FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
NEW YORK, January 29, 1877.

To the Board of Estimate and Apportionment:

The communication from the Department of Public Parks, of the 6th instant, requesting transfers of balances of appropriations to that Department for the year 1876, to appropriations for the year 1877, having been referred to the Comptroller, I respectfully report:

That the appropriations made for certain objects and purposes to the Department of Public Parks for the year 1877, were fixed in the amounts appropriated therefor with the understanding that

the unexpended balances for the same objects and purposes for the year 1876 should be applied to and transferred to such objects and purposes, in part, for the year 1877.

The Department of Public Parks, however, in said communication, request that the sum of \$10,000 be transferred from the unexpended balance of the appropriation for "Harlem River Bridges—Repairs, Improvements, and Maintenance," to the appropriation for "Surveying, Laying out, Monumenting, etc., Twenty-third and Twenty-fourth Wards."

I recommend therefore that the request of the Department of Public Parks for this transfer, from one purpose to another purpose, of an unexpended balance be refused, and the said unexpended balances for the year 1876 be transferred in part to the same objects and purposes, for the year 1877, and that the following resolutions be adopted:

And offered for adoption the following resolutions:

The Comptroller submitted the following opinion from the Counsel to the Corporation:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, January 23, 1877.

Hon. JOHN KELLY, Comptroller:

SIR—In your letter to me of the 18th instant, you state the appropriation for the Foundling Asylum for the Sisters of Charity, for the year 1876, is almost entirely exhausted, and that there are not funds sufficient to meet the amount due for the per capita allowance as established by law, and accruing for the month of December, 1876, which amount in the aggregate is \$20,251.72. You also state that there are no balances of unexpended appropriations which can be transferred by the Board of Estimate and Apportionment to meet such deficiency.

You request my opinion whether the Board of Estimate and Apportionment, under chapter 221 of the Laws of 1875, can appropriate from the Excise moneys a sufficient sum to meet the deficiency for such month.

The Foundling Asylum of the Sisters of Charity is a charitable institution to which, under the authority conferred by chapter 635 of the Laws of 1872, chapter 644 of the Laws of 1874, and chapter 221 of the Laws of 1875, the Board of Estimate and Apportionment is authorized annually to appropriate a per capita sum for the support of the poor who are cared for or supported in said institution. Under these laws, said Board made an appropriation for these institutions, for the year 1876, amounting to \$208,050, being at the rate of thirty-eight cents a day for each child cared for or supported, and for an estimated average of fifteen hundred children.

It would seem from your letter that the average number has exceeded 1,500, and that a deficiency has, in consequence, occurred. Section 4 of said chapter 221 of the Laws of 1875, authorizes the Board of Estimate, from time to time, and in sums according to its discretion, by resolution, to appropriate all Excise moneys to such benevolent and charitable institutions, in said city, which shall gratuitously aid, support, or assist the poor thereof, as may seem to said Boards deserving or proper. And under the provisions of chapter 410 of the Laws of 1875, the term "poor," as used in said chapter 221, includes the children cared for or supported in said Foundling Asylum.

The fact that the Board of Estimate and Apportionment is authorized by said chapter 221, and the other laws above referred to, to appropriate money to said Foundling Asylum, to be raised by taxation, does not prevent the Board from also making appropriations to said asylum to be paid out of the Excise moneys.

The provisions of section 4 of said last-mentioned act permit the Board to make appropriations to all charitable and benevolent institutions of the class mentioned in said section, without exception.

I am of the opinion, therefore, that the Board of Estimate and Apportionment may, in its discretion, appropriate from the Excise moneys a sufficient sum to meet the deficiency in the appropriation made to said asylum for the year 1876.

I am, sir, respectfully yours,

WM. C. WHITNEY, Counsel to the Corporation.

And offered for adoption the following preamble and resolution:

Whereas, The annual appropriation for the year 1876 to the Foundling Asylum of the Sisters of Charity, of the City of New York, is insufficient to pay the per capita allowance as established by law to that institution, for the support of children in the month of December, 1876; and

Whereas, The Board of Estimate and Apportionment is authorized by chapter 221 of the Laws of 1875, and other acts of the Legislature, to appropriate a per capita sum for the support of the poor who are cared for or supported in said institution; therefore

Resolved, That the sum of \$10,708.72 be and the same is hereby appropriated to the said Foundling Asylum, from the Excise Fund, to provide for and pay the amount of said deficiency in the annual appropriation for the year 1876, as a per capita allowance for maintenance of children, aggregating 53,294 days' support at 38 cents per day, less the sum of \$543, remaining as an unexpended balance of said annual appropriation.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—4.

The Comptroller offered for adoption the following resolutions:

Resolved, That in pursuance of the provisions of chapter 221, Laws of 1875, the Board of Estimate and Apportionment hereby appropriate the sum of four thousand four hundred and eighty dollars from the Excise Fund, for the purpose of furnishing food, clothing, fuel, and shelter to the poor and needy, to be distributed among the following charitable institutions in the City of New York, which gratuitously aid, support, and assist the poor, viz.:

The Twelfth Ward West Side Relief Society, estimated number of poor assisted 500, at \$2.....	\$1,000 00
The Down town Hebrew Ladies' Benevolent Society, estimated number of poor assisted 500, at \$2.....	1,000 00
The Training School for Nurses, estimated number of patients 1,000, at \$1.....	1,000 00
The Fourth Ward Society for Relief of Poor Children, estimated number 196, at \$5.....	980 00
The Linda Gilbert Prisoners' Aid Fund, estimated number 100, at \$5.....	500 00
Total.....	\$4,480 00

These appropriations are made on the distinct understanding that no part of these moneys is to be used as a permanent fund by any of said institutions, or for salaries of any persons employed by said institutions, but that it is to be solely used, during the present winter, in furnishing food, clothing, and shelter for the poor.

Resolved, That the foregoing charitable institutions be and hereby are requested to make reports to this Board, showing the particulars of the distribution of this money, at as early a date as practicable after the moneys have been expended.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—4.

By unanimous consent, the rule adopted at meeting of June 23, 1874, relating to the calls of meetings, was suspended, in order to act upon the issue of Revenue Bonds.

Whereupon the Comptroller offered for adoption the following preamble and resolution:

Whereas, In pursuance of chapter 434, Laws of 1876, a further certification of claims audited and adjusted by the Board of Education, as recited in the preamble adopted by this Board January 8, 1877, has been made by the Auditor of Accounts of the Finance Department, amounting to the sum of \$6,208.74; therefore

Resolved, That in pursuance of said act, the Comptroller be and he is hereby authorized to issue Revenue Bonds for the sum of \$6,208.74, for such time and at such rate of interest as he may determine, not exceeding seven per cent. per annum, for the purpose of paying said claims so audited and adjusted by the Board of Education, and certified as correct and just by the Auditor of Accounts in the Finance Department.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—4.

On motion, the Board adjourned.

JOHN WHEELER, Secretary.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1876.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

695 pieces of granite, consisting of
347 Headers and
348 Stretchers, containing about 15,200 cubic feet.

For further particulars see drawings in the office of the Engineer-in-Chief.

The time allowed for the completion of the contract is to the first day of August, 1877, and a penalty of fifty dollars per day, as liquidated damages, will be exacted for each day that the contract may be unfulfilled, after the said time has expired, Sundays and holidays not to be excepted.

Bidders will state in their proposals the price per cubic foot of the stone to be furnished in conformity with the annexed specifications, by which the bids will be tested. This price is to cover the expenses of freight, loading and unloading, and all other expenses necessary for the complete performance and fulfillment of the contract.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state that fact; also that the bid is made without any connection with any other person making any estimate for the same material, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 27, of chapter VIII, of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person for whom he consents to become surety. The adequacy and sufficiency of the sureties offered are to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application at the office of the Department, Room No. 6.
