Such filing and recording of the instrument shall be a precondition for the filing for or issuance of any building permit for any #development# or #enlargement# on the #zoning lot#. The recording information shall be included on the certificate of occupancy for any #building#, or portion thereof, on the #zoning lot# issued after the recording date.

Floor space within such any required transit easement shall be excluded from the definition of #floor area#, and may be temporarily used by the owner of the #zoning lot# for any permitted #uses# until such time as required by the Transit Authority or by its designee for subway purposes. Improvements or construction of a temporary nature within the easement volume for such temporary #uses# shall be removed by the owner of the #zoning lot# prior to the time at which public #use# of the easement area is required. A minimum notice of six months in writing shall be given by the Transit Authority to the owner of the #zoning lot# in order to vacate the tenants of such temporary #uses#.

- (b) Any #development# or #enlargement# on a #zoning lot# that includes the locations listed below may establish an easement for subway-related #uses#, limited to ventilation facilities and other facilities or services used or required in connection with the operation of a subway line or station:

current franchisee, whereby ABRY Partners VI, L.P. will obtain sole indirect voting control of RCN Corp, and ABRY Partners VI, L.P. and ABRY Senior Equity III, L.P will hold a majority interest in RCN Corp, thus replacing RCN Corp as the ultimate parent entities of NEON.

Regarding item number (1), on March 6, 2006, the FCRC held a public hearing regarding the transfer of control of the parent company of Con Edison Communications, LLC to RCN Corporation and name change, to RCN New York Communications, LLC, of a franchisee originally granted a franchise that was approved by the FCRC on September 22, 2000 (Cal. Regarding item number (2), on December 9, 1998 (Cal. No. 3), the FCRC approved a franchise between the City and RCN Telecom Services of New York, Inc., (which later changed its name to RCN Telecom Services, Inc.), pursuant to which the company is authorized to install, operate and maintain facilities on, over and under the City's inalienable property to provide telecommunications services as defined in the franchise agreement.

Regarding item number (3), on June 4, 2008 (Cal. No. 1), the FCRC approved an amendment to Appendix G of the franchise agreement and approved change of control of a franchise held by NEON whereby RCN Corp became the ultimate parent company of NEON. NEON is the current holder, after previous changes approved by the FCRC, of the franchise originally granted to Columbia Transmission Communications Corporation on April 12, 2000. Pursuant to this franchise, NEON is authorized to install, operate and maintain facilities on, over and under the City's inalienable property to provide telecommunications services as defined in the franchise agreement.

PLEASE TAKE NOTICE, that in accordance with Sections 201-204 (inclusive) of the New York State Eminent Domain Procedure Law (the "EDPL"), a Public Hearing will be held by the New York City Department of Transportation, on behalf of the City of New York in connection with the acquisition of certain properties necessary for the Archer Avenue Station Plaza project in Jamaica, Queens. The time and place of the hearing is as follows:

DATE: August 17th, 2010  
 TIME: 1:00 P.M.  
 LOCATION: Greater Jamaica Development Corporation Marketing Center

The purpose of this hearing is to inform the public of the proposed acquisition of certain properties and to review the public use to be served by the Station Plaza project and its impact on the local environment and residents. The purpose of this acquisition is to take property in order to widen and re-align Archer Avenue between 144th Place and 147th Place, to establish Public Places between 144th Place and 147th Place, and to adjust grades necessitated thereby in the Jamaica Station area in Downtown Jamaica. The overall project goal is to alleviate vehicular traffic congestion, improve access to mass transit and provide public open space. The project would result in additional traffic lanes, wider sidewalks, improved bus stops, new medians and publicly accessible open space. Widening Archer Avenue would provide an additional travel lane for a total of four through lanes and a dedicated left-turn lane, improving bus operations and overall traffic conditions. It is anticipated that these Public Places would include seating, landscaping and graphic elements and would allow the relocation of two subway stairs from the sidewalk providing additional space for pedestrians.

Section one. Section 8-01 of chapter 8 of title 28 of the rules of the city of New York is amended by deleting the definition of “Not-for-profit Qualified Developer”, as follows:

\* \* \* \*

[Not-for-profit Qualified Developer. “Not-for-profit Qualified Developer” shall mean a not-for-profit entity that has been found eligible by HPD to participate in the Third Party Transfer Process.]

§2. Subdivision e of section 8-03 of chapter 8 of title 28 of the rules of the city of New York is amended to read as follows:

§ 8-03 Qualification and Selection of a Third Party.

(e) In selecting a Third Party, HPD shall consider:

- (1) residential management experience;
- (2) financial capacity;
- (3) rehabilitation experience;
- (4) ability to work with government and community organizations;
- (5) neighborhood ties;
- (6) ability to finance or obtain financing for the required rehabilitation;
- (7) whether the Third party is a not for profit organization or neighborhood-based-for-profit individual or organization;
- (8) intent and ability to improve, manage and maintain the property to be transferred;
- (9) whether an application has been submitted under sponsorship of a [Not-for-profit Qualified Developer] Third Party on behalf of the Tenants for eventual ownership by the Tenants of a property that is subject to an in rem judgment of foreclosure.

(i) Such an application must be submitted to HPD in such form as HPD shall approve, on or before the date that is specified by HPD in the written notice to Tenants made pursuant to subdivision (c) of § 8-04 of these rules;

(ii) Such application must be sponsored by a [Not-for-profit Qualified Developer] Third Party and accompanied by a letter from such [Not-for-profit Qualified Developer] Third Party indicating that the [Not-for-profit Qualified Developer] Third Party is applying for transfer of the foreclosed property, is prepared to acquire, manage and rehabilitate the foreclosed property, and is sponsoring the

Tenants in their effort to eventually own such property; and

(iii) Such application shall only be considered where: (A) the foreclosed property contains at least 10 residential units, (B) such property is at least 50 percent occupied; [and] (C) the application is signed by [60%] 80% of the Tenant households of such property; and (D) such property was not owned by a cooperative corporation formed by a Housing Development Fund Corporation when the foreclosure proceeding commenced;

(10) any other factors that HPD deems relevant to such selection.

§3. Subdivision (c) of §8-04 of chapter 8 of title 28 of the rules of the city of New York is amended to read as follows:

**§8-04 Third Party Transfer Process.**

\* \* \* \*

(c) HPD will provide a written notice to Tenants of properties that are the subject of an in rem judgment of foreclosure and eligible for the Third Party Transfer Program. Such notice will advise tenants of the foreclosure action, briefly describe the Third Party Transfer Program, and advise Tenants of an opportunity to apply for eventual ownership of such property under the sponsorship of a [Not-for-profit Qualified Developer] Third Party. Such notice shall be provided prior to entry of such judgment for such property and will be posted in a common area of the property, provided, however, that in the case of a property that is subject to a supplemental judgment of foreclosure due to a default in an installment agreement or a property that is subject to a summary judgment of foreclosure due to dismissal of an owner answer, such notice shall be provided prior to entry of such judgment or as soon as practicable thereafter. In addition, HPD will make an effort to place such notice beneath the doors of individual units in such properties.

§4. Section 8-06 of chapter 8 of title 28 of the rules of the city of New York is amended to read as follows:

**§8-06 Interim Evaluation Period.**

(a) A property that has been transferred to a Third Party for which a [Not-for-profit Qualified Developer] Third Party has sponsored a Tenant application pursuant to §8-03(e)(9) of these rules shall be subject to an interim evaluation period during which progress toward eventual ownership by Tenants will be monitored by HPD.

(b) No later than thirty days after transfer to a Third Party of a property for which a [Not-for-profit Qualified Developer] Third Party has sponsored a Tenant application pursuant to §8-03(e)(9) of these rules, such [Not-for-profit Qualified Developer] Third Party shall inform the Tenants that the property has entered into an interim evaluation period, and shall provide information to the Tenants about the process toward eventual ownership by the Tenants. Such [Not-for-profit Qualified Developer] Third Party shall make training available to such Tenants, no later than ninety days after such transfer. The training may include courses in building management, maintenance, and managing building finances. HPD may also provide notice to the Tenants regarding commencement of the interim evaluation period.

(c) The interim evaluation period shall include certain milestones for achievement which shall form the basis for HPD to either permit the property to move forward toward eventual ownership by Tenants, or to remove the property from the process toward such ownership. HPD shall evaluate progress toward eventual ownership by Tenants using the following milestones:

- (i) whether Tenants have cooperated with the Third Party [and Not-for-Profit Qualified Developer] in renewing leases or establishing new leases where none exists;
- (ii) whether at least 80% of the Tenants are actively paying rent;
- (iii) whether Tenants have cooperated with relocation plans, where applicable;
- (iv) whether Tenants have attended training programs offered by the [Not-for-Profit Qualified Developer] Third Party; and
- (v) any additional factors that HPD considers appropriate in evaluating the tenants’ progress toward ownership, provided that HPD notifies the Tenants of any such additional factors.

(d) Such interim evaluation period shall commence upon transfer of the property to the Third Party and shall continue upon the transfer of the property to [the Not-for-Profit Qualified Developer] any subsequent Third Party. Such interim evaluation period shall end when any required rehabilitation of the property has been completed and permanent loan conversion has taken place, or at the

conclusion of such longer period as HPD shall determine with notice to the Tenants.

(e) HPD shall evaluate compliance with the milestones listed in subdivision (c) of this section at regular intervals, and shall inform Tenants and the [Not-for-Profit Qualified Developer] Third Party of its findings. HPD may at any time remove a property from the process toward eventual ownership by Tenants based upon its evaluation. If HPD has not removed the property from such process, at the completion of the interim evaluation period it shall make a determination for such property pursuant to §8-07 of these rules.

§5. Section 8-07 of chapter 8 of title 28 of the rules of the city of New York is amended to read as follows:

**§8-07 Transfer from [Not-for-Profit Qualified Developer] Third Party to Tenant Ownership.**

(a) Unless a determination has otherwise already been made, HPD shall make a determination whether or not to approve the transfer from a [Not-for-Profit Qualified Developer] Third Party to Tenant ownership upon completion of the interim evaluation period. HPD will consider the following criteria when making such determination:

- (1) That an application was submitted to HPD pursuant to and in accordance with §8-03(e)(9) of these rules;
- (2) The time period that has elapsed since transfer of the property to the [Not-for-profit Qualified Developer] Third Party;
- (3) Whether the property has been rehabilitated and permanent loan conversion has taken place;
- (4) The number of Tenants who have signed a petition affirming that there is a functioning tenant organization, that they wish to own the property, and that they understand the extent of the responsibilities of ownership of the property;
- (5) The amount of time that a Tenant organization has been in existence at the property;
- (6) The number of members of the Tenant organization who have participated in any training offered by HPD, including, but not limited to, courses in building management, maintenance, and managing building finances;
- (7) The number of Tenants who have attended a presentation by HPD regarding ownership of the property;
- (8) The level of Tenant interest in ownership as indicated through subscriptions to buy units;
- (9) The record of payment of all existing loans, status of rent payments, and adequacy of management of the property;
- (10) HPD’s evaluation of the progress made toward tenant ownership during the interim evaluation period as set forth in §8-06 of these rules; and
- (11) Any other criteria that HPD deems relevant to the request, including, but not limited to, any information provided to it by the [Not-for-profit Qualified Developer] Third Party.

**STATEMENT OF BASIS AND PURPOSE**

This rulemaking amends the rules pertaining to in rem foreclosure affecting distressed property and certain other properties. Under the Third Party Transfer program, the City forecloses on tax delinquent properties which are in financial and physical distress, and conveys them to new owners who are qualified to repair and maintain them. The amendment modifies the rules relating to submission of applications by tenants and their sponsors, when they are seeking eventual ownership of a Third Party Transfer property as a cooperative. In the past, only not-for-profit entities could sponsor such applications for the tenants. Under the amendment, the sponsors would no longer have to be not-for-profit entities. In addition, 80% of the Tenant households, rather than 60% would have to sign such applications, to ensure adequate interest in and commitment to ownership by the tenants. The amendment would also preclude such tenant applications where the property was previously owned by a cooperative corporation formed by a Housing Development Fund Corporation (HDFC). Since the buildings are generally in severe financial and physical distress, rehabilitation and administration as a rental property by a new owner will better serve the occupants and ensure the building’s future viability. The amendments will improve the outcome for buildings that are transferred under the Third Party Transfer Program.

# READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

## VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

## Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application. If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

## SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

## PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

## NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

## PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

## ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

## PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, <http://nyc.gov/selltonyc>

## HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
