

# Bike Share Usage Data Report

Q4 2022

## Bike Share Usage Data

---

Local Law 099 of 2015 requires the NYC Department of Transportation (NYCDOT) to compile and report on bike share usage data quarterly, beginning January 1, 2016.

This document contains the number of Citi Bike trips in New York City, disaggregated by month, quarter, and year; and further disaggregated by council district and community district for the reporting period of October 1, 2022 to January 1, 2023. During this period there were 6,914,292 Citi Bike trips initiated in New York City.

The information in this report was taken from the Citi Bike program database. This report includes only trips taken by customers from publicly available stations that are longer than 60 seconds in duration. Disaggregation by time period is based on the start time of each trip.

For more information on bike share in New York City or to access Citi Bike usage data, such as detailed trip histories, visit <http://www.nyc.gov/html/dot/html/bicyclists/bikestats.shtml> under "Bike Share Trip Histories."
