## State Tax.

The State tax rate for the years 1899 to 1905, inclusive, and included in the total tax rate given by boroughs, as above shown and expressed in mills, was: In 1899, 2.49; in 1900, 1.96; in 1901, 1.20; in 1902, 0.13; in 1903, 0.13; in 1904, 0.13; in 1905, 0.13. It will thus be seen that the direct tax of the State on one dollar of assessed valuation has fallen from two mills and forty-nine hundredths of a mill in 1899 to thirteen-hundredths of a mill in 1905.

The following table shows the amount of tax for State purposes, payable by the several counties comprising The City of New York from 1899 to 1905, inclusive:

## SATURDAY, DECEMBER 30, 1905,

FOR FURNISHING AND DELIVERING 10,615 TONS OF WHITE ASH ANTHRACITE COAL AS REQUIRED TO THE DEPARTMENT BUILDING, SIXTH AVENUE AND FIFTY-FIFTH STREET, THE WILLARD PARKER AND RECEPTION HOSPITALS, AT THE FOOT OF EAST SIXTEENTH STREET; THE HOSPITAL FOR CONTAGIOUS EYE DISEASES, AT ONE HUNDRED AND EIGHTEENTH STREET AND PLEASANT AVENUE, BOROUGH OF MANHATTAN; THE DEPARTMENT BUILDING, AT THIRD AVENUE AND ST. PAUL'S PLACE; THE DISINFECTING STATION, AT THE FOOT OF EAST ONE HUNDRED AND THIRTY-SECOND STREET, AND THE RIVERSIDE HOSPITAL, AT NORTH BROTHER ISLAND, BOROUGH OF THE BRONX; THE DEPARTMENT BUILDING, AT NOS. 38 AND 40 CLINTON STREET, AND THE KINGSTON AVENUE HOSPITAL, AT KINGSTON AVENUE AND FENIMORE STREET, BOROUGH OF BROOKLYN, CITY OF NEW YORK, DURING THE YEAR 1906.

A sample of the coal proposed to be delivered under this contract shall be submitted for examination and test with the bids. This sample, if possessing the necessary qualifications, as to ash and carbon as indicated in the specifications, will be submitted to a calorimeter test to determine its value as expressed in British thermal units. By dividing the number of thermal or heat units in a ton, as determined by the calorimeter test aforesaid, into the price per ton as submitted by the contractors, the cost per heat unit will be obtained. This cost will be made the basis of payment for all deliveries. It is intended that all deliveries should be equal in heat units produced to the sample thus tested, but deliveries producing heat units within a margin of 3 per cent. either way, as will be determined by tests of samples selected from each delivery, will be paid for at the contract price. Any delivery falling below this margin will be paid for on a basis of the total number of heat units produced, as indicated by the selected samples aforesaid, multiplied by the cost per heat unit as determined by the original test. Likewise any delivery producing a greater number of heat units than the margin allowed will be paid for in like manner. It is understood, however, that the right is reserved to reject any delivery where the number of heat units produced falls eight per cent. (8%) or more below the standard fixed by the tests made on the original sample, or where the coal does not conform to the sizes and standards specified.

Delivery will be made at the respective hospitals, at the hours, in such quantities and in such manner as may be required by the Board of Health during the year 1906; any changes in the time or place of delivery, however, may be made in writing by the Board of Health.

The time for the completion of the work and the full performance of the contract is during the year 1906.

The amount of security required is fifty per cent. (50%) of the amount of the bid.

Bids will be compared and the contract awarded to the lowest bidder for each hospital or laboratory.

Blank forms and further information may be obtained at the office of the Chief Clerk of the Department of Health, southwest corner of Fifty-fifth street and Sixth avenue, Borough of Manhattan.

## PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

## NOTICE TO CONTRACTORS.

## GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
