NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
 NEW COUNTY COURT-HOUSE,
 NEW YORK, June 1, 1883.

APPLICATIONS FOR EXEMPTIONS WILL BE
 heard here, from 10 to 3 daily, from all persons
 hitherto liable or recently serving who have become
 exempt, and all needed information will be given.

Those who have not answered as to their liability, or
 proved permanent exemption, will receive a "jury en-
 rollment notice," requiring them to appear before me
 this year. Whether or not, such notices must be
 answered (in person, if possible, and at this office only)
 under severe penalties. If exempt, the party must bring
 proof of exemption; if liable, he must also answer in
 person, giving full and correct name, residence, etc., etc.
 No attention paid to letters.

Persons "enrolled" as liable must serve when called
 or pay their fines. No mere excuse will be allowed or
 interference permitted. The fines if unpaid will be en-
 tered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
 secure reliable and respectable juries, and equalize their
 duty by serving promptly when summoned, allowing
 their clerks or subordinates to serve, reporting to me any
 attempt at bribery or evasion, and suggesting names for
 enrollment. Persons between sixty and seventy years of
 age, summer absentees, persons temporarily ill, and
 United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
 demeanor to give any jury paper to another to answer.
 It is also punishable by fine or imprisonment to give or
 receive any present or bribe, directly or indirectly, in
 relation to a jury service, or to withhold any paper or
 make any false statement, and every case will be fully
 prosecuted.

 and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION
 RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES
 IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS
 PROVIDED IN SECTION 64, CHAPTER 40, LAWS OF 1882.

No bid or estimate will be accepted from, or contract
 awarded to, any person or persons who are interested in the cor-
 poration upon debt or contract, or who is a defaulter, as
 surety or otherwise, upon any obligation to the Corpora-
 tion.

The award of the Contract will be made as soon as
 practicable after the opening of the bids.
 Any bidder for this contract must be known to be en-
 gaged in and well prepared for the business, and must
 have satisfactory testimonials to the effect that he and the
 person or persons to whom the contract may be awarded
 will be required to give security for the performance of
 the contract by his or their bond, with two sufficient sure-
 ties, each in the penal amount of fifty thousand (\$50,000)
 dollars.

Each bid or estimate shall contain and state the name
 and place of residence of each of the persons making the
 same; the names of all persons interested with him or
 them therein; and place of business of each person; and
 shall distinctly state that fact; also that it is made without
 any connection with any other person making an estimate
 for the same purpose, and is in all respects fair and without
 collusion or fraud, and that the member of the Committee
 of the Board of Public Charities and Correction, Chief of a Bureau,
 deputy thereof or clerk therein, or other officer of the
 Corporation, is directly or indirectly interested therein, or
 has any interest in the same, or in any of the property or
 portion of the profits thereof. The bid or estimate must be
 verified by the oath, in writing, of the party or parties
 making the estimate, that the several matters stated there-
 in are in fact true. When more than one person is in-
 terested, it is requisite that the verification be made
 and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
 sent, in writing, of two householders or freeholders of the
 City of New York, with their respective places of busi-
 ness or residence, to the effect that if the contract be
 awarded to the person making the estimate, they will, on
 its being so awarded, become bound as his sureties for its
 performance; and that if he shall omit or refuse to
 execute the same, they shall pay to the Corporation any
 difference between the sum to which he would be entitled
 on its completion, and that which the Corporation may
 be entitled to, and shall also be bound to indemnify the
 Corporation against all loss or damage which may be
 occasioned by the work by which the bids are tested. The
 consent above stated shall be given and expressed by the
 oath or affirmation, in writing, of each of the persons
 signing the same that he is a householder or freeholder in
 the City of New York, and is worth the amount of the
 security required for the completion of this contract, over

and above all his debts of every nature, and over and above
 his liabilities as bail, surety, or otherwise; and that he
 has offered himself as a surety in connection with the
 intention to execute the bond required by section 12 of
 chapter 7 of the Revised Ordinances of the City of New
 York, if the contract shall be awarded to the person or
 persons for whom he consents to become surety. The
 adequacy and sufficiency of the security offered to be
 approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-
 panied by either a security given upon one of the
 National lands of the City of New York, drawn to the
 order of the Comptroller, or money, to the amount of five
 per centum of the amount of the security required for the
 faithful performance of the contract, said check or
 money must not be inclosed in the sealed envelope con-
 taining the estimate, but must be handed to the officer or
 clerk of the Department who has charge of the Estimate-
 box, and no estimate can be deposited in said box until
 such check or money has been examined by said officer
 or clerk and found to be correct. All such deposits,
 except that of the successful bidder, will be returned to
 the persons making the same within three days after the
 contract is awarded. If the successful bidder shall refuse
 or neglect, within five days after notice that the contract
 has been awarded to him, to execute the same, the amount
 of the deposit made by him shall be forfeited to and
 retained by the City of New York as liquidated damages
 for such neglect or refusal; but, if he shall execute
 the contract within the time aforesaid, the amount
 of his deposit will be returned to him.

Should the person or persons to whom the contract may be
 awarded neglect or refuse to accept the contract within five
 days after written notice that the same has been awarded
 to him or their bid or proposal, or if he or they accept, but
 do not execute the contract, the person or persons, he or
 they shall be considered as having abandoned it, and
 as in default to the Corporation; and the contract will
 be reawarded and relet as provided by law.

Bidders will write out the contract of their estimate in
 addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,
 issued on the completion of the contract or from time
 to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifi-
 cations will be allowed, unless under the written instruc-
 tion of the Commissioners of Public Charities and Correction.

 showing the manner of payment, can be obtained at

SEALED ESTIMATES FOR SUPPLYING THE
Police Department with two thousand
tons of best quality of Lehigh Coal, will be received at
the Central Office of the Department of Police, in the
City of New York, until ten o'clock A. M., of Tuesday the
9th day of September, 1884.

The person or persons making an estimate shall furnish
the same in a sealed envelope, indorsed "Estimate for
furnishing coal," and with his or her name or names,
and the date of presentation, to the head of said Department,
at the said office, on or before the day and hour
above named, at which time and place the estimates re-
ceived will be publicly opened by the head of said Department
and read, and the award of the contract made to the
lowest bidder, with adequate security as soon there-
after as practicable.

For particulars as to the quality, kind and size of coal
required, reference must be made to the specifications,
blank forms of which may be obtained at the office of the
Chief Clerk in the Central Department.

Bidders will state a price per ton of two thousand
pounds for the coal to be delivered (see eighth paragraph
of the specifications). The price must be stated in the
bid, and stated in figures. Permission will not be given
for the withdrawal of any bid or estimate, and the right
is expressly reserved by the head of said Department to
reject any or all bids which may be deemed prejudicial
to the public interests.

No estimate will be accepted from, or a contract
awarded to, any person who is in arrears to the Corporation
upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corporation.

The entire quantity of coal is to be delivered within
thirty days from the date of the execution and delivery of
the contract.

The person or persons to whom the contract may be
awarded will be required to give security for the performance
of the contract in the manner prescribed by
law, in the sum of two thousand dollars.

Each estimate shall contain and state the name and
place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and shall be signed by the bidder, and it
shall distinctly state that fact, also, that it is made
without any connection with any other person making an
estimate for the same purpose, and is in all respects fair
and without collusion with any other person, and that the
Common Council, head of a Department, chief of a bureau,
deputy thereof or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein,
or in the success or profits thereof, or in any other way
connected with the same. The estimate must be verified
by the oath, in writing, of the party or parties making the
estimate, that the several matters stated therein are in all
respects true. Where more than one person is interested in
the estimate, the same must be made and subscribed by all
the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the

awarded to the person making the estimate, they will, upon
its being so awarded, become bound as his sureties for
the faithful performance of the contract, and if he shall
omit or refuse to execute the same, they will pay the
amount of the difference between the sum to which he
would be entitled upon its completion, and that which the
Corporation may be entitled to pay to the person or persons

defaulter, as surety or otherwise, upon any obligation to
the Corporation. The adequacy and sufficiency of the
security offered will be subject to approval by the Com-
ptroller of the City of New York after the award is made
and prior to the signing of the contract.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to him or her, or his bid or proposal, and
that the adequacy and sufficiency of the security offered
has been approved by the Comptroller, or if he or they

proper security, he or they shall be considered as having
abandoned it, and as in and to the Corporation, and the
contract will be re-awarded and relet, as provided
by law.

No estimate will be received or considered unless
accompanied by either a certificate from one of the

it, and as in default to the corporation; and the contract
will be re-awarded and relet, and so on until it be ac-
cepted and executed.

Bidders are required to state, in their estimates, their
names and places of residence; the names of all persons
interested with them therein; and if no other person be
interested, they must state that fact, also, that it is made
without any connection with any other person making an estimate for the same
purpose, and is in all respects fair and without collusion
with any other person, and that the Common Council, head of the Corporation, Chief of a Bureau,
Deputy thereof or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein,
or in the success or profits thereof, or in any other way
connected with the same. The estimate must be verified
by the oath, in writing, of the party making the
estimate, that the several matters stated therein are in all
respects true. Where more than one person is interested
in the estimate, the same must be made and subscribed
by all the parties interested.

Each estimate shall be accompanied by the consent,
in writing, of two householders or freeholders in the
City of New York, who are disinterested in the business
or residence, to the effect, that if the contract be
awarded to the person or persons making the estimate,
they will, upon its being so awarded, become bound as his
sureties for the faithful performance of the contract, and if
he shall omit or refuse to execute the same, they will pay
the amount of the difference between the sum to which he
would be entitled upon its completion, and that which the
Corporation may be entitled to pay to the person or persons
to whom the contract may be awarded, at the time of
subsequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which the
bids are tested. The consent above mentioned shall be
accompanied by the signature, in writing, of each of the
persons signing the same, that he is a householder or
freeholder in the City of New York, and is worth the
amount of the security required for the performance of
the contract, and that he is not in arrears to the Cor-
poration upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Cor-
poration. The adequacy and sufficiency of the security
offered will be subject to approval by the Comptroller
of the City of New York after the award is made and
prior to the signing of the contract.

No estimate will be received or considered unless
accompanied by either a certificate from one of the
national banks of the City of New York, drawn to the
order of the Comptroller, or money to the amount of five
per centum of the amount of the security required for the
faithful performance of the contract. Such check or money
must not be included in the sealed envelope containing the
estimate, but must be handed to the officer or clerk of
the Department, who has charge of the Estimate-book, and
