### LOCAL IMPROVEMENTS.

ICT, BOROUGH OF RICHMOND.

Office, October 18, 1898, at 10 o'cleve in the foremost,

The roll was called and the following members answered to their names; Councilmen Bodine and O'Grady, Alderman Vaughan and President Cromwell. The Deputy Commissioner and Chief Engineer reported that the estimated cost of the sewer the vicinity of the Arrietta Street Brook, in the First Ward of the borough, would be \$44,000; the sewer in the vicinity of the Clove road would be \$110,000; and of the sewer in the vicinity the Forest Avenue Brook, would be \$17,000. in

of of

On motion of Alderman Vaughan, it was noted that a public hearing be had concerning the sewers to be latd in these three localities, at the next meeting of the Board, to be held Tuesday, October 25, at 10 o'clock in the forenoon.

The complaint of Michael J. Riordan, dated October 10, 1898, concerning poles of the trolley, electric-light and telephone companies, situated on Jeweit avenue, in the First and Thard Wards of the borough, was referred, on motion, to Deputy Commissioner of Public Buildings, Lighting and Supplies.

Councilman O'Grady offered the following resolution, which was unanimously adopted # Resolved, That this Board he constituted a Committee of the Whole to confer with a Com-mittee of the Common Council of the City of Bayonue, with a view to taking steps to abate the musances emanating from the copper works and other objectionable places in New Jersey, oppo-site the north shore of this horough. On motion, the meeting adjourned.
