VOL. XXVL

NEW YORK, TUESDAY, OCTOBER 18, 1898,

NUMBER 7,738.

## DEPARTMENT OF FINANCE.

Abstract of the transactions of the Bureau of the City Chamberlain for the week ending September 10, 1898.

OFFICE OF THE CITY CHAMBERLAIN, NEW YORK, September 22, 1898.

Hon. Robert A. Van Wyck. Mayer:

Six—In pursuance of section 196, chapter 378 of the Laws of 1897, the Chamberlain directs me to present herewith a report to September 10, 1898, of all moneys received by him and the amount of all warrants paid by him since August 31, 1898, and the amount remaining to the credit of the City on September 10, 1898.

Very respectfully.

Minutes of meeting held October 6 last read and adopted.

#### HEARINGS.

East One Hundred and Eightieth Street, Scauer, from Southern Boulevard to Arthur Avenue; and in Clinton Avenue, between East One Hundred and Eighty-stead Streets; and in Crotona Avenue, between East One Hundred and Eighty-stead East One Hundred and Eighty-stead East One Hundred and Eighty-seeing East One Hundred and Eighty-seeing Streets; and in Belmont Avenue, between East One Hundred and Eighty-seeind Street; and in Hughes Avenue, between East One Hundred and Eighty-seeind East One Hundred and Seventy-seeinth and East One Hundred and Eighty-seeind Streets.

Petiton of C. McRae and others was read and, on motion of Councilman Hottenroth, it was Resolved, That this Board hereby recommends to the Board of Public Improvements that the work be done.

Cambreling Avenue, Regulating, Grading and Sewer, between East One Hundred and Eighly-seventh Street and the Lands of St. John's College.

Petition of Charles H. Cronin and others was read.

Mr. Cronin appeared and urged that both works be recommended by the Local Board.

President Haffen remarked that the sewer in question would have been built long ago, only for the fact that there was no outlet.

On motion of Alderman McGrath, it was
Resolved, That this Board hereby recommends to the Board of Public Improvements that

the work be done.

Fox (Barette) Street, from a goint 385 Feet North of One Hundred and Sixty-lifth Street North to the Intersection of Intervale Avenue, Water and Gas Mains. Communication from John De Hart, dated October 8, was read and, on motion of Councilman Murray, the work was recommended to the Board of Public Improvements.

Bryant and Longfellow Streets, between Jennings and Freeman Streets, Lamp-posts, etc. Petition of Martin Leech and others was read and, on motion of Councilman Murray, the matter was referred to the Commissioner of Public Buildings, Lighting and Supplies.

Two Hundred and Fifty-ninth Street, Repairs to Roadway near Von Humboldt Avenue, Riverdale. It was resolved to recommend a request for repairs to the Deputy Commissioner of Highways, Borough of The Bronx.

Popham Avenue Water Supply.

Communication from John Schreyer, dated October 4, in reference to water supply in Popham avenue, between Montgomery avenue and Palisade place and Undercliff Terrace, was referred to the Commissioner of Water Supply.

Brookline Street Water-main, between Marion and Webster Avenues.

Communication from C. B. Schuyler and others was read, and it was resolved to recommend to the Board of Public Improvements that the work be done.

Decatur, Hull and Perry Avenues, and such other Streets as are Legally Opened in that Section, Water and Gas Mains.

Communication from D. McCormick, Secretary, Bedford Park Taxpayers' Association, dated October 1, was read, and it was resolved to recommend to the Board of Public Improvements that the work be done.

German Place Water and Gas Mains, from One Hundred and Fifty-sixth Street, North, to Intersection with Brook Avenue and One Hundred and Fifty-eighth Street.

Petition of John De Hart was read, and it was resolved to recommend the perition to the Board of Public Improvements.

Sidewalk North Side of One Hundred and Forty-seventh Street, between Bergen and Brook Avenues. Councilean Hottenroth reported that the sidewalk on the north side of One Hundred and Forty-seventh street, between Bergen and Brook avenues, needed repairs, and the Secretary was directed to call the matter to the attention of the Deputy Commissioner of Highways.

Councilman Hottenroth submitted the following, which was adopted:
Resolved, That the Local Board of the Twenty-first District hereby recommends to the consideration of the Commissioner of Bridges the construction of an approach to the Willis Avenue Bridge from the Southern Boulevard, beginning at a point in said Southern Boulevard between Brown place and Willis avenue, that will allow a gradient not exceeding four per centum.

Adjournment.

#### TWENTY-SECOND DISTRICT, BOROUGH OF THE BRONX.

OCTOBER 13, 1898.

Present—President Haffen and Alderman Gass. Minutes of meeting held October 6 last read and adopted.

Alderman Gass inquired as to whether any report had been received from the Commissioner of Bridges relative to the delay in the construction of the temporary bridge over the Brons river at Westchester avenue. President Haffen informed Alderman Gass that no report had been received, and, on motion of Alderman Gass, it was resolved that the Commissioner of Bridges be communicated with again in the matter, if deemed necessary.

Adjournment

The person or persons moding an estimate shall formulable the same in a scaled envelope, independ "Estimate for Digridhing Karaliment Books," and with his or their name or names, and the data of presentation, to the head of said Department, at the said office, on or before the day and book above mared, at which time and place the estimates sensited will be publicly opened by the local of said Department and rend.

The book are to be of the first quality, and to be enade in ancordance with specifications and of material, as per sample in the office of the Superintendent of Elections.

Elections.

Histories will state a price for the work and material form is different and the right state of a figure. For our is a will not be given for the withdrawal of any bid or edifferent and the right is separed by reserved by the foraid of and Department to relect any or all tides which may be discoved projectional to the public increases.

No estimate will be accepted to or or a construct awarded to say person who is in arrests to the Corporation upon delete or contract, or who is a defaulter, as survey or otherwise, upon any abligation to the Corporation.

poration.

The entire quantity of books are to be completed on or before Navander 5, 1858, and are to be delivered in such quantities and as such planes within The City of New York at may be required by the Superincement of Elections.

New York as may be required by the experimentary of Elections.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the noutrent in the manner prescribed by law in the arm of Two Thom and Face Hondred Bollars.

Each estimate chall contain and state the more and place of residence of each of the persons making the same; the names of sail of the persons making the same; the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made wiften any connection with any other person nothing an estimate for the same purpose, and is in all respectively and estimate for the same purpose, and is in all respectively and without collasion or transt; and that no member of the Manicipal Assembly, bead of a department, that of a bureau, deputy thereof or dierk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any pertion of the profits thereof. The estimate must be serious by the outh, in writing, of the party or parties making she estimate, that the several matters stated therein are in all respects thus. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each bill or estimate shall be accompanied by the constraint in writing, of two householders or fracholders in The City of New York, with their respective places of limeiness or residence, to the effect that if the contract by a surfice for its faithful performance; and that if be shall simil or refuse to secure the same, then will put to the Corporation as positions as well as any effective the or to the courts the same there will not to the corporation as positive the same there will put

they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the same to which he would be suitified upon its completion, and that which the Corporation may be obliged to pay to the persons or persons to whom the matrace may be awarded at any subsequent letting; the amount, in each case, to be unbothed upon the continuated amount of the work by which the bids are tested. The causem above mentioned shall be accompanied by the each or affirmation, to writing, of each of the persons signing the same, that he is a knowholder or freeholder in The City of New York, and is worth the amount of the sacutity required for the completion of this contract and harvin stated, were and above all his debis of every native, and over and show his liabilities as hall, surery native, and over and above his liabilities as hall, surery in good faith, and with the intention to escent the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Compreheler of The City of New York after the award is made and prior to the signing of the non-rest.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after whites not refuse to accept the contract within five days after white out the security offered has the absquary and sufficiency of the security offered his or their hid or proposal, and that he absquary and sufficiency of the security offered has the absquary and sufficiency of the security offered him the absquary and sufficiency of the security of the or they accept but do not secure the contract of the security offered him the absquary and sufficiency of the security offered has been approved by the Comprehen, or if he or they accept but do not secure the contract and give the

of the bid for each article.

Each bid or each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons inversated with him or them therein, and if no other person be so interested it shall distinctly state that last; also that it is made without any tonocetion with any other person making an estimate for the same purpose, and is in all respects sair and without collusion or fraud, and that an member of the Manuspal Assembly, head of a department, chief of a bureou, deputy thereof, or slerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and

mate, that the several contres stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each had or estimate shall be accompanied by the content, in writing, of two householders or freeholders, in The City of New York, with their respective places of business or rendence, to the select that if the contract he awarded to the person making the estimate, they will, on its being so awarded, the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or retuse to essecte the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which she Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount to each case to be calculated upon the estimated amount of the supplies by which the bids are mated. The consent alroy ementioned shall be secomponed by the asth or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the saccurity required for the completion of this contract, over and above his liabilities as bail, surrety or otherwise, and that he has offered himself as a surety in good faith, and with the listenion to execute the bond required by section as of chapter 7 of the Revised Ordinances of The City of New

York, if the contract shall be awarded to the person or persons for whom he consents to become curry. The adequacy and sufficiency of the security offered is to be approved by the Comparaller of The City of New York.

approved by the Congitudies of The City of New York.

No hid or estimate will be considered unless accompanied by either a certified chack upon one of the state or National lonks of the City of New York, drawn to the order of the Compiralier, or money to the sourcest of fee per centum of the amount of the security required for the failhful performance of the security required for the failhful performance of the contract. Such theck or money must worb to inclosed in the scaled envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract

threed to him.

Should the person or persons to whom the contract may be awarded neglect or reluse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept him do not execute the contract and give the proper seemity, he or they shall be considered as having attandanced it and as in default to the Corporation, and the contract will be rendered and relet, as provided by law.

Payment will be made by a requisition on the Comptreller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine. The join of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Contract Bookheefter and Auditor, foot of Last Twenty airth street, and bidders are causiloused to examine such and all of its provisions carefully, as the Board of Public Charatter will saids upon its absolute enforcement in every particular.
