The Statara consumer dataset provides information on over 5.5 million adult New Yorkers. This serves as a single data source that provides far broader coverage than PEU can get from various partner agency sources. Having this broad coverage is critical during emergencies and also helps PEU reach New Yorkers who have fewer existing touchpoints with the City. Without the consumer file in question, PEU's efforts to reach out to underserved New Yorkers, especially during and after emergencies, will be greatly impaired. This procurement is therefore necessary for continuation of critical agency functions, a Mayoral Priority, and directly related to public health and safety. This proposed rule was not included in the PPB's regulatory agenda for this Fiscal Year because it was not contemplated when the PPB published its agenda.

**Where can I find the PPB's rules?** The PPB's rules are in Title 9 of the Rules of the City of New York.

**What laws govern the rulemaking process?** The PPB must meet the requirements of Section 1043 of the New York City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the New York City Charter.

#### Statement of Basis and Purpose of Proposed Rule

These Procurement Policy Board (PPB) Rule amendments would update provisions of the PPB Rules relating to public hearings and public notice and comment.

Effective May 21, 2025, New York City Charter § 326 will be amended by New York State law (Chapter 483 of the Laws of 2024) to replace the requirement for public hearings with a requirement for public notice and comment for any contract for goods, services or construction in excess of \$100,000 to be awarded by other than competitive sealed bidding or competitive sealed bids from prequalified vendors.

This proposed rule would amend sections of the PPB Rules for clarity and consistency with the changes to Charter § 326 and PPB Rule § 2-11. A previous proposed rule of the PPB, published in the City Record on April 1, 2025, amends PPB Rule § 2-11 in identical fashion.

Section 1 would amend PPB Rule § 3-07 to replace all references to "public hearing" with "public notice and comment."

Section 2 would amend PPB Rule § 3-08 to replace all references to "public hearing" with "public notice and comment."

Sections 3, 4, and 5 would amend PPB Rule § 4-04 to replace references to "public hearing" with "public notice and comment" and update the section for clarity and consistency with the changes to Charter § 326.

Section 6 would amend PPB Rule § 4-12 to replace all references to "public hearing" with "public notice and comment."

The PPB's authority to promulgate these rules is found in sections 311, 326, and 1043 of the New York City Charter.

The new material added in the text of the rule is underlined and the deleted material is in [brackets]. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

**Section 1. Paragraph (2) of subdivision (e) of section 3-07 of Title 9 of the Rules of the City of New York is amended to read as follows:**

(2) an accelerated procurement is exempt from the [hearing] notice and comment requirements of these Rules, and

**Section 2. Subparagraph (i) of paragraph (1) of subdivision (c) of section 3-08 of Title 9 of the Rules of the City of New York is amended to read as follows:**

(i) Public notice of solicitation and award, written decision to procure technical, consultant, or personal services, presolicitation review report, Recommendation for Award, vendor protests, written notice to the low bidder or offeror of non-responsiveness, VENDEX questionnaires (unless the total aggregate value of purchases, franchises, and concessions awarded to that vendor including this one during the immediately preceding twelve-month period equals or exceeds \$250,000) and public [hearing] notice and comment (unless the award is valued over \$100,000) shall not be required for small purchases awarded, pursuant to this section. Notwithstanding any provision of this subparagraph, notice of award shall be made in accordance with paragraph (d)(2) for procurements made pursuant to subparagraph (c)(1)(iv) below.

**Section 3. Paragraph (14) of subdivision (c) of section 4-04 of Title 9 of the Rules of the City of New York is amended to read as follows:**

(14) if a public hearing or public notice and comment was held, the date of the public hearing or period of public notice and comment, the number of witnesses testifying or comments received, and an explanation of the effect, if any, of the testimony offered at the public hearing or comments on the decision to renew and/or on the terms and conditions of the contract; if a public hearing or public notice and comment was not held, an explanation of why a public hearing or public notice and comment was not held, including a statement that the renewal contract is on substantially the same terms and conditions as the original contract;

**Section 4. Subparagraph (i) of paragraph (1) of subdivision (d) of section 4-04 of Title 9 of the Rules of the City of New York is amended to read as follows:**

(i) In the case of contracts in value greater than \$100,000, such notice shall be provided whenever [a] public [hearing] notice and comment is required.

**Section 5. Subdivision (e) of section 4-04 of Title 9 of the Rules of the City of New York is amended to read as follows:**

(e) Public [Hearing] Notice and Comment Requirements. Renewal contracts shall be subject to public [hearings] notice and comment for the purpose of eliciting information concerning the vendor's performance and other factors relevant to the renewal, unless:

(1) the renewal option to be exercised is in a contract where the original contract or any prior renewal option was subject to a public hearing or public notice and comment, and the original contract term and all possible renewal options contained within the contract, were subject to such public hearing or public notice and comment, or

(2) in exigent circumstances, in the case of contracts in value less than \$10,000,000, the ACCO has made a determination justifying an exemption and that justification has been approved by the CCPO.

**Section 6. Paragraph (i) of subdivision (b) of section 4-12 of Title 9 of the Rules of the City of New York is amended to read as follows:**

(i) The provisions of this subdivision shall apply to client service contracts and extensions: contracts awarded by negotiated acquisition where there is a compelling need to extend the contract one or more times beyond the cumulative twelve-month limit, pursuant to 9 RCNY § 3-04(b)(2)(iii); contracts for which no public [hearing] notice and comment is required pursuant to these Rules because they do not differ materially in terms and conditions from contracts currently held by the City where the parties to such contracts are the same, pursuant to 9

RCNY § 2-11(b)(3); extensions of contract terms for a cumulative period not to exceed one year, pursuant to 9 RCNY § 4-02(b)(1)(iii); and renewal contracts, pursuant to 9 RCNY § 4-04. Notwithstanding the above, contracts awarded pursuant to 9 RCNY § 1-02(e) shall not be subject to the provisions of this subdivision.

■ NOTICE

On May 13, 2025, pursuant to Section 1-02(h)(1)(ii) of the Procurement Policy Board (PPB) rules, the City Chief Procurement Officer (“CCPO”) ratified a minor PPB Rules violation request made on May 13, 2025, by the New York City Department of Buildings (DOB) for a Negotiated Acquisition (EPIN 82725S0001001) pursuant to PPB 3-04.

DOB entered a Negotiated Acquisition with SPRUCE TECHNOLOGY INC. for DOB NOW PHASE III INTEGRATION. The contract term is from January 1, 2024, to December 31, 2026, with a contract total of \$26,399,998.24

I. DOB proceeded to use the Negotiated Acquisition (“NA”) Method and to negotiate exclusively with Spruce through the approval of the Pre-Solicitation Review (PSR) by MOCS, inclusive of the ACCO determination, pursuant to PPB Rule Sections 3-04(b)(2), 3-04(d)(ii), and 3-04(b)(2)(i)(D). The PSR was approved by MOCS but not the CCPO. The CCPO has ratified the MRV.

II. Additionally, DOB published the Notice of Intent May 6, 2024 but did not publish the NOI within ten calendar days before commencing negotiations and the notice did not include certain pertinent information, PPB 3-04(d) and 3-04(d)(1)(ii).

The Department has determined that these minor rules violations did not adversely impact the competitive standards of the subject procurement and it is in the best interest of the City to proceed with the subject award. All vendors will have the opportunity to respond when DOB issues a new competitive solicitation.

DOB and the CCPO have determined that a minor rules violation relating to this procurement, had no significant adverse impact on the procurement process. Therefore, ratification of these minor rules’ violation is in the best interests of the City.

## YOUTH AND COMMUNITY DEVELOPMENT

### ■ NOTICE

#### NOTICE OF CONCEPT PAPER

In accordance with section 3-03(b)(1) of the Procurement Policy Board Rules, the NYC Department of Youth and Community Development (DYCD) is releasing a concept paper to obtain feedback that will assist with the development of an upcoming request for proposals (RFP) for the Comprehensive After School System (COMPASS) Elementary and School's Out New York City (SONYC) programs in public schools and other settings. The primary purpose of the COMPASS and SONYC programs is to provide a range of engaging enrichment activities, after school and during school holidays and the summer, to help students in Kindergarten through Grade 8 to thrive, and to support families with childcare.

DYCD anticipates the concept paper will be released May 2025 - June 2025; through the PASSPort Public Portal at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public). DYCD welcomes and encourages your feedback to assist with the development of the RFP.

To respond to this forthcoming RFP and all other Human/Client Services RFPs, organizations must have an account and an approved HHS Prequalification application in PASSPort. Proposals and Prequalification applications will ONLY be accepted through PASSPort. If you do not have a PASSPort account or an approved PASSPort HHS Prequalification Application, please visit [www.nyc.gov/passport](http://www.nyc.gov/passport) to get started.
