be held to be securely bound not only for the faithful compliance with all the specifications of this contract, but for the payment on demand on completion of the aforesaid work of the sum of money agreed upon in cash or current funds of the City of New York and continue to be so bound until released by the receipt in full of the Board of Public Charities and Correction by his or their bond, with two sufficient sureties, each in the penal amount of four thousand (4,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation the excess, if any there be, of the amount which the Corporation would have been entitled to receive had the same been complete, over the amount which the person or persons to whom the contract may be awarded at any subsequent letting may be obliged to pay to the Comptroller. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be required on delivery of the scow or stone-barge, completed to the entire satisfaction of Charles H. Haswell, Assistant Supervising Engineer and the Board of Public Charities and Correction, whose receipt in full shall release the bondsmen of the Contractor.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

No estimate will be considered unless accompanied by either a certified check upon one of the State or national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for Furnishing Coal," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made to the lowest bidder with adequate security as soon thereafter as practicable.

For particulars as to the quality, kind and size of coal required, reference must be made to the specifications, blank forms of which may be obtained at the office of the Chief Clerk in the Central Department.

Bidders will state a price per ton of two thousand pounds for the coal to be delivered (see eighth paragraph of the specifications). The price must be written in the bid, and stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudicial to the public interests.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The entire quantity of coal is to be delivered within thirty days from the date of the execution and delivery of the contract.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or

parties making the estimate, that the several matters stated therein are in all respects true. When more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms for estimates may be obtained by application to the undersigned, at his office in the Central Department.
