\* See Page 2.

\*\* See Page 2.

\* 57/5 and 55/25 Plan Participants employed in Physically Taxing Positions are eligible to receive a Service Retirement Benefit as early as age 50 if they have at least 25 years of Physically Taxing Service.

\*\* Allowable Service is the total amount of service rendered by a participant of a Special Plan in a covered title and/or qualifying period which may count toward their pension calculation, depending on their retirement plan. Please refer to your plan brochure on [nycers.org/tier-4](https://nycers.org/tier-4) for more details on which titles and/or periods are covered under your Special Plan and qualifies as Allowable Service.
