OFFICE BOARD OF ASSESSORS, No. 320 BROADWAY,
NEW YORK, April 12, 1900.

Meeting of the Board of Assessors, held this 10th day of April, 1900, at 11 A.M.

Present—Assessors Edward McCue (President), Edward Cahill, Thomas A. Wilson and Patrick M. Haverly.

Minutes of the meeting of April 3, 1900, read and approved.

The following communications were received and placed on file:

From the Department of Highways, dated March 30, 1900—Transmitting assessment lists for improvements, Borough of Manhattan.

From the Department of Sewers, dated April 2, 1900—Transmitting for apportionment assessment list for private sewer, Borough of Brooklyn.

From the Department of Highways, dated April 2, 1900—Retransmitting assessment lists for paving One Hundred and Sixty-sixth street and One Hundred and Seventy-fifth street, Borough of Manhattan.

From the Department of Highways, dated April 5, 1900—Replying to the objections of John C. Shaw, attorney, to the assessment for paving One Hundred and Eighty-third street, from Amsterdam avenue to Broadway.

The assessment lists hereinafter named having been duly advertised and no objection received, were declared confirmed and ordered transmitted to the Comptroller for entry and collection:

Borough of Brooklyn.

Receiving-basins at the southwest corner of First avenue and Fifty-fifth street; northeast and southeast corners of First avenue and Fifty-sixth street, and northeast and southeast corners of First avenue and Fifty-seventh street.

Receiving-basins on the northeast corner of Nostrand avenue and Linden Boulevard; northeast corner of Avenue N and Flatbush avenue, and northeast and northwest corners of Clarkson avenue and Rogers avenue.

Flagging Decatur street at the southeast corner of Bushwick avenue.

Flagging north side of Fifty-second street, between Fourth and Fifth avenues; west side of Fifth avenue, between Fifty-first and Fifty-second streets; south side of Fifty-first street, between Fourth and Fifth avenues, and east side of Fourth avenue, between Fifty-first and Fifty-second streets.

Grading and paving Fifty-seventh street, from Second to Third avenue, with granite-block pavement.

Sewer in St. Nicholas avenue, between Hart street and Flushing avenue.

Sewer in West Ninth street, between Columbia and Hicks streets.

The assessment lists hereinafter named, for private sewers, Borough of Brooklyn, were duly apportioned, in accordance with section 560, chapter 378 of the Laws of 1897, and ordered transmitted to the Commissioner of Sewers:

Fifty-third street, between First and Second avenues.

Second street, between Eighth and Ninth avenues.

East Eighteenth street, from Avenue C northerly 600 feet more or less.

Ocean avenue, east and west sides, from Foster avenue to summit south of Avenue F.

East Eighteenth street, between Ditmas avenue and Avenue D.

In the matter of the assessment for paving Third avenue, from the Twenty-third Ward line to Tremont avenue, the objections of T. H. Baldwin, Turner, McClure & Rolston and T. S. Bassford, attorneys, were overruled, the Corporation Counsel having given an opinion, under date of March 30, 1900, that the railroad companies occupying part of the street along the line of the work were not assessable for any part of the cost of the work, and the list was ordered transmitted to the Board of Revision of Assessments for confirmation.

In the matter of the assessment for paving Webster avenue from Kingsbridge road to Amsterdam avenue, Joseph I. Berry, attorney, was present and argued in support of the objections filed by him. He asked that the Board recommend to the Board of Revision of Assessments that a part of the cost of this improvement be placed upon the City, as suggested in the opinion of the Corporation Counsel. The objections of Mr. Berry, John P. Dunn and R. L. Luce, attorneys, were overruled and the list ordered transmitted to the Board of Revision of Assessments for confirmation.

In the matter of the paving of One Hundred and Eighty-third street, from Amsterdam avenue to Broadway, the objections of John C. Shaw, attorney, were overruled, the report from the Department of Highways not sustaining said objections, and the list ordered transmitted to the Board of Revision of Assessments for confirmation.

The claims filed by Edgar Ketchum for damages caused by the change of grade of Ogden avenue, from Jerome avenue to Washington Bridge, were disallowed and the list ordered apportioned.

The claim filed by T. S. Bassford, attorney for William Ebling, for damages caused by the change of grade of Cauldwell avenue, from Boston road to Westchester avenue, was disallowed and the list ordered apportioned.

Adjourned.

W. H. JASPER, Secretary.

No bonds or deposit required on bids under One Thousand Dollars. Awards will be made on the lowest items.

THE COMMISSIONER OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller in accordance with the terms of the contract, or from time to time as the Commissioner may determine.

The form of the contract, including specifications, and showing the manner of payment and other details, will be furnished at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner will insist upon its absolute enforcement in every particular.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES OR BIDS.

SEALED ESTIMATES FOR FURNISHING THE Police Department with Building Materials will be received at the Central Office of the Department of Police, in The City of New York, until 2 o'clock P. M. of WEDNESDAY, THE 25TH DAY OF APRIL, 1900.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for Furnishing Building Materials," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read.

For particulars as to the quality, kind and quantity of each article required, reference must be made to the specifications, blank forms of which and of the approved form of agreement and blank form of the estimates or bids may be obtained at the office of the Chief Clerk in the Central Department.

The attention of bidders is called to the following provisions of the contract, and it is hereby expressly agreed by and between the parties to this contract, that the said parties of the second part may, and they are hereby authorized, to increase or diminish the quantities of building materials required to be furnished herein, by an amount not to exceed 20 per cent., without compensation to the said parties of the first part, other than the price per article herein agreed upon to be paid for the amount actually furnished under this agreement.

Bidders will state the price for the entire schedule, as well as for each item, for which they will contract to supply the articles of supplies, in accordance with the specifications therefor. The Police Department reserves the right to purchase by the entire schedule or to contract for each item.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject all bids should it be deemed to the public interests so to do.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, in the manner prescribed by law, in the sum of Four Thousand Dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, within their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of The City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract for all or any part of said supplies may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Samples of all goods, materials, supplies, etc., estimated on and for which bids are submitted must be delivered at the office of the Chief Clerk, when required by the Department.

By order of the Board. **WILLIAM H. KIPP,**
