The Comptroller presented the following communication, referred to him at meeting held January 4, 1884.

OFFICE OF THE COMMISSIONERS OF ACCOUNTS, }  
1 NEW COURT-HOUSE, }  
NEW YORK, January 4, 1884. }

Hon. FRANKLIN EDSON, Mayor, and Chairman Board of Estimate and Apportionment:

SIR—We respectfully ask that the Board of Estimate and Apportionment transfer to the credit of "Salaries of Commissioners of Accounts" a sum sufficient to enable us to finish important investigations now being made and stopped by the failure of the Board of Estimate and Apportionment to make an appropriation for clerk hire and contingencies for the year 1884, in the Budget passed Monday, December 31, 1883.

The examinations we allude to have developed and are developing important results.

On Monday, while the ex-officio Commissioner of Accounts, President of the Board of Taxes and Assessments, Mr. Thomas B. Asten, was by his vote crippling this office, a fraud of \$670 was discovered in one of the Bureaux being examined, also other important facts not proper to make public now, have been discovered very recently.

The examinations commenced and partly finished are as follows:

Accounts and Records, Department of Public Parks;  
Accounts and Records, Clerk of Arrears and Assessments;  
Accounts and Records, Tax Receiver's Office;  
Accounts and Records, Attorney for Collection of Arrears of Personal Taxes;  
Contracts, Department of Public Works; and the regular examinations required by law of the Offices of the Comptroller and City Chamberlain.

The thorough methods now employed in examining the affairs of the Finance Department, including a registration of the coupons paid, as well as the registered interest, requires more force than formerly done this work.

By the transfer given us in November, we were enabled to engage a clerical force sufficient to show good service of great benefit to the tax-payers of this city, but the work has been practically stopped, and we would respectfully ask, that to meet our present wants, the sum of \$6,336.56 be transferred to the credit of the Commissioners of Accounts' Office for clerk hire and contingencies, from the following unexpended balances, viz.:

Unexpended Balances ("Commissioners of Accounts—Expenses of")..... \$3,138 09  
Unexpended Balances—"Commissioners of Accounts—Salaries of")..... 2,235 70  
"Commissioners of Accounts—Salaries of," 1881..... 420 22  
"Commissioners of Accounts—Salaries of," 1882..... 542 55

\$6,336 56

The law makes it obligatory on the Commissioners of Accounts to do specific duty, and it is impossible for two men to perform this duty without clerical help, therefore the Commissioners Accounts, to obey the law, may be obliged to employ the assistance necessary.

Respectfully submitted,

GEO. EDWIN HILL,  
ANDREW B. MARTIN,  
Commissioners of Accounts.

—and offered the following resolution:

Resolved, That the sum of six thousand three hundred and thirty-six dollars and fifty-six cents be, and the same is hereby transferred from the following appropriations, viz.:

Unexpended balances of 1873—	
For Commissioners of Accounts—Expenses of.....	\$3,069 93
For Salaries—Commissioners of Accounts.....	290 34
	\$3,360 27
Unexpended balances of 1874—	
For Commissioners of Accounts—Expenses of.....	\$68 16
For Salaries—Commissioners of Accounts.....	1,945 36
	2,013 52
Salaries—Commissioners of Accounts, 1881.....	420 22
Salaries—Commissioners of Accounts, 1882.....	542 55
Total.....	\$6,336 56

—which is in excess of the amount required for the purposes and objects thereof, to the appropriation "Salaries—Commissioners of Accounts," 1884, for clerk hire and contingencies, for which it is required.

The Chairman moved that the resolution be laid over until the next meeting.

Which was agreed to.

The President of the Department of Taxes and Assessments stated that the above communication is not a proper one, in that it contains language disrespectful to the Board.

The Comptroller moved that the communication be referred to the Chairman, to take such action relative to the language therein contained, as he may deem proper.

Which was agreed to.

The Comptroller offered the following resolution:

Resolved, That the amounts following be and hereby are appropriated from the Excise Fund, under the provisions of section 210, chapter 410, Laws of 1882 (New York City Consolidation Act of 1882), for the support of children in the month of December, 1883, committed by Police Magistrates to the institutions named, pursuant to law:

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, and President of the Department of Taxes and Assessments—4.

The Comptroller offered the following resolution:

Resolved, That the sum of three hundred and seventy-one dollars and ten cents (\$371.10) be and hereby is appropriated from the Excise Fund to the "Home for Fallen and Friendless Girls," for the support of forty inmates in the month of December, 1883, aggregating nine hundred and three days, at the rate of \$150 per annum, pursuant to section 208, chapter 410, Laws of 1882 (New York City Consolidation Act of 1882).

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, and President of the Department of Taxes and Assessment—4.

The Comptroller presented the following:

HEADQUARTERS FIRE DEPARTMENT, CITY OF NEW YORK,  
155 AND 157 MERCER STREET,  
NEW YORK, January 18, 1884.

To the Hon. Board of Estimate and Apportionment:

GENTLEMEN—I have the honor to inform you of the adoption by the Board of Fire Commissioners of the following preamble and resolution:

Whereas, Section 427 of the New York City Consolidation Act of 1882 provides that in the Fire Department a "bureau shall be charged with the execution of all laws relating to the storage, sale and use of combustible materials, the principal officer of which shall be called 'Inspector of Combustibles,' and that another bureau shall be charged with the investigation of the origin and cause of fires, the principal officer of which shall be called 'Fire Marshal';" and

Whereas, Section 467 of the New York City Consolidation Act of 1882 prescribes certain duties to be performed by the Fire Marshal in connection with the "storage, sale and use of combustible material," and other duties which should properly be devolved upon the bureau of Inspector of Combustibles; therefore, be it

Resolved, That, as authorized by section 48 of the New York City Consolidation Act of 1882, the Board of Estimate and Apportionment be requested to consent to the change of duties by transferring to the bureau of Inspector of Combustibles all the powers and duties conferred upon and prescribed for the bureau of Fire Marshal by section 467 of the New York City Consolidation Act of 1882.

Substantially the same request was made in 1880, and a resolution was adopted by your Honorable Board at a meeting held on October 1, 1880, consenting to the change, but the Fire Commissioners are now informed that the enactment of the Consolidation Act necessitates a renewal of that consent, to accomplish which the adoption of the following as a resolution by your Board is suggested:

Resolved, That under the provisions of section 48 of the New York Consolidation Act of 1882, the Board of Estimate and Apportionment hereby consent to the transfer by the Commissioners of the Fire Department of the powers and duties heretofore devolving upon the Fire Marshal, under section 467 of the said act, to the Bureau of Inspector of Combustibles in said Department.

Very respectfully,

CORNELIUS VAN COTT, President.

The question was then taken on the above resolution.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, and President of the Department of Taxes and Assessments—4.

The Chairman presented the following:

Which was received and referred to the Comptroller.

"Public Charities and Correction"—

For support of Out-door Poor, 1880.....	\$2,861 98
" " 1881.....	898 79
" " 1882.....	11,439 49
	\$15,200 26

—the same being in excess of the amount required for the purposes and objects thereof, to the same appropriation for the year 1884, the amount of which is insufficient.

Which was lost by the following vote:

Affirmative—The President of the Board of Aldermen—1.

Negative—The Mayor, Comptroller, and President of the Department of Taxes and Assessments—3.

Mr. H. H. Porter, President of the Department of Public Charities and Correction, appeared before the Board and made a statement relative to an application for the transfer of various appropriations, to the appropriation for the "Support of Out-Door Poor."

The Comptroller presented the following:

HEADQUARTERS FIRE DEPARTMENT, CITY OF NEW YORK,  
NOS. 155 AND 157 MERCER STREET,  
NEW YORK, January 9, 1884.

To the Honorable Board of Estimate and Apportionment:

GENTLEMEN—I have the honor on behalf of the Board to acknowledge the receipt of the Final Estimate for this Department for the current year and to invite attention to changes in the titles, etc., of several of the items, as follows:

The Chief of Department pay-roll is entitled "Bureau Chief of Department Pay-roll," whereas it is only the pay-roll of a part of the bureau, to wit, of the Chief of Department and his assistant chief officers.

Under the head of "Engine and Hook and Ladder Company Pay-rolls," it is specified that it is for the pay of:

First, "Laddermen and Hosemen," grades which do not now exist and were not specified in the Departmental Estimate.

Second, "Fire Steamboat," which should either be omitted, since the fire steamboats are classed among the engine companies, or it should be changed to fire steamboats, since there are two.

Third, "The force required for additional Hook and Ladder Companies," which should be for increased engine and hook and ladder companies.

Under the head of "Apparatus, Supplies, etc." is also specified for "Maintenance of Fire Steamboat," which should be likewise for fire steamboats; and the item "For Increase of Engine and Hook and Ladder Companies, \$52,400," should be included in the item, "For New Apparatus, Horses, Rents, etc., etc.," making the total of that item \$302,400.

In the case of the salaries required for the increased companies, it will be observed that, though separated in the Departmental Estimate, the amount was included in the general item "Engine and Hook and Ladder Companies Pay-rolls" in the Final Estimate. This change should be made for the reason that both here and in the Finance Department, it was found impracticable to keep the same two accounts in the Final Estimate for 1883 separately, and they were therefore consolidated.

To avoid all possibility of misunderstanding in the future it is requested that the estimate be corrected in the respects above noted.

Very respectfully,

CORNELIUS VAN COTT, President.

—and offered the following resolution:

Resolved, That, as requested by the Commissioners of the Fire Department, changes be made in the titles, etc., of several items of appropriations made to that Department in the Final Estimate for the year 1884, as follows, to wit:

1. Under the appropriation "Fire Department Fund," the text of the item under the sub-head	
For Salaries—	
Bureau of Chief of Department Pay-roll.....	\$41,200 00
—is hereby modified and amended so that it shall read as follows:	
For Salaries—	
The Chief of Department and his Assistant Chief Officers pay-roll.....	\$41,200 00
2. Under the same title of appropriation, the text of the item under the sub-head	
Engine and Hook and Ladder Companies Pay-rolls—	
For pay of Foremen, Assistant Foremen, Engineers, Firemen, Privates, Laddermen, and Hosemen of Engine and Hook and Ladder Companies and of the Fire Steamboat and of the force required for additional hook and ladder companies.....	\$1,007,009 20

Adopted by the Board of Aldermen, January 5, 1884.  
Received from his Honor the Mayor, January 9, 1884, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

engines (being numbers 161, 192, and 516 respectively of the Amoskeag Manufacturing Company), and for making

repairs to said engines, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, February 13, 1884, at which time and place they will be publicly opened by the head of said Department and read.

The boilers to be M. R. Clapp's Circulating Tubular Boiler, patented 1878, and as per specifications.

The engines to be delivered at the Repair Shops of the Fire Department in complete working order, with a guarantee that the material and workmanship are of the best character, and to replace, at the expense of the contractor, such parts, if any, as may fail, if such failure is properly attributable to defective material or inferior workmanship. Said engines shall have a full and complete trial of their working powers at New York, under the superintendence of a competent engineer.

For information as to the amount and kind of work to be done and time of delivery, bidders are referred to the specifications which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of two thousand and four hundred dollars (\$2,400); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred and twenty dollars (\$120). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement with specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

#### DEPARTMENT OF PUBLIC WORKS.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, NOV. 1, 1883.

**PUBLIC NOTICE IS HEREBY GIVEN TO** property-owners of the City of New York that, by the New York City Consolidated Act of 1882, among other matters relating to Croton water rates and affecting all properties liable for Croton water charges, is embraced the following, in "Title 2, Duties and Powers of the Department of Public Works as to Procuring and Distributing Water":

§ 350. The Commissioner of Public Works shall, from time to time, establish scales of rents. \* \* \* \* \*

Such rents shall be collected from the owners or occupants of all such buildings, respectively, which shall be situated upon lots adjoining any street or avenue in said city in which the distributing water-pipes are or may be laid, and from which they can be supplied with water, said rents shall become a charge and lien upon such houses and lots, respectively, as provided by law.

It becomes my duty to state that on and after the first day of April, 1883, all extra charges, such as steam-engines, bakeries, barbers, bathing-tubs, boarding-houses, boarding-schools, building purposes, horses, horse-troughs, hotels, porter-houses, taverns, etc., printing offices, stone cutting or dressing, slaughter-houses, dyeing, water-closets and urinals, laundries, restaurants, soda fountains, extra families, oyster and coffee saloons, water by meter measurement, meters and meter setting, and all other purposes for which the use of Croton water is chargeable according to law, are liens, and unless paid on or before the 31st day of April next must be returned to the Clerk of Arrears, with the amount due on each lot.

HUBERT O. THOMPSON,  
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE, No. 31 CHAMBERS ST.,  
NEW YORK, November 19, 1883.

#### TO THE PUBLIC.

**AT 9:30 P. M. ON THURSDAY THE 15TH** instant, the aqueduct had to be shut off to repair a leak that it could not be repaired in the usual manner from the exterior. This leak had suddenly developed in the section south of Yonkers, where smaller fissures had previously occurred.

The examination showed fissures aggregating 2,000 feet in length. The repairs were finished and water was again turned on by 4 P. M., on Saturday, the 17th instant.

While the flow through the aqueduct was interrupted the supply in the Central Park reservoir was drawn down five feet.

This loss of supply in the city reservoirs, occurring now, as winter is approaching, makes it necessary to take extra precautions against waste of water. Being aware of the temptation to leave faucets open in cold weather to prevent freezing in the pipes, I specially protest against that practice, and appeal to all citizens to abstain from the wasteful use of water in any manner whatever. The present condition of the supply and the possibility of a recurrence of similar leaks in the aqueduct make it my duty to give this public notice that I shall hereinafter resort to the peremptory measure of shutting off the water in all places where persistent waste is discovered.

Commissioner of Public Works.

M., of Tuesday, February 12, 1884, at which time they will be publicly opened and read by the head of said Department, for 450 tons of Fresh Mined White Ash Stove Coal, of the best quality; each ton to consist of two thousand pounds, to be well screened, and delivered in such quantities and in such parts of the city as may be required in specifications, and ordered from time to time, south of Eighty-fourth street, to be subject to such inspection as the Commissioners may direct, and to meet their approval as to the quality, quantity, time, and manner of delivery in every respect.

The award of the contract will be made as soon as practicable after the opening of the bids.

No proposal will be considered unless accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that, if the contract be awarded under that proposal, they will, on its being so awarded, become bound as sureties in eleven hundred (\$1,100) dollars each for its faithful performance, which consent must be verified by the justification of each of the persons signing the same for the amount of surety required. The adequacy and sufficiency of such security as well as the justification thereof, to be approved by the Comptroller.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. —or any single article thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M., of Friday, February 1, 1884. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Hardware, Leather and Findings, and Crockery," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

The Board of Public Charities and Correction reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in section 64, chapter 410, Laws of 1883.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the Contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the estimates, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-awarded and let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury emolument notice," requiring them to appear before me this year.
