priation for "New Apparatus, etc.," for the current year, for which the appropriation is insufficient, by reason of extraordinary repairs and alterations required to the quarters of Engine Companies Nos. 19 and 34, and for the erection of new quarters for the proposed new company, Engine Company No. 44.

Very respectfully, VINCENT C. KING, President.

The Comptroller offered for adoption the following resolution:

Resolved, That the sum of fifteen thousand dollars be and the same is hereby transferred from the appropriation made to the Fire Department for the year 1879, entitled "Fire Department Fund—For Salaries (Pay of Foremen, etc.)," which is in excess of the amount required for the purposes or objects thereof, to the appropriation made to said Fire Department for the year 1879, entitled "Fire Department Fund—For Apparatus, Supplies, etc.," which is insufficient.

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE, ¿

To the Board of Estimate and Apportionment:

The accompanying communication from the Department of Public Works, dated July 31, 1879, requesting that an appropriation of \$12,500 be made, pursuant to the provisions of chapter 480, Laws of 1879, for the expenses in the year 1879 of providing a supply of wholesome water to the Twenty-fourth Ward, was referred to the Comptroller at the meeting of the Board on the 1st instant and I research. instant, and I respectfully

REPORT:

That doubts existed as to whether the said act conferred authority upon the Board of Estimate and Apportionment to make the appropriation and include the same in the Final Estimate for the year 1879, and the question was therefore referred to the Counsel to the Corporation.

In his reply, which is herewith submitted, he says:

"It is very clear that the Legislature intended to require the Board of Estimate and Apportionment to appropriate the said sum of \$12,500, and that such amount should be included in the Final Estimate, and raised by tax this year, and, if it be practicable to do so, I think the requirement of the statute should be complied with."

A resolution for this purpose is therefore presented for the adoption of the Board.

JOHN KELLY, Comptroller.

Department of Public Works, Commissioner's Office, Room 19, City Hall, New York, July 31, 1879.

Hon. EDWARD COOPER, Mayor, and Chairman Board of Estimate and Apportionment:

SIR—I beg to call your attention to chapter 480, Laws of 1879, passed June 5th ult., authorizing the City of New York, by the Commissioner of Public Works, to contract with the City of Yonkers for a water supply for the Twenty-fourth Ward; authorizing and directing the laying of pipes to distribute the water, and authorizing and directing the Board of Estimate and Apportionment to appropriate the sum of \$25,000 for that purpose, one half of the amount to be appropriated for the year 1879, and one half for the year 1880.

Will you please lay this matter before the Board for such action as the provisions of the law require

Very respectfully,

FRED. H. HAMLIN,
Deputy and Acting Commissioner of Public Works.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, August 26, 1879.

Hon. JOHN KELLY, Comptroller:

SIR-I duly received your letter of the 12th inst., in which you cite the following provision of

section 4, chapter 480 of the Laws of 1879:

section 4, chapter 480 of the Laws of 1879:

"The Board of Estimate and Apportionment of the City of New York are hereby authorized and directed to appropriate the sum of \$25,000 to carry out the provisions of this act; \$12,500 thereof to be so appropriated by said Board for the current year, and the sum of \$12,500 thereof to be appropriated by said Board for the year 1880."

You request my opinion upon the question whether the Board of Estimate and Apportionment is required under this provision to appropriate the sum of \$12,500 for the purpose specified, and add the amount to the final estimate for the year 1879, to be raised by tax in said year.

It is very clear that the Legislature, in adopting the provision above quoted, intended to require the Board of Estimate and Apportionment to appropriate the said sum of \$12,500, and that such amount should be included in the final estimate and raised by tax this year, and, if it be practicable to do so, I think the requirement of the statute should be complied with. I do not know how much has been done in making extensions of the tax books, but if the work has so far progressed that it would cause serious inconvenience and delay to include said amount of \$12,500 in the tax levy of this year, I think it would be proper and lawful for the Board of Estimate and Apportionment to make a transfer of that sum from some unexpended balance, for the purpose specified in the statute.

I am, sir, yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

—and offered for adoption the following resolution:

—and offered for adoption the following resolution:

Resolved, That pursuant to the provisions of chapter 480 of the Laws of 1879, the sum of twelve thousand five hundred dollars is hereby appropriated for the purposes of said act, viz.: "To provide a supply of wholesome water to the Twenty-fourth Ward of the City of New York," the said sum to be added to and included in the appropriations made to the Department of Public Works in the final estimate for the year 1879, under the title of "Expenses of providing a supply of water to the Twenty-fourth Ward."

The Chairman put the question whether the Department of Public Works in the final content of the providing a supply of water to the Twenty-fourth ward."

The Chairman put the question whether the Board would agree with said resolution.

The Comptroller presented the following report:

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE, I August 25, 1879.

To the Board of Estimate and Apportionment:

The Comptroller, to whom was referred, on the 29th of July last, three resolutions, adopted by the Board of Police on the 22d day of July, requesting certain transfers of appropriations to enable the said Board to pay the back salaries of Patrolman Kerin Finnerty, Fifteenth Precinct, Patrolman James Mulvey, First Precinct, and Patrolman John M. Mathews, Ninth Precinct, who were dismissed from the Police Department, but were afterwards reinstated by order of the Supreme Court, respectfully

REPORTS:

That, on the 31st of July, the Comptroller communicated with the Counsel to the Corporation, requesting to be furnished with copies of the orders of the Supreme Court, by virtue of which these three patrolmen were restored to their positions on the Police force, after having been removed therefrom by the Police Commissioners, and asking his opinion, whether their claims for the unpaid salary accruing to them during the respective periods of their removal, are proper charges against the City Treesure.

I have received the reply of the Counsel to the Corporation, dated August 16, 1879, transmitting copies of the orders of the Supreme Court in the cases of the patrolmen named, and giving his opinion that the said patrolmen are entitled to the payment of their claims against the city for salary from the time of their removal until the date of their reinstatement.

The communication of the Counsel to the Corporation, and the copies of orders of the Supreme Court in the cases named, are herewith transmitted for the information of the Board. I therefore submit, for the adoption of the Board, a resolution making the transfers requested by the Board of Police.

JOHN KELLY, Comptroller.

LAW DEPARTMENT, OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, August 16, 1879.

Hon. JOHN KELLY, Comptroller:

SIR—I have received your letter of the 31st ultimo, in which you request copies of the orders of the Supreme Court, by virtue of which Patrolmen Kerin Finnerty, of the Fifteenth Precinct; James Mulvey, of the First Precinct, and John M. Matthews, of the Ninth Precinct, were restored to their positions on the Police force, after having been removed therefrom by the Police Commissioners, and asking if their claims for the unpaid salary accruing to them during the respective periods of their removed are proper charges against the city.

asking it their claims for the inpath satary actually to their during the respective periods of their removal are proper charges against the city.

In reply, I would state that I have heretofore advised the Board of Police, in relation to the claim of James Mulvey, that the officer had a legal claim against the city for the amount of his salary, from the time of his removal until the date of his reinstatement.

So far as I have been able to ascertain, the cases of Patrolinen Finnerty and Matthews are

entirely similar to that of Patrolman Mulvey, and I therefore see no reason why they are not entitled s of the orders desired.

I am, sir, yours respectfully,
W. C. WHITNEY,
Counsel to the Corporation. to payment of their claims.

I enclose herewith certified copies of the orders desired.

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE, August 27, 1879.

To the Board of Estimate and Apportionment:

Chapter 434 of the Laws of 1879, provides for the payment of the claim of the Suburban Gaslight Company against the late town of West Farms, from the proceeds of Revenue Bonds to be issued in anticipation of taxes to be levied in the year 1880. The nature of this claim and the facts

issued in anticipation of taxes to be levied in the year 1880. The nature of this claim and the facts relating to it appear to be as follows:

The claim is for a balance alleged to be due for lighting the street-lamps in certain lamp districts during the year 1873, under a contract made November 5, 1870, between the Board of Town Officers of the town of West Farms and the Suburban Gas-light Company, to continue ten years, from January 1, 1871, at the rate of \$50 per year for each and every lamp lighted; such contract having been entered into in pursuance of chapter 572 of the Laws of 1870. On December 10, 1874, an opinion was given to the then Comptroller by the Corporation Counsel, that the contract was valid, and that the city was liable, according to the terms thereof, to the Suburban Gas-light Company. The city has thereupon continued to pay the bills of said company for lighting the street-lamps in said town of West Farms since it was annexed to this city in 1874.

It was provided by chapter 572 of the Laws of 1870, that the expense of lighting the street-lamps in said town should be assessed upon and collected from the taxable real estate embraced within the established lamp district so lighted. And it was further provided that the Receiver of Taxes of said town should make a return to the County Treasurer of all unpaid assessments for said taxes, and for the collection of the same proceedings should be taken in the manner prescribed by law for the collection of unpaid school taxes.

The bills of the gas company were paid from the collections of said taxes, but as a portion of the

The bills of the gas company were paid from the collections of said taxes, but as a portion of the gas taxes for 1873 were not paid, a balance therefor remained due to the gas company on the bills for lighting and repairing street-lamps during that year.

As the functions of the town officers ceased after the annexation of said town to the City of New

As the functions of the town officers ceased after the annexation of said town to the City of New York, the unpaid gas taxes for the year 1873 could not be collected by them in the usual way as prescribed by law. The Receiver of Taxes of said town made his return of unpaid taxes, including those assessed for gas, to the Clerk of the Bureau of Arrears, but as the act of annexation made no special provision for the collection of unpaid gas taxes, they have remained uncollected until provision should be made by an act of the Legislature.

For this reason the act of the last session, which provided for the payment of the claim of the Suburban Gas-light Company, also provided for the collection of the unpaid gas taxes of 1873 in said town of West Farms, amounting to \$4,168.60, by authorizing the Board of Supervisors of the City of New York to levy, upon the pieces and parcels of land affected thereby, the amount of unpaid gas tax as appears on the return of such unpaid gas tax made by the Receiver of Taxes for the town of West Farms, together with six per cent. interest per annum from the date of said return, June 24, 1874, to the date of said levy, and thus provide the means of paying the Revenue Bonds of 1880, authorized by the same law to be issued for the payment of the claim of the Suburban Gas-light Company.

This claim has been examined by this Department, and the amount due, with six per cent. interest to September 1, 1879, ascertained and determined at \$5,466.41, in pursuance of the provisions of said chapter 434 of the Laws of 1879.

A resolution is herewith submitted authorizing the issue of Revenue Bonds of 1880 for the amount found due to pay the said claim.

—and offered for adoption the following resolution:

Resolved, That, pursuant to the provisions of section 2, chapter 434, Laws of 1879, the Comptroller be and is hereby authorized and directed to issue "Revenue Bonds of the City of New York," to the amount of five thousand four hundred and sixty-six dollars and forty-one cents, the said bonds to bear interest not exceeding six per cent. per annum, and to be made payable from the Sinking Fund at such date in the year 1880 as the Comptroller may determine.

The Chairman put the question whether the Board would agree with said resolution.

THE PEOPLE OF THE STATE OF NEW YORK.

To the Commissioners of Taxes and Assessments for the City and County of New York:

Whereas, On the petition of the heirs of Domingo Banco, verified the 1st day of July 1879, it appears

Whereas, On the petition of the heirs of Domingo Blanco, verified the 1st day of July 12879, it appears to us

I. That the Commissioners of Taxes and Assessments for the City and County of New York exist under Sec. 302, Laws of 1859, and the statutes of this State in the premises made and provided, and are charged with the powers and duties in said statutes-enacted and specified.

II. That said petitioners are the owners of the premises 17, 19, 21, and 23 Bridge street and 4 Stone street, in the City of New York, known and designated upon the Tax and Assessment maps of said city by the Ward Nos. 337, 333, 339, 390, and 363 in the First Ward of said city.

III. That, as appeared by "The Annual Record of the Assessed Valuation of Real and Personal Estate," as the same was open to public inspection in the office of said Commissioners, pursuant to Sec. 10 of said Chap. 302, Laws of 1859, the said premises were valued, for purposes of taxation for the year 1879, at the sum of \$85,000.

IV. That prior to the 1st day of May, 1879, an application in writing, on behalf of said petitioner as said owner of said premises, for the reduction of said valuation to the sum of \$40,000, was filed in the office of said Commissioners, pursuant to Sec. 10, Chap. 302, Laws of 1859.

V. That verified proof in support of said application, in writing, was presented to said Commissioners prior to their final decision thereupon; that a personal hearing, in support of said application in writing, was requested of said Commissioners on behalf of said petitioner, and denied; and that a subsequent offer, made in writing on behalf of said petitioner, and denied; and that a subsequent offer, made in writing on behalf of said petitioner, and denied; and that a subsequent offer, made in writing on behalf of said petitioner, and denied; and that a subsequent offer, made in writing on behalf of said petitioner, and denied; and that a subsequent offer, made in writing on behalf of said petitioner, said Commissioners.

VI. That the value of said prem

Commissioners, was never replied to by said Commissioners.

VI. That the value of said premises, "as in payment of a just debt due from a solvent debtor, being the sum for which such property, under ordinary circumstances, would sell," was appraised in said verified proof at \$, but that said application prayed a reduction of the assessed valuation to \$40,000, for the reason that, as said petitioner is informed and believes, it has been the well-established and invariable custom of said commissioners in this city to assess only a ratable percentage of the full and actual value of real estate, and that said Commissioners were, prior to their decision thereon, notified in writing, on behalf of said petitioner, that said application was made for such reduction below said value as appraised in said verified proof, for the reason hereinbefore stated.

VII. That the said Commissioners have considered said application and proof of value, but that said petitioner has no knowledge as to what proceedings were had by said Commissioners decided to confirm the valuation of said premises for the year 1879 at \$80,000, by which decision said petitioner is aggrieved.

VIII. That in and by Sec. 20, Chap. 302, Laws of 1859, it is provided—

"That a certiorari to review and correct on the merits

said petitioner is aggrieved.

VIII. That in and by Sec. 20, Chap. 302, Laws of 1859, it is provided—

"That a certiorari to review and correct on the merits any decision or action of the said Commissioners under sections to and rt of this act shall be allowed by the Supreme Court, or any judge thereof, directed to the said Commissioners, on the petition of the party aggrieved, and shall, with the return, be heard and decided forthwith by said Court, in preference to all other matters, actions, and proceedings."

And we, being willing for certain reasons that the said application of said petitioner for a reduction of the said application of said petitioner in support of said application, and all writings in relation thereto, and all the proceedings, proofs and matters whereupon the said Commissioners decided to value said premises, for the purposes of taxation for the year 1879, at \$30,000, and all the proceedings thereto appertaining should be certified and returned by you into our Supreme Court, before our justices thereof, at a General Term of said Court, to be held at the City Hall in the City of New York, on the 6th day of October, next, at the opening of Court on that day,

Do command you that you certify and return into our

oth day of October, next, at the opening of day,
Do command you that you certify and return into our
said Supreme Court, before our said justices thereof, at a
General Term of said Court to be held at the place and
on the day last aforesaid, at the opening of Court on that
day, all the proceedings concerning the said application
of said petitioner for a reduction of the said assessed
valuation of said premises, and the proof presented by
said petitioner in support of said application, and all writings in relation thereto, and all the proceedings, proofs
and matters whereupon the said Commissioners decided
to value said premises, for the purposes of taxation for to value said premises, for the purposes of taxation for the year 1870, at \$30,000, which proofs, matters, proceedings and things were had and taken by and remaining before you, so that our said Court may further act therein, as of right and according to law ought to be done; and have you there this writ.
