TERMS AND CONDITIONS OF SALE.

The lease will be sold subject to the approval of the term thereof by the Commissioners of the Sinking Fund.

No bid will be received which shall be less than the upset price, namely, for the first term three and one-half (3½) per cent. of the gross receipts of said ferries, but not less than \$4,000 per annum for the said franchises, together with the wharf property belonging to the City; the rental for the renewal term to be fixed as follows:

Three months before the expiration of the first term the Commissioner of Docks and the Commissioners of the Sinking Fund shall appoint a person to act on behalf of the City as arbitrator, and the New York and College Point Ferry Company shall appoint a person to act in its behalf as arbitrator, and the arbitrators so appointed shall determine upon a fair and reasonable amount to be paid as rental under the lease, annually, during the renewal term, in quarter yearly payments in advance. In case the arbitrators are unable, within thirty days, to agree as to the amount to be paid as rent for the renewal term, they shall appoint a third person to act as umpire, and if they are unable to agree within thirty days upon such umpire, then, at the request of either of the parties, he shall be appointed by the Presiding Justice of the Appellate Division of the Supreme Court of the State of New York, First Department, and the decision of two of said parties so selected shall be conclusive and binding upon both of the parties to the lease, but in no case during said renewal term shall the rental be less than \$4,400 per annum, the rent to be payable quarterly in advance.

The purchaser will be required at the time of the sale to pay, in addition to the auctioneer's fee (viz., \$50), to the Department of Docks and Ferries, \$1,000 as security for the execution of the lease, which \$1,000 will be applied to the payment of the rent first accruing under the lease when executed or will be forfeited to the Department if the purchaser refuses or neglects to execute the lease, with good and sufficient surety to be approved by the Commissioner of Docks within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks and Ferries, Pier "A," North river, foot of Battery place.

Two sufficient sureties, to be approved by the Commissioner of Docks, will be required under the lease to enter into a bond of obligation, jointly and severally with the lessees, in the sum of \$8,000, for the faithful performance of all the covenants and conditions of the lease.

The lease will contain the usual covenants and conditions, in conformity with the provisions of law and the ordinances of the Board of Aldermen relative to ferries, and shall provide that the lessees will maintain and operate the ferries during the whole term, and will provide ample accommodations in the way of safe and capacious boats and sufficiency of trips; that if at any time during the term hereof the Commissioner of Docks, or the person or persons then performing the duties now exercised by the Commissioner of Docks, shall be of the opinion that the boat or boats furnished by the party of the second part, or that the number of trips do not conform to the requirements of this lease, he may direct the party of the second part to make such improvements, construct such new boat or boats, or increase the number of trips as in his opinion the service demands; and in the event of the failure of the party of the second part to comply with such directions within a reasonable time, a commission shall be appointed, composed of the Mayor, the President of the Borough of Queens and the Commissioner of Docks, on behalf of the City, and three other persons selected by the party of the second part, which commission shall be known as the Arbitration Commission, and in case of their failure to agree as to the improvements to be made in the service, they shall appoint a seventh person to act as umpire, and if they are unable to agree within five days upon such umpire, then, at the request of either of the parties hereto, he shall be appointed by the Presiding Justice of the Appellate Division of the Supreme Court of the State of New York, First Department, and the decision of four of said seven persons so selected shall be conclusive and binding upon both of the parties to this lease; also conditions that the lessees shall dredge the ferry slips, etc., as required by the Commissioner of Docks; that during the term of the lease they will erect and build, at their own expense, and will at all times well and sufficiently repair, maintain and keep in good order, all and singular the floats, racks, fenders, bridges and other fixtures of the landing places, and in the event of any damage to the bulkheads or piers from collision by the ferryboats or otherwise, from any accident or negligence on their part, they will immediately repair and restore said wharf property to its previous condition free of cost to the City of New York; that if at any time during the term of the lease the Commissioner of Docks shall require any of the wharf property used for ferry purposes in order to proceed with the water-front improvements in the vicinity of the ferry landings, the said lessees shall surrender and vacate the premises without any claim upon the City for any damages whatever, upon written notice being given to the lessees three months in advance of the intention of said Commissioner; shall, by the said notice, terms of description, or by reference to the plans and specifications of the proposed work of improvement, specify the character of the alterations and improvements to be made in regard to said water front, affecting the property and rights hereby authorized to be demised, and upon receiving such notice the lessee may elect to terminate the lease of said ferry privilege or franchise by serving notice of such election upon the Commissioner of Docks within one month after receiving such notice from the Commissioner of Docks of his intention to improve the water front in the vicinity of the ferry landings; also that in case only a portion of said wharf property shall be required for the purposes aforesaid, then a reasonable reduction will be made from the rent reserved by said lease; that sworn returns of the amounts of ferry receipts shall be made to the Commissioner of Docks when required by said Commissioner, and that the books of accounts of the ferry shall be subject to the inspection of said Commissioner, or to any person designated by him in writing.

The lease will contain a covenant providing that upon the expiration or sooner termination of the said term of ten years the lessee may, and

upon demand, in writing, by the Commissioner of Docks, or other proper officer or Department of The City of New York thereto duly authorized shall, at the cost and expense of the lessee, forthwith and at the utmost practicable speed wholly remove from the premises hereinbefore described buildings, platforms, floats, bridges, ferry racks, piling and fixtures which shall have been erected or placed by the lessee, its successors or assigns, upon or within the limits of the wharf property leased, so that there shall be in the slip adjacent to the hereinbefore described wharf property used for the purposes of said ferry, and in every part thereof, from the bulkhead out, at least ten feet of water at mean low water.

The rates of ferrage and charges for vehicles and freight shall not exceed the rates now charged on the ferry to and from the foot of East Ninety-ninth street, Borough of Manhattan, from and to College Point, Borough of Queens.

The lessees shall provide such lifeboats, floats, rafts and life preservers as may be directed by the Commissioner of Docks.

The form of lease which the purchaser shall be required to execute can be seen at the office of the Commissioner of Docks.

The right to reject all bids is reserved, if deemed by the Commissioner of Docks to be for the best interests of the City so to do.

By order of the Commissioner of Docks.

Under this provision, the condition that the bidder will accept only the whole amount of bonds or stock bid for by him, and not any part thereof, cannot be inserted in any bids, except those for "all or none" offered by bidders who have also bid for "all or any part" of the stock or bonds offered for sale.</p> <p>7.
